- (xxii) Indebtedness outstanding under local lines of credit or local facilities (including local bilateral facilities, working capital facilities or overdraft facilities) in an aggregate principal amount at any one time outstanding not to exceed the greater of \$25.0 million and 10.0% of Consolidated EBITDA;

provided, however, that no more than the greater of \$115.0 million and 50.0% of Consolidated EBITDA of Indebtedness at any time outstanding may be Incurred by a Restricted Subsidiary which is not a Guarantor pursuant to Sections 4(a) or clauses (14)(ii)(A), (15) or (17) of this Section 4(b).

- (c) For purposes of determining compliance with this Section 4:
 - (i) in the event that an item of Indebtedness or preferred stock meets the criteria of more than one of the categories of Permitted Debt described in clauses (i) through (22) of Section 4(b) or is entitled to be Incurred pursuant to Section 4(a), the Company will be permitted to classify such item of Indebtedness or preferred stock on the date of its Incurrence and will only be required to include the amount and type of such Indebtedness or preferred stock in one of such clauses, although the Company may divide and classify an item of Indebtedness or preferred stock in one or more of the types of Indebtedness or preferred stock and may later reclassify all or a portion of such item of Indebtedness or preferred stock, in any manner that complies with this Section 4;

- (ii) notwithstanding Section 4(c)(1), all Indebtedness Incurred under each Senior Facilities Agreement entered into on the date of this Agreement will be deemed to have been Incurred under Section 4(b)(i)(A) and may not be reclassified;
 - (iii) guarantees of, or obligations in respect of letters of credit, bankers' acceptances or other similar instruments relating to, or Liens securing, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included; and
 - (iv) if obligations in respect of LC and Bank Guarantees, bankers' acceptances or other similar instruments are Incurred pursuant to any Credit Facility and are being treated as Incurred pursuant to Section 4(a) or clauses (1), (6), (12), (15), (17) and (22) of Section 4(b) and the LC and Bank Guarantees, bankers' acceptances or other similar instruments relate to other Indebtedness, then such other Indebtedness shall not be included
- (d) The accrual of interest or dividends, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness, the reclassification of preferred stock as Indebtedness due to a change in accounting principles, and the payment of dividends on Disqualified Stock or preferred stock in the form of additional shares of the same class of Disqualified Stock or preferred stock will not be deemed to be an Incurrence of Indebtedness or an issuance of preferred stock for purposes of this Section 4. Notwithstanding any other provision of this Section 4 (including pursuant to any Permitted Refinancing Indebtedness permitted pursuant to this Section 4), the maximum amount of Indebtedness that the Company or any Restricted Subsidiary may Incur pursuant to this Section 4 shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values.
- (e) The amount of any Indebtedness outstanding as of any date will be: (a) the accreted value of the Indebtedness, in the case of any Indebtedness issued with original issue discount; (b) the principal amount of the Indebtedness, in the case of any other Indebtedness; and (c) in respect of Indebtedness of another Person secured by a Lien on the assets of the specified Person, the lesser of: (x) the Fair Market Value of such assets at the date of determination; and (y) the amount of the Indebtedness of the other Person.
- (f) Neither the Company nor any Guarantor will Incur any Indebtedness (including Permitted Debt) that is contractually subordinated in right of payment to any other Indebtedness of the Company or such Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Facility on substantially identical terms; provided, however, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Company or any Guarantor solely by virtue of being unsecured or by virtue of being secured with different collateral or by virtue of being secured on a junior priority basis or by virtue of the application of waterfall or other payment ordering provisions affecting different tranches of Indebtedness.

5. ASSET SALES.

- (a) The Company will not, and will not cause or permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:
- (i) the Company (or the Restricted Subsidiary, as the case may be) receives consideration at the time of the Asset Sale at least equal to the Fair Market Value of the assets or Equity Interests subject to such Asset Sale; and
 - (ii) at least 75% of the consideration received in the Asset Sale by the Company or such Restricted Subsidiary is in the form of cash, Cash Equivalents or Government Guaranteed Securities.

- (b) The amount of (i) any liabilities, as recorded on the most recent balance sheet, of the Company or any Restricted Subsidiary of the Company (other than contingent liabilities and liabilities that are subordinated in right of payment to the Facility) that are assumed by the transferee of any such assets and as a result of which, the Company or such Restricted Subsidiary of the Company are released from any further liability in connection therewith or are indemnified against further liabilities, (ii) any securities, notes, other obligations or assets received by the Company or any such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents within 180 days of the receipt thereof, to the extent of the cash or Cash Equivalents received in that conversion (iii) any Designated Non-cash Consideration received by the Company or any of its Restricted Subsidiaries in such Asset Sale having aggregate Fair Market Value taken together with all other Designated Non-cash Consideration received pursuant to this clause (iii), that is at that time outstanding not to exceed the greater of \$35.0 million and 15.0% of Consolidated EBITDA (with the Fair Market Value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value), (iv) Indebtedness of any Restricted Subsidiary of the Company that is no longer a Restricted Subsidiary as a result of such Asset Sale, to the extent that the Company and each other Restricted Subsidiary are released from any guarantee of such Indebtedness in connection with such Asset Sale, (v) the Fair Market Value of any Capital Stock or assets of the kind referred to in clause (B) or (D) of Section 5(c)(1) and (vi) the Fair Market Value of any consideration consisting of Indebtedness of the Company or any Guarantor of the kind referred to in Section 5(c)(1)(A), provided the such Indebtedness shall thereafter be cancelled, shall be deemed to be cash for purposes of Section 5(a)(ii) and for no other purpose.
- (c) Within 365 days after the receipt of any Net Proceeds from an Asset Sale, the Company (or any Restricted Subsidiary of the Company, as the case may be) may:
- (i) apply such Net Proceeds, at its option:
 - (i) to repay or redeem (v) Indebtedness outstanding under Section 4(b)(1)(A), (w) Pari Passu Indebtedness Incurred under a Credit Facility that is secured by a Lien on the Collateral and that is not subordinated in right of payment to the Facility, (x) Senior Secured Indebtedness that is Pari Passu Indebtedness at a purchase price of no more than 100% of the principal amount of such Pari Passu Indebtedness, (y) any Indebtedness that was secured by any assets not constituting Collateral sold in such Asset Sale, or any other Indebtedness secured only by assets not constituting Collateral, (z) Indebtedness of a Restricted Subsidiary that is not a Guarantor (other than Indebtedness owed to the Company or any of its Restricted Subsidiaries) or (aa) any Indebtedness pursuant to a Notes Offer;
 - (ii) to acquire all or substantially all of the assets of, or any Capital Stock of, another Permitted Business; provided that in the case of any such acquisition of Capital Stock, the Permitted Business is or becomes a Restricted Subsidiary of the Company;
 - (iii) to make a capital expenditure or other Investment in any person engaged in a Permitted Business;
 - (iv) to acquire other assets that are not classified as current assets under IFRS and that are used or useful in a Permitted Business, or
 - (ii) enter into a binding commitment to apply the Net Proceeds pursuant to clause (ii), (iii) or (iv) of Section 5(c)(i), provided that such binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment

until the earlier of (x) the date on which such acquisition or expenditure is consummated, and (y) the 180th day following the expiration of the aforementioned 365 day period; or

(iii) any combination of Section 5(c)(i) and Section 5(c)(ii).

- (d) Pending the final application of any Net Proceeds, the Company (or the applicable Restricted Subsidiary) may temporarily reduce revolving credit borrowings or otherwise invest the Net Proceeds in any manner that is not prohibited by this Agreement.

6. TRANSACTIONS WITH AFFILIATES.

- (a) The Company will not, and will not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Company (each, an **Affiliate Transaction**), involving aggregate consideration in excess of the greater of \$10.0 million and 5.0% of Consolidated EBITDA, unless:

- (i) the Affiliate Transaction is on terms that are not materially less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with a Person who is not an Affiliate; and
- (ii) the Company delivers to the Bank with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of the greater of \$30.0 million and 12.5% of Consolidated EBITDA, an Officer's Certificate and a resolution of the Board of Directors of the Company certifying that such Affiliate Transaction complies with this Section 6.

- (b) The following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to Section 6(a):

- (i) any employment or consultancy agreement, collective bargaining agreement, employee benefit plan, officer or director indemnification agreement, including any stock option, stock appreciation rights, stock incentive, MIP or similar plans or any similar arrangement entered into by the Company or any of its Restricted Subsidiaries in the ordinary course of business or consistent with past practice and payments pursuant thereto (including severance, termination and other similar payments to former or departing employees, consultants, officers or directors);
- (ii) transactions (including a merger) between the Company and any of its Restricted Subsidiaries or among any Restricted Subsidiaries;
- (iii) transactions with a Person (other than an Unrestricted Subsidiary of the Company) that is an Affiliate of the Company solely because the Company owns, directly or through a Restricted Subsidiary, an Equity Interest in, or controls, such Person;
- (iv) payment of reasonable fees to, reimbursements of expenses and indemnity provided on behalf of, officers, directors, employees or consultants of the Company or any of its Restricted Subsidiaries or of any Parent;
- (v) any issuance of Equity Interests (other than Disqualified Stock) of the Company, receipt of any capital contributions in exchange for Equity Interests of the Company (other than Disqualified Stock) or the Incurrence of Subordinated Shareholder Debt;

- (vi) Restricted Payments and Permitted Investments (other than Permitted Investments described in clauses (3) and (9) (to the extent such guarantee is in respect of Indebtedness of a Person that is not the Company or a Restricted Subsidiary) of the definition thereof in Section 15 that do not violate Section 2;
- (vii) Management Advances and MIP Payments;
- (viii) transactions with customers, clients, suppliers, joint venture partners or purchasers or sellers of goods or services, or lessors or lessees of property or providers of employees or other labor in compliance with the terms of this Agreement which are, in the aggregate (taking into account all the costs and benefits associated with such transactions), in the good faith judgment of the Company's Board of Directors, materially no less favorable to the Company or its Restricted Subsidiaries than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with a Person who is not an Affiliate;
- (ix) Liens on Equity Interests of Unrestricted Subsidiaries of the Company for the benefit of lenders of Unrestricted Subsidiaries of the Company;
- (x) if such Affiliate Transaction, following an Initial Public Offering, is with a Person in its capacity as a holder of Capital Stock of the Company or any Restricted Subsidiary where such Person is treated no more favorably than the holders of Capital Stock of the Company or any Restricted Subsidiary;
- (xi) transactions effected pursuant to agreements in effect on the date of this Agreement and any amendment, modification or replacement of such agreement (so long as such amendment or replacement is not, in the good faith judgment of the Company's Board of Directors, materially more disadvantageous to the Bank, taken as a whole, than the original agreement as in effect on the date of this Agreement);
- (xii) Permitted Payments to Parent;
- (xiii) execution, delivery and performance of any consolidated group arrangements for tax or accounting purposes, provided that any payments to be made pursuant to such arrangements are made in compliance with Section 2;
- (xiv) (A) issuances or sales of Capital Stock (other than Disqualified Stock or Designated Preference Shares) of the Company or options, warrants or other rights to acquire such Capital Stock or Subordinated Shareholder Debt and entering into any proceeds loan in respect of the proceeds of any issuance of Senior Notes; provided that the interest rate and other financial terms of such Subordinated Shareholder Debt or proceeds loans are approved by a majority of the members of the Board of Directors of the Company in their reasonable determination and (B) any amendment, waiver or other transaction, including satisfying payment obligations, with respect to any Subordinated Shareholder Debt or proceeds loan in compliance with the other provisions of this Agreement, the Intercreditor Agreement or any Additional Intercreditor Agreement, as applicable;
- (xv) any transaction effected as part of a Qualified Receivables Financing; and
- (xvi) any transaction effected in connection with the Restructuring.

7. LIENS.

- (a) The Company will not, and will not permit any of its Restricted Subsidiaries to, create, Incur, assume or otherwise cause to exist or become effective any Lien of any kind securing Indebtedness upon any of their property or assets, now owned or hereafter acquired, except:
- (i) in the case of any property or asset that does not constitute Collateral, (A) Permitted Liens or (B) if such Lien is not a Permitted Lien, to the extent that all payments due under this Agreement are secured on an equal and ratable pari passu basis with the obligations so secured (or if such obligations so secured are subordinated in right of payment to either the Facility, prior or senior thereto, with the same relative priority as the Facility shall have with respect to such subordinated Indebtedness), until such time as such obligations are no longer secured by a Lien; and
 - (ii) in the case of any property or asset that constitutes Collateral, Permitted Collateral Liens.

8. DESIGNATION OF RESTRICTED AND UNRESTRICTED SUBSIDIARIES.

The Board of Directors of the Company may designate any Restricted Subsidiary (including any newly acquired or newly formed Subsidiary) to be an Unrestricted Subsidiary if that designation would not cause a Default. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by the Company and its Restricted Subsidiaries in the Subsidiary designated as Unrestricted shall be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under Section 2 or under one or more clauses of such definition of Permitted Investments, as determined by the Company. That designation will only be permitted if such Investment would be permitted at that time.

Any designation of a Subsidiary of the Company as an Unrestricted Subsidiary will be evidenced to the Bank by filing promptly with the Bank a certified copy of a resolution of the Board of Directors of the Company giving effect to such designation and an Officer's Certificate certifying that such designation complied with the preceding conditions and was permitted under Section 2 or under one or more clauses of such definition of Permitted Investments, as determined by the Company. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Agreement and any Indebtedness of such Subsidiary will be deemed to be Incurred by a Restricted Subsidiary of the Company as of such date and, if such Indebtedness is not permitted to be Incurred as of such date under Section 4, the Company will be in Default under Section 4.

The Board of Directors of the Company may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary of the Company; provided that such designation will be deemed to be an Incurrence of Indebtedness by a Restricted Subsidiary of the Company of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (1) such Indebtedness is permitted under Section 4, calculated on a pro forma basis taking into account such designation as if such designation had occurred at the beginning of the applicable reference period; and (2) no Default or Event of Default would be in existence following such designation.

9. NO IMPAIRMENT OF SECURITY INTEREST.

- (a) The Company will not, and will not cause or permit any Restricted Subsidiary to, take or knowingly or negligently omit to take, any action which action or omission would or could reasonably be expected to have the result of materially impairing the security interest with respect to the Collateral (it being understood that the Incurrence of Liens on the Collateral permitted by the definition of Permitted Collateral Liens shall under no circumstances be deemed to materially impair the security interest with respect to the Collateral) for the benefit of the Bank, and the Company will not, and

will not cause or permit any Restricted Subsidiary to, grant to any Person other than the Security Agent, for the benefit of the Bank and the other beneficiaries described in the Transaction Security Documents, the Intercreditor Agreement and any Additional Intercreditor Agreement, any interest whatsoever in any of the Collateral; provided that (i) nothing in this Section 9 shall restrict the discharge or release of the Collateral in accordance with this Agreement, the Transaction Security Documents, the Intercreditor Agreement and any Additional Intercreditor Agreement; (ii) the Company and the Restricted Subsidiaries may Incur Permitted Collateral Liens; (iii) the applicable Transaction Security Documents may be amended from time to time to cure any ambiguity, mistake, omission, defect, manifest error or inconsistency therein; (iv) the Company and its Restricted Subsidiaries may discharge and release security interests with respect to the Collateral in connection with the implementation of a Permitted Reorganization, (v) the applicable Transaction Security Documents may be amended in any manner that does not adversely affect the rights of the Security Agent or the Bank in any material respects; and (vi) the security interests and the related Transaction Security Documents may be amended, extended, renewed, restated, supplemented or otherwise modified or released (followed by an immediate retaking of a Lien of at least equivalent ranking over the same assets); provided, however, that in the case of clause (vi) of this Section 9(a), the Transaction Security Documents may not be amended, extended, renewed, restated, supplemented, released or otherwise modified or replaced, unless contemporaneously with such amendment, extension, replacement, restatement, supplement, modification, renewal or release (followed by an immediate retaking of a Lien of at least equivalent ranking over the same assets), the Company delivers to the Bank either:

- (i) a solvency opinion from an internationally recognized investment bank or accounting firm, in form and substance reasonably satisfactory to the Bank confirming the solvency of the Company and its Subsidiaries, taken as a whole, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification, replacement or release and retaking;
 - (ii) a certificate from the Board of Directors or chief financial officer of the relevant Person or the chief financial officer of the Company, which certificate confirms the solvency of the Person granting such security interest after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification, replacement or release and retaking; or
 - (iii) an Opinion of Counsel, in form and substance reasonably satisfactory to the Bank (subject to customary exceptions and qualifications), confirming that, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification, replacement or release and retaking, the Lien or Liens securing the Facility created under the Transaction Security Documents so amended, extended, renewed, restated, supplemented, modified, replaced or release and retaking are valid and perfected Liens not otherwise subject to any limitation imperfection, in equity or at law, that such Lien or Liens were not otherwise subject to immediately prior to such amendment, extension, renewal, restatement, supplement, modification, replacement or release and retaking (other than as a result of the effect of the Agreed Security Principles or any new hardening period).
- (b) At the direction of the Company and without the consent of the Bank, the Security Agent may from time to time enter into one or more amendments to the Transaction Security Documents or enter into additional or supplemental Transaction Security Documents to: (i) cure any ambiguity, omission, defect or inconsistency therein or (ii) (but subject to compliance with Section 9(a)) (x) provide for Permitted Collateral Liens, (y) add to the Collateral or (z) make any other change thereto that does not adversely affect the rights of the Bank in any material respect.
- (c) In the event that the Company complies with this Section 9, the Security Agent shall (subject to customary protections and indemnifications) consent to such amendment, extension, renewal,

restatement, supplement, modification, replacement or release with no need for instructions from the Bank.

10. SUSPENSION OF COVENANTS ON ACHIEVEMENT OF INVESTMENT GRADE STATUS.

(a) If on any date following the date of this Agreement:

- (i) the 2025 Notes (or any Permitted Refinancing Indebtedness of the 2025 Notes) (the **Relevant Debt**) assigned an Investment Grade Rating by at least two Rating Agencies; and
- (ii) no Default or Event of Default shall have occurred and be continuing, (the occurrence of the events described in Section 10(a)(i) and this Section 10(a)(ii) being collectively referred to as a **Covenant Suspension Event** and the date thereof being referred to as the **Suspension Date**),

then the Company shall provide written notice to such effect to the Bank and, beginning on the Suspension Date, the provisions of this Agreement under Section 2, Section 3, Section 4, Section 5, Section 6, Section 8, Section 11 and Section 13(a)(4) will not apply to the Facility or the Company and its Restricted Subsidiaries (collectively, the **Suspended Covenants**).

(b) [Reserved].

(c) In the event that the Company and the Restricted Subsidiaries are not subject to the Suspended Covenants under this Agreement for any period of time as a result of the foregoing, and on any subsequent date (the **Reversion Date**) one or more Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Relevant Debt below an Investment Grade Rating so that the Relevant Debt is no longer assigned an Investment Grade Rating by at least two Rating Agencies, then the Company and the Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants under this Agreement with respect to future events unless and until the Relevant Debt subsequently again attains an Investment Grade Rating from at least two Rating Agencies. Upon any such Reversion Date, the Company shall promptly notify the Bank. The period of time between the Suspension Date and the Reversion Date is referred to in this Agreement as the **Suspension Period**. Upon the occurrence of a Covenant Suspension Event, the amount of Excess Proceeds from Net Proceeds shall be reset to zero.

(d) Notwithstanding the foregoing, in the event of any such reinstatement, no action taken or omitted to be taken by the Company or any Restricted Subsidiary prior to such reinstatement will give rise to a Default or Event of Default under this Agreement; provided that (i) with respect to Restricted Payments made after such reinstatement, the amount available to be made as Restricted Payments will be calculated as though Section 2 had been in effect prior to, but not during, the Suspension Period; (ii) all Indebtedness Incurred, or Disqualified Stock or preferred stock issued, during the Suspension Period will be classified to have been Incurred or issued pursuant to Section 4(b)(v); (iii) any transactions with Affiliates entered into after such reinstatement pursuant to an agreement entered into during any Suspension Period shall be deemed to be permitted pursuant to Section 6(b)(11); and (iv) any encumbrance or restriction on the ability of any Restricted Subsidiary that is not a Guarantor to take any action described in clauses (i) through (iii) of Section 3(a) that becomes effective during any Suspension Period shall be deemed to be permitted pursuant to Section 3(b)(i). In addition, in the event of any such reinstatement, the Company and the Restricted Subsidiaries will be permitted, without causing a Default or an Event of Default, to honor any contractual commitment or take any actions, as long as the contractual commitments were entered into during the Suspension Period and not in anticipation of the occurrence of a Reversion Date.

11. BUSINESS ACTIVITIES

The Company will not, and will not permit any of its Restricted Subsidiaries to, engage in any business other than Permitted Businesses, except to such extent as would not be material to the Company and its Restricted Subsidiaries taken as a whole.

12. FINANCIAL CALCULATIONS.

- (a) For the purposes of determining Consolidated EBITDA for any basket or ratio under this Agreement on any date of determination, Consolidated EBITDA shall be calculated for the period of the most recent four consecutive fiscal quarters for which internal financial statements of the Company are available immediately preceding such date of determination and pro forma effect shall be given to Consolidated EBITDA as set out in this Section 12.
- (b) In the event that the specified Person or any of its Subsidiaries that are Restricted Subsidiaries Incurs, assumes, guarantees, repays, repurchases, redeems, defeases or otherwise discharges any Indebtedness (other than ordinary working capital borrowings) or issues, repurchases or redeems preferred stock subsequent to the commencement of the period for which a financial ratio is being calculated and on or prior to the date on which the event for which the calculation of that financial ratio is made (for the purposes of this definition, the **Calculation Date**), then that financial ratio will be calculated giving pro forma effect (as determined in good faith by an Authorised Person), including in respect of any cost savings, expense reductions, operating improvements and synergies that are reasonably expected to occur within 24 months, to such Incurrence, assumption, guarantee, repayment, repurchase, redemption, defeasance or other discharge of Indebtedness, or such issuance, repurchase or redemption of preferred stock, and the use of the proceeds therefrom, as if the same had occurred at the beginning of the applicable four-quarter reference period; provided, however, that (except with respect to Section 2(b)(18)) the pro forma calculation of that financial ratio shall not give effect to (i) any Indebtedness Incurred on the Calculation Date pursuant to Section 4(b) (other than 4(b)(1)(B) or 4(b)(14)(ii)) or (ii) the discharge on the Calculation Date of any Indebtedness to the extent that such discharge results from the proceeds of Indebtedness Incurred on the Calculation Date pursuant to Section 4(b) (other than 4(b)(1)(B) or 4(b)(14)(ii)).
- (c) For purposes of calculating any financial ratio under this Agreement:
 - (i) any acquisition, Investment, joint venture, disposition, cost saving program or initiative or other similar transaction that have been made by the specified Person or any of its Restricted Subsidiaries, including through mergers or consolidations or leases, or any Person or any Restricted Subsidiary acquired by the specified Person or any of its Restricted Subsidiaries, and including all related financing transactions and including increases in ownership of Restricted Subsidiaries (including any Unrestricted Subsidiary that has been redesignated as a Restricted Subsidiary) (a **Transaction**), during the four-quarter reference period or subsequent to such reference period and on or prior to the Calculation Date, or that are to be made on the Calculation Date, will be given pro forma effect (as determined in good faith by an Authorised Person), including in respect of any cost savings, expense reductions, operating improvements and synergies that are reasonably expected to occur within 24 months, as if they had occurred on the first day of the four-quarter reference period, provided that, if definitive documentation has been entered into with respect to that Transaction, at the option of the Company, Consolidated EBITDA for such period will be calculated after giving pro forma effect to such Transaction (including anticipated cost savings, expense reductions, operating improvements and synergies reasonably expected to occur within 24 months) as if that Transaction had occurred on the first day of such period, even if the Transaction has not yet been consummated as of the date of determination;

- (ii) Consolidated EBITDA and Fixed Charges attributable to discontinued operations, as determined in accordance with IFRS, and operations or businesses or any asset or group of assets constituting a business or operating unit (and ownership interests therein) disposed of prior to the Calculation Date, will be excluded;
- (iii) any Person that is a Restricted Subsidiary on the Calculation Date (including any Unrestricted Subsidiary that has been redesignated as a Restricted Subsidiary) will be deemed to have been a Restricted Subsidiary at all times during such four-quarter period;
- (iv) any Person that is not a Restricted Subsidiary on the Calculation Date will be deemed not to have been a Restricted Subsidiary at any time during such four-quarter period;
- (v) if any Indebtedness bears a floating rate of interest, the interest expense on such Indebtedness will be calculated as if the rate in effect on the Calculation Date had been the applicable rate for the entire period (taking into account any interest rate agreement applicable to such Indebtedness), and if any Indebtedness is not denominated in the Company's functional currency, that Indebtedness for purposes of the calculation of that financial ratio shall be treated in accordance with IFRS;
- (vi) interest on a Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible accounting or financial officer of the Company to be the rate of interest implicit in such Lease Obligation in accordance with IFRS; and
- (vii) the full run-rate effect of cost savings, expense reductions, operating improvements and synergies (as determined in good faith by an a responsible accounting or financial officer of the Company) that have occurred during the four-quarter reference period or subsequent to such reference period and on or prior to the Calculation Date or that are reasonably expected to occur within 24 months shall be included as though such cost savings, expense reductions, operating improvements and synergies had been achieved on the first day of the relevant period,

provided that, subject to paragraph (e) below, at any time the aggregate amount of anticipated cost savings, expense reductions, operating improvements and synergies calculated pursuant to clauses (1) and (7) hereof shall only represent with respect to any four quarter period in the aggregate 20.0% of Consolidated EBITDA (including as a result of such cost savings, expense reductions, operating improvements and synergies).

- (d) When calculating the availability under any basket or ratio under this Agreement, in each case in connection with any Transaction or Restricted Payment where there is a time difference between commitment and closing or Incurrence, the date of determination of such basket or ratio and of any Default or Event of Default shall, at the option of the Company, be the date the definitive agreements for such Transaction or Restricted Payment are entered into and such baskets or ratios shall be calculated on a pro forma basis after giving effect to such Transaction or Restricted Payment (including any Incurrence of Indebtedness and the use of proceeds thereof and anticipated cost savings, expense reductions, operating improvements and synergies reasonably expected to occur within 24 months) as if they occurred at the beginning of the applicable reference period for purposes of determining the ability to consummate any such Transaction or Restricted Payment (and not for purposes of any subsequent availability of any basket or ratio). For the avoidance of doubt, (x) if any of such baskets or ratios are exceeded as a result of fluctuations in such basket or ratio (including due to fluctuations in Consolidated EBITDA of the Company or the target company) subsequent to such date of determination and at or prior to the consummation of the relevant Transaction or Restricted Payment, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations solely for purposes of determining whether the Transaction or Restricted Payment is permitted hereunder and (y) such baskets or ratios shall not be tested at the

time of consummation of such Transaction or Restricted Payment; provided, further, that if the Company elects to have such determinations occur at the time of entry into such definitive agreement, any such Transaction or Restricted Payment (including any Incurrence of Indebtedness and the use of proceeds thereof) shall be deemed to have occurred on the date the definitive agreements are entered and outstanding thereafter for purposes of calculating any baskets or ratios under this Agreement after the date of such agreement and before the consummation of such Transaction or Restricted Payment.

- (e) For the purposes of calculating the Senior Secured Gross Leverage Ratio only:
- (i) any adjustments to Consolidated EBITDA may only be made pursuant to paragraph (c) above;
 - (ii) Consolidated EBITDA shall be calculated after deducting (to the extent otherwise included) the amount of interest received by members of the Restricted Group during the relevant period;
 - (iii) at any time the aggregate amount of anticipated cost savings, expense reductions, operating improvements and synergies calculated pursuant to clauses (1) and (7) of paragraph (c) above shall only represent with respect to any four quarter period in the aggregate 10.0% of Consolidated EBITDA (including as a result of such cost savings, expense reductions, operating improvements and synergies) in any 12 month period;
 - (iv) the Company shall only be entitled to include cost savings, expense reductions, operating improvements and synergies with respect to an acquisition that has completed (and not any other Transaction) and that are reasonably expected to occur within 12 months (and not 24 months).

13. MERGER, CONSOLIDATION OR SALE OF ASSETS

- (a) The Company will not, directly or indirectly, in one or more related transactions (x) consolidate or merge with or into another Person or (y) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the Company's and its Restricted Subsidiaries' properties or assets to another Person (whether or not the Company is the surviving Person), unless:
- (i) either: (a) the Company is the surviving entity; or (b) the Person formed by or surviving any such consolidation or merger (if other than the Company) or to which such sale, assignment, transfer, conveyance or other disposition has been made is a corporation, partnership or limited liability company organized or existing under the laws of the European Union or any member state thereof, the United States, any state of the United States or the District of Columbia, Canada, Norway, Switzerland or Japan;

- (f) No Undertaking shall be renewed pursuant to this Clause without the consent of the Bank. If the Bank does not consent to the renewal of an Undertaking, on the date on which that Undertaking is returned to the Bank and cancelled, or if earlier, on the Expiry Date of that Undertaking, an amount of the Commitments will be cancelled corresponding to the Base Currency Amount of the notional amount of that Undertaking.

 - (B) under the law of the jurisdiction in which that Finance Party's Facility Office is located in respect of amounts received or receivable in that jurisdiction,if that Tax is imposed on or calculated by reference to the net income received or receivable (but not any sum deemed to be received or receivable) by that Finance Party; or
 - (ii) to the extent a loss, liability or cost:
 - (A) is compensated for by an increased payment under Clause 12.2 (Tax gross-up);

- (B) would have been compensated for by an increased payment under Clause 12.2 (Tax gross-up) but was not so compensated solely because one of the exclusions in paragraph (d) of Clause 12.2 (Tax gross-up) applied;
 - (C) is attributable to the Bank Levy (or any payment attributable to, or liability arising as a consequence of, the Bank Levy); or
 - (D) relates to a FATCA Deduction required to be made by a Party.
- (c) A Protected Party making, or intending to make a claim under paragraph (a) above shall promptly notify the Company of the event which will give, or has given, rise to the claim.

12.4 Tax Credit

If an Obligor makes a Tax Payment and the relevant Finance Party determines that acting reasonably and in good faith:

- (a) a Tax Credit is attributable to an increased payment of which that Tax Payment forms part, to that Tax Payment or to a Tax Deduction in consequence of which that Tax Payment was required; and
- (b) that Finance Party has obtained and it (or any of its affiliated entities) has utilised that Tax Credit,

the Finance Party shall pay an amount to the Obligor which that Finance Party determines acting reasonably and in good faith will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the Obligor.

12.5 Bank status confirmation

- (a) If the Bank is not the Original Bank it shall indicate, in the documentation which it executes on becoming a Party as the Bank, and without liability to any Obligor, which of the following categories it falls in:
 - (i) not a Qualifying Bank;
 - (ii) a Qualifying Bank (other than a Treaty Bank); or
 - (iii) a Treaty Bank.
- (b) If the Bank fails to indicate its status in accordance with this Clause 12.5 then the Bank shall be treated for the purposes of this Agreement (including by each Obligor) as if it is not a Qualifying Bank until such time as it notifies the Bank which category applies (and the Bank, upon receipt of such notification, shall inform the Company). For the avoidance of doubt, the documentation which the Bank executes on becoming a Party as the Bank shall not be invalidated by any failure of the Bank to comply with this Clause 12.5.

12.6 Stamp taxes

The Company shall pay and, within five Business Days of demand, indemnify each Secured Party against any cost, loss or liability that Secured Party incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of any Finance Document provided that this Clause 12.6 shall not apply to any stamp duty, registration or other similar Taxes payable in respect of any assignment, assignation, sub-participation or transfer by a Secured Party of any of its rights and/or obligations under a Finance Document.

12.7 VAT

- (a) All amounts expressed to be payable under a Finance Document by any Party to a Finance Party which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, subject to paragraph (b) below, if VAT is or becomes chargeable on any supply made by any Finance Party to any Party under a Finance Document and such Finance Party is required to account to the relevant tax authority for the VAT, that Party must pay to such Finance Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Finance Party must promptly provide an appropriate VAT invoice to that Party).
- (b) If VAT is or becomes chargeable on any supply made by any Finance Party (the **Supplier**) to any other Finance Party (the **Recipient**) under a Finance Document, and any Party other than the Recipient (the **Relevant Party**) is required by the terms of any Finance Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Recipient in respect of that consideration):
 - (i) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Recipient must (where this paragraph (i) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Recipient receives from the relevant tax authority which the Recipient reasonably determines relates to the VAT chargeable on that supply; and
 - (ii) (where the Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Recipient, pay to the Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.
- (c) Where a Finance Document requires any Party to reimburse or indemnify a Finance Party for any cost or expense, that Party shall reimburse or indemnify (as the case may be) such Finance Party for the full amount of such cost or expense, including such part thereof as represents VAT, save to the extent that such Finance Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.
- (d) Any reference in this Clause 12.7 to any Party shall, at any time when such Party is treated as a member of a group for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the representative member of such group at such time (the term **representative member** to have the same meaning as in the Value Added Tax Act 1994) or a reference to the person who is treated at that time as making the supply, or (as appropriate) receiving the supply, under the grouping rules (provided for in article 11 of Council Directive 2006/112/EC as amended (or as implemented by any relevant member state of the European Union) so that a reference to a Party shall be construed as a reference to that Party or the relevant group or unity (or fiscal unity) of which that Party is a member for VAT purposes at the relevant time or the relevant representative member (or representative or head) of that group or unity at the relevant time (as the case may be).
- (e) In relation to any supply made by a Finance Party to any Party under a Finance Document, if reasonably requested by such Finance Party, that Party must promptly provide such Finance Party with details of that Party's VAT registration and such other information as is reasonably requested in connection with such Finance Party's VAT reporting requirements in relation to such supply.

12.8 FATCA information

- (a) Subject to paragraph (c) below, each Party shall, within ten Business Days of a reasonable request by another Party:

 - (iii) supply to that other Party such forms, documentation and other information relating to its status as that other Party reasonably requests for the purposes of that other Party's compliance with any other law, regulation, or exchange of information regime.
- (b) If a Party confirms to another Party pursuant to paragraph (a)(i) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not or has ceased to be a FATCA Exempt Party, that Party shall notify that other Party reasonably promptly.
- (c) Paragraph (a) above shall not oblige any Finance Party to do anything, and paragraph (a)(iii) above shall not oblige any other Party to do anything, which would or might in its reasonable opinion constitute a breach of:
 - (i) any law or regulation;
 - (ii) any fiduciary duty; or
 - (iii) any duty of confidentiality.
- (d) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with paragraph (a)(i) or (a)(ii) above (including, for the avoidance of doubt, where paragraph (c) above applies), then such Party shall be treated for the purposes of the Finance Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.
- (e) If a Borrower is a US Tax Obligor or the Bank reasonably believes that its obligations under FATCA or any other applicable law or regulation require it, the Bank shall, within ten Business Days of:
 - (i) where an Original Borrower is a US Tax Obligor and the Bank is the Original Bank, the date of this Agreement;
 - (ii) where a Borrower is a US Tax Obligor on a date on which any other person becomes a Party as the Bank, that date;
 - (iii) the date a new US Tax Obligor accedes as a Borrower; or

- (A) a withholding certificate on Form W-8, Form W-9 or any other relevant form; or
 - (B) any withholding statement or other document, authorisation or waiver as the Company may require to certify or establish the status of the Bank under FATCA or that other law or regulation.
- (f) If any withholding certificate, withholding statement, document, authorisation or waiver provided to the Company by the Bank pursuant to paragraph (e) above is or becomes materially inaccurate or incomplete, the Bank shall promptly update it and provide such updated withholding certificate, withholding statement, document, authorisation or waiver to the Company unless it is unlawful for the Bank to do so (in which case the Bank shall promptly notify the Company).
- (g) The Company and each US Tax Obligor may rely on any withholding certificate, withholding statement, document, authorisation or waiver it receives from the Bank pursuant to paragraph (e) above without further verification.

12.9 FATCA Deduction

- (a) Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.
- (b) Each Party shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction), notify the Party to whom it is making the payment and, in addition, shall notify the Company.

13. INCREASED COSTS

13.1 Increased Costs

- (a) Subject to Clause 13.3 (Exceptions) the Company shall, within five Business Days of a demand by the Bank, pay for the account of a Finance Party the amount of any Increased Costs incurred by that Finance Party or any of its Affiliates as a result of:
- (i) the introduction of or any change in (or in the interpretation, administration or application of) any law or regulation; or
 - (ii) compliance with any law or regulation made after the date of this Agreement.

13.2 Increased cost claims

- (a) A Finance Party intending to make a claim pursuant to Clause 13.1 (Increased Costs) shall promptly notify the Company.
- (b) Each Finance Party shall, as soon as practicable after a demand by the Bank, provide a certificate confirming the amount of its Increased Costs.

13.3 Exceptions

- (a) Clause 13.1 (Increased Costs) does not apply to the extent any Increased Cost is:
 - (i) attributable to a Tax Deduction required by law to be made by an Obligor;
 - (ii) attributable to a FATCA Deduction required to be made by a Party;
 - (iii) compensated for by Clause 12.3 (Tax indemnity) (or would have been compensated for under Clause 12.3 (Tax indemnity) but was not so compensated solely because any of the exclusions in paragraph (b) of 12.3 (Tax indemnity) applied);
 - (iv) attributable to any Bank Levy (or any payment attributable to, or liability arising as a consequence of, any Bank Levy);
 - (v) attributable to the wilful breach by the relevant Finance Party or its Affiliates of any law or regulation;

14. OTHER INDEMNITIES

14.1 Currency indemnity

- (a) If any sum due from an Obligor under the Finance Documents (a **Sum**), or any order, judgment or award given or made in relation to a Sum, has to be converted from the currency (the **First Currency**) in which that Sum is payable into another currency (the **Second Currency**) for the purpose of:
 - (i) making or filing a claim or proof against that Obligor; or
 - (ii) obtaining or enforcing an order, judgment or award in relation to any litigation or arbitration proceedings,

that Obligor shall as an independent obligation, within five Business Days of demand, indemnify each Secured Party to whom that Sum is due against any cost, loss or liability arising out of or as a result of the conversion including any discrepancy between (A) the rate of exchange used to convert that Sum from the First Currency into the Second Currency and (B) the rate or rates of exchange available to that person at the time of its receipt of that Sum.

- (b) Each Obligor waives any right it may have in any jurisdiction to pay any amount under the Finance Documents in a currency or currency unit other than that in which it is expressed to be payable.

14.2 Other indemnities

The Company shall (or shall procure that an Obligor will), within five Business Days of demand, indemnify the Bank against any cost, loss or liability incurred by it as a result of:

- (a) the occurrence of any Event of Default;
- (b) a failure by an Obligor to pay any amount due under a Finance Document on its due date;

- (d) issuing or making arrangements to issue an Undertaking requested by the Company or a Borrower in a Utilisation Request but not issued by reason of the operation of any one or more of the provisions of this Agreement (other than by reason of default or negligence by the Bank alone); or
- (e) a Utilisation (or part of a Utilisation) not being prepaid in accordance with a notice of prepayment given by a Borrower or the Company.

15. MITIGATION BY THE BANK

15.1 Mitigation

- (a) Each Finance Party shall, in consultation with the Company, take all reasonable steps to mitigate any circumstances which arise and which would result in the Facility ceasing to be available or any amount becoming payable under or pursuant to, or cancelled pursuant to, any of Clause 7.1 (Illegality), Clause 12 (Tax gross up and indemnities) or Clause 13 (Increased Costs) including (but not limited to) transferring its rights and obligations under the Finance Documents to another Affiliate or Facility Office.
- (b) Paragraph (a) above does not in any way limit the obligations of any Obligor under the Finance Documents.

15.2 Limitation of liability

- (a) The Company shall promptly indemnify each Finance Party for all costs and expenses reasonably incurred by that Finance Party as a result of steps taken by it under Clause 15.1 (Mitigation).
- (b) A Finance Party is not obliged to take any steps under Clause 15.1 (Mitigation) if, in the opinion of that Finance Party (acting reasonably), to do so might be prejudicial to it.

16. COSTS AND EXPENSES

16.1 Transaction expenses

The Company shall, within five Business Days of demand, pay the Bank the amount of all costs and expenses (including legal fees) reasonably incurred by any of them in connection with the negotiation, preparation, printing, execution and perfection of:

- (a) this Agreement and any other documents referred to in this Agreement and the Transaction Security; and
- (b) any other Finance Documents executed after the date of this Agreement.

16.2 Amendment costs

If:

- (a) an Obligor requests an amendment, waiver or consent; or
- (b) an amendment is required pursuant to Clause 25.7 (Change of currency),

the Company shall, within five Business Days of demand, reimburse each of the Bank and the Security Agent for the amount of all costs and expenses (including legal fees) reasonably incurred by the Bank and the Security Agent (and, in the case of the Security Agent, by any Receiver or Delegate) in responding to, evaluating, negotiating or complying with that request or requirement.

16.3 Enforcement and preservation costs

The Company shall, within five Business Days of demand, pay to each Secured Party (other than the Security Agent) the amount of all costs and expenses (including legal fees) incurred by it in connection with the enforcement of or the preservation of any rights under any Finance Document and the Transaction Security and any proceedings instituted by or against the Security Agent as a consequence of taking or holding the Transaction Security or enforcing these rights.

17. GUARANTEE AND INDEMNITY

17.1 Guarantee and indemnity

Each Guarantor irrevocably and unconditionally jointly and severally:

- (a) guarantees to each Finance Party punctual performance by each other Obligor of all that Obligor's obligations under the Finance Documents;
- (b) undertakes with each Finance Party that whenever another Obligor does not pay any amount when due under or in connection with any Finance Document, that Guarantor shall immediately on demand pay that amount as if it was the principal obligor; and
- (c) agrees with each Finance Party that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify that Finance Party immediately on demand against any cost, loss or liability it incurs as a result of an Obligor not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any Finance Document on the date when it would have been due. The amount payable by a Guarantor under this indemnity will not exceed the amount it would have had to pay under this Clause 17 if the amount claimed had been recoverable on the basis of a guarantee.

17.2 Continuing guarantee

This guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by any Obligor under the Finance Documents, regardless of any intermediate payment or discharge in whole or in part.

17.3 Reinstatement

If any discharge, release or arrangement (whether in respect of the obligations of any Obligor or any security for those obligations or otherwise) is made by a Finance Party in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, then the liability of each Guarantor under this Clause 17 will continue or be reinstated as if the discharge, release or arrangement had not occurred.

17.4 Waiver of defences

The obligations of each Guarantor under this Clause 17 will not be affected by an act, omission, matter or thing which, but for this Clause 17, would reduce, release or prejudice any of its obligations under this Clause 17 (without limitation and whether or not known to it or any Finance Party) including:

- (a) any time, waiver or consent granted to, or composition with, any Obligor or other person;
- (b) the release of any other Obligor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of an Obligor or any other person;

- (e) any amendment, novation, supplement, extension restatement (however fundamental and whether or not more onerous) or replacement of a Finance Document or any other document or security including, without limitation, any change in the purpose of, any extension of or increase in any facility or the addition of any new facility under any Finance Document or other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security; or
- (g) any insolvency or similar proceedings.

17.5 Guarantor intent

Without prejudice to the generality of Clause 17.4 (Waiver of defences), each Guarantor expressly confirms that it intends that this guarantee shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Finance Documents and/or any facility or amount made available under any of the Finance Documents for the purposes of or in connection with any of the following: business acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

17.6 Immediate recourse

Each Guarantor waives any right it may have of first requiring any Finance Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Guarantor under this Clause 17. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

17.7 Appropriations

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full, each Finance Party (or any trustee or agent on its behalf) may:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by that Finance Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Guarantor shall be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any moneys received from any Guarantor or on account of any Guarantor's liability under this Clause 17.

17.8 Deferral of Guarantors' rights

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full and unless the Bank otherwise directs, no Guarantor will exercise any rights which it may have by reason of performance by it of its obligations under the Finance Documents or by reason of any amount being payable, or liability arising, under this Clause 17:

- (a) to be indemnified by an Obligor;

- (b) to claim any contribution from any other guarantor of any Obligor's obligations under the Finance Documents;
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Finance Parties under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by any Finance Party;
- (d) to bring legal or other proceedings for an order requiring any Obligor to make any payment, or perform any obligation, in respect of which any Guarantor has given a guarantee, undertaking or indemnity under Clause 17.1 (Guarantee and indemnity);
- (e) to exercise any right of set-off against any Obligor; and/or
- (f) to claim or prove as a creditor of any Obligor in competition with any Finance Party.

If a Guarantor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Finance Parties by the Obligors under or in connection with the Finance Documents to be repaid in full on trust for (or otherwise for the benefit of) the Finance Parties and shall promptly pay or transfer the same to the Bank or as the Bank may direct for application in accordance with Clause 25 (Payment mechanics).

17.9 Release of Guarantors' right of contribution

If any Guarantor (a **Retiring Guarantor**) ceases to be a Guarantor in accordance with the terms of the Finance Documents for the purpose of any sale or other disposal of that Retiring Guarantor then on the date such Retiring Guarantor ceases to be a Guarantor:

- (a) that Retiring Guarantor is released by each other Guarantor from any liability (whether past, present or future and whether actual or contingent) to make a contribution to any other Guarantor arising by reason of the performance by any other Guarantor of its obligations under the Finance Documents; and
- (b) each other Guarantor waives any rights it may have by reason of the performance of its obligations under the Finance Documents to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Finance Parties under any Finance Document or of any other security taken pursuant to, or in connection with, any Finance Document where such rights or security are granted by or in relation to the assets of the Retiring Guarantor.

17.10 Additional security

This guarantee is in addition to and is not in any way prejudiced by any other guarantee or security now or subsequently held by any Finance Party.

17.11 General limitations

Without limiting any specific exemptions set out below, this guarantee and any other guarantee, indemnity or assurance against loss in any Finance Document (including any Transaction Security) does not apply to any liability to the extent it would constitute unlawful financial assistance within the meaning of sections 678 or 679 of the Companies Act 2006 or any equivalent and applicable provisions under the laws of the jurisdiction of incorporation of the relevant Guarantor.

17.12 Germany

(a) In this Clause 17.12:

German Guarantor means:

- (a) any Guarantor incorporated in Germany as a limited liability company (*Gesellschaft mit beschränkter Haftung*) (a **German GmbH Guarantor**); or
- (b) a limited partnership (*Kommanditgesellschaft*) in relation to which any general partner (*persönlich haftender Gesellschafter*) is a limited liability company (any such general partner is hereinafter referred to as a **German GP Company**) (such limited partnership is hereinafter referred to as a **German KG Guarantor**).

Guarantee means any guarantee and/or indemnity obligation of any German Guarantor created under this Agreement or any other Finance Document.

Net Assets means the amount of the German GmbH Guarantor's, or, where the German Guarantor is a German KG Guarantor, its German GP Company's relevant assets (the calculation of which shall include all items set forth in Section 266(2) A, B, C, D and E of the German Commercial Code (*Handelsgesetzbuch*, **HGB**)) less:

- (a) the German GmbH Guarantor's, or, where the German Guarantor is a German KG Guarantor, its German GP Company's liabilities, the calculation of which shall include all items set forth in Section 266(3) B, C, D and E of the HGB including any costs for any Auditor's Determination but such liabilities shall exclude:
 - (i) the liabilities under or relating to the Guarantee; and
 - (ii) any obligations (*Verbindlichkeiten*) of the German GmbH Guarantor (and, in case of a GmbH & Co. KG, of its German GP Company):
 - (A) owing to any member of the group or any other affiliated company which are subordinated by law or by contract to any Indebtedness outstanding under this Agreement (including for the avoidance of doubt, obligations that would in an insolvency be subordinated pursuant to Section 39 para 1 no 5 or Section 39 para 2 of the German Insolvency Code (*Insolvenzordnung*)) and including obligations under guarantees for obligations which are so subordinated, unless a waiver of the loan provided to the relevant German GmbH Guarantor or, in the case of a GmbH & Co. KG, of its German GP Company, would result in that member of the group breaching its obligations under section 30 of the German Limited Liability Companies Act (*GmbH-Gesetz*, **GmbHG**) or any similar provision of any other jurisdiction applicable to it; and
 - (B) incurred by the German GmbH Guarantor (and, in the case of a GmbH & Co. KG, of its German GP Company) in wilful violation of any of the provisions of the Finance Documents; and
- (b) any amounts which are subject to legal dividend payment constraints (*Ausschüttungssperre*) pursuant to Section 253(6), Section 268(8) or Section 272(5) HGB, in each case calculated in accordance with HGB (taking into account applicable case law on the calculation of net assets pursuant to Section 30 GmbHG) and accounting principles consistent with those applied in the preparation of the latest annual unconsolidated financial statements for that German GmbH Guarantor (or, where the German Guarantor is a German KG Guarantor, its German GP Company).

For the purpose of such calculation, the following balance sheet items shall be adjusted as follows:

- (i) if the registered share capital of the German Guarantor, or where the German Guarantor is a German KG Guarantor, of its German GP Company, is increased out of retained earnings (*Kapitalerhöhung aus Gesellschaftsmitteln*) after the date of this Agreement, such increase shall not be taken into account unless (i) such increase has been effected with the prior written consent of the Bank or is otherwise permitted under this Agreement or any other Finance Document and (ii) only to the extent it is fully paid up (*voll eingezahlt*);
 - (ii) the amount of any increase after the date of this Agreement of the German Guarantor's, or, where the German Guarantor is a German KG Guarantor, its German GP Company's registered share capital which has been effected out of retained earnings (*Kapitalerhöhung aus Gesellschaftsmitteln*) without the prior written consent of the Bank shall be deducted from the registered share capital;
 - (iii) any accrual (*Rückstellung*) in respect of a potential enforcement of the Guarantee or any Security shall be disregarded; and
 - (iv) liabilities in relation to loans granted to, and other contractual liabilities incurred by, the German Guarantor or as the case may be by its German GP Company, in wilful (*vorsätzlich*) or grossly negligent (*grob fahrlässig*) violation of any Finance Document shall be disregarded.
- (b) In the case of a German Guarantor the enforcement of the Guarantee against such German Guarantor shall be limited if and to the extent that:
- (i) such Guarantee secures the obligations or liabilities of:
 - (A) the German Guarantor's, or in case of a German KG Guarantor, any of its relevant German GP Company's, direct or indirect shareholder (upstream), or
 - (B) a direct or indirect subsidiary of a shareholder pursuant to paragraph (i) (but excluding any direct or indirect subsidiary of the German Guarantor (and, in the case of a German KG Guarantor, any direct or indirect subsidiary of its German GP Company)) (cross-stream); and
 - (ii) the enforcement of the Guarantee (x) would cause the Net Assets to be less than the respective share capital (*Stammkapital*) (*Begründung einer Unterbilanz*) or (y) (if the German GmbH Guarantor's, or, where the German Guarantor is a German KG Guarantor, its German GP Company's Net Assets are already less than its respective registered share capital) would cause such deficit to be further increased (*Vertiefung einer Unterbilanz*).
- (c) In addition, the German Guarantor and, where the German Guarantor is a German KG Guarantor, also its relevant German GP Company shall, if so requested by the Bank realise, to the extent legally permitted, in a situation where after enforcement of the Guarantee the German Guarantor, or, where the German Guarantor is a German KG Guarantor, its relevant German GP Company would not have Net Assets in excess of its respective registered share capital, any and all of its assets that are shown in the balance sheet with a book value (*Buchwert*) that is significantly lower than the market value of the asset if such asset is not necessary for the German Guarantor's or as the case may be its relevant German GP Company's operational business (*operativ nicht betriebsnotwendig*).
- (d) The enforcement of the Guarantee shall initially be excluded if no later than fifteen (15) Business Days following a demand by the Bank to make a payment under the Guarantee, the managing directors on behalf of the German Guarantor or, as the case may be, its German GP Company, have confirmed in writing to the Bank:

- (i) to what extent the Guarantee granted hereunder has an upstream or cross-stream effect as described above; and
- (ii) to which extent the Guarantee securing cross-stream and/or upstream obligations or liabilities as described above cannot be enforced as it would cause the Net Assets of the German Guarantor, or, where the German Guarantor is a German KG Guarantor, its German GP Company to be less than its respective registered share capital (taking into account the above set out adjustments and realization duties),

(the **Management Determination**) and such confirmation is supported by a reasonably satisfactory calculation provided that the Bank shall in any event be entitled to enforce the Guarantee for any amounts where such enforcement would, in accordance with the Management Determination, not cause the German Guarantor's, or, where the German Guarantor is a German KG Guarantor, its German GP Company's Net Assets to be less than (or to fall further below) the amount of its respective registered share capital (in each case as calculated and adjusted as set out above).

- (e) Following the Bank's receipt of Management Determination, any further enforcement of the Guarantee (i.e. any enforcement to which the Bank is not already entitled to) shall be excluded for a period of no more than thirty (30) Business Days only. If the Bank receives within such thirty (30) Business Days period: (i) an up-to date balance sheet together with (ii) a determination in each case prepared by auditors of international standard and reputation appointed by the relevant German Guarantor either confirming the Management Determination or setting out deviations from the Management Determination (the **Auditor's Determination**), the further enforcement of the Guarantee shall be limited, if and to the extent such enforcement would, in accordance with the Auditor's Determination cause the German Guarantor's, or, where the German Guarantor is a German KG Guarantor, its German GP Company's Net Assets to be less than (or to fall further below) the amount of its respective registered share capital in each case as calculated and adjusted as set out above. If the German Guarantor fails to deliver an Auditor's Determination within thirty (30) Business Days after receipt of the Management Determination, the Bank shall be entitled to enforce the Guarantee without any limitation or restriction.
- (f) If and to the extent (A) the net assets as determined by the Auditors' Determination are lower than the amount enforced in accordance with the Management Determination or (B) the Guarantee has been enforced without regard to the limitations set out above because (x) the Management Determination was not delivered within the relevant time frame or (y) the Auditors' Determination was not delivered within the relevant time frame but has been delivered within ten (10) Business Days following the due date for the delivery of the Auditors' Determination, the Bank shall without undue delay repay to the relevant German Guarantor upon written demand of the relevant German Guarantor any amount (if and to the extent already paid to the Finance Party (or any of them)) in the case of (A) equal to the difference between the amount paid and the amount payable resulting from the Auditor's Determination, and in the case of (B), which the Bank would not have been entitled to enforce had the Management Determination and the Auditors' Determination been delivered in time provided such demand for repayment is made to the Bank within six months from the date the Guarantee is enforced. The Bank may withhold any amount received pursuant to an enforcement of the Guarantee until final determination of the amount of the net assets pursuant to the Auditor's Determination.
- (g) The limitations set out in this Clause 17.12 shall not apply (or, as the case may be, shall cease to apply):
 - (i) if and to the extent any amounts borrowed under this Agreement are lent or on-lent to such German Guarantor and/or, in case of a German KG Guarantor, its relevant German GP Company or any of its respective subsidiaries from time to time if, in addition by virtue of the enforcement of the Guarantee the German Guarantor, or as the case may be, its relevant German GP Company, has a recourse, indemnification, sharing of losses or other compensation claim against such lending affiliated company (*verbundenes Unternehmen*)

within the meaning of Section 16, 17 or 18 of the German Stock Act (*Aktiengesetz*, **AktG**) or the lending direct or indirect shareholder of the German Guarantor which could be set-off against such loan receivable or otherwise be used to settle or discharge such loan obligation and provided that the Bank has waived with binding effect on any Finance Party the restrictions of any provision under any Finance Document restricting the right to set off claims against, or otherwise make use of the recourse, indemnification, sharing of losses or other compensation claim against such lending affiliated company (*verbundenes Unternehmen*) within the meaning of Section 16, 17 or 18 of the AktG or the lending direct or indirect shareholder of the German Guarantor in order to settle or discharge such loan obligation vis-à-vis, such lending member of the lending affiliated company (*verbundenes Unternehmen*) within the meaning of Section 16, 17 or 18 of the AktG or the lending direct or indirect shareholder of the German Guarantor; or

- (ii) if and when a domination agreement (*Beherrschungsvertrag*) and/or profit absorption agreement (*Gewinnabführungsvertrag*) (either directly or through a chain of domination and/or profit absorption agreements) is or becomes effective between the relevant German Guarantor (or, in case of a German KG Guarantor, its German GP Company) as dependent entity (*abhängiges Unternehmen*) and:
 - (A) in case of the German Guarantor (or, in case of a German KG Guarantor, its German GP Company) is a subsidiary of the relevant obligor whose obligations are guaranteed under the Guarantee, that obligor; or
 - (B) in case the German Guarantor (or, in case of a German KG Guarantor, its German GP Company) is a sister company of the relevant obligor whose obligations are guaranteed under the Guarantee, any joint (direct or indirect) parent company of the German Guarantor (or, in case of a German KG Guarantor, its German GP Company) and that obligor,

as dominating entity (*beherrschendes Unternehmen*)) other than where and to the extent the existence of such domination agreement (*Beherrschungsvertrag*) and/or profit absorption agreement (*Gewinnabführungsvertrag*) does not result in the inapplicability of sentence 1 of paragraph 1 of Section 30 GmbHG (as stipulated by sentence 2 of such paragraph) with respect to the relevant payments under the Guarantee (including in respect of intermediate entities through which the relevant obligor whose obligations are guaranteed under the Guarantee is an indirect shareholder of the German Guarantor, or as the case may be, its German GP Company);

- (iii) if and to the extent the German Guarantor holds on the date of the enforcement of the Guarantee a fully valuable and recoverable indemnity or claim for refund (*vollwertiger Gegenleistungs-oder Rückgewähranspruch*) against any of its direct or indirect shareholders or Subsidiaries of such shareholders (other than Subsidiaries of the German Guarantor) with respect to the relevant payments under the Guarantee; or
- (iv) if and to the extent for any other reason (including, without limitation, as a result of a change in the relevant rules of law) the deficit (*Unterbilanz*) referred to in paragraph (b) above does not constitute a breach of the German Guarantor's obligations to maintain its registered share capital pursuant to §§ 30 et seq. GmbHG or does not result in a personal liability of the managing directors of the German Guarantor pursuant to §§ 43, 31 GmbHG.

 - (vi) Restricted Payments and Permitted Investments (other than Permitted Investments described in clauses (3) and (9) (to the extent such guarantee is in respect of Indebtedness of a Person that is not the Company or a Restricted Subsidiary) of the definition thereof in Section 15 that do not violate Section 2;
 - (vii) Management Advances and MIP Payments;
 - (viii) transactions with customers, clients, suppliers, joint venture partners or purchasers or sellers of goods or services, or lessors or lessees of property or providers of employees or other labor in compliance with the terms of this Agreement which are, in the aggregate (taking into account all the costs and benefits associated with such transactions), in the good faith judgment of the Company's Board of Directors, materially no less favorable to the Company or its Restricted Subsidiaries than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with a Person who is not an Affiliate;

- (ix) Liens on Equity Interests of Unrestricted Subsidiaries of the Company for the benefit of lenders of Unrestricted Subsidiaries of the Company;
- (x) if such Affiliate Transaction, following an Initial Public Offering, is with a Person in its capacity as a holder of Capital Stock of the Company or any Restricted Subsidiary where such Person is treated no more favorably than the holders of Capital Stock of the Company or any Restricted Subsidiary;
- (xi) transactions effected pursuant to agreements in effect on the date of this Agreement and any amendment, modification or replacement of such agreement (so long as such amendment or replacement is not, in the good faith judgment of the Company's Board of Directors, materially more disadvantageous to the Bank, taken as a whole, than the original agreement as in effect on the date of this Agreement);
- (xii) Permitted Payments to Parent;
- (xiii) execution, delivery and performance of any consolidated group arrangements for tax or accounting purposes, provided that any payments to be made pursuant to such arrangements are made in compliance with Section 2;

- (xv) any transaction effected as part of a Qualified Receivables Financing; and
- (xvi) any transaction effected in connection with the Restructuring.

7. LIENS.

- (a) The Company will not, and will not permit any of its Restricted Subsidiaries to, create, incur, assume or otherwise cause to exist or become effective any Lien of any kind securing Indebtedness upon any of their property or assets, now owned or hereafter acquired, except:
 - (i) in the case of any property or asset that does not constitute Collateral, (A) Permitted Liens or (B) if such Lien is not a Permitted Lien, to the extent that all payments due under this Agreement are secured on an equal and ratable pari passu basis with the obligations so secured (or if such obligations so secured are subordinated in right of payment to either the Facility, prior or senior thereto, with the same relative priority as the Facility shall have with respect to such subordinated Indebtedness), until such time as such obligations are no longer secured by a Lien; and
 - (ii) in the case of any property or asset that constitutes Collateral, Permitted Collateral Liens.

8. DESIGNATION OF RESTRICTED AND UNRESTRICTED SUBSIDIARIES.

The Board of Directors of the Company may designate any Restricted Subsidiary (including any newly acquired or newly formed Subsidiary) to be an Unrestricted Subsidiary if that designation would not

cause a Default. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by the Company and its Restricted Subsidiaries in the Subsidiary designated as Unrestricted shall be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under Section 2 or under one or more clauses of such definition of Permitted Investments, as determined by the Company. That designation will only be permitted if such Investment would be permitted at that time.

Any designation of a Subsidiary of the Company as an Unrestricted Subsidiary will be evidenced to the Bank by filing promptly with the Bank a certified copy of a resolution of the Board of Directors of the Company giving effect to such designation and an Officer's Certificate certifying that such designation complied with the preceding conditions and was permitted under Section 2 or under one or more clauses of such definition of Permitted Investments, as determined by the Company. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Agreement and any Indebtedness of such Subsidiary will be deemed to be Incurred by a Restricted Subsidiary of the Company as of such date and, if such Indebtedness is not permitted to be Incurred as of such date under Section 4, the Company will be in Default under Section 4.

The Board of Directors of the Company may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary of the Company; provided that such designation will be deemed to be an Incurrence of Indebtedness by a Restricted Subsidiary of the Company of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (1) such Indebtedness is permitted under Section 4, calculated on a pro forma basis taking into account such designation as if such designation had occurred at the beginning of the applicable reference period; and (2) no Default or Event of Default would be in existence following such designation.

9. NO IMPAIRMENT OF SECURITY INTEREST.

- (a) The Company will not, and will not cause or permit any Restricted Subsidiary to, take or knowingly or negligently omit to take, any action which action or omission would or could reasonably be expected to have the result of materially impairing the security interest with respect to the Collateral (it being understood that the Incurrence of Liens on the Collateral permitted by the definition of Permitted Collateral Liens shall under no circumstances be deemed to materially impair the security interest with respect to the Collateral) for the benefit of the Bank, and the Company will not, and will not cause or permit any Restricted Subsidiary to, grant to any Person other than the Security Agent, for the benefit of the Bank and the other beneficiaries described in the Transaction Security Documents, the Intercreditor Agreement and any Additional Intercreditor Agreement, any interest whatsoever in any of the Collateral; provided that (i) nothing in this Section 9 shall restrict the discharge or release of the Collateral in accordance with this Agreement, the Transaction Security Documents, the Intercreditor Agreement and any Additional Intercreditor Agreement; (ii) the Company and the Restricted Subsidiaries may Incur Permitted Collateral Liens; (iii) the applicable Transaction Security Documents may be amended from time to time to cure any ambiguity, mistake, omission, defect, manifest error or inconsistency therein; (iv) the Company and its Restricted Subsidiaries may discharge and release security interests with respect to the Collateral in connection with the implementation of a Permitted Reorganization, (v) the applicable Transaction Security Documents may be amended in any manner that does not adversely affect the rights of the Security Agent or the Bank in any material respects; and (vi) the security interests and the related Transaction Security Documents may be amended, extended, renewed, restated, supplemented or otherwise modified or released (followed by an immediate retaking of a Lien of at least equivalent ranking over the same assets); provided, however, that in the case of clause (vi) of this Section 9(a), the Transaction Security Documents may not be amended, extended, renewed, restated, supplemented, released or otherwise modified or replaced, unless contemporaneously with such amendment, extension, replacement,

restatement, supplement, modification, renewal or release (followed by an immediate retaking of a Lien of at least equivalent ranking over the same assets), the Company delivers to the Bank either:

- (i) a solvency opinion from an internationally recognized investment bank or accounting firm, in form and substance reasonably satisfactory to the Bank confirming the solvency of the Company and its Subsidiaries, taken as a whole, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification, replacement or release and retaking;
 - (ii) a certificate from the Board of Directors or chief financial officer of the relevant Person or the chief financial officer of the Company, which certificate confirms the solvency of the Person granting such security interest after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification, replacement or release and retaking; or
 - (iii) an Opinion of Counsel, in form and substance reasonably satisfactory to the Bank (subject to customary exceptions and qualifications), confirming that, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification, replacement or release and retaking, the Lien or Liens securing the Facility created under the Transaction Security Documents so amended, extended, renewed, restated, supplemented, modified, replaced or release and retaking are valid and perfected Liens not otherwise subject to any limitation imperfection, in equity or at law, that such Lien or Liens were not otherwise subject to immediately prior to such amendment, extension, renewal, restatement, supplement, modification, replacement or release and retaking (other than as a result of the effect of the Agreed Security Principles or any new hardening period).
- (b) At the direction of the Company and without the consent of the Bank, the Security Agent may from time to time enter into one or more amendments to the Transaction Security Documents or enter into additional or supplemental Transaction Security Documents to: (i) cure any ambiguity, omission, defect or inconsistency therein or (ii) (but subject to compliance with Section 9(a)) (x) provide for Permitted Collateral Liens, (y) add to the Collateral or (z) make any other change thereto that does not adversely affect the rights of the Bank in any material respect.
- (c) In the event that the Company complies with this Section 9, the Security Agent shall (subject to customary protections and indemnifications) consent to such amendment, extension, renewal, restatement, supplement, modification, replacement or release with no need for instructions from the Bank.

10. SUSPENSION OF COVENANTS ON ACHIEVEMENT OF INVESTMENT GRADE STATUS.

- (a) If on any date following the date of this Agreement:
- (i) the 2025 Notes (or any Permitted Refinancing Indebtedness of the 2025 Notes) (the **Relevant Debt**) assigned an Investment Grade Rating by at least two Rating Agencies; and
 - (ii) no Default or Event of Default shall have occurred and be continuing, (the occurrence of the events described in Section 10(a)(i) and this Section 10(a)(ii) being collectively referred to as a **Covenant Suspension Event** and the date thereof being referred to as the **Suspension Date**),

then the Company shall provide written notice to such effect to the Bank and, beginning on the Suspension Date, the provisions of this Agreement under Section 2, Section 3, Section 4, Section 5, Section 6, Section 8, Section 11 and Section 13(a)(4) will not apply to the Facility or the Company and its Restricted Subsidiaries (collectively, the **Suspended Covenants**).

- (b) [Reserved].

- (c) In the event that the Company and the Restricted Subsidiaries are not subject to the Suspended Covenants under this Agreement for any period of time as a result of the foregoing, and on any subsequent date (the **Reversion Date**) one or more Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Relevant Debt below an Investment Grade Rating so that the Relevant Debt is no longer assigned an Investment Grade Rating by at least two Rating Agencies, then the Company and the Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants under this Agreement with respect to future events unless and until the Relevant Debt subsequently again attains an Investment Grade Rating from at least two Rating Agencies. Upon any such Reversion Date, the Company shall promptly notify the Bank. The period of time between the Suspension Date and the Reversion Date is referred to in this Agreement as the **Suspension Period**. Upon the occurrence of a Covenant Suspension Event, the amount of Excess Proceeds from Net Proceeds shall be reset to zero.
- (d) Notwithstanding the foregoing, in the event of any such reinstatement, no action taken or omitted to be taken by the Company or any Restricted Subsidiary prior to such reinstatement will give rise to a Default or Event of Default under this Agreement; provided that (i) with respect to Restricted Payments made after such reinstatement, the amount available to be made as Restricted Payments will be calculated as though Section 2 had been in effect prior to, but not during, the Suspension Period; (ii) all Indebtedness Incurred, or Disqualified Stock or preferred stock issued, during the Suspension Period will be classified to have been Incurred or issued pursuant to Section 4(b)(v); (iii) any transactions with Affiliates entered into after such reinstatement pursuant to an agreement entered into during any Suspension Period shall be deemed to be permitted pursuant to Section 6(b)(11); and (iv) any encumbrance or restriction on the ability of any Restricted Subsidiary that is not a Guarantor to take any action described in clauses (i) through (iii) of Section 3(a) that becomes effective during any Suspension Period shall be deemed to be permitted pursuant to Section 3(b)(i). In addition, in the event of any such reinstatement, the Company and the Restricted Subsidiaries will be permitted, without causing a Default or an Event of Default, to honor any contractual commitment or take any actions, as long as the contractual commitments were entered into during the Suspension Period and not in anticipation of the occurrence of a Reversion Date.

11. BUSINESS ACTIVITIES

The Company will not, and will not permit any of its Restricted Subsidiaries to, engage in any business other than Permitted Businesses, except to such extent as would not be material to the Company and its Restricted Subsidiaries taken as a whole.

12. FINANCIAL CALCULATIONS.

- (a) For the purposes of determining Consolidated EBITDA for any basket or ratio under this Agreement on any date of determination, Consolidated EBITDA shall be calculated for the period of the most recent four consecutive fiscal quarters for which internal financial statements of the Company are available immediately preceding such date of determination and pro forma effect shall be given to Consolidated EBITDA as set out in this Section 12.
- (b) In the event that the specified Person or any of its Subsidiaries that are Restricted Subsidiaries Incurs, assumes, guarantees, repays, repurchases, redeems, defeases or otherwise discharges any Indebtedness (other than ordinary working capital borrowings) or issues, repurchases or redeems preferred stock subsequent to the commencement of the period for which a financial ratio is being calculated and on or prior to the date on which the event for which the calculation of that financial ratio is made (for the purposes of this definition, the **Calculation Date**), then that financial ratio will be calculated giving pro forma effect (as determined in good faith by an Authorised Person), including in respect of any cost savings, expense reductions, operating improvements and synergies that are reasonably expected to occur within 24 months, to such Incurrence, assumption, guarantee, repayment, repurchase, redemption, defeasance or other discharge of Indebtedness, or such issuance, repurchase or redemption

of preferred stock, and the use of the proceeds therefrom, as if the same had occurred at the beginning of the applicable four-quarter reference period; provided, however, that (except with respect to Section 2(b)(18)) the pro forma calculation of that financial ratio shall not give effect to (i) any Indebtedness Incurred on the Calculation Date pursuant to Section 4(b) (other than 4(b)(1)(B) or 4(b)(14)(ii)) or (ii) the discharge on the Calculation Date of any Indebtedness to the extent that such discharge results from the proceeds of Indebtedness Incurred on the Calculation Date pursuant to Section 4(b) (other than 4(b)(1)(B) or 4(b)(14)(ii)).

(c) For purposes of calculating any financial ratio under this Agreement:

- (i) any acquisition, Investment, joint venture, disposition, cost saving program or initiative or other similar transaction that have been made by the specified Person or any of its Restricted Subsidiaries, including through mergers or consolidations or leases, or any Person or any Restricted Subsidiary acquired by the specified Person or any of its Restricted Subsidiaries, and including all related financing transactions and including increases in ownership of Restricted Subsidiaries (including any Unrestricted Subsidiary that has been redesignated as a Restricted Subsidiary) (a **Transaction**), during the four-quarter reference period or subsequent to such reference period and on or prior to the Calculation Date, or that are to be made on the Calculation Date, will be given pro forma effect (as determined in good faith by an Authorised Person), including in respect of any cost savings, expense reductions, operating improvements and synergies that are reasonably expected to occur within 24 months, as if they had occurred on the first day of the four-quarter reference period, provided that, if definitive documentation has been entered into with respect to that Transaction, at the option of the Company, Consolidated EBITDA for such period will be calculated after giving pro forma effect to such Transaction (including anticipated cost savings, expense reductions, operating improvements and synergies reasonably expected to occur within 24 months) as if that Transaction had occurred on the first day of such period, even if the Transaction has not yet been consummated as of the date of determination;
- (ii) Consolidated EBITDA and Fixed Charges attributable to discontinued operations, as determined in accordance with IFRS, and operations or businesses or any asset or group of assets constituting a business or operating unit (and ownership interests therein) disposed of prior to the Calculation Date, will be excluded;
- (iii) any Person that is a Restricted Subsidiary on the Calculation Date (including any Unrestricted Subsidiary that has been redesignated as a Restricted Subsidiary) will be deemed to have been a Restricted Subsidiary at all times during such four-quarter period;
- (iv) any Person that is not a Restricted Subsidiary on the Calculation Date will be deemed not to have been a Restricted Subsidiary at any time during such four-quarter period;
- (v) if any Indebtedness bears a floating rate of interest, the interest expense on such Indebtedness will be calculated as if the rate in effect on the Calculation Date had been the applicable rate for the entire period (taking into account any interest rate agreement applicable to such Indebtedness), and if any Indebtedness is not denominated in the Company's functional currency, that Indebtedness for purposes of the calculation of that financial ratio shall be treated in accordance with IFRS;
- (vi) interest on a Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible accounting or financial officer of the Company to be the rate of interest implicit in such Lease Obligation in accordance with IFRS; and
- (vii) the full run-rate effect of cost savings, expense reductions, operating improvements and synergies (as determined in good faith by an a responsible accounting or financial officer of

the Company) that have occurred during the four-quarter reference period or subsequent to such reference period and on or prior to the Calculation Date or that are reasonably expected to occur within 24 months shall be included as though such cost savings, expense reductions, operating improvements and synergies had been achieved on the first day of the relevant period,

provided that, subject to paragraph (e) below, at any time the aggregate amount of anticipated cost savings, expense reductions, operating improvements and synergies calculated pursuant to clauses (1) and (7) hereof shall only represent with respect to any four quarter period in the aggregate 20.0% of Consolidated EBITDA (including as a result of such cost savings, expense reductions, operating improvements and synergies).

- (d) When calculating the availability under any basket or ratio under this Agreement, in each case in connection with any Transaction or Restricted Payment where there is a time difference between commitment and closing or Incurrence, the date of determination of such basket or ratio and of any Default or Event of Default shall, at the option of the Company, be the date the definitive agreements for such Transaction or Restricted Payment are entered into and such baskets or ratios shall be calculated on a pro forma basis after giving effect to such Transaction or Restricted Payment (including any Incurrence of Indebtedness and the use of proceeds thereof and anticipated cost savings, expense reductions, operating improvements and synergies reasonably expected to occur within 24 months) as if they occurred at the beginning of the applicable reference period for purposes of determining the ability to consummate any such Transaction or Restricted Payment (and not for purposes of any subsequent availability of any basket or ratio). For the avoidance of doubt, (x) if any of such baskets or ratios are exceeded as a result of fluctuations in such basket or ratio (including due to fluctuations in Consolidated EBITDA of the Company or the target company) subsequent to such date of determination and at or prior to the consummation of the relevant Transaction or Restricted Payment, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations solely for purposes of determining whether the Transaction or Restricted Payment is permitted hereunder and (y) such baskets or ratios shall not be tested at the time of consummation of such Transaction or Restricted Payment; provided, further, that if the Company elects to have such determinations occur at the time of entry into such definitive agreement, any such Transaction or Restricted Payment (including any Incurrence of Indebtedness and the use of proceeds thereof) shall be deemed to have occurred on the date the definitive agreements are entered and outstanding thereafter for purposes of calculating any baskets or ratios under this Agreement after the date of such agreement and before the consummation of such Transaction or Restricted Payment.

- (a) The Company will not, directly or indirectly, in one or more related transactions (x) consolidate or merge with or into another Person or (y) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the Company's and its Restricted Subsidiaries' properties or assets to another Person (whether or not the Company is the surviving Person), unless:
- (i) either: (a) the Company is the surviving entity; or (b) the Person formed by or surviving any such consolidation or merger (if other than the Company) or to which such sale, assignment, transfer, conveyance or other disposition has been made is a corporation, partnership or limited liability company organized or existing under the laws of the European Union or any member state thereof, the United States, any state of the United States or the District of Columbia, Canada, Norway, Switzerland or Japan;

- (iii) immediately after such transaction, no Default or Event of Default exists and the Transaction Security Documents and the Liens created on the Collateral shall remain in full force and effect, or subject to the satisfaction of the Bank, shall have been transferred to such surviving entity and shall have been perfected and be in full force and effect or otherwise released in accordance with the terms of this Agreement;
 - (iv) (a) the Company or the Person formed by or surviving any such consolidation or merger (if other than the Company), or to which such sale, assignment, transfer, conveyance or other disposition has been made would, on the date of such transaction after giving *pro forma* effect thereto and to any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period be permitted to Incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4(a), or (b) the Fixed Charge Coverage Ratio of the Company or the successor Person, on the date of and after giving *pro forma* effect to such acquisition and such Incurrence or issuance, would not be less than such ratio for the Company and its Restricted Subsidiaries immediately prior to such transaction; and

- (b) Save for the Company, a Guarantor may not sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into (whether or not such Guarantor is the surviving Person) another Person, in each case, other than the Company or another Guarantor, unless either:

- (a) Nothing in this Agreement (including Clause 9.1 (Restriction on Payment: Intra-Group Liabilities) and Clause 10.1 (Restriction on Payment: Subordinated Liabilities)) shall prohibit any Payment of any Proceeds Loan to the extent that such Payment is made to facilitate a Payment of the Primary Creditor Liabilities owed by the Creditor of that Proceeds Loan which is not prohibited by this Agreement or any of the Primary Debt Documents.
- (b) No Creditor in respect of any Proceeds Loan shall take or require the taking of any Enforcement Action with respect to that Proceeds Loan unless that action is taken in connection with any other Enforcement Action which is permitted by this Agreement at that time to facilitate a Payment of the Primary Creditor Liabilities owed by the Creditor of that Proceeds Loan which is not prohibited by this Agreement or any of the Primary Debt Documents.

This Clause 3 shall not apply to any Hedge Counterparty or any Hedging Liabilities or any Cash Management Provider or any Cash Management Liabilities.

3.9 Bilateral Lenders: Cash Cover

Subject to Clause 4.5 (Permitted Enforcement: Cash Management Providers), so long as any of the First Lien Liabilities (other than any Liabilities owed to the Cash Management Providers) are or may be outstanding, none of the Cash Management Providers shall be entitled to take any Enforcement Action in respect of any of the Cash Management Liabilities owed to it.

4.5 Permitted Enforcement: Cash Management Providers

- (a) Each Cash Management Provider may take Enforcement Action with respect to its Cash Management Liabilities which would be available to it but for Clause 4.4 (Restriction on Enforcement: Cash Management Providers) if that action would be permitted to be taken under paragraph (a) of Clause 3.7 (Permitted Enforcement: Ancillary Lenders and Issuing Banks) as if the Cash Management Provider was an Ancillary Lender and any reference to a First Lien Facility Agreement is a reference to the relevant Cash Management Agreement.
- (b) Clause 4.4 (Restriction on Enforcement: Cash Management Providers) shall not restrict any right of a Cash Management Provider:
 - (i) to demand repayment or prepayment of any of the Liabilities owed to it prior to the expiry date of the relevant Cash Management Agreement; or
 - (ii) to net or set off in relation to a Multi-account Overdraft,in accordance with the terms of the relevant Cash Management Agreement and, in the case of a Multi-account Overdraft, to the extent that the demand is required to effect, or the netting or set-off represents, a Permitted Multi-account Overdraft Discharge.
- (c) Notwithstanding anything else to contrary in this Agreement or the terms of any other Debt Document, including any Security Document and including Clause 4.4 (Restriction on Enforcement: Cash Management Providers), nothing shall restrict any right of the Initial Cash Management Provider to exercise all or any of the rights it may have under the Cash Management Agreements to which it is a party (including, but not limited to, any such rights that relate to demanding repayment, cancelling commitments or availability or exercising any right of set-off or netting or otherwise to apply cash held by it against any Liabilities owed to it), provided that the Initial Cash Management Provider shall not be entitled to exercise any rights it may have under its Cash Management Agreements to set-off, net or otherwise to apply any cash held by it against any Liabilities owed to it in respect of (i) any Notes, (ii) any Facility Agreement which is not provided on a bilateral basis or (iii) any other Facility Agreement which the Initial Cash Management Provider was not the original lender of record.

- (e) If any Debt Document is entered into in breach of paragraph (d) above, that shall constitute an Event of Default for the purposes of each Senior Secured Financing Document (subject to the requirements of section 6.01(a)(4) of the Senior Secured Notes Indenture entered into on the date of this Agreement).

4.6 Guarantee of Cash Management Liabilities

Each Debtor (other than in its capacity as a Parent Debt Issuer) agrees that it will be bound by the obligations set out in Schedule 6 (Guarantee and Indemnity).

- (b) Paragraph (a) above shall not apply to a Hedging Ancillary Lender.

5.2 Restriction on Payments: Hedging Liabilities

Prior to the First Lien Debt Discharge Date, neither the Debtors nor the Third Party Security Providers shall, and each shall procure that no other member of the Group will, make any Payment of the Hedging Liabilities at any time unless:

- (a) that Payment is permitted under Clause 5.3 (Permitted Payments: Hedging Liabilities); or
- (b) the taking or receipt of that Payment is permitted under paragraph (c) of Clause 5.9 (Permitted Enforcement: Hedge Counterparties),

provided that, following the occurrence of a First Lien Acceleration Event or an Insolvency Event in relation to any Debtor (other than a Debtor that is solely a Parent Debt Issuer) or Third Party Security Provider, (until the occurrence of the Super Senior Discharge Date), no Debtor or Third Party Security Provider may make Payments of the Hedging Liabilities except from Common Recoveries distributed in accordance with Clause 21 (Application of Proceeds), and provided further that:

- (i) this Clause 5.2 shall not prevent any distribution or dividend out of any Debtor's unsecured assets (pro rata to each unsecured creditor's claim) made by a liquidator, receiver, administrative receiver, administrator, compulsory manager or other similar officer appointed in respect of any Debtor or any of its assets;
- (ii) any Payment prohibited by this Clause 5.2 will remain owing by the relevant Debtor(s); and

- (iii) any failure to make a Payment as a result of this Clause 5.2 shall not prevent the occurrence of an event of default under the relevant Hedging Agreement as a consequence of that failure to make a Payment.

5.3 Permitted Payments: Hedging Liabilities

- (a) Subject to paragraph (b) below, the Debtors and the Third Party Security Providers may make Payments to any Hedge Counterparty in respect of the Hedging Liabilities then due to that Hedge Counterparty under any Hedging Agreement in accordance with the terms of that Hedging Agreement:
 - (i) if the Payment is a scheduled Payment arising under the relevant Hedging Agreement (or any other ordinary course payment under a Hedging Agreement, including any payment in relation to fees, costs and expenses);
 - (ii) to the extent that the relevant Debtor's obligation to make the Payment arises as a result of the operation of:
 - (A) any of sections 2(d) (Deduction or Withholding for Tax), 2(e) (Default Interest; Other Amounts), 8(a) (Payment in the Contractual Currency), 8(b) (Judgments) and 11 (Expenses) of the 1992 ISDA Master Agreement (if the Hedging Agreement is based on a 1992 ISDA Master Agreement);
 - (B) any of sections 2(d) (Deduction or Withholding for Tax), 8(a) (Payment in the Contractual Currency), 8(b) (Judgments), 9(h)(i) (Prior to Early Termination) and 11 (Expenses) of the 2002 ISDA Master Agreement (if the Hedging Agreement is based on a 2002 ISDA Master Agreement); or
 - (C) any provision of a Hedging Agreement which is similar in meaning and effect to any provision listed in paragraphs (A) or (B) above (if the Hedging Agreement is not based on an ISDA Master Agreement);
 - (iii) to the extent that the relevant Debtor's obligation to make the Payment arises from a Non-Credit Related Close-Out;
 - (iv) to the extent that:
 - (A) the relevant Debtor's obligation to make the Payment arises from a Credit Related Close-Out in relation to that Hedging Agreement; and
 - (B) no Event of Default (other than a Parent Debt Event of Default) is continuing at the time of that Payment or would result from that Payment;
 - (v) if the Payment is a Payment pursuant to Clause 21.1 (Order of application: Common Recoveries);
 - (vi) if, at any time prior to a Distress Event, the Payment arises directly or indirectly as a result of any close-out, termination or other similar or equivalent action under a Hedging Agreement by a member of the Group provided that, if applicable, the Company has certified to the relevant Hedge Counterparty that the termination or close-out would not

result in a breach of any minimum hedging requirements under any Primary Financing Document; or

- (vii) if the Majority Super Senior Creditors and the Majority Senior Secured Creditors give prior consent to the Payment being made.
- (b) No Payment may be made to a Hedge Counterparty under paragraph (a) above if any scheduled Payment due from that Hedge Counterparty to a Debtor under a Hedging Agreement to which they are both party is due and unpaid unless the prior consent of the Majority Super Senior Creditors and the Majority Senior Secured Creditors is obtained.
- (c) Failure by a Debtor or a Third Party Security Provider to make a Payment to a Hedge Counterparty which results solely from the operation of paragraph (b) above shall, without prejudice to Clause 5.4 (Payment obligations continue), not result in a default (however described) in respect of that Debtor or Third Party Security Provider under that Hedging Agreement or any other Primary Financing Document.
- (d) Nothing in this Agreement obliges a Hedge Counterparty to make a payment to a Debtor under a Hedging Agreement to which they are both party if any scheduled Payment due from that Debtor to that Hedge Counterparty under that Hedging Agreement is due and unpaid. For the avoidance of doubt, this provision shall not affect any Payment which is due from a Hedge Counterparty to a Debtor as a result of a Hedging Agreement to which they are both a party being terminated or closed-out.

5.4 Payment obligations continue

No Debtor or Third Party Security Provider shall be released from the liability to make any Payment (including of default interest, which shall continue to accrue) under any Debt Document by the operation of Clauses 5.2 (Restriction on Payments: Hedging Liabilities) and 5.3 (Permitted Payments: Hedging Liabilities) even if its obligation to make that Payment is restricted at any time by the terms of any of those Clauses.

5.5 No acquisition of Hedging Liabilities

The Debtors shall not, and shall procure that no other member of the Group will:

- (a) enter into any Liabilities Acquisition; or

5.6 Amendments and Waivers: Hedging Agreements

- (a) Subject to paragraph (b) below, the Hedge Counterparties may not, at any time, amend or waive any term of the Hedging Agreements.

•

- (b) A Hedge Counterparty may amend or waive any term of a Hedging Agreement in accordance with the terms of that Hedging Agreement if the amendment or waiver would not result in a breach of another term of this Agreement and would not result in a breach of any minimum hedging requirements under any Primary Financing Document by any member of the Group.

5.7 Security: Hedge Counterparties

The Hedge Counterparties may not take, accept or receive the benefit of any Security, guarantee, indemnity or other assurance against loss from any Parent Debt Issuer, any member of the Group or any Third Party Security Provider in respect of the Hedging Liabilities other than:

- (c) as otherwise contemplated by Clause 3.3 (Security: First Lien Creditors); and
- (d) the indemnities contained in the ISDA Master Agreements (in the case of a Hedging Agreement which is based on an ISDA Master Agreement) or any indemnities which are similar in meaning and effect to those indemnities (in the case of a Hedging Agreement which is not based on an ISDA Master Agreement).

5.8 Restriction on Enforcement: Hedge Counterparties

Subject to Clause 5.9 (Permitted Enforcement: Hedge Counterparties) and Clause 5.10 (Required Enforcement: Hedge Counterparties) and without prejudice to each Hedge Counterparty's rights under Clauses 15.2 (Instructions to enforce – Transaction Security) and 15.4 (Manner of enforcement – Transaction Security), the Hedge Counterparties shall not take any Enforcement Action in respect of any of the Hedging Liabilities or any of the hedging transactions under any of the Hedging Agreements at any time.

5.9 Permitted Enforcement: Hedge Counterparties

- (a) To the extent it is able to do so under the relevant Hedging Agreement, a Hedge Counterparty may terminate or close-out in whole or in part any hedging transaction under that Hedging Agreement prior to its stated maturity:
 - (i) if, prior to a Distress Event, the Company has certified to that Hedge Counterparty that that termination or close-out would not result in a breach of any minimum hedging requirements under any Primary Financing Document;

- (ii) if a Hedging Force Majeure has occurred in respect of that Hedging Agreement;
 - (iii) to the extent necessary to ensure that the aggregate outstanding notional amount of all hedging entered into by the Group with one or more Hedge Counterparties in respect of any specific indebtedness or exposure does not exceed the maximum aggregate amount of that indebtedness or other exposure from time to time (in each case to the extent agreed by the member of the Group party to that Hedging Agreement either in that Hedging Agreement or otherwise);
 - (iv) if a Distress Event has occurred;
 - (v) if an Insolvency Event has occurred in relation to a Debtor which is party to that Hedging Agreement; and
 - (vi) if the Majority Super Senior Creditors and the Majority Senior Secured Creditors give prior consent to that termination or close-out being made.
- (b) If a Debtor has defaulted on any Payment due under a Hedging Agreement (after allowing any applicable notice or grace periods) and the default has continued unwaived for more than five Business Days after notice of that default has been given to the Security Agent pursuant to paragraph (e) of Clause 29.3 (Notification of prescribed events), the relevant Hedge Counterparty:
- (i) may, to the extent it is able to do so under the relevant Hedging Agreement, terminate or close-out in whole or in part any hedging transaction under that Hedging Agreement; and
 - (ii) until such time as the Security Agent has given notice to that Hedge Counterparty that the Transaction Security is being enforced (or that any formal steps are being taken to enforce the Transaction Security), shall be entitled to exercise any right it might otherwise have to sue for, commence or join legal or arbitration proceedings against any Debtor to recover any Hedging Liabilities due under that Hedging Agreement.
- (c) After the occurrence of an Insolvency Event in relation to any Debtor (other than in its capacity as a Parent Debt Issuer) or Third Party Security Provider, each Hedge Counterparty shall be entitled to exercise any right it may otherwise have in respect of that Debtor or Third Party Security Provider to:
- (i) prematurely close-out or terminate any Hedging Liabilities of that Debtor or Third Party Security Provider;
 - (ii) make a demand under any guarantee, indemnity or other assurance against loss given by that Debtor or Third Party Security Provider in respect of any Hedging Liabilities;

 - (iv) claim and prove in any insolvency process of that Debtor or Third Party Security Provider for the Hedging Liabilities owing to it.

5.10 Required Enforcement: Hedge Counterparties

- (a) Subject to paragraph (b) below, a Hedge Counterparty shall promptly terminate or close-out in full any hedging transaction under all or any of the Hedging Agreements to which it is party prior to their stated maturity, following:
 - (i) the occurrence of a First Lien Acceleration Event and delivery to it of a notice from the Security Agent that that First Lien Acceleration Event has occurred; and
 - (ii) delivery to it of a subsequent notice from the Security Agent (acting on the instructions of the Instructing Group) instructing it to do so.
- (b) Paragraph (a) above shall not apply to the extent that that First Lien Acceleration Event occurred as a result of an arrangement made between any Debtor or, as the case may be, Third Party Security Provider and any Primary Creditor or Creditor Representative with the purpose of bringing about that First Lien Acceleration Event.
- (c) If a Hedge Counterparty is entitled to terminate or close-out any hedging transaction under paragraph (b) of Clause 5.9 (Permitted Enforcement: Hedge Counterparties) (or would have been able to if that Hedge Counterparty had given the notice referred to in that paragraph) but has not terminated or closed out each such hedging transaction, that Hedge Counterparty shall promptly terminate or close-out in full each such hedging transaction following a request to do so by the Security Agent (acting on the instructions of the Instructing Group).

5.11 Treatment of Payments due to Debtors on termination of hedging transactions

- (a) If, on termination of any hedging transaction under any Hedging Agreement occurring after a Distress Event, a settlement amount or other amount (following the application of any Close-Out Netting, Payment Netting or Inter-Hedging Agreement Netting in respect of that Hedging Agreement) falls due from a Hedge Counterparty to the relevant Debtor then that amount shall be paid by that Hedge Counterparty to the Security Agent, treated as the proceeds of enforcement of the Transaction Security and applied in accordance with the terms of this Agreement.
- (b) The payment of that amount by the Hedge Counterparty to the Security Agent in accordance with paragraph (a) above shall discharge the Hedge Counterparty's obligation to pay that amount to that Debtor.

5.12 Terms of Hedging Agreements

- (a) The Hedge Counterparties (to the extent party to the Hedging Agreement in question) and the Debtors party to the Hedging Agreements shall ensure that, at all times:
 - (i) each Hedging Agreement is based either:
 - (A) on an ISDA Master Agreement; or
 - (B) on another framework agreement which is similar in effect to an ISDA Master Agreement;
 - (ii) in the event of a termination of the hedging transaction entered into under a Hedging Agreement, whether as a result of:

- (A) a Termination Event or an Event of Default, each as defined in the relevant Hedging Agreement (in the case of a Hedging Agreement which is based on an ISDA Master Agreement); or
- (B) an event similar in meaning and effect to either of those described in paragraph (A) above (in the case of a Hedging Agreement which is not based on an ISDA Master Agreement),

that Hedging Agreement will:

- I. if it is based on a 1992 ISDA Master Agreement, provide for payments under the "Second Method" and will make no material amendment to section 6(e) (Payments on Early Termination) of the ISDA Master Agreement;
 - II. if it is based on a 2002 ISDA Master Agreement, make no material amendment to section 6(e) (Payments on Early Termination) of the ISDA Master Agreement; or
 - III. if it is not based on an ISDA Master Agreement, provide for any other method the effect of which is that the party to which that event is referable will be entitled to receive payment under the relevant termination provisions if the net replacement value of all terminated transactions entered into under that Hedging Agreement is in its favour;
- (iii) each Hedging Agreement will provide that the relevant Hedge Counterparty will be entitled to designate an Early Termination Date or otherwise be able to terminate each transaction under such Hedging Agreement if so required pursuant to Clause 5.10 (Required Enforcement: Hedge Counterparties).
 - (iv) each Hedging Agreement shall include only standard ISDA representations and undertakings (and not, for the avoidance of doubt, any additional representations and undertakings contained in any Primary Financing Document), in each case amended as necessary so as to be no more onerous on any member of the Group than the equivalent provisions of the Primary Financing Documents;
 - (v) no Hedging Agreement shall contain any events of default (however described) other than:
 - (A) failure by the member of the Group party to that Hedging Agreement to pay on the due date any amount payable by it under that Hedging Agreement (subject to any applicable grace period);
 - (B) the occurrence of a First Lien Acceleration Event which is continuing; and
 - (C) the occurrence of an Insolvency Event in relation to the Debtor which is party to that Hedging Agreement.
- (b) Unless otherwise agreed by the Company from time to time, notwithstanding anything to the contrary in any Hedging Agreement, no Hedging Agreement shall prohibit or restrict any action by any member of the Group not prohibited or restricted under the other Primary Debt Documents.

•

- (c) To the extent that the terms of a Hedging Agreement are inconsistent with the terms of this Agreement, the terms of this Agreement shall prevail.

5.13 Designation of Super Senior Hedging Liabilities

- (a) The Company may from time to time designate (or redesignate or effect the release of any previous designation of) any Hedging Liabilities in whole or in part as Super Senior Hedging Liabilities subject to this Clause 5.13.
- (b) Any designation or redesignation or release of any previous designation of Hedging Liabilities (whether in whole or in part) by the Company shall only take effect on receipt by the Security Agent (which receipt shall be acknowledged promptly) of a Super Senior Hedging Certificate which complies with the conditions set out in this Clause 5.13.
- (c) The Security Agent shall only be required to recognise and give effect to any designation, redesignation or release of any Super Senior Hedging Liabilities requested by the Company pursuant to any Super Senior Hedging Certificate to the extent such Super Senior Hedging Certificate:

- (e) The Security Agent shall maintain a register for the recording of the names of the Hedge Counterparties whose Hedging Liabilities are designated as Super Senior Hedging Liabilities (the **Register**). The entries in the Register shall be conclusive absent manifest error, and the Company, the Security Agent and the Hedge Counterparties shall treat each person whose name is recorded in the Register as a Super Senior Hedge Counterparty for the purposes of this Agreement to the extent of its Super Senior Hedging Liabilities. The Register shall be available for inspection by the Company and any Hedge Counterparty, at all reasonable times and on reasonable notice to the Security Agent.

and, in each case, to the extent not restricted by Clause 7.4 (Issue of Second Lien Payment Stop Notice) and Clause 7.5 (Effect of Second Lien Payment Stop Event or Second Lien Automatic Block Event).

- (b) Notwithstanding Clause 7.2 (Permitted Payments: Second Lien Liabilities), following the occurrence of a First Lien Acceleration Event or an Insolvency Event in relation to any Debtor (other than in its capacity as a Parent Debt Issuer) or Third Party Security Provider, (until the occurrence of the Super Senior Discharge Date), no Parent Debt Issuer, member of the Group or Third Party Security Provider may make Payments of the Second Lien Liabilities except from Common Recoveries distributed in accordance with Clause 21 (Application of Proceeds), provided that:
- (i) this paragraph (b) above shall not prevent any distribution or dividend out of any Debtor's unsecured assets (pro rata to each unsecured creditor's claim) made by a liquidator, receiver, administrative receiver, administrator, compulsory manager or other similar officer appointed in respect of any Debtor or any of its assets;
 - (ii) any Payment prohibited by this paragraph (b) will remain owing by the relevant Debtor(s); and
 - (iii) any failure to make a Payment as a result of this paragraph (b) shall not prevent the occurrence of an Event of Default under the relevant Second Lien Debt Document as a consequence of that failure to make a Payment.

7.2 Permitted Payments: Second Lien Liabilities

Any Debtor or member of the Group may:

- (a) prior to the First Lien Discharge Date, make Payments to the Second Lien Creditors in respect of the Second Lien Liabilities in accordance with the Second Lien Debt Documents:
 - (i) if:
 - (A) the Payment is of:
 - I. any amount of principal or capitalised interest in respect of the Second Lien Liabilities which is not prohibited from being paid by the Prior Ranking Financing Documents; or
 - II. any other amount which is not an amount of principal or capitalised interest (such other amounts including all scheduled interest payments (including, if applicable, special interest (or liquidated damages)) and default interest on the Second Lien Liabilities accrued and payable in cash in accordance with the terms of the relevant Second Lien Debt Document (as at the date of issue of the same or as amended in accordance with the terms of this Agreement and the other Debt Documents), additional amounts payable as a result of the tax gross-up provisions relating to the Second Lien Liabilities and amounts in respect of currency indemnities in any Second Lien Financing Document;
 - (B) no Second Lien Payment Stop Notice is outstanding; and
 - (C) no Second Lien Automatic Block Event has occurred and is continuing;
 - (ii) if the Instructing Group consents to that Payment being made;
 - (iii) if the Payments are of costs, commissions, taxes and expenses incurred in respect of (or reasonably incidental to) the Second Lien Debt Documents (including in relation to any reporting or listing requirements under the relevant Second Lien Debt Documents or any other reasonable and ordinary course administrative and maintenance costs and expenses of a Second Lien Debt Issuer) or the Payment is of amounts due under the original form of any fee letter relating to upfront fees or if the Payment is of any amendment, consent and/or waiver fees reasonably incurred;
 - (iv) if the Payments are of costs, commissions, taxes, fees and expenses incurred in respect of (or reasonably incidental to) any refinancing of any of the Second Lien Liabilities in compliance with this Agreement and the Prior Ranking Financing Documents;
 - (v) if the Payments are of Creditor Representative Amounts or Security Agent Amounts due and payable to the Second Lien Creditor Representative or the Security Agent (as the case may be);
 - (vi) if the Payment is by a Second Lien Debt Issuer of any of its obligations under a Second Lien Financing Document and such Payment is not directly or indirectly financed by any member of the Group except to the extent such Payment would, if it had been a Payment by a Debtor (other than the relevant Second Lien Debt Issuer)

•

or member of the Group to a Second Lien Creditor, otherwise have been permitted under this Agreement;

- (vii) if the Payment is funded directly or indirectly with the proceeds of any other Second Lien Liabilities incurred under or pursuant to any Second Lien Debt Documents or the proceeds of any issuance of any shares by the Company or any Subordinated Liabilities;
- (viii) if a Prior Ranking Default is continuing or would occur as a result of making such Payment and the Payment is of any Second Lien Liabilities which would have been payable but for the issue of a Second Lien Payment Stop Notice (which has since expired and no new Second Lien Payment Stop Event is continuing) which has been capitalised and added to the principal amount of the Second Lien Liabilities or where that amount is outstanding as a result of the accrual of cash interest payable in respect of the Second Lien Liabilities during a period when a Second Lien Payment Stop Notice was outstanding or any other amount referred to in sub-paragraph (i)(A)II above;
- (ix) if an Event of Default is continuing and the Payment is of all or part of the Second Lien Liabilities by way of a release or otherwise discharge solely in consideration for the issues of shares in any Holding Company of the Company (each a **Debt for Equity Swap**) provided that:
 - (A) no cash or cash equivalent Payment is made in respect of the Second Lien Liabilities;
 - (B) it does not result in a "change of control" under any Primary Financing Document;
 - (C) any Liabilities owed by a member of the Group to another member of the Group, a Subordinated Creditor or any other Holding Company of the Company that arise as a result of such Debt for Equity Swap are subordinated to the Prior Ranking Liabilities pursuant to this Agreement and the Prior Ranking Creditors are granted Transaction Security in respect of any of those Liabilities;
 - (D) at the time that any Debt for Equity Swap becomes effective, no Distressed Disposal is due to occur at such time which is reasonably likely to be adversely impeded by the occurrence of such Debt for Equity Swap; and
 - (E) no member of the Group shall become liable for, or incur, any tax liability as a result of such Debt for Equity Swap which is materially adverse to the interests of the First Lien Creditors taking into account the circumstances of such Debt for Equity Swap and (subject to receipt of any required countersigned release or reliance letters and for information purposes only) a tax report from a reputable independent firm of accountants is provided to the Security Agent (on which the Security Agent and the First Lien Creditors can rely), confirming what tax liability (if any) should have arisen or should arise as a result of such Debt for Equity Swap;

.

- (x) if the Payment is of non-cash interest made by way of the capitalisation of interest or by the issuance of a non-cash pay financial instrument evidencing the same which is subordinated to the First Lien Liabilities on the same terms as the Second Lien Liabilities; or
 - (xi) if the Payment is of work fees and professional fees, costs or expenses for restructuring advice and valuations (including legal advice and the advice of other appropriate financial and/or restructuring advisors) of the Second Lien Creditor Representative and the Security Agent in an aggregate amount not exceeding US\$5,000,000 (or its equivalent in other currencies) since the date of this Agreement, but excluding any fees, costs or expenses incurred in connection with any current, threatened or pending litigation against any First Lien Creditor or any Affiliate of any First Lien Creditor; and
- (b) on or after the First Lien Discharge Date, make Payments to the Second Lien Creditors in respect of the Second Lien Liabilities in accordance with the relevant Second Lien Debt Documents.

A reference in this Clause 7.2 to a Payment shall be construed to include any direct or indirect step, matter, action or dealing in relation to any Second Lien Liabilities which are otherwise prohibited under Clause 7.1 (Restriction on Payment: Second Lien Liabilities).

7.3 Security and Guarantees: Second Lien Liabilities

At any time prior to the First Lien Discharge Date, except with the consent of the Instructing Group, the Second Lien Creditors may not take, accept or receive the benefit of any Security, guarantee, indemnity or other assurance against loss from any Debtor, any member of the Group or any Third Party Security Provider other than:

- (a) any Security in respect of the Second Lien Liabilities from any member of the Group or any Third Party Security Provider in addition to the Transaction Security which to the extent legally possible and subject to any Agreed Security Principles (except to the extent they already benefit from such Security) is, at the same time, also offered either:
 - (i) to the Security Agent as agent or trustee for the other Priority Secured Parties (and, if such Transaction Security relates to the Common Charged Property, the Parent Debt Secured Parties) in respect of their Liabilities; or
 - (ii) in the case of any jurisdiction in which effective Security cannot be granted in favour of the Security Agent as agent or trustee for the Priority Secured Parties (and, if applicable, the Parent Debt Secured Parties):
 - (A) to the other Priority Secured Parties (and, if such Transaction Security relates to the Common Charged Property, the Parent Debt Secured Parties) in respect of their Liabilities; or
 - (B) to the Security Agent under a parallel debt structure, joint and several creditor structure or agency structure for the benefit of the other Priority Secured Parties (and, if such Transaction Security relates to the Common Charged Property, the Parent Debt Secured Parties),

•

and ranks in the same order of priority as that contemplated in Clause 2.2 (Transaction Security) and all amounts received or recovered by any Second Lien Creditor are immediately paid to the Security Agent and held and applied in accordance with Clause 21 (Application of Proceeds);

(b) any guarantee, indemnity or other assurance against loss in respect of the Second Lien Liabilities from any member of the Group or a Third Party Security Provider in addition to those in:

- (i) the Second Lien Group Guarantees;
- (ii) this Agreement;
- (iii) any mandate letter entered into in connection with any Second Lien Facility Agreement; or
- (iv) any Common Assurance,

(except to the extent they already benefit from such guarantee, indemnity or other assurance against loss) if and to the extent legally possible and subject to any Agreed Security Principles, at the same time, it is also offered to the other Priority Secured Parties in respect of their Liabilities and ranks in the same order of priority as that contemplated in Clause 2 (Ranking and Priority) and all amounts received or recovered by any Second Lien Creditor are immediately paid to the Security Agent and held and applied in accordance with Clause 21 (Application of Proceeds);

(c) any Security, guarantee, indemnity or other assurance against loss from any Debtor, any member of the Group or a Third Party Security Provider:

- (i) in connection with any escrow or similar or equivalent arrangements entered into in respect of the proceeds of any indebtedness which, upon release of those amounts to a member of the Group, will become Second Lien Liabilities; or
- (ii) in connection with any actual or proposed defeasance, redemption, prepayment, repayment, purchase or other discharge of any Second Lien Liabilities (in each case provided that such defeasance, redemption, prepayment, repayment, purchase or other discharge is not prohibited by the terms of this Agreement); and

(d) as otherwise contemplated by Clause 3.3 (Security: First Lien Creditors).

7.4 Issue of Second Lien Payment Stop Notice

(a) At any time prior to the First Lien Discharge Date, if a Second Lien Payment Stop Event has occurred and is continuing, except with Required Prior Ranking Creditor Consent and subject to Clause 11 (Effect of Insolvency Event), no Debtor or Third Party Security Provider shall (and the Company shall procure that no member of the Group shall) make, and no Second Lien Creditor may receive from any Debtor, Third Party Security Provider or member of the Group, any Payment in respect of the Second Lien Liabilities (other than a payment falling within paragraphs (a)(ii) to (xi) of Clause 7.2 (Permitted Payments: Second Lien Liabilities) (other than any Payment pursuant to paragraph (a)(iii) of Clause 7.2 (Permitted Payments: Second Lien Liabilities) “of amounts due under the original form of any fee letter relating to upfront fees”) provided in each case that no First

Lien Acceleration Event or Insolvency Event has occurred and is continuing) from the date on which the relevant Creditor Representative or Bilateral Lender delivers a notice (a **Second Lien Payment Stop Notice**) to the Company, the Security Agent and each Second Lien Creditor Representative and each Bilateral Lender under any Second Lien Facility Agreement specifying the events or circumstances relating to that Second Lien Payment Stop Event until the earliest of:

- (i) the date falling 120 days after delivery of that Second Lien Payment Stop Notice;
- (ii) in relation to payments of the Second Lien Liabilities, if a Second Lien Standstill Period is in effect at any time after delivery of that Second Lien Payment Stop Notice, the date on which that Second Lien Standstill Period expires;
- (iii) the date on which the relevant Second Lien Payment Stop Event is no longer continuing and, if the relevant Priority Creditor Liabilities have been accelerated, such acceleration has been rescinded, revoked or waived provided that at such time no other Event of Default is continuing under any Priority Debt Document;
- (iv) the date on which the Creditor Representative or Bilateral Lender which issued the Second Lien Payment Stop Notice delivers a notice to the Company, the Security Agent and the Second Lien Creditor Representatives cancelling the Second Lien Payment Stop Notice; and
- (v) the date on which the Second Lien Creditors or the Second Lien Creditor Representative(s) or the Security Agent takes any Enforcement Action that it is permitted to take under Clause 7.9 (Permitted Enforcement: Second Lien Creditors) and Clause 7.10 (Subsequent Second Lien Defaults) against a member of the Group or any Third Party Security Provider,

such period being the period for which the relevant Second Lien Payment Stop Notice is **outstanding**.

- (b) Unless each Second Lien Creditor Representative waives this requirement:
 - (i) a new Second Lien Payment Stop Notice may not be delivered unless and until 360 days have elapsed since the delivery of the immediately prior Second Lien Payment Stop Notice; and
 - (ii) no Second Lien Payment Stop Notice may be delivered in reliance on a Second Lien Payment Stop Event more than 90 days after the date on which each relevant Creditor Representative has received notice of that Second Lien Payment Stop Event.
- (c) A Creditor Representative or Bilateral Lender may serve only one Second Lien Payment Stop Notice each with respect to the same event or set of circumstances. Subject to paragraph (b) above, this shall not affect the right of that or any other Creditor Representative or Bilateral Lender to issue a Second Lien Payment Stop Notice in respect of any other event or set of circumstances.
- (d) No Second Lien Payment Stop Notice may be served by a Creditor Representative or Bilateral Lender in respect of a Second Lien Payment Stop Event which had been notified to each of them at the time at which an earlier Second Lien Payment Stop Notice was issued.

7.5 Effect of Second Lien Payment Stop Event or Second Lien Automatic Block Event

Any failure to make a Payment due under the Second Lien Debt Documents as a result of the issue of a Second Lien Payment Stop Notice or the occurrence of a Second Lien Automatic Block Event or the operation of Clause 7.2 (Permitted Payments: Second Lien Liabilities) or Clause 7.4 (Issue of Second Lien Payment Stop Notice):

- (a) shall not prevent the occurrence of an Event of Default as a consequence of that failure to make a Payment in relation to the Second Lien Debt Documents;
- (b) shall not prevent the issue of a Second Lien Enforcement Notice on behalf of the Second Lien Creditors;
- (c) acts as a suspension of payment and not as a waiver of the right to receive payment on the date such payments are due;
- (d) shall not release any Debtor from the liability to make any Payment under any Second Lien Debt Document and will not prevent the accrual or capitalisation of interest (including default interest) in accordance with the relevant Second Lien Debt Documents;
- (e) will not prevent the payment of audit fees, directors' fees, taxes and other proper and incidental expenses required to maintain existence;
- (f) will not prevent the payment of Creditor Representative Amounts or Security Agent Amounts due and payable to the Second Lien Creditor Representatives or the Security Agent (as the case may be); and
- (g) will not prevent the payment of any other amounts funded directly or indirectly with amounts which have been received by the relevant Second Lien Debt Issuer from a person that is not a member of the Group.

7.6 Cure of Payment Stop: Second Lien Creditors

If:

- (a) at any time following the issue of a Second Lien Payment Stop Notice or the occurrence of a Second Lien Automatic Block Event, that Second Lien Payment Stop Notice ceases to be outstanding and/or (as the case may be) the Second Lien Automatic Block Event ceases to be continuing; and
- (b) the relevant Debtor then promptly pays to the Second Lien Creditors an amount equal to any Payments which had accrued under the Second Lien Debt Documents and which would have been Permitted Second Lien Debt Payments but for that Second Lien Payment Stop Notice or that Second Lien Automatic Block Event,

then any Event of Default which may have occurred as a result of that suspension of Payments shall be waived and any Second Lien Enforcement Notice which may have been issued as a result of that Event of Default shall be waived, in each case without any further action being required on the part of the Second Lien Creditors.

7.7 Amendments and Waivers: Second Lien Creditors

- (a) Subject to paragraph (b) below, the Second Lien Creditors may amend or waive the terms of the Second Lien Debt Documents (other than this Agreement or any Security Document) in accordance with their terms at any time.
- (b) Prior to the First Lien Discharge Date, the Second Lien Creditors may not amend or waive the terms of the Second Lien Debt Documents if the amendment or waiver would result in any Second Lien Debt Document not complying with the provisions of this Agreement, without Required Prior Ranking Creditor Consent.

7.8 Restrictions on Enforcement: Second Lien Creditors

At any time prior to the First Lien Discharge Date, except as permitted by Clause 7.9 (Permitted Enforcement: Second Lien Creditors), no Second Lien Creditor shall be entitled to take or direct the Security Agent to take any Enforcement Action:

- (a) against any of the Debtors or any Third Party Security Provider in respect of any of the Second Lien Liabilities including, without limitation, under the Second Lien Group Guarantees; or
- (b) in respect of any of the Transaction Security,

except with the prior consent of or at the request of an Instructing Group.

7.9 Permitted Enforcement: Second Lien Creditors

- (a) Subject to the provisions of Clause 7.11 (Enforcement on behalf of Second Lien Creditors), the restrictions in Clause 7.8 (Restrictions on Enforcement: Second Lien Creditors) will not apply in respect of the Second Lien Liabilities or the Transaction Security if:
 - (i) a Second Lien Event of Default has occurred and is continuing (the **Relevant Second Lien Event of Default**);
 - (ii) each other Creditor Representative and Bilateral Creditor has received a notice of the Relevant Second Lien Event of Default specifying the event or circumstance in relation to the Relevant Second Lien Event of Default from the relevant Second Lien Creditor Representative (a **Second Lien Enforcement Notice**);
 - (iii) the relevant Second Lien Standstill Period has elapsed or otherwise terminated; and
 - (iv) the Relevant Second Lien Event of Default is continuing at the end of the relevant Second Lien Standstill Period.
- (b) A Second Lien Creditor may take any of the actions described in paragraph (i) of the proviso to the definition of Enforcement Action where it is otherwise entitled to do so.

7.10 Subsequent Second Lien Defaults

The Second Lien Creditors may take Enforcement Action under Clause 7.9 (Permitted Enforcement: Second Lien Creditors) in relation to a Relevant Second Lien Event of Default to the extent entitled

to under the relevant Second Lien Debt Documents even if, at the end of any relevant Second Lien Standstill Period or at any later time, a further Second Lien Standstill Period has begun as a result of any other Second Lien Event of Default.

7.11 Enforcement on behalf of Second Lien Creditors

If the Security Agent has notified the Second Lien Creditor Representative(s) that it is taking or has been instructed by an Instructing Group to take any Enforcement Action against any Debtor or Third Party Security Provider, no Second Lien Creditor may take any action referred to in Clause 7.9 (Permitted Enforcement: Second Lien Creditors) against that Debtor or Third Party Security Provider or any Subsidiary of that Debtor or Third Party Security Provider while the Security Agent is taking steps to enforce that Transaction Security in accordance with the instructions of the Instructing Group where such action might be reasonably likely to adversely affect such enforcement or Enforcement Action or the amount of proceeds to be derived therefrom.

8. PARENT DEBT CREDITORS AND PARENT DEBT LIABILITIES

8.1 Restriction on Payment: Parent Debt Liabilities

(a) Until the Priority Discharge Date, no Debtor or Third Party Security Provider shall, and the Company shall procure that no other member of the Group will:

- (i) make any Payments in respect of any principal, interest or other amount on or in respect of, or make any distribution or Liabilities Acquisition in respect of, any Parent Debt Liabilities in cash or in kind or apply any such money or property in or towards discharge of any Parent Debt Liabilities except as expressly permitted by Clause 8.2 (Permitted Payments: Parent Debt Liabilities), Clause 8.9 (Permitted Enforcement: Parent Debt Creditors), Clause 11.5 (Filing of claims) or, in relation to a refinancing in full of such Parent Debt Liabilities, 23 (Additional Regulated Debt); or

(b) Notwithstanding Clause 8.2 (Permitted Payments: Parent Debt Liabilities), following the occurrence of a First Lien Acceleration Event or an Insolvency Event in relation to any Debtor (other than in its capacity as a Parent Debt Issuer) or Third Party Security Provider, (until the occurrence of the Super Senior Discharge Date), no member of the Group or Third Party Security Provider may make Payments of the Parent Debt Liabilities except from Common Recoveries distributed in accordance with Clause 21 (Application of Proceeds), provided that:

- (i) this paragraph (b) above shall not prevent any distribution or dividend out of any Debtor's unsecured assets (pro rata to each unsecured creditor's claim) made by a liquidator, receiver, administrative receiver, administrator, compulsory manager or other similar officer appointed in respect of any Debtor or any of its assets;

- (ii) any Payment prohibited by this paragraph (b) will remain owing by the relevant Debtor(s); and
- (iii) any failure to make a Payment as a result of this paragraph (b) shall not prevent the occurrence of an Event of Default under the relevant Parent Debt Document as a consequence of that failure to make a Payment.

8.2 Permitted Payments: Parent Debt Liabilities

Any Debtor or member of the Group may:

- (a) prior to the Priority Discharge Date, make Payments to the Parent Debt Creditors in respect of the Parent Debt Liabilities in accordance with the Parent Debt Documents:

 - (A) the Payment is of:
 - I. any amount of principal or capitalised interest in respect of the Parent Debt Liabilities which is not prohibited from being paid by the Prior Ranking Financing Documents; or

- (vii) if the Payment is by a Parent Debt Issuer of any of its obligations under a Parent Debt Financing Document and such Payment is not directly or indirectly financed by any member of the Group except to the extent such Payment would, if it had been a Payment by a Debtor (other than the relevant Parent Debt Issuer) or member of the Group to a Parent Debt Creditor, otherwise have been permitted under this Agreement;
- (viii) if the Payment is funded directly or indirectly with the proceeds of any other Parent Debt Liabilities incurred under or pursuant to any Parent Debt Documents or the proceeds of any issuance of any shares by the Company or any Subordinated Liabilities;
- (ix) if a Prior Ranking Default is continuing or would occur as a result of making such Payment and the Payment is of any Parent Debt Liabilities which would have been payable but for the issue of a Parent Debt Payment Stop Notice (which has since expired and no new Parent Debt Payment Stop Notice is outstanding) which has been capitalised and added to the principal amount of the Parent Debt Liabilities or where that amount is outstanding as a result of the accrual of cash interest payable in respect of the Parent Debt Liabilities during a period when a Parent Debt Payment Stop Notice was outstanding or any other amount referred to in sub-paragraph (i)(A)II above;

.

subordinated to the Prior Ranking Liabilities pursuant to this Agreement and the Prior Ranking Creditors are granted Transaction Security in respect of any of those Liabilities;

- (D) at the time that any Debt for Equity Swap becomes effective, no Distressed Disposal is due to occur at such time which is reasonably likely to be adversely impeded by the occurrence of such Debt for Equity Swap; and
- (E) no member of the Group shall become liable for, or incur, any tax liability as a result of such Debt for Equity Swap which is materially adverse to the interests of the First Lien Creditors taking into account the circumstances of such Debt for Equity Swap and (subject to receipt of any required countersigned release or reliance letters and for information purposes only) a tax report from a reputable independent firm of accountants is provided to the Security Agent (on which the Security Agent and the First Lien Creditors can rely), confirming what tax liability (if any) should have arisen or should arise as a result of such Debt for Equity Swap;
- (xi) if the Payment is of non-cash interest made by way of the capitalisation of interest or by the issuance of a non-cash pay financial instrument evidencing the same which is subordinated to the Priority Creditor Liabilities on the same terms as the Parent Debt Liabilities; or
- (xii) if the Payment is of work fees and professional fees, costs or expenses for restructuring advice and valuations (including legal advice and the advice of other appropriate financial and/or restructuring advisors) of the Parent Debt Creditor Representative and the Security Agent in an aggregate amount not exceeding US\$5,000,000 (or its equivalent in other currencies) since the date of this Agreement, but excluding any fees, costs or expenses incurred in connection with any current, threatened or pending litigation against any Parent Debt Creditor or any Affiliate of any Parent Debt Creditor; and
- (b) on or after the Priority Discharge Date, make Payments to the Parent Debt Creditors in respect of the Parent Debt Liabilities in accordance with the relevant Parent Debt Documents.

A reference in this Clause 8.2 to a Payment shall be construed to include any direct or indirect step, matter, action or dealing in relation to any Parent Debt Liabilities which are otherwise prohibited under Clause 8.1 (Restriction on Payment: Parent Debt Liabilities).

8.3 Security and Guarantees: Parent Debt Liabilities

At any time prior to the Priority Discharge Date, except with the consent of the Majority Super Senior Creditors, the Majority Senior Secured Creditors and the Majority Second Lien Creditors, the Parent Debt Creditors may not take, accept or receive the benefit of any Security, guarantee, indemnity or other assurance against loss from any Debtor, any member of the Group or any Third Party Security Provider other than:

- (a) At any time prior to the Priority Discharge Date, if a Parent Debt Payment Stop Event has occurred and is continuing, except with Required Prior Ranking Creditor Consent and subject to Clause 11

•

(Effect of Insolvency Event), no Debtor or Third Party Security Provider shall (and the Company shall procure that member of the Group shall) make, and no Parent Debt Creditor may receive from any Debtor, Third Party Security Provider or member of the Group, any Payment in respect of the Parent Debt Liabilities (other than a payment falling within paragraphs (a)(ii) to (xii) of Clause 8.2 (Permitted Payments: Parent Debt Liabilities)) provided in each case that no First Lien Acceleration Event or Insolvency Event has occurred and is continuing) from the date on which the relevant Creditor Representative or Bilateral Lender delivers a notice (a **Parent Debt Payment Stop Notice**) to the Company, the Security Agent and each Parent Debt Creditor Representative and each Bilateral Lender under any Parent Debt Facility Agreement specifying the events or circumstances relating to that Parent Debt Payment Stop Event until the earliest of:

- (i) the date falling 179 days after delivery of that Parent Debt Payment Stop Notice;

- (d) No Parent Debt Payment Stop Notice may be served by a Creditor Representative or Bilateral Lender in respect of a Parent Debt Payment Stop Event which had been notified to each of them at the time at which an earlier Parent Debt Payment Stop Notice was issued.

8.5 Effect of Parent Debt Payment Stop Event or Parent Debt Automatic Block Event

Any failure to make a Payment due under the Parent Debt Documents as a result of the issue of a Parent Debt Payment Stop Notice or the occurrence of a Parent Debt Automatic Block Event or the operation of Clause 8.2 (Permitted Payments: Parent Debt Liabilities) or Clause 8.4 (Issue of Parent Debt Payment Stop Notice):

- (a) shall not prevent the occurrence of an Event of Default as a consequence of that failure to make a Payment in relation to the Parent Debt Documents;
- (b) shall not prevent the issue of a Parent Debt Enforcement Notice on behalf of the Parent Debt Creditors;
- (c) acts as a suspension of payment and not as a waiver of the right to receive payment on the date such payments are due;
- (d) shall not release any Debtor from the liability to make any Payment under any Parent Debt Document and will not prevent the accrual or capitalisation of interest (including default interest) in accordance with the relevant Parent Debt Documents;
- (e) will not prevent the payment of audit fees, directors' fees, taxes and other proper and incidental expenses required to maintain existence;
- (f) will not prevent the payment of Creditor Representative Amounts or Security Agent Amounts due and payable to the Parent Debt Creditor Representatives or the Security Agent (as the case may be); and
- (g) will not prevent the payment of any other amounts funded directly or indirectly with amounts which have been received by the relevant Parent Debt Issuer from a person that is not a member of the Group.

8.6 Cure of Payment Stop: Parent Debt Creditors

If:

- (a) at any time following the issue of a Parent Debt Payment Stop Notice or the occurrence of a Parent Debt Automatic Block Event, that Parent Debt Payment Stop Notice ceases to be outstanding and/or (as the case may be) the Parent Debt Automatic Block Event ceases to be continuing; and
- (b) the relevant Debtor then promptly pays to the Parent Debt Creditors an amount equal to any Payments which had accrued under the Parent Debt Documents and which would have been Permitted Parent Debt Payments but for that Parent Debt Payment Stop Notice or that Parent Debt Automatic Block Event,

then any Event of Default which may have occurred as a result of that suspension of Payments shall be waived and any Parent Debt Enforcement Notice which may have been issued as a result of that

Event of Default shall be waived, in each case without any further action being required on the part of the Parent Debt Creditors.

8.7 Amendments and Waivers: Parent Debt Creditors

- (a) Subject to paragraph (b) below, the Parent Debt Creditors may amend or waive the terms of the Parent Debt Documents (other than this Agreement or any Security Document) in accordance with their terms at any time.

8.8 Restrictions on Enforcement: Parent Debt Creditors

At any time prior to the Priority Discharge Date, except as permitted by Clause 8.9 (Permitted Enforcement: Parent Debt Creditors), no Parent Debt Creditor shall be entitled to take or direct the Security Agent to take any Enforcement Action:

- (a) Subject to the provisions of Clause 8.11 (Enforcement on behalf of Parent Debt Creditors), the restrictions in Clause 8.8 (Restrictions on Enforcement: Parent Debt Creditors) will not apply in respect of the Parent Debt Liabilities or the Transaction Security if:
 - (i) a Parent Debt Event of Default has occurred and is continuing (the **Relevant Parent Debt Event of Default**);
 - (ii) each other Creditor Representative and Bilateral Creditor has received a notice of the Relevant Parent Debt Event of Default specifying the event or circumstance in relation to the Relevant Parent Debt Event of Default from the relevant Parent Debt Creditor Representative (a **Parent Debt Enforcement Notice**);
 - (iii) the relevant Parent Debt Standstill Period has elapsed or otherwise terminated; and
 - (iv) the Relevant Parent Debt Event of Default is continuing at the end of the relevant Parent Debt Standstill Period.
- (b) A Parent Debt Creditor may take any of the actions described in paragraph (i) of the proviso to the definition of Enforcement Action where it is otherwise entitled to do so.

8.10 Subsequent Parent Debt Defaults

The Parent Debt Creditors may take Enforcement Action under Clause 8.9 (Permitted Enforcement: Parent Debt Creditors) in relation to a Relevant Parent Debt Event of Default to the extent entitled to under the relevant Parent Debt Documents even if, at the end of any relevant Parent Debt Standstill Period or at any later time, a further Parent Debt Standstill Period has begun as a result of any other Parent Debt Event of Default.

8.11 Enforcement on behalf of Parent Debt Creditors

If the Security Agent has notified the Parent Debt Creditor Representative(s) that it is taking or has been instructed by an Instructing Group to take any Enforcement Action against any Debtor or Third Party Security Provider, no Parent Debt Creditor may take any action referred to in Clause 8.9 (Permitted Enforcement: Parent Debt Creditors) against that Debtor or Third Party Security Provider or any Subsidiary of that Debtor or Third Party Security Provider while the Security Agent is taking steps to enforce that Transaction Security in accordance with the instructions of the Instructing Group where such action might be reasonably likely to adversely affect such enforcement or Enforcement Action or the amount of proceeds to be derived therefrom.

8.12 Parent Debt Only Obligor

- (a) This Agreement shall not prohibit any Security or any guarantee, indemnity or other assurance against loss from being given by any person that is not a member of the Group or a Third Party Security Provider in respect of any Parent Debt Liabilities, provided that any such person becomes a Party as a Parent Debt Only Obligor in accordance with Clause 26.18 (New Parent Debt Only Obligor).
- (b) This Agreement does not rank or restrict the payment by any Parent Debt Only Obligor in respect of any liabilities of any Parent Debt Issuer.
- (c) Except to the extent restricted by Clause 8.8 (Restrictions on Enforcement: Parent Debt Creditors), the Parent Debt Creditors shall be entitled to take or direct the Security Agent to take any enforcement action available with respect to any Parent Debt Only Security or any guarantee or other assurance against loss given by a Parent Debt Only Obligor in accordance with the terms of the Parent Debt Documents and Clause 16 (Enforcement of Parent Debt Only Security).

12.8 Saving provision

If, for any reason, any of the trusts expressed to be created in this Clause 12 should fail or be unenforceable or not be recognised by any applicable law, the affected Creditor, Debtor or Third Party Security Provider will hold the amount of any receipt or recovery on behalf and for the account

.

of the Security Agent and promptly pay or distribute an amount equal to that receipt or recovery to the Security Agent to be held on trust by the Security Agent for application in accordance with the terms of this Agreement.

13. REDISTRIBUTION

13.1 Recovering Creditor's rights

- (a) Any amount paid or distributed by a Creditor (a **Recovering Creditor**) to the Security Agent under Clause 11 (Effect of Insolvency Event) or Clause 12 (Turnover of Receipts) shall be treated as having been paid or distributed by the relevant Debtor or Third Party Security Provider and shall be applied by the Security Agent in accordance with Clause 21 (Application of Proceeds).
- (b) On an application by the Security Agent pursuant to Clause 21 (Application of Proceeds) of a Payment or distribution received by a Recovering Creditor from a Debtor or Third Party Security Provider, as between the relevant Debtor or Third Party Security Provider and the Recovering Creditor an amount equal to the amount received or recovered by the Recovering Creditor and paid or distributed to the Security Agent by the Recovering Creditor (the **Shared Amount**) will be treated as not having been paid or distributed by that Debtor or Third Party Security Provider.

13.2 Reversal of redistribution

- (a) If any part of the Shared Amount received or recovered by a Recovering Creditor becomes repayable or returnable to a Debtor or Third Party Security Provider and is repaid or returned by that Recovering Creditor to that Debtor or Third Party Security Provider, then:
 - (i) each Party that received any part of that Shared Amount pursuant to an application by the Security Agent of that Shared Amount under Clause 13.1 (Recovering Creditor's rights) (a **Sharing Party**) shall (subject, in the case of each Notes Trustee, to Clause 25 (Notes Trustee Protections)), upon request of the Security Agent, pay or distribute to the Security Agent for the account of that Recovering Creditor an amount equal to the appropriate part of its share of the Shared Amount (together with an amount as is necessary to reimburse that Recovering Creditor for its proportion of any interest on the Shared Amount which that Recovering Creditor is required to pay) (the **Redistributed Amount**); and
 - (ii) as between the relevant Debtor or Third Party Security Provider and each relevant Sharing Party, an amount equal to the relevant Redistributed Amount will be treated as not having been paid or distributed by that Debtor or Third Party Security Provider.
- (b) The Security Agent shall not be obliged to pay or distribute any Redistributed Amount to a Recovering Creditor under paragraph (a)(i) above until it has been able to establish to its satisfaction that it has actually received that Redistributed Amount from the relevant Sharing Party.

13.3 Deferral of subrogation

- (a) Subject to paragraph (c) below, if any Priority Creditor Liabilities are wholly or partly paid out of any proceeds received in respect of or on account of the Parent Debt Liabilities owing to one or more Parent Debt Creditors, those Parent Debt Creditors will to that extent be subrogated to the Priority Creditor Liabilities so paid (and all securities and guarantees for those Priority Creditor Liabilities).

- (b) Subject to paragraph (c) below, to the extent that a Parent Debt Creditor (a **Subrogated Creditor**) is entitled to exercise rights of subrogation, each other Creditor (subject in each case to it being indemnified to its reasonable satisfaction against any resulting costs, expenses and liabilities) will give such assistance to enable such rights so to be exercised as such Subrogated Creditor may reasonably request.
- (c) No Creditor, Debtor or Third Party Security Provider will exercise any rights which it may have by reason of the performance by it of its obligations under the Debt Documents to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights under the Debt Documents of any Creditor which ranks ahead of it in accordance with the priorities set out in Clause 2 (Ranking and Priority) or the order of application in Clause 21 (Application of Proceeds) until such time as all of the Liabilities owing to each prior ranking Creditor (or, in the case of any Debtor or Third Party Security Provider, owing to each Creditor) have been irrevocably discharged in full.
- (d) No Subordinated Creditor will exercise any rights which it may have to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights under the Debt Documents of any Creditor until such time as all of the Liabilities owing to each Creditor (other than a Subordinated Creditor) have been irrevocably discharged in full.

14. CHAPTER 11 PROVISIONS

14.1 Override provision

Notwithstanding anything to the contrary, Clauses 14.2 (Definitions) to 14.6 (Reorganisation securities) shall only apply until the Super Senior Reset Date.

14.2 Definitions

Pay-Over Amount has the meaning given in Clause 14.5(c).

Post-Petition Interest means interest, fees, expenses and other charges that, pursuant to the Super Secured Financing Documents, Parent Debt Financing Documents, Primary Financing Documents, or Second Lien Financing Documents, as applicable, continue to accrue after the commencement of any US Insolvency or Liquidation Proceeding, whether or not such interest, fees, expenses and other charges are allowed or allowable under US Bankruptcy Laws or in any such US Insolvency or Liquidation Proceeding.

Primary Creditor Adequate Protection Payments has the meaning given in Clause 14.5(c).

UCC means the Uniform Commercial Code as from time to time in effect in the State of New York.

United States means the United States of America.

US Bankruptcy Code means Title 11 of the United States Code, as amended.

US Bankruptcy Laws means the US Bankruptcy Code and any other laws of the United States or any State (within the meaning of Section 9-102(a)(76) of the UCC) relating to the liquidation, conservatorship, bankruptcy, assignment for the benefit of creditors, moratorium, administration, rearrangement, judicial management, receivership, insolvency, reorganisation, or similar of any person.

•

US DIP Financing has the meaning given in Clause 14.4 (Financing and sale issues).

US Insolvency or Liquidation Proceeding means:

- (a) any case or proceeding commenced by or against any Debtor under the US Bankruptcy Laws or any similar case or proceeding relative to any Debtor in the United States;
- (b) any liquidation, dissolution, judicial management, marshalling of assets or liabilities or other winding up of or relating to any Debtor, in each case whether or not voluntary and whether or not involving bankruptcy or insolvency; or
- (c) any other proceeding in the United States of any type or nature in which substantially all claims of creditors of any Debtor are determined and any payment or distribution is or may be made on account of such claims.

14.3 Separate classification of debt

Each Primary Creditor acknowledges and agrees that the Super Senior Liabilities are fundamentally different from the other First Lien Liabilities and the other Primary Liabilities and must be separately classified in any plan of reorganisation, plan of liquidation, agreement for composition, or other type of plan of arrangement proposed, confirmed, or adopted in a US Insolvency or Liquidation Proceeding. The Primary Creditors will not seek in a US Insolvency or Liquidation Proceeding to be treated as part of the same class of creditors as the Super Senior Creditors and will not object to, oppose or contest any pleading by the Super Senior Creditors seeking separate classification of their claims.

14.4 Financing and sale issues

If any Debtor is subject to any US Insolvency or Liquidation Proceeding and any Super Senior Creditor shall desire to consent (or not object) to the sale, use or lease of cash or other collateral or to consent (or not object) to any Debtor obtaining financing under Section 363 or Section 364 of the US Bankruptcy Code (a **US DIP Financing**), then each Primary Creditor agrees that it:

- (a) will not raise any objection to, will not support any objection to or otherwise contest, and will be deemed to have consented to, such sale, use or lease of such cash or other collateral or such US DIP Financing and will not request adequate protection or any other relief in connection therewith, except to the extent permitted by Clause 14.5 (Adequate protection); and
- (b) to the extent the Security securing any Super Senior Liabilities are subordinated to or have the same priority as any Security securing a US DIP Financing will subordinate (and will be deemed to have subordinated) its Security securing the Primary Liabilities and any other security or collateral securing the Primary Liabilities to such US DIP Financing (and all obligations relating thereto) in the manner set out in Clause 2 (Ranking and Priority) and the order of application in Clause 21.1 (Order of application: Common Recoveries) to any adequate protection granted to the Super Senior Creditors.

14.5 Adequate protection

- (a) Each Primary Creditor agrees not to object to, contest or support any other person objecting to or contesting, and will be deemed to have consented to:

- (i) any request by any Super Senior Creditor for adequate protection under any US Bankruptcy Law; or
- (ii) any objection by any Super Senior Creditor to any motion, relief, action or proceeding based on any Super Senior Creditor claiming a lack of adequate protection,

in the event of any US Insolvency or Liquidation Proceeding.

(b) Notwithstanding paragraph (a) above, if, in any US Insolvency or Liquidation Proceeding:

- (i) the Super Senior Creditors are granted adequate protection in the form of additional Security on additional or replacement assets and super-priority claims in connection with any US DIP Financing or use of cash collateral under Section 363 or 364 of the US Bankruptcy Code, then each other Primary Creditor may seek or request adequate protection in the form of additional Security on such additional or replacement assets or a super-priority claim (as applicable); or
- (ii) any Primary Creditor (other than a Super Senior Creditor), seeks or requests adequate protection and such adequate protection is granted in the form of additional Security on additional or replacement assets or a super-priority claim, then such Primary Creditor agrees that each Super Senior Creditor shall also be granted additional Security on such additional or replacement assets as security and adequate protection for the Super Senior Liabilities and any such US DIP Financing and a super-priority claim (as applicable),

provided that any Security or super-priority claim granted to a Primary Creditor (other than a Super Senior Creditor) in accordance with this paragraph (b) is subordinated to the Security securing, and claims with respect to, the Super Senior Liabilities, any such US DIP Financing and any other Security or claims granted to the Super Senior Creditors as adequate protection in the manner set out in Clause 2 (Ranking and Priority) and the order of application in Clause 21.1 (Order of application: Common Recoveries).

- (c) If any Primary Creditor (other than a Super Senior Creditor) receives Post-Petition Interest or adequate protection payments in a US Insolvency or Liquidation Proceeding (**Primary Creditor Adequate Protection Payments**) before the Super Senior Discharge Date, then each Primary Creditor shall pay over to the Super Senior Creditor(s) an amount (the **Pay-Over Amount**) equal to the lesser of (i) the Primary Creditor Adequate Protection Payments received by such Primary Creditor and (ii) the amount necessary to pay in full in cash the Super Senior Liabilities (subject, in the case of each Notes Trustee, to Clause 25.5 (Turnover obligations) be turned-over to the Security Agent for application in accordance with Clause 21.1 (Order of application: Common Recoveries). Notwithstanding anything herein to the contrary, the Super Senior Creditors shall not be deemed to have consented to, and expressly retain their rights to object to, the grant of adequate protection in the form of cash payments and the payment of Post-Petition Interest to the Primary Creditors made pursuant to this paragraph (c).

14.6 Reorganisation securities

If, in any US Insolvency or Liquidation Proceeding, debt obligations or other debt securities of the reorganised Debtor secured by Security upon any property of the reorganised Debtor are distributed, pursuant to a plan of reorganisation, plan of liquidation, agreement for composition, or other type of plan of arrangement proposed, confirmed, or adopted in that US Insolvency or Liquidation Proceeding, to more than one Creditor Class, then, to the extent that such debt obligations distributed

.

are secured by Security upon the same assets or property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Security securing such debt obligations.

14.7 Post-Petition Interest

- (a) None of the Senior Secured Facility Agent, Parent Debt Facility Agent, Second Lien Facility Agent or Primary Creditors shall oppose or seek to challenge any claim by any Super Senior Facility Agent or Super Senior Creditor for allowance in any US Insolvency or Liquidation Proceeding of Super Senior Liabilities consisting of Post-Petition Interest under section 506(b) of the US Bankruptcy Code or otherwise.
- (b) None of the Super Senior Facility Agent or Super Senior Creditors shall oppose or seek to challenge any claim by any Senior Secured Facility Agent, Parent Debt Facility Agent, Second Lien Facility Agent or Primary Creditor for allowance in any US Insolvency or Liquidation proceeding of Primary Creditor Liabilities consisting of Post-Petition Interest under section 506(b) of the US Bankruptcy Code or otherwise (after taking into account the amount of the Super Senior Liabilities).

15. ENFORCEMENT OF TRANSACTION SECURITY

15.1 Cash Cover

This Clause 15 is subject to Clause 3.9 (Bilateral Lenders: Cash Cover) and Clause 21.5 (Treatment of Cash Cover and Lender Cash Collateral).

15.2 Instructions to enforce – Transaction Security

- (a) This Clause 15.2 is subject to Clause 15.3 (Consultation period) and, on or prior to the Super Senior Discharge Date, Clause 15.5 (Enforcement prior to Super Senior Discharge Date).
- (b) Subject to paragraphs (d) and (e) below, the Security Agent may refrain from enforcing the Transaction Security or taking any other action as to Enforcement unless instructed otherwise by:
 - (i) an Instructing Group (if prior to the Super Senior Discharge Date only, in accordance with Clause 15.5 (Enforcement prior to Super Senior Discharge Date));
 - (ii) if required under paragraph (d) below, the Creditor Representative(s) for the Second Lien Creditors (acting on the instructions of the Majority Second Lien Creditors); or
 - (iii) if required under paragraph (e) below, the Creditor Representative(s) for the Parent Debt Creditors (acting on the instructions of the Majority Parent Debt Creditors).
- (c) Subject to the Transaction Security having become enforceable in accordance with its terms:
 - (i) an Instructing Group may give or refrain from giving instructions to the Security Agent to take action as to Enforcement (if prior to the Super Senior Discharge Date only, in accordance with Clause 15.5 (Enforcement prior to Super Senior Discharge Date));
 - (ii) to the extent permitted or required under Clause 7.9 (Permitted Enforcement: Second Lien Creditors), prior to the First Lien Discharge Date, the Creditor Representative(s) for the Second Lien Creditors (acting on the instructions of the Majority Second Lien Creditors)

•

may give or refrain from giving instructions to the Security Agent to enforce the Transaction Security; or

- (iii) to the extent permitted or required under Clause 8.9 (Permitted Enforcement: Parent Debt Creditors), prior to the Priority Discharge Date, the Creditor Representative(s) for the Parent Debt Creditors (acting on the instructions of the Majority Parent Debt Creditors), may give or refrain from giving instructions to the Security Agent to enforce the Transaction Security.

(d) Prior to the First Lien Discharge Date:

- (i) if an Instructing Group has (or, if prior to the Super Senior Discharge Date, both the Majority Super Senior Creditors and the Majority Senior Secured Creditors have) instructed the Security Agent to cease or not to proceed with Enforcement; or
- (ii) in the absence of instructions as to Enforcement from an Instructing Group (or, if prior to the Super Senior Discharge Date, the absence of instructions from both the Majority Super Senior Creditors and the Majority Senior Secured Creditors),

and if, in each case, an Instructing Group has not (or, if prior to the Super Senior Discharge Date, neither the Majority Super Senior Creditors nor the Majority Senior Secured Creditors have) required any Debtor or Third Party Security Provider to make a Distressed Disposal, the Security Agent shall give effect to any instructions to enforce the Transaction Security which the Creditor Representative(s) for the Second Lien Creditors (acting on the instructions of the Majority Second Lien Creditors) are then entitled to give to the Security Agent under Clause 7.9 (Permitted Enforcement: Second Lien Creditors).

(e) Prior to the Priority Discharge Date:

- (i) if an Instructing Group has (or, if prior to the Super Senior Discharge Date, both the Majority Super Senior Creditors and the Majority Senior Secured Creditors have) instructed the Security Agent to cease or not to proceed with Enforcement; or
- (ii) in the absence of instructions as to Enforcement from an Instructing Group (or, if prior to the Super Senior Discharge Date, the absence of instructions from both the Majority Super Senior Creditors and the Majority Senior Secured Creditors),

and if, in each case, an Instructing Group has not (or, if prior to the Super Senior Discharge Date, neither the Majority Super Senior Creditors nor the Majority Senior Secured Creditors have) required any Debtor or Third Party Security Provider to make a Distressed Disposal, the Security Agent shall give effect to any instructions to enforce the Transaction Security which the Creditor Representative(s) for the Parent Debt Creditors (acting on the instructions of the Majority Parent Debt Creditors) are then entitled to give to the Security Agent under Clause 8.9 (Permitted Enforcement: Parent Debt Creditors).

- (f) Notwithstanding paragraphs (c)(ii), (c)(iii), (d) and (e) above, if at any time the Creditor Representative(s) for the Second Lien Creditors or the Parent Debt Creditors are then entitled to give the Security Agent instructions as to enforcement of the Transaction Security pursuant to paragraph (d) or (e) above and the Creditor Representative(s) do not give such instruction and do not indicate any intention to give such instruction, then the Majority Senior Secured Creditors (or, if entitled to give instructions as to Enforcement under Clause 15.5 (Enforcement prior to Super Senior Discharge Date), the Majority Super Senior Creditors) may give instructions to the Security Agent as

•

to Enforcement in lieu of any instructions to enforce given by the Creditor Representative for the Second Lien Creditors or the Parent Debt Creditors under Clause 7.9 (Permitted Enforcement: Second Lien Creditors) or 8.9 (Permitted Enforcement: Parent Debt Creditors) and the Security Agent shall act on the first such instructions received.

- (g) The Security Agent is entitled to rely on and comply with instructions given or deemed to be given in accordance with this Clause 15.2.

15.3 Consultation period

- (a) Subject to the Transaction Security having become enforceable in accordance with its terms, if any group of Creditors entitled to give instructions to enforce the Transaction Security or to take any other action as to Enforcement in accordance with Clause 15.2 (Instructions to enforce – Transaction Security) wishes to issue Enforcement Instructions, the Creditor Representative representing the Creditors (together with any Bilateral Lender(s) as the case may be) comprising that group of Creditors shall deliver a copy of those proposed Enforcement Instructions (an **Initial Enforcement Notice**) to the Security Agent and to each other Creditor Representative and each Bilateral Creditor.
- (b) Subject to paragraph (c) below, as soon as reasonably practicable after receipt of an Initial Enforcement Notice, each of the Creditor Representatives and each Bilateral Lender will consult in good faith with each other and the Security Agent for a period of not less than ten Business Days (or such shorter period as each Creditor Representative, each Bilateral Lender and the Security Agent shall agree) from the date such Initial Enforcement Notice is received by such persons (or such shorter period as the relevant parties may agree) (the **Consultation Period**) with a view to co-ordinating the Enforcement Instructions, provided that a Parent Debt Creditor Representative shall only be required to be consulted if the proposed Enforcement Instructions relate to Common Transaction Security.
- (c) No Consultation Period shall be required if:
 - (i) the Transaction Security has become enforceable as a result of an Insolvency Event in relation to a Debtor or Third Party Security Provider; or
 - (ii) an Instructing Group or the Creditor Representative representing the Creditors comprising an Instructing Group determines in good faith (and notifies the other Creditor Representatives, each Bilateral Creditor and the Security Agent) that to enter into such consultations and delay the commencement of Enforcement could reasonably be expected to have a material adverse effect on (A) the Security Agent's ability to enforce any of the Transaction Security or (B) the expected realisation proceeds of any Enforcement.
- (d) Following the expiry of a Consultation Period or if no Consultation Period is required pursuant to paragraph (c) above, the Security Agent shall be entitled to act on any Enforcement Instructions given to it by the group of Creditors entitled to give instructions to enforce the Transaction Security or to take any other action as to Enforcement in accordance with Clauses 15.2 (Instructions to enforce – Transaction Security) and 15.4 (Manner of enforcement – Transaction Security).

15.4 Manner of enforcement – Transaction Security

If the Transaction Security is being enforced or other action as to Enforcement is being taken pursuant to Clause 15.2 (Instructions to enforce – Transaction Security), the Security Agent shall enforce the Transaction Security or take other action as to Enforcement in such manner (including,

without limitation, the selection of any administrator (or any analogous officer in any jurisdiction) of any Debtor or Third Party Security Provider to be appointed by the Security Agent) as:

- (a) the Instructing Group shall instruct;
- (b) if, prior to the First Lien Discharge Date:
 - (i) the Security Agent has, pursuant to paragraph (d) of Clause 15.2 (Instructions to enforce – Transaction Security), received instructions given by the Majority Second Lien Creditors to enforce the Transaction Security; and
 - (ii) the Instructing Group (or any other group of First Lien Creditors pursuant to paragraph (f) of Clause 15.2 (Instructions to enforce – Transaction Security)) has not given instructions as to Enforcement,

the Majority Second Lien Creditors shall instruct; or

- (c) if, prior to the Priority Discharge Date:
 - (i) the Security Agent has, pursuant to paragraph (e) of Clause 15.2 (Instructions to enforce – Transaction Security), received instructions given by the Majority Parent Debt Creditors to enforce the Transaction Security; and
 - (ii) the Instructing Group (or any other group of Priority Creditors pursuant to paragraph (f) of Clause 15.2 (Instructions to enforce – Transaction Security)) has not given instructions as to Enforcement,

the Majority Parent Debt Creditors shall instruct,

provided that (in the case of paragraph (a) above and prior to the Super Senior Discharge Date only) such instructions are consistent with Clause 15.6 (Enforcement principles prior to Super Senior Discharge Date) or, in the absence of any such instructions, as the Security Agent considers in its discretion to be appropriate and consistent with Clause 15.6 (Enforcement principles prior to Super Senior Discharge Date).

15.5 Enforcement prior to Super Senior Discharge Date

- (a) This Clause 15.5 shall only apply on or prior to the Super Senior Discharge Date.
- (b) If, following any Consultation Period, the Majority Super Senior Creditors and the Majority Senior Secured Creditors have both agreed the Enforcement Instructions, the Security Agent will act in accordance with those joint Enforcement Instructions.
- (c) If, following any Consultation Period, the Majority Senior Secured Creditors have given Enforcement Instructions and paragraph (b) above does not apply, subject to paragraphs (d) and (e) below, the Security Agent will act in accordance with the Enforcement Instructions received from the Majority Senior Secured Creditors.
- (d) If:

•

- (i) the Majority Senior Secured Creditors have not made a determination as to the method of Enforcement they wish to instruct the Security Agent to pursue (and notified the Security Agent of that determination in writing) within three months of the date of the Initial Enforcement Notice (or, if later, the end of the Consultation Period); or
- (ii) the Super Senior Discharge Date has not occurred within six months of the date of the Initial Enforcement Notice (or, if later, the end of the Consultation Period),

then the Security Agent will act in accordance with Enforcement Instructions received from the Majority Super Senior Creditors until the Super Senior Discharge Date has occurred.

- (e) If an Insolvency Event (other than an Insolvency Event directly caused by any Enforcement Action taken by or at the request or direction of a Super Senior Creditor or group of Super Senior Creditors) is continuing with respect to a Debtor or a Third Party Security Provider then the Security Agent will, to the extent the Majority Super Senior Creditors elect to provide such Enforcement Instructions (and except to the extent that the Security Agent has already commenced any Enforcement (or any transaction in lieu) or other Enforcement Action at that time with respect to the relevant Debtor or Third Party Security Provider), act in accordance with Enforcement Instructions received from the Majority Super Senior Creditors until the Super Senior Discharge Date has occurred.

15.6 Enforcement principles prior to Super Senior Discharge Date

- (a) This Clause 15.6 shall only apply on or prior to the Super Senior Discharge Date.
- (b) Any Enforcement shall be consistent with maximising, to the extent consistent with a prompt and expeditious realisation of value, the value realised from Enforcement (the **Enforcement Objective**).
- (c) Without prejudice to the Enforcement Objective, the Transaction Security shall be enforced and other action as to Enforcement shall be taken such that sufficient proceeds from Enforcement will be received by the Security Agent in cash to ensure that, when the proceeds are applied in accordance with Clause 21 (Application of Proceeds), the Super Senior Discharge Date will occur.
- (d) On:
 - (i) a proposed Enforcement in relation to assets comprising Charged Property other than shares in a member of the Group over which Transaction Security exists, where the aggregate book value of such assets exceeds US\$10,000,000 (or its equivalent in any other currency or currencies); or
 - (ii) a proposed Enforcement in relation to Charged Property comprising some or all of the shares in a member of the Group over which Transaction Security exists,

which, in either case, is not being effected through a Competitive Sales Process, the Security Agent shall, if requested by the Majority Super Senior Creditors or the Majority Senior Secured Creditors, appoint a Financial Adviser to provide a Fairness Opinion in relation to that Enforcement, provided that the Security Agent shall not be required to appoint a Financial Adviser nor obtain a Fairness Opinion if a proposed Enforcement:

- (A) would result in the receipt of sufficient Enforcement Proceeds in cash by the Security Agent to ensure that, after application in accordance with Clause 21 (Application of Proceeds):
 - I. in the case of an Enforcement requested by the Majority Super Senior Creditors, the Senior Secured Creditor Discharge Date would occur; or
 - II. in the case of an Enforcement requested by the Majority Senior Secured Creditors, the Super Senior Discharge Date would occur;
- (B) is in accordance with any applicable law; and
- (C) complies with Clause 18 (Distressed Disposals).

- (e) A Fairness Opinion will be conclusive evidence that the Enforcement Objective has been met.
- (f) This Clause 15.6 is for the benefit of the Super Senior Creditors, the Senior Secured Creditors and the Security Agent only.

15.7 Exercise of voting rights

- (a) Subject to paragraphs (b) and (d) below, each Creditor (other than each Creditor Representative, the Security Agent and each Arranger) will cast its vote in any proposal put to the vote by or under the supervision of any judicial or supervisory authority in respect of any insolvency, pre-insolvency or rehabilitation or similar proceedings relating to a Parent Debt Issuer (insofar as it relates to the enforcement, protection or preservation of the Common Transaction Security) or any member of the Group as instructed by the Security Agent.
- (b) Each Creditor (other than a Primary Creditor and each Creditor Representative, the Security Agent and each Arranger) will cast its vote in any proposal put to the vote by or under the supervision of any judicial or supervisory authority in respect of any insolvency, pre-insolvency or rehabilitation or similar proceedings relating to a Parent Debt Issuer (insofar as it does not relate to the enforcement, protection or preservation of the Common Transaction Security) as instructed by the Majority Parent Debt Creditors.
- (c) Subject to paragraph (d) below, the Security Agent shall give instructions for the purposes of paragraph (a) above in accordance with any instructions given to it by the Instructing Group, provided that any such instructions have been given in accordance with Clause 15.2 (Instructions to enforce – Transaction Security).
- (d) Nothing in this Clause 15.7 entitles any party to exercise or require any other Creditor to exercise such power of voting or representation to waive, reduce, discharge, extend the due date for (or change the basis for accrual of any) payment of or reschedule any of the Liabilities owed to that Creditor.

15.8 Waiver of rights

To the extent permitted under applicable law and subject to Clause 15.2 (Instructions to enforce – Transaction Security), Clause 15.4 (Manner of enforcement – Transaction Security), Clause 18.4 (Fair value) and Clause 21 (Application of Proceeds), each of the Secured Parties, the Third Party Security Providers and the Debtors waives all rights it may otherwise have to require that the

•

Transaction Security be enforced in any particular order or manner or at any particular time or that any amount received or recovered from any person, or by virtue of the enforcement of any of the Transaction Security or of any other security interest, which is capable of being applied in or towards discharge of any of the Common Secured Obligations or the Priority Creditor Secured Obligations is so applied.

15.9 Duties owed

- (a) Each of the Secured Parties, the Third Party Security Providers and the Debtors acknowledges that, in the event that the Security Agent enforces or is instructed to enforce any part of the Transaction Security:
 - (i) prior to the First Lien Discharge Date, the duties of the Security Agent and of any Receiver or Delegate owed to the Second Lien Creditors and the Parent Debt Creditors; or
 - (ii) after the First Lien Discharge Date but prior to the Priority Discharge Date, the duties of the Security Agent and of any Receiver or Delegate owed to the Parent Debt Creditors,

in either case, in respect of the method, type and timing of that enforcement or of the exploitation, management or realisation of any of that Transaction Security shall, subject to Clause 18.4 (Fair value) and 18.6 (Restriction on Distressed Disposals – Second Lien / Parent Debt Creditor protections) (where applicable), be no different to or greater than the duty that is owed by the Security Agent, Receiver or Delegate to the Debtors under general law.

- (b) The duty of care owed (whether under this Agreement or under general law) by the Security Agent to the Second Lien Creditors and the Parent Debt Creditors shall be the same whether or not the Second Lien Creditors and the Parent Debt Creditors are creditors at the relevant entity at which enforcement is being conducted or are beneficiaries of the Security that is being enforced. The Security Agent shall promptly upon receiving notice provide the Second Lien Creditors (through their respective Second Lien Creditor Representatives) and the Parent Debt Creditors (through their respective Parent Debt Creditor Representatives) notification of the scheduling of any court or administrative hearings relating to any Enforcement Action with respect to the Transaction Security.

15.10 Enforcement through Security Agent only

The Secured Parties shall not have any independent power to enforce, or have recourse to, any of the Transaction Security or to exercise any right, power, authority or discretion arising under the Transaction Security Documents except through the Security Agent.

15.11 Alternative Enforcement Actions

- (a) After the Security Agent has commenced Enforcement, it shall not accept any subsequent instructions as to Enforcement save for:
 - (i) instructions as to Enforcement where paragraphs (d) or (e) of Clause 15.5 (Enforcement prior to Super Senior Discharge Date) apply;
 - (ii) instructions as to Enforcement that the Second Lien Creditors are entitled to give under Clause 7.9 (Permitted Enforcement: Second Lien Creditors); or

•

- (iii) instructions as to Enforcement that the Parent Debt Creditors are entitled to give under Clause 8.9 (Permitted Enforcement: Parent Debt Creditors); or
- (iv) instructions as to Enforcement from the Majority Super Senior Creditors or the Majority Senior Secured Creditors that they are entitled to give pursuant to paragraph (f) of Clause 15.2 (Instructions to enforce – Transaction Security),

from anyone other than the Instructing Group that instructed it to commence such Enforcement regarding any other Enforcement of the Transaction Security over or relating to shares or assets directly or indirectly the subject of the Enforcement which has been commenced (and, for the avoidance of doubt, during any enforcement of the Transaction Security, only paragraph (a)(ii) of the definition of Instructing Group shall be applicable in relation to any instructions given to the Security Agent by the Instructing Group under this Agreement).

- (b) Paragraph (a) above shall not restrict the right of any other Instructing Group to instruct the Security Agent as to Enforcement of the Transaction Security over or relating to shares or assets which are not directly or indirectly the subject of the Enforcement which has been commenced, subject to compliance with the requirements of this Agreement.

15.12 Transaction Security held by other Creditors

If any Transaction Security is held by a Creditor other than the Security Agent, then that Creditor may only enforce that Transaction Security in accordance with instructions given by an Instructing Group in accordance with this Clause 15 (and for this purpose references to the Security Agent shall be construed as references to that Creditor).

16. ENFORCEMENT OF PARENT DEBT ONLY SECURITY

16.1 Instructions to enforce – Parent Debt Only Security

- (a) The Security Agent may refrain from enforcing the Parent Debt Only Security unless instructed otherwise by the Majority Parent Debt Creditors.
- (b) Subject to the Parent Debt Only Security having become enforceable in accordance with its terms, the Majority Parent Debt Creditors may give or refrain from giving instructions to the Security Agent to enforce the Parent Debt Only Security.
- (c) The Security Agent is entitled to rely on and comply with instructions given or deemed to be given in accordance with this Clause 16.1.

16.2 Manner of enforcement – Parent Debt Only Security

If the Parent Debt Only Security is being enforced pursuant to Clause 16.1 (Instructions to enforce – Parent Debt Only Security), the Security Agent shall enforce the Parent Debt Only Security in such manner (including, without limitation, the selection of any administrator (or any analogous officer in any jurisdiction) of any Parent Debt Only Obligor to be appointed by the Security Agent) as the Majority Parent Debt Creditors shall instruct.

16.3 Waiver of rights

- (a) notionally convert the Liabilities owed to any person into a common base currency (decided in its discretion by the Security Agent), that notional conversion to be made at the spot rate at which the Security Agent is able to purchase the notional base currency with the actual currency of the Liabilities owed to that person at the time at which that calculation is to be made; and
- (b) assume that all amounts received or recovered as a result of the enforcement or realisation of any Transaction Security Property or Parent Debt Only Security Property are applied in discharge of the Liabilities in accordance with the terms of the Debt Documents under which those Liabilities have arisen.

22. EQUALISATION

22.1 Equalisation Definitions

Enforcement Date means the first date (if any) on which a Primary Creditor takes enforcement action of the type described in paragraphs (a)(i), (a)(iii), (a)(iv) or (c) of the definition of **Enforcement Action** in accordance with the terms of this Agreement.

Exposure means:

- (a) in relation to a Lender under a particular Primary Financing Document, the aggregate amount of its participation (if any, and without double counting) in all Utilisations outstanding under that Primary Financing Document at the Enforcement Date (assuming all contingent liabilities which have become actual liabilities since the Enforcement Date to have been actual liabilities at the Enforcement Date (but not including, for these purposes only, any interest that would have accrued from the Enforcement Date to the date of actual maturity in respect of those liabilities) and assuming any transfer of claims between Lenders pursuant to any loss-sharing arrangement in that Primary Financing Document which has taken place since the Enforcement Date to have taken place at the Enforcement Date) together with the aggregate amount of all accrued interest, fees and commission owed to it under that Primary Financing Document and amounts owed to it by a Debtor in respect of any Ancillary Facility under that Primary Financing Document and all other Primary Creditor Liabilities owed by the Debtors to that Lender under that Primary Financing Document to the extent not already taken into account in this paragraph, but excluding:
 - (i) any amount owed to it by a Debtor in respect of any Ancillary Facility under that Primary Financing Document to the extent that that amount would not be outstanding but for a breach by that Lender of any provision of that Primary Financing Document relating to that Ancillary Facility;

- (ii) any amount owed to it by a Debtor in respect of any Ancillary Facility under that Primary Financing Document to the extent (and in the amount) that Cash Cover has been provided by a Debtor in respect of that amount and is available to that Lender pursuant to the relevant Cash Cover Document; and
 - (iii) any amount outstanding in respect of a Letter of Credit to the extent (and in the amount) that Cash Cover has been provided by a Debtor in respect of that amount and is available to the party it has been provided for pursuant to the relevant Cash Cover Document;
- (b) in relation to a Cash Management Provider, its Cash Management Facility Outstandings;
- (c) in relation to a Noteholder, the Liabilities under the relevant Notes Indenture owed by the Debtors or, as the case may be, Third Party Security Provider to that Noteholder; and
- (d) in relation to a Hedge Counterparty:
 - (i) if that Hedge Counterparty has terminated or closed out any hedging transaction under any Hedging Agreement in accordance with the terms of this Agreement on or prior to the Enforcement Date, the amount, if any, payable to it under that Hedging Agreement in respect of that termination or close-out as of the date of termination or close-out (taking into account any interest accrued on that amount) to the extent that amount is unpaid at the Enforcement Date; and
 - (ii) if that Hedge Counterparty has not terminated or closed out any hedging transaction under any Hedging Agreement on or prior to the Enforcement Date:
 - (A) if the relevant Hedging Agreement is based on an ISDA Master Agreement the amount, if any, which would be payable to it under that Hedging Agreement in respect of that hedging transaction if the Enforcement Date was deemed to be an Early Termination Date (as defined in the relevant ISDA Master Agreement) for which the relevant Debtor is the Defaulting Party (as defined in the relevant ISDA Master Agreement); or
 - (B) if the relevant Hedging Agreement is not based on an ISDA Master Agreement, the amount, if any, which would be payable to it under that Hedging Agreement in respect of that hedging transaction if the Enforcement Date was deemed to be the date on which an event similar in meaning and effect (under that Hedging Agreement) to an Early Termination Date (as defined in any ISDA Master Agreement) occurred under that Hedging Agreement for which the relevant Debtor is in a position similar in meaning and effect (under that Hedging Agreement) to that of a Defaulting Party (under and as defined in the same ISDA Master Agreement),

that amount, in each case, to be certified by the relevant Hedge Counterparty and as calculated in accordance with the relevant Hedging Agreement.

Utilisation means a “Utilisation” or “Undertaking” (or substantially equivalent term) under and as defined in the relevant Primary Financing Document.

•

22.2 Implementation of equalisation

- (a) The provisions of this Clause 22 shall be applied at such time or times after the Enforcement Date as the Security Agent shall consider appropriate.
- (b) Without prejudice to the generality of paragraph (a) above, if the provisions of this Clause 22 have been applied before all the Liabilities have matured and/or been finally quantified, the Security Agent may elect to re-apply those provisions on the basis of revised Exposures and the relevant Creditors in the same Creditor Class shall make appropriate adjustment payments amongst themselves.

22.3 Equalisation

If, for any reason, any Liabilities of any Creditor Class remain unpaid after the Enforcement Date and the resulting losses are not borne by the Primary Creditors in that Creditor Class in the proportions which their respective Exposures at the Enforcement Date bore to the aggregate Exposures of all the Primary Creditors in that Creditor Class at the Enforcement Date, the Primary Creditors in that Creditor Class will make such payments amongst themselves as the Security Agent shall require to put the Primary Creditors in that Creditor Class in such a position that (after taking into account such payments) those losses are borne in those proportions.

22.4 Turnover of enforcement proceeds

If:

- (a) the Security Agent or a Creditor Representative is not entitled, for reasons of applicable law, to pay or distribute amounts received pursuant to the making of a demand under any guarantee, indemnity or other assurance against loss or the enforcement of the Transaction Security (or in the case of the Parent Debt Creditors only, the Parent Debt Only Security) to the relevant Primary Creditors but is entitled to pay or distribute those amounts to Creditors (such Creditors, the **Receiving Creditors**) who, in accordance with the terms of this Agreement, are subordinated in right and priority of payment to the relevant Primary Creditors; and
- (b) the applicable Discharge Date in respect of the Liabilities of the relevant Primary Creditors to whom the Security Agent did not make that payment or distribution has not yet occurred (nor would occur after taking into account such payments),

then the Receiving Creditors shall make such payments or distributions to the relevant Primary Creditors as the Security Agent shall require to place the relevant Primary Creditors in the position they would have been in had such amounts been available for application against the relevant Primary Creditor Liabilities, provided that this Clause 22.4 shall not apply to any receipt or recovery that has been distributed by a Notes Trustee in accordance with the applicable Notes Indenture unless that Notes Trustee had received at least two Business Days' prior notice that an Enforcement Date, an Acceleration Event or an Insolvency Event in relation to a Debtor or a Third Party Security Provider has occurred or that the receipt or recovery falls within Clause 12.3 (Turnover by the First Lien Creditors) or Clause 12.4 (Turnover by Creditors other than the First Lien Creditors) in each case prior to distribution of the relevant amount.

22.5 Notification of Exposure

Before each occasion on which it intends to implement the provisions of this Clause 22, the Security Agent shall send a notice to each Bilateral Creditor and Creditor Representative requesting that it notify the Security Agent of, respectively, its Exposure and the Exposure of each Creditor represented by it (if any).

22.6 Default in payment

If a Creditor fails to make a payment due from it under this Clause 22, the Security Agent shall be entitled (but not obliged) to take action on behalf of the Creditor(s) to whom such payment was to be redistributed (subject to being indemnified to its satisfaction by such Creditor(s) in respect of costs) but shall have no liability or obligation towards such Creditor(s), or any other Primary Creditor as regards such default in payment and any loss suffered as a result of such default shall lie where it falls.

23. ADDITIONAL REGULATED DEBT

23.1 Additional Regulated Debt

(a) Notwithstanding anything to the contrary in this Agreement or a Security Document, each Party irrevocably agrees that any indebtedness or facility (including any indebtedness or facility entered into before the date of this Agreement or already subject to this Agreement) of any member of the Group or any Parent Debt Issuer which is not otherwise prohibited by the terms of the Primary Financing Documents may:

- (i) be treated and designated as any class of Primary Creditor Liabilities or, subject to Clause 2.8 (Anti-layering), otherwise rank *pari passu* or junior to any other Primary Creditor Liabilities;
- (ii) subject to Clause 23.2 (Security: Additional Regulated Debt), be secured by any Transaction Security and/or Parent Debt Only Security as applicable; and
- (iii) be treated and rank as such for the purposes of this Agreement,

(any such indebtedness being **Additional Regulated Debt**).

(b) On the date on which each Creditor and each Creditor Representative in respect of any Additional Regulated Debt (and any other required person) accedes to this Agreement in the required capacity and the Company designates that Additional Regulated Debt as the relevant class of Primary Creditor Liabilities, in each case, in accordance with Clause 26 (Changes to the Parties) (or such later date as agreed between the Company and the Security Agent), the Liabilities in respect of that Additional Regulated Debt shall become subject to the terms of this Agreement as so designated.

23.2 Security: Additional Regulated Debt

Notwithstanding anything to the contrary in any other Debt Document, the Parties agree that, in order to facilitate any Additional Regulated Debt, each Creditor Representative and the Security Agent (and any other Creditor party to a Transaction Security Document or a Parent Debt Only Security Document (as the case may be)) are authorised and instructed by all Creditors (and in each case are obliged at the request and cost of the Company) to enter into any new Security Document

(including any Lower Ranking Security), amend or waive any terms of an existing Security Document and/or release any asset from any Transaction Security or Parent Debt Only Security and/or to effect the ranking and priority of the guarantees and Security of the Additional Regulated Debt provided that:

- (a) any new Transaction Security or Parent Debt Only Security in relation to such Additional Regulated Debt is not prohibited by the terms of the Primary Financing Documents and is granted otherwise in accordance with this Agreement and the Primary Financing Documents; and
- (b) any release of Transaction Security or Parent Debt Only Security shall only be undertaken:
 - (i) (x) if required by the terms or conditions of the Additional Regulated Debt, or (y) to the extent necessary under applicable law to give effect to the ranking set out in Clause 2 (Ranking and Priority), or (z) where the Company has confirmed in writing to the Security Agent that it has determined in good faith (taking into account any applicable legal limitations and other relevant considerations in relation to the Additional Regulated Debt) that it is either not possible or not commercially feasible to implement the Additional Regulated Debt on terms satisfactory to the Company by instead granting additional Transaction Security or Parent Debt Only Security (as the case may be) and/or amending the terms of the existing Transaction Security Document or Parent Debt Only Security Document (as the case may be); and
 - (ii) if, promptly upon giving effect to that release, replacement Transaction Security or Parent Debt Only Security (as the case may be) is, subject to applicable law, the Debt Documents, the Agreed Security Principles, Guarantee Limitations and other terms of this Agreement, granted over the released assets on substantially the same terms as the Transaction Security or Parent Debt Only Security released (except that it shall also secure the Additional Regulated Debt).
- (c) Each of the Secured Parties agrees:
 - (i) not to take any action to challenge the validity or enforceability of the additional Transaction Security or Parent Debt Only Security by reason of it being Lower Ranking Security;
 - (ii) that additional Transaction Security may be granted by any Debtor in order to secure all or any part of any Hedging Liabilities and/or any Additional Regulated Debt; and
 - (iii) that additional Parent Debt Only Security may be granted by any Parent Debt Only Obligor in order to secure all or part of any Additional Regulated Debt that is designated as Parent Debt Liabilities.

23.3 Further assurance

- (a) The Creditors (or a Creditor Representative on their behalf) will (at the cost of the Company) enter into any documentation required by the Company to ensure that any obligations and liabilities incurred by the Debtors in respect of such Additional Regulated Debt will share in the relevant Transaction Security or Parent Debt Only Security and/or have the ranking permitted to be conferred upon it in accordance with the relevant Primary Debt Documents (including, without limitation, executing any amendment to this Agreement, entering into any additional or replacement

•

intercreditor agreement and any other Primary Debt Documents to reflect, enable and/or facilitate any such Additional Regulated Debt to be incurred).

- (b) Each Primary Creditor authorise its Creditor Representative (if applicable) to enter into any release document in connection with a full repayment, prepayment or refinancing of that Creditor's Primary Creditor Liabilities.

23.4 Debtor and Third Party Security Provider confirmations

- (a) For the purpose of this Clause 23.4, **Relevant Secured Liabilities** means, in relation to any Security Document, the relevant Liabilities secured by that Security Document and, in relation to any Primary Debt Document, the relevant Liabilities guaranteed by that Primary Debt Document.
- (b) Each Debtor, Third Party Security Provider and Parent Debt Only Obligor confirms its intention that:
 - (i) any amendment to a Primary Debt Document which is not prohibited by this Agreement or otherwise made in accordance with this Agreement is within the scope of the Relevant Secured Liabilities; and
 - (ii) the Relevant Secured Liabilities extend to any amount payable by it under or in connection with the relevant Primary Debt Document as amended.
- (c) Each Debtor, Third Party Security Provider and Parent Debt Only Obligor agrees that the confirmations in paragraph (b) above apply regardless of:
 - (i) why or how a Primary Debt Document is amended (including the extent of the amendment and any change in or addition to the parties);
 - (ii) whether any amount payable by a Debtor under or in connection with the amended Primary Debt Document in any way relates to any amount that would or may have been payable had the amendment not taken place;
 - (iii) the extent to which its liability under any Primary Debt Document (whether present or future, actual or contingent), or any right it may have as a result of entering into or performing its obligations under any Primary Debt Document, changes or may change as a result of the amendment; and
 - (iv) whether it was aware of or consented to the amendment.
- (d) Each Debtor, Third Party Security Provider and Parent Debt Only Obligor further acknowledges and agrees that (to the extent permitted by the terms of the Primary Debt Documents):
 - (i) the Relevant Secured Liabilities are intended to cover all obligations of the relevant class(es) owing to the relevant Secured Parties under the relevant Primary Debt Document from time to time (including any Additional Regulated Debt); and
 - (ii) the Security created under the relevant Security Document is intended as security for the payment and discharge of all of the Relevant Secured Liabilities without the need for any amendment to the relevant Security Document or for any supplemental, confirmatory or subsequent ranking security document.

.

- (e) Each Debtor, Third Party Security Provider and Parent Debt Only Obligor further acknowledges and agrees that paragraphs (b) to (d) above shall apply (to the extent permitted by the terms of the Primary Debt Documents) whether or not:
- (i) any of the Relevant Secured Liabilities or Primary Debt Documents exist on the date of the relevant Security Document (or, as the case may be, the date on which it became a party to the relevant Security Document);
 - (ii) the amount of the Relevant Secured Liabilities is increased or the terms of any of the Primary Debt Documents are more onerous (including in relation to the interest rate and other pricing terms);
 - (iii) any additional obligations are added to the Relevant Secured Liabilities by way of designating a document as a Primary Debt Document or any person as a Secured Party, and whether or not that document or person is designated directly, or indirectly as a result of that document or person being of a type or class which falls within the then current definition of Primary Debt Documents or Secured Party;
 - (iv) that Debtor, Third Party Security Provider and Parent Debt Only Obligor or any person incurring the Relevant Secured Liabilities is a party to the Primary Debt Documents on the date of the relevant Security Document (or, as the case may be, the date on which it became a party to the relevant Security Document);
 - (v) any of the Secured Parties changes (including a change to all or substantially all of the Secured Parties) or any amendment is made to the definition of Secured Party (or any defined term in any Primary Debt Document that is referred to in the definition of Secured Party to include an additional person as a Secured Party); or
 - (vi) any change increases the likelihood that any Security will be enforced.
- (f) Notwithstanding paragraphs (b) to (e) above, none of the Relevant Secured Liabilities shall extend to any Primary Liabilities (including any Additional Regulated Debt) which are not originally contemplated by the relevant Security Document or Primary Debt Document without the consent of the Company and any extension of the Relevant Secured Liabilities contemplated by paragraphs (b) to (e) above shall be subject to the applicable Guarantee Limitations and the Agreed Security Principles.
- (g) Each Debtor, Third Party Security Provider and Parent Debt Only Obligor irrevocably authorises the Company to give effect to the terms of or facilitate the implementation, assumption or establishment of any Additional Regulated Debt entered into or assumed in compliance with this Agreement.

24. THE SECURITY AGENT

24.1 Appointment by Secured Parties

Each Secured Party (other than the Security Agent) irrevocably appoints the Security Agent to act as its security agent, trustee, joint and several creditor and/or beneficiary of a parallel debt under Clause 24.3 (Parallel debt) (as the case may be) under this Agreement and with respect to the applicable Primary Debt Documents, and irrevocably authorises the Security Agent to:

•

- (a) execute each Primary Debt Document expressed to be executed by the Security Agent on its behalf and execute any releases and any other documents, instruments or notices to be executed by the Security Agent as contemplated by the terms of this Agreement or any applicable Primary Debt Document; and
- (b) to perform such duties, obligations and responsibilities and to exercise such rights, powers, authorities and discretions under this Agreement and the applicable Primary Debt Documents as are specifically delegated to the Security Agent by the terms of this Agreement and the other Primary Debt Documents, together with such rights, powers, authorities and discretions as are reasonably incidental thereto

24.2 Security Agent as trustee

- (a) The Security Agent declares that it holds the Priority Creditor Security Property on trust for the Priority Secured Parties, the Common Security Property on trust for the Priority Secured Parties and the Parent Debt Secured Parties and the Parent Debt Only Security Property on trust for the Parent Debt Secured Parties, in each case, on the terms contained in this Agreement.
- (b) Paragraph (a) above shall not apply in respect of any Excluded Security Document (as defined in Clause 24.3 (Parallel debt)).

24.3 Parallel debt

- (a) In this Clause 24.3:

Excluded Security Documents means:

•

(ii) the benefit of any Security Agent Claims; and

(iii) all proceeds of the Transaction Security and the Parent Debt Only Security,

for the benefit, and as the property, of the Secured Parties (on the terms contained in this Agreement) and so that they are not available to the personal creditors of the Security Agent.

(d) For the purposes of this Clause 24.3, the Security Agent acts in its own name and not as an agent, representative or a trustee, and its claims in respect of the Security Agent Claim shall not be held on trust. The Transaction Security and the Parent Debt Only Security granted to the Security Agent to secure the Security Agent Claim is granted to the Security Agent in its capacity as creditor of the Security Agent Claim and shall not be held on trust.

(e) The Security Agent may enforce performance of any Security Agent Claim in its own name as an independent and separate right. This includes, without limitation, any filing, suit, execution, enforcement of security or any Transaction Security Document or Parent Debt Only Security Document, recovery of guarantees and applications for and voting in respect of any kind of insolvency proceeding.

(f) Each Secured Party shall, at the request of the Security Agent:

(i) do anything required in connection with the enforcement of any Security Agent Claim (including, without limitation, joining in any proceedings with the Security Agent); and

(ii) enforce its Secured Party Claim,

in each case, only to the extent that that enforcement is in accordance with the terms of this Agreement.

(g) Each Debtor and Parent Debt Only Obligor irrevocably and unconditionally waives any right it may have to require a Secured Party to join in any proceedings with the Security Agent in respect of any Security Agent Claim.

(h) The Security Agent Claim owed by each Debtor and each Parent Debt Only Obligor shall be decreased and discharged automatically in the same amount to the extent that the corresponding Secured Party Claim owed by it is irrevocably paid or otherwise discharged.

(i) The Secured Party Claim owed by each Debtor and each Parent Debt Only Obligor shall be decreased and discharged automatically in the same amount to the extent that the corresponding Security Agent Claim owed by it is irrevocably paid or otherwise discharged.

(j) The aggregate amount of the Security Agent Claims will never exceed the aggregate amount of Secured Party Claims.

(k) A defect affecting a Security Agent Claim against a Debtor or a Parent Debt Only Obligor will not affect any Secured Party Claim and a defect affecting a Secured Party Claim against a Debtor or a Parent Debt Only Obligor will not affect any Security Agent Claim.

(l) If the Security Agent returns to any Debtor or Parent Debt Only Obligor, whether in any kind of insolvency proceedings or otherwise, any recovery in respect of which it has made a payment to a Secured Party, that Secured Party shall pay an amount equal to that recovery to the Security Agent.

•

- (m) Without limiting or affecting the Security Agent's rights against the Debtors and the Parent Debt Only Obligor under the Debt Documents, each Debtor and Parent Debt Only Obligor acknowledges that:
 - (i) nothing in this Clause 24.3 shall impose any obligation on the Security Agent to advance any amount to any Debtor or Parent Debt Only Obligor or otherwise under any Debt Document, except, if applicable, in its capacity as a Primary Creditor; and
 - (ii) for the purpose of any vote taken under any Debt Document, the Security Agent shall not be regarded as having any participation or commitment other than, if applicable, those which it has in its capacity as a Primary Creditor.

 - (i) to exercise such rights, remedies, powers and discretions as are specifically delegated to or conferred upon the Security Agent under the Security Documents governed by German law together with such powers and discretions as are reasonably incidental thereto including, without limitation, to realise and enforce the relevant Security in accordance with the relevant provisions of this Agreement and the Transaction Security Documents governed by German law; and

24.5 Instructions

- (a) The Security Agent shall:
- (i) subject to paragraphs (d) and (e) below, exercise or refrain from exercising any right, power, authority or discretion vested in it as Security Agent, or as holder of a Security Agent Claim, in accordance with any instructions given to it by the Instructing Group (or, if this Agreement stipulates the matter is a decision for any other Creditor or group of Creditors, from that Creditor or group of Creditors); and
 - (ii) not be liable for any act (or omission) if it acts (or refrains from acting) in accordance with paragraph (i) above (or, if this Agreement stipulates the matter is a decision for any other Creditor or group of Creditors, in accordance with instructions given to it by that Creditor or group of Creditors).
- (b) The Security Agent shall be entitled to request instructions, or clarification of any instruction, from the Instructing Group (or, if this Agreement stipulates the matter is a decision for any other Creditor or group of Creditors, from that Creditor or group of Creditors) as to whether, and in what manner, it should exercise or refrain from exercising any right, power, authority or discretion and the Security Agent may refrain from acting unless and until it receives those instructions or that clarification.
- (c) Save in the case of decisions stipulated to be a matter for any other Creditor or group of Creditors under this Agreement and unless a contrary intention appears in this Agreement, any instructions given to the Security Agent by the Instructing Group (or, if this Agreement stipulates the matter is a decision for any other Creditor or group of Creditors, from that Creditor or group of Creditors) shall override any conflicting instructions given by any other Parties and will be binding on all Secured Parties.

- (e) If giving effect to instructions given by the Instructing Group (or, if this Agreement stipulates the matter is a decision for any other Creditor or group of Creditors, from that Creditor or group of Creditors) would (in the Security Agent's opinion) have an effect equivalent to an Intercreditor Amendment, the Security Agent shall not act in accordance with those instructions unless consent to it so acting is obtained from each Party (other than the Security Agent) whose consent would have been required in respect of that Intercreditor Amendment.
- (f) In exercising any discretion to exercise a right, power or authority under the Debt Documents where either:
- (i) it has not received any instructions as to the exercise of that discretion; or
 - (ii) the exercise of that discretion is subject to paragraph (d)(iv) above,
- the Security Agent shall:
- (A) other than where paragraph (B) below applies, do so having regard to the interests of all the relevant Secured Parties; and

- (g) The Security Agent may refrain from acting in accordance with any instructions of any Creditor or group of Creditors until it has received any indemnification and/or security that it may in its discretion require (which may be greater in extent than that contained in the Debt Documents and which may include payment in advance) for any cost, loss or liability (together with any applicable VAT) which it may incur in complying with those instructions.
- (h) Without prejudice to the provisions of Clause 15 (Enforcement of Transaction Security), Clause 16 (Enforcement of Parent Debt Only Security) and the remainder of this Clause 24.5, in the absence of instructions, the Security Agent may (but shall not be obliged to) act (or refrain from acting) as it considers in its discretion to be appropriate.

- (e) The Security Agent may rely on the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts (whether obtained by the Security Agent or by any other Party) and shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever arising as a result of its so relying.

None of the Security Agent, any Receiver nor any Delegate is responsible or liable for:

- (a) the adequacy, accuracy or completeness of any information (whether oral or written) supplied by the Security Agent, a Debtor or any other person in or in connection with any Debt Document or the transactions contemplated in the Debt Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Debt Document;

- (i) any damages, costs or losses to any person, any diminution in value, or any liability whatsoever arising as a result of taking or not taking any action under or in connection with any Debt Document or the Transaction Security Property or the Parent Debt Only Security Property unless directly caused by its gross negligence or wilful misconduct;
 - (ii) exercising or not exercising any right, power, authority or discretion given to it by, or in connection with, any Debt Document, the Transaction Security Property or the Parent Debt Only Security Property or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with, any Debt Document or the Transaction Security Property or the Parent Debt Only Security Property;
 - (iii) any shortfall which arises on the enforcement or realisation of the Transaction Security Property or the Parent Debt Only Security Property; or

 - (A) any act, event or circumstance not reasonably within its control; or
 - (B) the general risks of investment in, or the holding of assets in, any jurisdiction,including (in each case and without limitation) such damages, costs, losses, diminution in value or liability arising as a result of: nationalisation, expropriation or other governmental actions; any regulation, currency restriction, devaluation or fluctuation; market conditions affecting the execution or settlement of transactions or the value of assets; breakdown, failure or malfunction of any third party transport, telecommunications, computer services or systems; natural disasters or acts of God; war, terrorism, insurrection or revolution; or strikes or industrial action.

on behalf of any Primary Creditor and each Primary Creditor confirms to the Security Agent that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Security Agent.

- (d) Without prejudice to any provision of any Debt Document excluding or limiting the liability of the Security Agent, any Receiver or Delegate, any liability of the Security Agent, any Receiver or Delegate arising under or in connection with any Debt Document or the Transaction Security Property or the Parent Debt Only Security Property shall be limited to the amount of actual loss which has been finally judicially determined to have been suffered (as determined by reference to the date of default of the Security Agent, Receiver or Delegate (as the case may be) or, if later, the date on which the loss arises as a result of such default) but without reference to any special conditions or circumstances known to the Security Agent, Receiver or Delegate (as the case may be) at any time which increase the amount of that loss. In no event shall the Security Agent, any Receiver or Delegate be liable for any loss of profits, goodwill, reputation, business opportunity or anticipated saving, or for special, punitive, indirect or consequential damages, whether or not the Security Agent, Receiver or Delegate (as the case may be) has been advised of the possibility of such loss or damages.

24.14 Primary Creditors' indemnity to the Security Agent

- (a) Each Primary Creditor shall (in the proportion that the Liabilities due to it bear to the aggregate of the Liabilities due to all the Primary Creditors for the time being (or, if the Liabilities due to the Primary Creditors are zero, immediately prior to their being reduced to zero)), indemnify the Security Agent and every Receiver and every Delegate, within five Business Days of demand, against any cost, loss or liability incurred by any of them (otherwise than by reason of the Security Agent's, Receiver's or Delegate's gross negligence or wilful misconduct) in acting as Security Agent, Receiver or Delegate under, or exercising any authority conferred under, the Debt Documents (unless the Security Agent, Receiver or Delegate has been reimbursed by a Debtor pursuant to a Debt Document).

 - (ii) if the relevant Hedging Agreement is not based on an ISDA Master Agreement, the amount, if any, which would be payable to it under that Hedging Agreement in respect of that hedging transaction, if the date on which the calculation is made was deemed to be the date on which an event similar in meaning and effect (under that Hedging Agreement) to an Early Termination Date (as defined in any ISDA Master Agreement) occurred under that Hedging Agreement for which the relevant Debtor is in a position similar in meaning and effect (under that Hedging Agreement) to that of a Defaulting Party (under and as defined in the same ISDA Master Agreement),

that amount, in each case as calculated in accordance with the relevant Hedging Agreement.

- (d) The retiring Security Agent shall, at its own cost (or at the cost of the Company if it is resigning as a result of the non-payment of any fees payable to the Security Agent under any fee letter), make available to the successor Security Agent such documents and records and provide such assistance as the successor Security Agent may reasonably request for the purposes of performing its functions as Security Agent under the Debt Documents.
- (e) The Security Agent's resignation notice shall only take effect upon:

Any successor and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if that successor had been an original Party.
- (g) The Instructing Group may, by notice to the Security Agent, require it to resign in accordance with paragraph (b) above. In this event, the Security Agent shall resign in accordance with paragraph (b) above but the cost referred to in paragraph (d) above shall be for the account of the Company.

- (c) Notwithstanding any other provision of any Debt Document to the contrary, the Security Agent is not obliged to disclose to any other person (i) any confidential information or (ii) any other information if the disclosure would, or might in its reasonable opinion, constitute a breach of any law or regulation or a breach of a fiduciary duty.

24.17 Information from the Creditors

Each Creditor (through its Creditor Representative if applicable) shall supply the Security Agent with any information that the Security Agent may reasonably specify as being necessary or desirable to enable the Security Agent to perform its functions as Security Agent.

24.18 Credit appraisal by the Secured Parties

Without affecting the responsibility of any Debtor, Third Party Security Provider or Parent Debt Only Obligor for information supplied by it or on its behalf in connection with any Debt Document, each Secured Party confirms to the Security Agent that it has been, and will continue to be, solely responsible for making its own independent appraisal and investigation of all risks arising under or in connection with any Debt Document including but not limited to:

24.23 Custodians and nominees

The Security Agent may appoint and pay any person to act as a custodian or nominee on any terms in relation to any asset held on trust by the Security Agent under this Agreement and the Security Documents as the Security Agent may determine, including for the purpose of depositing with a custodian this Agreement or any document relating to any such assets and the Security Agent shall not be responsible for any loss, liability, expense, demand, cost, claim or proceedings incurred by reason of the misconduct, omission or default on the part of any person appointed by it under this Agreement or be bound to supervise the proceedings or acts of any person.

If, at any time after its date, any provision of a Debt Document (including this Agreement) is not binding on or enforceable in accordance with its terms against a person expressed to be a party to that Debt Document, neither the binding nature nor the enforceability of that provision or any other provision of that Debt Document will be impaired as against the other party(ies) to that Debt Document.

31.3 Remedies and waivers

The rights and remedies provided in each Debt Document are cumulative and not exclusive of any rights or remedies provided by law.

- (e) any amendment, novation, supplement, extension (whether of maturity or otherwise) or restatement (in each case, however fundamental and of whatsoever nature, and whether or not more onerous) or replacement of a Debt Document or any other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Debt Document or any other document or security;

32.2 Amendments and Waivers: Security Documents

- (a) Subject to paragraphs (b) and (c) below and to Clause 32.4 (Exceptions) and unless the provisions of any Debt Document expressly provide otherwise, the Security Agent may, if authorised by an Instructing Group (or the Majority Parent Debt Creditors in relation to the Parent Debt Only Security Documents only), and if the Company consents, amend the terms of, waive any of the requirements of or grant consents under, any of the Transaction Security Documents or the Parent Debt Only Security Documents or amend the terms of or waive any of the requirements of the Agreed Security Principles which shall be binding on each Party.

shall not be made without the prior consent of the Company and each Priority Creditor Representative (acting on behalf of the relevant class of Priority Creditors) and each Bilateral Lender.

- (c) Subject to paragraph (c) of Clause 32.4 (Exceptions), any amendment or waiver of, or consent under, any Common Transaction Security Document or any Parent Debt Only Security Document which adversely affects:

- (ii) the manner in which the proceeds of enforcement of the Common Transaction Security or the Parent Debt Only Security are distributed,

shall not be made without the prior consent of the Company and each Creditor Representative (acting on behalf of the relevant class of Primary Creditors) and each Bilateral Lender.

32.3 Effectiveness

- (a) Any amendment, waiver or consent given in accordance with this Clause 32 will be binding on all Parties and the Security Agent may effect, on behalf of any Primary Creditor, any amendment, waiver or consent permitted by this Clause 32.

- (a) Subject to paragraphs (c) to (g) below, if the amendment, waiver or consent may impose new or additional obligations on or withdraw or reduce the rights of any Party other than:
 - (i) in the case of a Primary Creditor, in a way which affects or would affect Primary Creditors of that Party's class generally; or
 - (ii) in the case of a Debtor, to the extent consented to by the Company under paragraph (a) of Clause 32.2 (Amendments and Waivers: Security Documents),

the consent of that Party (or the relevant Creditor Representative) is required.
- (b) Subject to paragraphs (c) to (g) below, an amendment, waiver or consent which relates to the rights or obligations of a Creditor Representative, an Arranger or the Security Agent in its capacity as such (including, without limitation, any ability of the Security Agent to act in its discretion under this Agreement) may not be effected without the consent of that Creditor Representative or, as the case may be, that Arranger or the Security Agent.
- (c) Neither paragraph (a) nor (b) above, nor Clauses 32.1 (Required consents) or 32.2 (Amendments and Waivers: Security Documents) shall apply:
 - (i) to any release of Transaction Security or Parent Debt Only Security, claim or Liabilities; or
 - (ii) to any consent,

which, in each case, the Security Agent gives in accordance with Clause 2.7 (Additional indebtedness), Clause 17 (Non-Distressed Disposals), Clause 18 (Distressed Disposals) or Clause 23 (Additional Regulated Debt) or as contemplated by the terms of any Debt Document and each Party agrees that any such release, amendment, waiver or consent can be effected solely by the Company and the Security Agent acting in accordance with the provisions of such Clauses or the applicable Security Document to give effect to the same.
- (d) To the extent that an amendment, waiver or consent requested under this Clause 32 only affects one class of Creditors, and such amendment, waiver or consent could not reasonably be expected materially and adversely to affect the interests of the other classes of Creditors, only the written agreement from the relevant Creditor Representative acting on behalf of the affected class (or in the case of Bilateral Creditors, each affected Bilateral Creditor) shall be required.
- (e) This Agreement may be amended by the Company and the Security Agent without the consent of or instruction from any other Party:
 - (i) to cure defects, omissions or manifest errors or resolve ambiguities or inconsistencies; or
 - (ii) to effect any amendment that is for the benefit of all of the Secured Parties.
- (f) Notwithstanding anything to the contrary in the Debt Documents, a Creditor may unilaterally waive, relinquish or otherwise irrevocably give up all or any of its rights under any Debt Document with the consent of the Company.

- (g) Paragraphs (a) and (b) above shall apply to an Arranger only to the extent that Liabilities are then owed to that Arranger.

- (b) a request to participate in any other vote of any group of Primary Creditors under the terms of this Agreement;
- (c) a request to approve any other action under this Agreement;
- (d) a request to provide any confirmation or notification under this Agreement; or
- (e) a request to provide details of an Exposure,

any Primary Creditor:

- (i) fails to respond to that request within ten Business Days (or such longer period specified by the Company) of that request being made; or
- (ii) (in the case of paragraphs (a) to (c) above), fails to provide details of its Credit Participation to the Security Agent within the timescale specified by the Security Agent,

then:

- (A) in the case of subparagraphs (a) to (c) above, that Primary Creditor's Credit Participation shall be deemed to be zero for the purpose of calculating the relevant Credit Participations when ascertaining whether any relevant percentage (including, for the avoidance of doubt, unanimity) of Credit Participations of any group of Primary Creditors has been obtained to give that Consent, carry that vote or approve that action;
- (B) in the case of subparagraphs (a) to (c) above, that Primary Creditor's status as a Primary Creditor shall be disregarded for the purposes of ascertaining whether the agreement of any specified group of Primary Creditors has been obtained to give that Consent, carry that vote or approve that action;
- (C) in the case of paragraph (d) above, that confirmation or notification shall be deemed to have been given; and
- (D) in the case of paragraph (e) above, that Super Senior Creditor's Exposure shall be deemed to be zero,

provided that this Clause 32.5 shall not apply to any Noteholder in respect of any request where such Noteholder is not given the option to respond to such request in the negative but shall otherwise apply to all Noteholders.

32.6 Disenfranchisement of Defaulting Lenders

- (a) For so long as a Defaulting Lender has any Available Commitment, in ascertaining whether:
- (i) any relevant percentage (including, for the avoidance of doubt, unanimity) of Credit Participations; or
 - (ii) the agreement of any specified group of Primary Creditors,
- has been obtained to approve any request for a Consent or to carry any other vote or approve any action under this Agreement, that Defaulting Lender's Commitments will be reduced by the amount of its Available Commitments and, to the extent that that reduction results in that Defaulting Lender's Commitments being zero, that Defaulting Lender shall be deemed not to be a Primary Creditor.
- (b) For the purposes of this Clause 32.6, the relevant Creditor Representative and/or the Security Agent may assume that the following Primary Creditors are Defaulting Lenders:
- (i) any Primary Creditor which has notified the Security Agent that it has become a Defaulting Lender;
 - (ii) any Primary Creditor to the extent that the relevant Creditor Representative has notified the Security Agent that that Primary Creditor is a Defaulting Lender; and
 - (iii) any Primary Creditor in relation to which it is aware that any of the events or circumstances referred to the definition of "Defaulting Lender" in any Facility Agreement has occurred,

unless it has received notice to the contrary from the Primary Creditor concerned (together with any supporting evidence reasonably requested by the relevant Creditor Representative and/or the Security Agent) or the relevant Creditor Representative and/or the Security Agent is otherwise aware that the Primary Creditor has ceased to be a Defaulting Lender.

32.7 Calculation of Credit Participations

- (a) For the purpose of ascertaining whether any relevant percentage of Credit Participations has been obtained under this Agreement, the Security Agent may notionally convert the Credit Participations into their Common Currency Amounts.
- (b) Each Creditor Representative and Bilateral Creditor will, upon the request of the Security Agent, promptly provide the Security Agent with the details of its Credit Participations or the Credit Participations of the Creditors whom it represents (which shall be calculated as at the time stipulated by the Security Agent or the relevant Creditor Representative (as applicable) in such request) and (if applicable) details of the extent to which such Credit Participations have been voted for or against any request.

32.8 Deemed consents

- (a) If, at any time prior to the Final Discharge Date and following a request from a member of the Group, any Creditor Representative or Bilateral Creditor gives a Consent in respect of the Debt Documents to which it is a party then, if that action was permitted by the terms of this Agreement, the Intra-Group Lenders, the Company and the Subordinated Creditors will (or will be deemed to):

•

- (i) give a corresponding Consent in equivalent terms in relation to each of the Debt Documents to which they are a party; and
 - (ii) do anything (including executing any document) that the relevant group of Primary Creditors may reasonably require to give effect to this Clause 32.8.
- (b) If, at any time, any Creditor Representative or Bilateral Creditor gives a Consent in respect of the respective Debt Documents to which it is a party of a minor technical or administrative nature which does not adversely affect the interests of the Cash Management Providers or the Lower Ranking Creditors or change the commercial terms contained in the Cash Management Agreements or the Lower Ranking Debt Documents, then, if that action was permitted by the terms of this Agreement, the Cash Management Providers and the Lower Ranking Creditors will (or will be deemed to):
- (i) give a corresponding Consent in equivalent terms in relation to each of the Debt Documents to which they are a party; and
 - (ii) do anything (including executing any document) that the relevant Creditor Representative or Bilateral Creditor may reasonably require to give effect to this Clause 32.8.

33. COUNTERPARTS

This Agreement may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Agreement.

35. U.S. OFC CONTRACTUAL STAY REQUIREMENT

- (a) To the extent that the Primary Debt Documents provide support, through a guarantee or otherwise, for any hedging agreements or any other agreement or instrument that is a QFC (such support, **QFC Credit Support**, and each such QFC a **Supported QFC**), the Parties acknowledge and agree as follows with respect to the U.S. Special Resolution Regimes in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that any Primary Debt Document or Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):
 - (i) in the event that a Covered Entity that is party to a Supported QFC (each, a **Covered Party**) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and

.

obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States; and

- (ii) in the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Primary Debt Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Primary Debt Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

- (b) In this Clause 35:

BHC Act Affiliate of a Party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such Party.

Covered Entity means any of the following:

- (a) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b);
- (b) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or
- (c) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

Default Right has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

QFC has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

U.S. Special Resolution Regimes means each of (i) the Federal Deposit Insurance Act and the regulations promulgated thereunder and (ii) Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act and the regulations promulgated thereunder.

37. ENFORCEMENT

37.1 Jurisdiction

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Agreement (including a dispute relating to the existence, validity or termination of this Agreement or any non-contractual obligation arising out of or in connection with this Agreement) (a **Dispute**).
- (b) The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.
- (c) Notwithstanding paragraph (a) above, no Secured Party shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Secured Parties may take concurrent proceedings in any number of jurisdictions.

37.2 Service of process

- (a) Without prejudice to any other mode of service allowed under any relevant law, each Debtor, Third Party Security Provider and Subordinated Creditor (unless incorporated in England and Wales):
 - (i) irrevocably appoints the Company as its agent for service of process in relation to any proceedings before the English courts in connection with this Agreement and the Company, by its execution of this Agreement, accepts that appointment; and
 - (ii) agrees that failure by a process agent to notify the relevant Debtor or Third Party Security Provider or Subordinated Creditor of the process will not invalidate the proceedings concerned;
- (b) If any person appointed as an agent for service of process is unable for any reason to act as agent for service of process, the Company must immediately (and in any event within ten Business Days of such event taking place) appoint another agent on terms acceptable to the Security Agent. Failing this, the relevant Security Agent may appoint another agent for this purpose.

SCHEDULE 6

GUARANTEE AND INDEMNITY

1. Definitions

Guaranteed Party means each Hedge Counterparty and each Cash Management Provider.

Guaranteed Document means, in relation to a Guaranteed Party, each Hedging Agreement or Cash Management Agreement to which it is a party.

2. Guarantee

Each Debtor (other than any in its capacity as a Parent Debt Issuer) irrevocably and unconditionally jointly and severally:

- (a) guarantees to each Guaranteed Party punctual performance by each other Debtor of all that Debtor's obligations under its Guaranteed Document;
- (b) undertakes with each Guaranteed Party that whenever another Debtor does not pay any amount when due under or in connection with its Guaranteed Document, that Debtor shall immediately on demand pay that amount as if it was the principal Debtor; and
- (c) agrees with each Guaranteed Party that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify that Guaranteed Party immediately on demand against any cost, loss or liability it incurs as a result of a Debtor not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under its Guaranteed Document on the date when it would have been due. The amount payable by a Debtor under this indemnity will not exceed the amount it would have had to pay under this Schedule 6 if the amount claimed had been recoverable on the basis of a guarantee.

3. Continuing guarantee

This guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by any Debtor under the Guaranteed Documents, regardless of any intermediate payment or discharge in whole or in part.

4. Reinstatement

If any discharge, release or arrangement (whether in respect of the obligations of any Debtor or any security for those obligations or otherwise) is made by a Guaranteed Party in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, then the liability of each Debtor under this Schedule 6 will continue or be reinstated as if the discharge, release or arrangement had not occurred.

5. Waiver of defences

The obligations of each Debtor under this Schedule 6 will not be affected by an act, omission, matter or thing which, but for this Schedule 6, would reduce, release or prejudice any of its obligations under this Schedule 6 (without limitation and whether or not known to it or any Guaranteed Party) including:

- (a) any time, waiver or consent granted to, or composition with, any Debtor or other person;
- (b) the release of any other Debtor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Debtor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of a Debtor or any other person;
- (e) any amendment, novation, supplement, extension restatement (however fundamental and whether or not more onerous) or replacement of a Guaranteed Document or any other document or security including, without limitation, any change in the purpose of, any extension of or increase in any indebtedness or hedging arrangements or the addition of any new hedging arrangements under any Guaranteed Document or other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Guaranteed Document or any other document or security; or
- (g) any insolvency or similar proceedings.

6. Debtor intent

Without prejudice to the generality of paragraph 5 (Waiver of defences), each Debtor expressly confirms that it intends that this guarantee shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Guaranteed Documents and/or any indebtedness or hedging made available for the purposes of or in connection with any of the following: business acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

7. Immediate recourse

Each Debtor waives any right it may have of first requiring any Guaranteed Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Debtor under this Schedule 6. This waiver applies irrespective of any law or any provision of its Guaranteed Documents to the contrary.

8. Appropriations

Until all amounts which may be or become payable by the Debtors under or in connection with the its Guaranteed Documents have been irrevocably paid in full, each Guaranteed Party (or any trustee or agent on its behalf) may:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by that Guaranteed Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Debtor shall be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any moneys received from any Debtor or on account of any Debtor's liability under this Schedule 6.

9. Deferral of Debtors' rights

Until all amounts which may be or become payable by the Debtors under or in connection with a Guaranteed Document have been irrevocably paid in full, no Debtor will exercise any rights which it may have by reason of performance by it of its obligations under that Guaranteed Document or by reason of any amount being payable, or liability arising, under this Schedule 6:

- (a) to be indemnified by a Debtor;
- (b) to claim any contribution from any other guarantor of any Debtor's obligations under that Guaranteed Document;
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Guaranteed Party under that Guaranteed Document or of any other guarantee or security taken pursuant to, or in connection with, that Guaranteed Document by the relevant Guaranteed Party;
- (d) to bring legal or other proceedings for an order requiring any Debtor to make any payment, or perform any obligation, in respect of which any Debtor has given a guarantee, undertaking or indemnity under paragraph 2 (Guarantee);
- (e) to exercise any right of set-off against any Debtor; and/or
- (f) to claim or prove as a creditor of any Debtor in competition with the relevant Guaranteed Party.

If a Debtor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to a Guaranteed Party by the Debtors under or in connection with its Guaranteed Documents to be repaid in full on trust for that Guaranteed Party and shall promptly pay or transfer the same to the that Guaranteed Party.

10. Release of Debtors' right of contribution

If any Debtor (a **Retiring Debtor**) ceases to be a Debtor then on the date such Retiring Debtor ceases to be a Debtor:

- (a) that Retiring Debtor is released by each other Debtor from any liability (whether past, present or future and whether actual or contingent) to make a contribution to any other Debtor arising by reason of the performance by any other Debtor of its obligations under each Guaranteed Document; and
- (b) each other Debtor waives any rights it may have by reason of the performance of its obligations under each Guaranteed Document to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of a Guaranteed Party under that Guaranteed Document or of any other security taken pursuant to, or in connection with, that Guaranteed Document where such rights or security are granted by or in relation to the assets of the Retiring Debtor.

11. Additional security

This guarantee is in addition to and is not in any way prejudiced by any other guarantee or security now or subsequently held by any Guaranteed Party.

12. Guarantee Limitations

This Schedule 6 is subject to the Guarantee Limitations.

•

SCHEDULE 7

GUARANTEE LIMITATIONS

1. Interpretation

In this Schedule, a reference to a Debtor includes a Third Party Security Provider.

2. General limitations

Without limiting any specific exemptions set out below, this guarantee and any other guarantee, indemnity or assurance against loss in any Primary Debt Documents (including any Transaction Security) does not apply to any liability to the extent it would constitute unlawful financial assistance within the meaning of sections 678 or 679 of the Companies Act 2006 or any equivalent and applicable provisions under the laws of the jurisdiction of incorporation of the relevant Debtor.

3. Germany

(a) In this Clause 3:

German Debtor means:

- (a) any Debtor incorporated in Germany as a limited liability company (*Gesellschaft mit beschränkter Haftung*) (a **German GmbH Debtor**); or
- (b) a limited partnership (*Kommanditgesellschaft*) in relation to which any general partner (*persönlich haftender Gesellschafter*) is a limited liability company (any such general partner is hereinafter referred to as a **German GP Company**) (such limited partnership is hereinafter referred to as a **German KG Debtor**).

Guarantee means any guarantee and/or indemnity obligation of any German Debtor created under this Agreement or any other Primary Debt Documents.

Net Assets means the amount of the German GmbH Debtor's, or, where the German Debtor is a German KG Debtor, its German GP Company's relevant assets (the calculation of which shall include all items set forth in Section 266(2) A, B, C, D and E of the German Commercial Code (*Handelsgesetzbuch*, **HGB**)) less:

- (a) the German GmbH Debtor's, or, where the German Debtor is a German KG Debtor, its German GP Company's liabilities, the calculation of which shall include all items set forth in Section 266(3) B, C, D and E of the HGB including any costs for any Auditor's Determination but such liabilities shall exclude:
 - (i) the liabilities under or relating to the Guarantee; and
 - (ii) any obligations (*Verbindlichkeiten*) of the German GmbH Debtor (and, in case of a GmbH & Co. KG, of its German GP Company):
 - (A) owing to any member of the group or any other affiliated company which are subordinated by law or by contract to any Indebtedness outstanding under this

•

Agreement (including for the avoidance of doubt, obligations that would in an insolvency be subordinated pursuant to Section 39 para 1 no 5 or Section 39 para 2 of the German Insolvency Code (*Insolvenzordnung*)) and including obligations under guarantees for obligations which are so subordinated, unless a waiver of the loan provided to the relevant German GmbH Debtor or, in the case of a GmbH & Co. KG, of its German GP Company, would result in that member of the group breaching its obligations under section 30 of the German Limited Liability Companies Act (*GmbH-Gesetz*, **GmbHG**) or any similar provision of any other jurisdiction applicable to it; and

- (B) incurred by the German GmbH Debtor (and, in the case of a GmbH & Co.KG, of its German GP Company) in wilful violation of any of the provisions of the Primary Debt Documents; and
- (b) any amounts which are subject to legal dividend payment constraints (*Ausschüttungssperre*) pursuant to Section 253(6), Section 268(8) or Section 272(5) HGB, in each case calculated in accordance with HGB (taking into account applicable case law on the calculation of net assets pursuant to Section 30 GmbHG) and accounting principles consistent with those applied in the preparation of the latest annual unconsolidated financial statements for that German GmbH Debtor (or, where the German Debtor is a German KG Debtor, its German GP Company).

For the purpose of such calculation, the following balance sheet items shall be adjusted as follows:

- (i) if the registered share capital of the German Debtor, or where the German Debtor is a German KG Debtor, of its German GP Company, is increased out of retained earnings (*Kapitalerhöhung aus Gesellschaftsmitteln*) after the date of this Agreement, such increase shall not be taken into account unless (i) such increase has been effected with the prior written consent of the Security Agent or is otherwise permitted under this Agreement or any other Primary Debt Documents and (ii) only to the extent it is fully paid up (*voll eingezahlt*);
 - (ii) the amount of any increase after the date of this Agreement of the German Debtor's, or, where the German Debtor is a German KG Debtor, its German GP Company's registered share capital which has been effected out of retained earnings (*Kapitalerhöhung aus Gesellschaftsmitteln*) without the prior written consent of the Security Agent shall be deducted from the registered share capital;
 - (iii) any accrual (*Rückstellung*) in respect of a potential enforcement of the Guarantee or any Security shall be disregarded; and
 - (iv) liabilities in relation to loans granted to, and other contractual liabilities incurred by, the German Debtor or as the case may be by its German GP Company, in willful (*vorsätzlich*) or grossly negligent (*grob fahrlässig*) violation of any Primary Debt Documents shall be disregarded.
- (b) In the case of a German Debtor the enforcement of the Guarantee against such German Debtor shall be limited if and to the extent that:
 - (i) such Guarantee secures the obligations or liabilities of:

.

- (A) the German Debtor's, or in case of a German KG Debtor, any of its relevant German GP Company's, direct or indirect shareholder (upstream), or
 - (B) a direct or indirect subsidiary of a shareholder pursuant to paragraph (i) (but excluding any direct or indirect subsidiary of the German Debtor (and, in the case of a German KG Debtor, any direct or indirect subsidiary of its German GP Company)) (cross-stream); and
 - (ii) the enforcement of the Guarantee (x) would cause the Net Assets to be less than the respective share capital (*Stammkapital*) (*Begründung einer Unterbilanz*) or (y) (if the German GmbH Debtor's, or, where the German Debtor is a German KG Debtor, its German GP Company's Net Assets are already less than its respective registered share capital) would cause such deficit to be further increased (*Vertiefung einer Unterbilanz*).
 - (c) In addition, the German Debtor and, where the German Debtor is a German KG Debtor, also its relevant German GP Company shall, if so requested by the Security Agent, realise, to the extent legally permitted, in a situation where after enforcement of the Guarantee the German Debtor, or, where the German Debtor is a German KG Debtor, its relevant German GP Company would not have Net Assets in excess of its respective registered share capital, any and all of its assets that are shown in the balance sheet with a book value (*Buchwert*) that is significantly lower than the market value of the asset if such asset is not necessary for the German Debtor's or as the case may be its relevant German GP Company's operational business (*operativ nicht betriebsnotwendig*).
 - (d) The enforcement of the Guarantee shall initially be excluded if no later than fifteen (15) Business Days following a demand by the Security Agent to make a payment under the Guarantee, the managing directors on behalf of the German Debtor or, as the case may be, its German GP Company, have confirmed in writing to the Security Agent:
 - (i) to what extent the Guarantee granted hereunder has an upstream or cross-stream effect as described above; and
 - (ii) to which extent the Guarantee securing cross-stream and/or upstream obligations or liabilities as described above cannot be enforced as it would cause the Net Assets of the German Debtor, or, where the German Debtor is a German KG Debtor, its German GP Company to be less than its respective registered share capital (taking into account the above set out adjustments and realization duties),
- (the **Management Determination**) and such confirmation is supported by a reasonably satisfactory calculation provided the Security Agent shall in any event be entitled to enforce the Guarantee for any amounts where such enforcement would, in accordance with the Management Determination, not cause the German Debtor's, or, where the German Debtor is a German KG Debtor, its German GP Company's Net Assets to be less than (or to fall further below) the amount of its respective registered share capital (in each case as calculated and adjusted as set out above).
- (e) Following the Security Agent's receipt of Management Determination, any further enforcement of the Guarantee (i.e. any enforcement to which the Security Agent is not already entitled to) shall be excluded for a period of no more than thirty (30) Business Days only. If the Security Agent receives within such thirty (30) Business Days period: (i) an up-to date balance sheet together with (ii) a determination in each case prepared by auditors of international standard and reputation appointed by the relevant German Debtor either confirming the Management Determination or setting out deviations from the Management Determination (the **Auditor's Determination**), the further

.

enforcement of the Guarantee shall be limited, if and to the extent such enforcement would, in accordance with the Auditor's Determination cause the German Debtor's, or, where the German Debtor is a German KG Debtor, its German GP Company's Net Assets to be less than (or to fall further below) the amount of its respective registered share capital in each case as calculated and adjusted as set out above. If the German Debtor fails to deliver an Auditor's Determination within thirty (30) Business Days after receipt of the Management Determination, the Security Agent shall be entitled to enforce the Guarantee without any limitation or restriction.

- (f) If and to the extent (A) the net assets as determined by the Auditors' Determination are lower than the amount enforced in accordance with the Management Determination or (B) the Guarantee has been enforced without regard to the limitations set out above because (x) the Management Determination was not delivered within the relevant time frame or (y) the Auditors' Determination was not delivered within the relevant time frame but has been delivered within ten (10) Business Days following the due date for the delivery of the Auditors' Determination, the Security Agent shall without undue delay repay to the relevant German Debtor upon written demand of the relevant German Debtor any amount (if and to the extent already paid to the Creditors (or any of them)) in the case of (A) equal to the difference between the amount paid and the amount payable resulting from the Auditor's Determination, and in the case of (B), which the Security Agent would not have been entitled to enforce had the Management Determination and the Auditors' Determination been delivered in time provided such demand for repayment is made to the Security Agent within six months from the date the Guarantee is enforced. The Security Agent may withhold any amount received pursuant to an enforcement of the Guarantee until final determination of the amount of the net assets pursuant to the Auditor's Determination.
- (g) The limitations set out in this Clause 3 shall not apply (or, as the case may be, shall cease to apply):
 - (i) if and to the extent any amounts borrowed under this Agreement are lent or on-lent to such German Debtor and/or, in case of a German KG Debtor, its relevant German GP Company or any of its respective subsidiaries from time to time if, in addition by virtue of the enforcement of the Guarantee the German Debtor, or as the case may be, its relevant German GP Company, has a recourse, indemnification, sharing of losses or other compensation claim against such lending affiliated company (*verbundenes Unternehmen*) within the meaning of Section 16, 17 or 18 of the German Stock Act (*Aktiengesetz, AktG*) or the lending direct or indirect shareholder of the German Debtor which could be set-off against such loan receivable or otherwise be used to settle or discharge such loan obligation and provided that the Security Agent has waived with binding effect on any Creditor the restrictions of any provision under any Primary Debt Documents restricting the right to set off claims against, or otherwise make use of the recourse, indemnification, sharing of losses or other compensation claim against such lending affiliated company (*verbundenes Unternehmen*) within the meaning of Section 16, 17 or 18 of the AktG or the lending direct or indirect shareholder of the German Debtor in order to settle or discharge such loan obligation vis-à-vis, such lending member of the lending affiliated company (*verbundenes Unternehmen*) within the meaning of Section 16, 17 or 18 of the AktG or the lending direct or indirect shareholder of the German Debtor; or
 - (ii) if and when a domination agreement (*Beherrschungsvertrag*) and/or profit absorption agreement (*Gewinnabführungsvertrag*) (either directly or through a chain of domination and/or profit absorption agreements) is or becomes effective between the relevant German Debtor (or, in case of a German KG Debtor, its German GP Company) as dependent entity (*abhängiges Unternehmen*) and:

.

- (A) in case of the German Debtor (or, in case of a German KG Debtor, its German GP Company) is a subsidiary of the relevant obligor whose obligations are guaranteed under the Guarantee, that obligor; or
- (B) in case the German Debtor (or, in case of a German KG Debtor, its German GP Company) is a sister company of the relevant obligor whose obligations are guaranteed under the Guarantee, any joint (direct or indirect) parent company of the German Debtor (or, in case of a German KG Debtor, its German GP Company) and that obligor,

as dominating entity (*beherrschendes Unternehmen*)) other than where and to the extent the existence of such domination agreement (*Beherrschungsvertrag*) and/or profit absorption agreement (*Gewinnabführungsvertrag*) does not result in the inapplicability of sentence 1 of paragraph 1 of Section 30 GmbHG (as stipulated by sentence 2 of such paragraph) with respect to the relevant payments under the Guarantee (including in respect of intermediate entities through which the relevant obligor whose obligations are guaranteed under the Guarantee is an indirect shareholder of the German Debtor, or as the case may be, its German GP Company);

- (iii) if and to the extent the German Debtor holds on the date of the enforcement of the Guarantee a fully valuable and recoverable indemnity or claim for refund (*vollwertiger Gegenleistungs- oder Rückgewähranspruch*) against any of its direct or indirect shareholders or Subsidiaries of such shareholders (other than Subsidiaries of the German Debtor) with respect to the relevant payments under the Guarantee; or
- (iv) if and to the extent for any other reason (including, without limitation, as a result of a change in the relevant rules of law) the deficit (*Unterbilanz*) referred to in paragraph (b) above does not constitute a breach of the German Debtor's obligations to maintain its registered share capital pursuant to §§ 30 et seq. GmbHG or does not result in a personal liability of the managing directors of the German Debtor pursuant to §§ 43, 31 GmbHG.

4. Kingdom of Saudi Arabia law

- (a) The obligations of a Debtor incorporated in the Kingdom of Saudi Arabia (a **KSA Debtor**) under the Primary Debt Documents shall be limited to exclude any obligation to the extent that it would constitute an unlawful distribution to the partners or shareholders of that KSA Debtor or an otherwise unlawful use of proceeds or assets of that KSA Debtor, whether pursuant to article 10 of the Saudi Arabian companies regulations or any other applicable law (each being a **Breach of Law**). The Parties irrevocably agree that the obligations of a KSA Debtor under the Primary Debt Documents are limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of that KSA Debtor, result in the obligations of that KSA Debtor under the Parent Debt Documents not constituting a Breach of Law.
- (b) Unless otherwise agreed by the Company and each KSA Debtor (without any need to amend this Agreement), the liability of a KSA Debtor under the Primary Debt Documents shall be limited to US\$1,000,000,000 plus any unpaid amount of interest, fees, liability, costs and expenses under the Primary Debt Documents and the amount of any interest, default interest, costs and expenses related to the liabilities of the KSA Debtor.

5. Norway

- (a) The obligations of each Debtor incorporated in Norway (a **Norwegian Debtor**) under the Primary Debt Documents shall be limited by any mandatory provisions of law applicable to such Norwegian Debtor and be deemed to have been given only to the extent it does not violate Sections 8-7 and 8-10 of the Norwegian Private Limited Liability Companies Act 1997 No. 44 (the **Norwegian Companies Act**) regulating unlawful financial assistance and other restricted loans, guarantees and joint and several liability as well as providing of security, and the liability of each Norwegian Debtor only applies to the extent permitted by such provisions of the Norwegian Companies Act. Any Norwegian Debtor's obligations under the Primary Debt Documents shall, however, be interpreted so as to make it liable to the fullest extent permitted by the Norwegian Companies Act from time to time.
- (b) Unless otherwise agreed by the Company and each Norwegian Debtor (and following any such agreement this Agreement shall be deemed to be amended accordingly), the liability of a Norwegian Debtor under the Primary Debt Documents shall be limited to US\$1,000,000,000 plus any unpaid amount of interest, fees, liability, costs and expenses under the Primary Debt Documents and the amount of any interest, default interest, costs and expenses related to the liabilities of the Norwegian Debtor.

6. Security

The limitations set out above shall apply mutatis mutandis to any Security provided by any Debtor under the Security Documents and to any guarantee, undertaking, obligation, indemnity and payment, including but not limited to, distributions, credits, loans and set-offs, pursuant to or permitted by the Primary Debt Documents in relation to a Debtor.

7. Additional Debtors

The guarantee of, and any Security granted by, any Debtor which becomes a party to this Agreement pursuant to Clause 26 (Changes to the Parties) is subject to any other limitations relating to that Debtor set out in the Accession Deed applicable to such Debtor.

SCHEDULE 8

AGREED SECURITY PRINCIPLES

This Schedule contains the principles that apply to all Primary Debt Documents including all Transaction Security Documents. To the extent there is any inconsistency between the terms of any Primary Debt Document and the terms set out in this Schedule, this Schedule shall prevail.

1. GENERAL PRINCIPLES

- (a) The guarantees and Security to be provided will be given in accordance with certain Security principles (the **Agreed Security Principles**). This Schedule addresses the manner in which these Agreed Security Principles will affect the guarantees and Security proposed to be taken in relation to this transaction.
- (b) A reference to an Obligor in these Agreed Security Principles is a reference to the borrower or issuer of the applicable debt and each guarantor of that debt, and shall also be construed as a reference to a Third Party Security Provider where applicable.
- (c) These Agreed Security Principles embody a recognition by all parties that there may be certain legal and practical difficulties in obtaining effective guarantees and Security from the Company or any Restricted Subsidiary in jurisdictions in which it has been agreed guarantees and Security will be granted. In particular:
 - (i) general statutory limitations, financial assistance, corporate benefit, fraudulent preference, “earnings stripping”, “thin capitalisation” rules, tax restrictions, retention of title claims or other similar laws or regulations (or analogous restrictions) of any applicable jurisdiction may limit the ability of the Company or any Restricted Subsidiary to provide a guarantee or Security or may require that the guarantee or Security be limited by an amount or otherwise. If any such limit applies, the guarantees and Security provided will be limited to the maximum amount which the Company or any Restricted Subsidiary, as applicable, may provide having regard to applicable law (including any jurisprudence) and subject to fiduciary duties of management (a security interest will not be required if taking such Security would expose the directors of the relevant company to a material risk of personal liability);
 - (ii) certain supervisory board, works council or another external body's consent may be required to enable the Company or any Restricted Subsidiary to provide a guarantee or Security. Such guarantee and/or Security shall not be required unless such consent has been received provided that all reasonable endeavours have been used by the Company or Restricted Subsidiary, as applicable, to obtain the relevant consent;
 - (iii) a key factor in determining whether or not a guarantee or Security shall be taken is the applicable cost (including but not limited to adverse effects on interest deductibility and stamp duty, notarisation and registration fees) which shall not be disproportionate to the benefit to the creditors of obtaining such guarantee or Security;
 - (iv) the maximum guaranteed or secured amount may be limited to minimise stamp duty, notarisation, registration or other applicable fees, taxes and duties where the benefit of

increasing the guaranteed or secured amount is disproportionate to the level of such fee, taxes and duties;

- (v) where there is material incremental cost involved in creating Security over all assets owned by any Obligor in a particular category the principle stated in sub-paragraph (iii) above shall apply and, subject to these Agreed Security Principles, only the material assets in that category shall be subject to Security;
- (vi) guarantees and Security will not be granted or the perfection of the Security granted will not be required if it would restrict the ability of the Company or any Restricted Subsidiary to conduct its operations and business in the ordinary course;
- (vii) it is acknowledged that in certain jurisdictions it may be either impossible or impractical to create Security over certain categories of assets in which event Security will not be taken over such assets;
- (viii) any assets subject to third party arrangements which are permitted by the finance documents and which prevent those assets from being secured will be excluded from any relevant security document;
- (ix) the Company and its Restricted Subsidiaries will not be required to give guarantees or enter into security documents if it would be likely to result in any risk that the directors and officers of the relevant grantor of collateral or guarantees could be held to be (i) in breach of their fiduciary duties and/or (ii), company or criminal law provided that the Company and each Restricted Subsidiary, as applicable, shall use reasonable endeavours to overcome any such obstacle;
- (x) to the extent possible, all Security shall be given in favour of the Security Agent as one set of Security and not the secured creditors individually unless second or third ranking Security is required by local law. "Parallel debt"/"Joint and several creditorship" (as applicable) provisions will be used where necessary and such provisions will be contained in this Agreement and not the individual security documents unless required under local laws;
- (xi) to the extent possible, there should be no action required to be taken by any Obligor in relation to the guarantees or Security when any creditor assigns or transfers any of its participation in the Liabilities to a new creditor;
- (xii) no perfection action will be required in any jurisdiction other than the jurisdictions of incorporation of the Obligors;
- (xiii) other than in relation to the relevant security document itself or as otherwise set out in these Agreed Security Principles, no perfection action will be required in relation to any assets the subject of a floating charge;
- (xiv) no title investigations or title insurance will be required;
- (xv) unless granted under a global security document governed by the law of the jurisdiction of an Obligor or under English law, New York law or Scottish law, all Security (other than share Security over its subsidiaries that are also Obligors) shall be governed by the law of, and shall secure assets located in the jurisdiction of, incorporation of that Obligor; and

•

- (xvi) no Security will be required over investments/shares in joint ventures (or non-wholly-owned Restricted Subsidiaries) or the assets of joint ventures (or non-wholly-owned Restricted Subsidiaries) and no joint venture (or non-wholly-owned Restricted Subsidiary) will be required to provide a guarantee.
- (d) Subject to these Agreed Security Principles, an Obligor shall only be required to grant Security over shares, intercompany receivables owed by any member of the Group and material bank accounts. Obligors incorporated in England and Wales and Scotland shall also be required to grant floating charges.
- (e) No guarantee or Security will be required from a Restricted Subsidiary incorporated in a jurisdiction other than England, Scotland, Germany, Netherlands, Norway, Oman, Saudi Arabia and Russia or any other jurisdiction notified to the creditors (or representative on their behalf) in writing by the Company (an **Agreed Security Jurisdiction**), provided that no Security shall be granted by (or over the shares of) any original Obligor incorporated in Russia.
- (f) For the avoidance of doubt, in these Agreed Security Principles, “cost” includes registration taxes payable on the creation or for the continuance of any Security, stamp duties, taxes, out-of-pocket expenses, and other fees and expenses incurred by the relevant grantor of Security or any of its direct or indirect owners, subsidiaries or affiliates.
- (g) Any request for an Obligor to use its reasonable endeavours under these Agreed Security Principles shall only require that Obligor to use its reasonable endeavours for a period of 20 Business Days after which such obligation shall lapse.

2. TERMS OF SECURITY DOCUMENTS

2.1 General

The following principles will be reflected in the terms of any Security taken as part of this transaction:

- (a) the Security will be first ranking to the extent possible;
- (b) Security will not be enforceable until an Acceleration Event has occurred;
- (c) any rights of set off will not be exercisable until an Acceleration Event has occurred;
- (d) notification of pledges/charges over bank accounts will only be given to the bank holding the account to the extent it is necessary for the creation or perfection of the Security and doesn't restrict or prohibit the cash pooling arrangements to be implemented among the Company and its Restricted Subsidiaries or otherwise prevent it from retaining control over and the ability to operate such accounts freely; notices to account banks shall include a request for an acknowledgement by the account bank and the Company shall use its reasonable endeavours to obtain an acknowledgement from the relevant account bank to the extent that it is necessary for the creation or perfection of the security and doesn't restrict or prohibit the cash pooling arrangements to be implemented by the Company and its Restricted Subsidiaries or otherwise prevent it from retaining control over the ability to operate such accounts freely;

- (e) notices to account banks shall not request the account bank to amend or waive the standard terms and conditions of the account bank and any acknowledgement provided by an account bank shall be permitted to include a permission for any prior security interests in favour of the account bank created or arising by operation of law or in its standard terms and conditions (including, as applicable, for the netting of credit and debit balances pursuant to current account netting arrangements) or in any cash pooling arrangement to remain in place;
- (f) notification of receivables Security to debtors will only be given if an Acceleration Event has occurred (other than in respect of intra-group receivables owed by Debtors (as defined in the Intercreditor Agreement) to whom notice will be deemed to have been given pursuant to the Intercreditor Agreement);
- (g) unless a security document specifies a later date, notices and other perfection steps are to be completed within ten Business Days after the date of the security document (or the date on which any security provider becomes a party to that security document);
- (h) in relation to any asset which a security provider does not own on the date of a security document (or the date on which the security provider becomes a party to that security document) including the opening of a new material bank account, any notices or other perfection steps shall only be required to be given if the Company determines that (in the case of new bank accounts only) that such account is a material account or such asset is otherwise required to be secured under the security documents (other than under any floating charge), provided that the Company shall only be obliged to make such determination once in any calendar year); if the asset is Shares, the Company shall ensure that any notice, document, certificate or other requirement required to be sent, deposited or completed in respect of that asset in accordance with the terms of the relevant security document is sent, deposited or completed as soon as reasonably practicable after those Shares are acquired by the relevant Security Provider;
- (i) the security documents should only operate to create Security rather than to impose new commercial obligations. Accordingly, they will not contain any representations or undertakings (such as in respect of title, insurance, information or the payment of costs) or provisions for default or penalty interest, tax gross-up or any indemnities unless these are representations or covenants required for the creation or perfection of the Security and if there is an equivalent representation or undertaking in any underlying facility agreement, the provisions included in the relevant security document shall be no more onerous;
- (j) until an Acceleration Event has occurred, the Obligors shall be permitted to retain and to exercise voting rights to any shares secured by them in a manner which does not adversely affect the validity or enforceability of the Security or cause an Event of Default to occur and the Obligors shall be permitted to receive and retain dividends on secured shares/pay dividends upstream on secured shares;
- (k) the Secured Parties shall only be able to exercise any power of attorney granted to them under the security documents following an Acceleration Event has occurred of any secured debt or failure to comply with a written request to fulfil a further assurance or perfection obligation within 20 business days of request;
- (l) the security documents will permit disposals of assets (including pursuant to a merger, consolidation, reorganisation, winding up, securitisation or sale and leaseback) where such

.

disposal is permitted under the finance documents and will include an automatic release of the Security in respect of the assets the subject of such disposal and assurances for the Security Agent to do all things reasonably requested (at the cost of the Obligors) to effect any release of Security the subject of such a disposal;

- (m) the security documents will not contain any provisions for default or penalty interest, tax gross-up or indemnity or any indemnification for costs, damages or liabilities that are more onerous or extensive than the equivalent provisions in the finance documents;
- (n) to the extent any notice or other perfection documentation is required to be delivered under the security documents, the security documents will state that such notice or documentation will be delivered as soon as practicable and will only include a specified number of days for delivery of a notice or other perfection documentation if required in order for the relevant Security to be perfected in a relevant jurisdiction within an applicable time period established as a matter of law;
- (o) if not otherwise required by law, upon complete and irrevocable satisfaction of the secured obligations and provided there are no actual or contingent liabilities to advance further monies, the Security Agent shall promptly thereafter, at the request and the cost and expense of the relevant grantor, release the secured asset;
- (p) the security documents will not accrue interest on any amount in respect of which interest is accruing under the finance documents; and
- (q) intercompany debt (other than proceeds loans) over which Security is granted will be freely transferable among the Company and its Restricted Subsidiaries (subject to limitations in the finance documents) and permitted to be capitalised up until the point of any Acceleration Event provided that, to the extent any debt is capitalised in a company the shares of which are subject to Security, the relevant Obligor will grant equivalent Security over the new shares following that capitalisation.

2.2 Specific terms to be included

- (a) Except to the extent a security document only creates Security over specific assets (and provided that paragraphs (i) to (ix) below shall not apply to the Company), each security document shall include an "excluded assets" clause (or other provisions having similar effect) so that the following assets are excluded from the Security (including any floating charge) and from the operation of any further assurance provisions:
 - (i) any asset in respect of which an Obligor is prohibited from creating a security interest by reason of any contract, licence, lease, instrument, regulatory constraint or other arrangement with a third party (including any asset in respect of which an Obligor is prohibited from creating a security interest without the prior consent of a third party), in each case, to the extent of that prohibition and only for so long as that prohibition is in existence or until consent has been received from the third party;
 - (ii) any asset which, if it becomes the subject of the Security would give a third party the right to terminate or otherwise amend any rights, benefits or obligations of an Obligor in respect of that asset or require an Obligor to take any action materially adverse to the interests of any member of the group, in each case, to the extent of that right and only for so long as that

•

right is in existence or until a waiver of the relevant term has been received from the third party.

- (iii) any shares or investment in any Unrestricted Subsidiary;
 - (iv) any asset subject to (or which becomes subject to) any security interest in favour of a third party which is not prohibited by the terms of the secured debt documents (other than solely as a result of the standard terms and conditions of any account bank);
 - (v) any cash constituting regulatory capital or customer cash or other restricted cash;
 - (vi) any bank account which is part of any cash-pooling arrangement (other than the cash-pooling arrangement in place with HSBC on the date of this Agreement);
 - (vii) any hedging agreement;
 - (viii) any asset (including shares in a Restricted Subsidiary) of a member of the group that is a "controlled foreign corporation" as defined in section 957(a) of the US Internal Revenue Code or any asset (including shares) of a subsidiary of a "controlled foreign corporation", to the extent that the asset would otherwise constitute a security asset in respect of any secured liability owed by any member of the group that is a United States person, as that term is used in section 956(d) of the US Internal Revenue Code; and
 - (ix) any asset representing more than 65 per cent. of the total combined voting power of all classes of shares entitled to vote of (A) any "controlled foreign corporation" that is directly owned for US federal income tax purposes by a US person (a **First Tier CFC Subsidiary**) or (B) any US or non-US entity through which that First Tier CFC Subsidiary is owned, if that entity is treated as a disregarded entity for US federal tax purposes.
- (b) Each security document shall include a clause confirming that, until the Security becomes enforceable, to the extent that any transaction or other matter is permitted or not prohibited by the terms of the secured debt documents, the security document shall not prohibit that transaction or other matter (and that transaction or other matter shall not constitute a breach of the security document) and no consent shall be required from the Security Agent under the security document in connection with that transaction or other matter. In particular, before the Security becomes enforceable, to the extent that the transaction or other matter is permitted by the terms of the other secured debt documents, each Obligor shall have the right to:
- (i) deal with any security asset and all contractual counterparties; and
 - (ii) amend, waive, terminate or allow to lapse any right, benefit or obligation in respect of any security asset (including agreeing to surrender or terminate any contract or to the closure of any bank account).
- (c) If the Security Agent so requests (acting reasonably), an Obligor shall use reasonable endeavours to obtain any consent necessary to enable any material asset excluded under paragraph (a)(i) or (a)(ii) above to be the subject of the relevant Security unless:
- (i) it could reasonably be expected to materially adversely affect its commercial reputation or interests or its ability to conduct its operations and business in the ordinary course as otherwise permitted by the relevant security document;

- (ii) to do so could reasonably be expected to place its commercial relationships with third parties in jeopardy; or
- (iii) it would be required to pay any fees, costs or expenses which are disproportionate to the value of the relevant asset.

- 7.11** Neither the Company nor its Transfer Agent shall be required to register any transfer of Shares or proceed with any issue of Shares (as applicable) in clause 7.10 above unless and until all such required consents, approvals and acknowledgements (as applicable) have been obtained.

- and which would, in the case of any of (a), (b) and (c) lead to one or more Major Shareholders gaining control of 25% or more of the A Ordinary Shares eligible to vote (each such Major

Shareholder being a “**Controlling Shareholder**”), then immediately prior to any such election, sell down, issue or acquisition the 5% threshold (subject to any adjustment that may have previously been made pursuant to this clause 7.12) for voting rights on A Ordinary Shares shall automatically be deemed to have been reduced to such a level that: (i) the potentially Controlling Shareholder does not become a Controlling Shareholder; (ii) any Shareholder holding less than 5% of the voting rights on A Ordinary Shares does not, by way of operation of this clause 7.12, hold 5% or more of the voting rights on A Ordinary Shares; and (iii) any Shareholder holding 5% or more but less than 25% of the voting rights on A Ordinary Shares does not, by way of operation of this clause 7.12, vary its percentage of voting rights on Ordinary Shares unless it has previously consented to the same, until the earlier of:

- 7.16** The Company shall procure that the Transfer Agent notifies each Shareholder whose voting rights have been adjusted of their adjusted voting right percentage in accordance with clauses 7.12 and to 7.13 as soon as reasonably practicable, and in any event within four Business Days of such adjustment.

- 9.2 The Company shall procure (to the extent it is legally able to do so) that no Group member takes or fails to take any action that is reasonably likely to (in the reasonable opinion of the Company's legal counsel, in consultation with the Company's accountants, auditors and/or actuary, to the extent necessary) give rise to the exercise of the Pensions Regulator's powers under section 38 of the Pensions Act 2004, without the prior consent of the Shareholders by way of a special resolution of the Company (where all Shareholders vote on such resolution).

Negative undertakings

- 9.3 The Company agrees with the Shareholders (for itself only) that, except as provided in this Deed, it will not and, to the extent it is legally able to do so, will procure that no Group member will do, or agree to do, any of the acts set out in Parts 2, 3 or 4 of Schedule 6 without the consent specified in that Schedule.
- 9.4 Where a matter set out in Part 3 of Schedule 6 has been approved by the requisite consent specified therein, all other Shareholders having voting rights undertake to vote in favour of any resolution to give effect to the matter for which consent has been given.

- (a) the New Group Shares or New Debt Instruments shall be offered for subscription in cash at the same time and on the same terms to each Shareholder, each Shareholder being offered such percentage of each class of New Group Shares or New Debt Instruments as is equal to its pro rata proportion of A Ordinary Shares and/or debt securities (as applicable in relation to the Group Shares or Debt Instruments being offered) immediately prior to such offer (or as nearly as may be) ("**Share or Debt Instrument Proportion**") on the basis that each Shareholder may take up all or none of the New Group Shares or New Debt Instruments offered to it;

- (b) subject to the New Issue Subscription Price having been determined in accordance with clause 9.10 below, each offer shall be made by notice from the relevant Group Member (the “**Issue Notice**”) specifying:
 - (i) the number of New Group Shares or New Debt Instruments to which the relevant Shareholder is entitled (pursuant to clause 9.5(a));
 - (ii) the New Issue Subscription price per New Share or New Debt Instrument (established in accordance with clause 9.10 below); and
 - (iii) the time (being not less than 15 Business Days from the date of the Issue Notice) within which the offer (if not irrevocably accepted in writing) will be deemed to have been declined (the “**Pre-emption Period**”).

9.6 By no later than the expiry of the Pre-emption Period, each Shareholder may by notice in writing to the Company (the “**Acceptance Notice**”) exercise the right to subscribe for all of the New Group Shares or New Debt Instruments on the terms set out in the Issue Notice. Once given, an Acceptance Notice shall be irrevocable and binding. Each Shareholder who irrevocably accepts the offer in accordance with this clause 9.6 shall, in addition to such acceptance, confirm either:

- (a) that it would irrevocably accept, on the same terms, New Group Shares or New Debt Instruments (specifying a maximum number) that are not accepted by other Shareholders (“**Excess New Group Shares or New Debt Instruments**”); or
- (b) that it would not accept any Excess New Group Shares or New Debt Instruments,

(and, if a Shareholder who accepts the offer fails to give a confirmation in the terms of (a) or (b), it shall be deemed to have made a confirmation in the terms of (b));

9.7 Any Shareholder who does not accept the offer in accordance with clause 9.6 within the Pre-emption Period shall be deemed to have irrevocably declined the offer in full.

9.8 Promptly following, and no later than the date that is five Business Days after, the expiry of the Pre-emption Period, the Company shall:

- (a) determine the allocation of New Group Shares or New Debt Instruments as follows:
 - (i) Excess New Group Shares or New Debt Instruments (if any) shall be allocated to each Shareholder who has indicated that it shall accept Excess New Group Shares or New Debt Instruments, pro rata to the Share or Debt Instrument Proportions of all those Shareholders who have indicated that they would accept Excess New Group Shares or New Debt Instruments (discounting those Shareholders which did not apply for Excess New Group Shares or New Debt Instruments and provided that no Shareholder shall be allocated more than the maximum number of Excess New Group Shares or New Debt Instruments that it has indicated it is willing to accept);
 - (ii) if, after the first allocation of Excess New Group Shares or New Debt Instruments, there remain Excess New Group Shares or New Debt Instruments which have not been allocated (the “**Remaining Excess New Group Shares or New Debt Instruments**”) and one or more Shareholders have indicated in their response to the Issue Notice that they shall accept more Excess New Group Shares or New Debt Instruments than they have been allocated (the “**Remaining Shareholders**”), the Remaining Excess New Group Shares or New Debt Instruments shall be allocated to the Remaining Shareholders pro rata to the Share or Debt Instrument Proportions (or as nearly as may be) of the Remaining Shareholders (discounting each Shareholder that is not a Remaining Shareholder

and Remaining Excess New Group Shares or New Debt Instruments shall continue to be allocated on this basis until either: (i) all Remaining Excess New Group Shares or New Debt Instruments are allocated; or (ii) all requests for Remaining Excess New Group Shares or New Debt Instruments have been satisfied (provided, in each case, that no Shareholder shall be allocated more than the maximum number of Remaining Excess New Group Shares or New Debt Instruments that it has indicated it is willing to accept);

(iii) if, after the allocation of the Remaining Excess New Group Shares or New Debt Instruments there remains Remaining Excess New Group Shares or New Debt Instruments which have not been allocated, those unallocated Remaining Excess New Group Shares or New Debt Instruments may be allocated by the Board to third parties; and

(iv) where any allocation of New Group Shares or New Debt Instruments pursuant to this clause 9.8 would result in a fractional allotment of New Group Shares or New Debt Instruments, the board of the relevant Group Member may, in its absolute discretion, round up or down such fractional allotments so that the offers or allotments of New Group Shares or New Debt Instruments by the relevant Group Member are of whole numbers of New Group Shares or New Debt Instruments;

(b) shall give notice in writing to each Shareholder of:

(i) its allocation of New Group Shares or New Debt Instruments in accordance with this clause 9.8;

(ii) the aggregate amount payable by each such Shareholder calculated by reference to the New Issue Subscription Price per New Share or Debt Instrument (the “**Aggregate Subscription Price**”); and

(iii) the date on which the Aggregate Subscription Price is to be provided to the Company, provided that date is not less than 15 Business Days after the expiry of the Pre-emption Period (the “**Issue Completion Date**”).

9.9 On the Issue Completion Date, upon receipt of the Aggregate Subscription Price for the New Group Shares or New Debt Instruments (and Excess New Group Shares or New Debt Instruments, as applicable), allot and issue (credited as fully paid) the New Group Shares or New Debt Instruments (and Excess New Group Shares or New Debt Instruments, as applicable), enter the relevant allottees in the relevant register and complete and despatch to the relevant allottee(s) certificates (if any) for the New Group Shares or New Debt Instruments (and Excess New Group Shares or New Debt Instruments, in each case as applicable).

9.10 The “**New Issue Subscription Price**” in respect of any allocation of Group Shares or Debt Instruments pursuant to this clauses shall be:

(a) in the case of an Emergency Funding Issue, such price per New Share or Debt Instrument as the Board shall agree with Major Shareholder Majority consent based on advice received by an appropriately qualified independent financial adviser; or

- (a) to issuances to members of management and/or directors of the Group up to [●] A Ordinary Shares, [●] B Ordinary Shares and [●] C Ordinary Shares or to further issuances to members of management as may be approved in writing by a Major Shareholder Majority from time to time;
- (b) any issuance of A Ordinary Shares or Warrants pursuant to the terms of the Warrant Instrument;
- (c) any issuance of Group Shares or Debt Instruments to another Group member;
- (d) any issuance of Group Shares or Debt Instruments which is carried out as part of a Listing or secondary offering or any restructuring of any Group Member prior to and as part of a Listing or recapitalisation of such Group Member in each case where each Shareholder holds the same proportionate economic entitlement of such other Shareholder before and after such restructuring;
- (e) to the re-designation of any class of Group Shares or Debt Instruments into any other class of Share or Debt Instrument;
- (f) to any issuance of Group Shares or Debt Instruments to a third party as consideration, in whole or in part, for a bona fide acquisition of shares or assets by any Group member in accordance with the terms of this Deed; or
- (g) pursuant to an Emergency Funding Requirement, subject to the applicable catch-up rights in this Deed.

Emergency Funding Requirement

9.12 The Company, acting in good faith and subject to clause 9.3, subject to first having considered all reasonable alternatives, may issue New Group Shares or New Debt Instruments:

- (a) in order to remedy cash or liquidity requirements, including to cure an actual or potential event of default under any of the Finance Documents or (a “**Finance Event of Default**”), where such Finance Event of Default is continuing and has not been unconditionally waived by the relevant agent and, in the reasonable opinion of the Company further financing is required in connection with curing such Finance Event of Default; or
- (b) if in the reasonable opinion of the Company further financing is required to avoid within 60 days either:
 - (i) the occurrence of a Finance Event of Default; or
 - (ii) circumstances that would reasonably be expected to amount to, or give rise to the occurrence of, a Finance Event of Default,

each event an “**Emergency Funding Requirement**”.

9.13 If the Company determines, acting in good faith that an event is an Emergency Funding Requirement pursuant to the above:

- (a) the Company may authorise the issue of only such number of Group Shares or Debt Instruments (the “**Emergency Group Shares or Debt Instruments**”) as would, in its reasonable opinion cure or avoid the relevant Finance Event of Default (the “**Emergency Funding Issue**”);
- (b) the Company may only issue Emergency Group Shares or Debt Instruments to third parties if the then existing Shareholders subscribe for an insufficient amount of

Emergency Group Shares or Debt Instruments (with the Company having first offered the opportunity to all Shareholders);

- (c) the nature of the Emergency Group Shares or Debt Instruments issued shall be determined by the Company on an arm's length basis such that they are priced in the most cost effective and appropriate way given the nature of the Finance Event of Default, and for the purposes of minimising the impact on prevailing governance arrangements;
- (d) the pricing of an Emergency Funding Issue shall be agreed by the Company pursuant to clause 9.10(a) based on advice received by an appropriately qualified independent financial adviser, except for any issue under a Catch-Up Option which shall carry additional payment for carrying cost (the "**Catch-Up Payment**").

9.14 If any Shareholders do not have the opportunity to participate in an Emergency Funding Issue then, within 30 days from such Emergency Funding Issue, such Shareholder(s) may elect (but shall not be obliged) to:

- (a) purchase such number of Emergency Group Shares or Debt Instruments from Shareholders who subscribed for Emergency Group Shares or Debt Instruments pursuant to the Emergency Funding Issue, which would result in, following such acquisition, such Shareholder holding such percentage of the Emergency Group Shares or Debt Instruments as equates to its Equity Proportion immediately prior to the Emergency Funding Issue Shareholders; or
- (b) have the Company to approve the additional issuance of New Group Shares or New Debt Instruments in the same class of the Emergency Group Shares or Debt Instruments ("**Catch-Up Group Shares or Debt Instruments**") (without regard to any pre-emption rights on issue, including (without limitation) as set out in this Deed or the Articles) which would result in, following such subscription, such Shareholder holding such percentage of the total number of the Emergency Group Shares or Debt Instruments and Catch-Up Group Shares or Debt Instruments (taken together) as equates to its Share or Debt Instrument Proportion immediately prior to the Emergency Funding Issue,

together, the "**Catch-Up Option**".

9.15 If a Shareholder elects to exercise a Catch-Up Option pursuant to clause 9.14 the Shareholders and (if applicable) the Company shall complete the purchase of Emergency Group Shares or Debt Instruments or additional issuance of the Catch-Up Group Shares or Debt Instruments which are subject to the Catch-Up Option, in consideration for the payment of the Catch-Up Option Price by such electing Shareholder, as soon as reasonably practicable following such election and, in any event, by no later than 90 days from the relevant Emergency Funding Issue, in default of which, the Catch-Up Option shall lapse. For the purposes of this clause 9.15, the price payable in respect of the Catch-Up Option shall be the aggregate of:

- (a) the price paid in respect of the Emergency Funding Issue by those Shareholders who participated in the Emergency Funding Issue (as determined in accordance with clause 9.10(a)); and
- (b) the Catch-Up Payment, where there has been a carrying cost incurred.

(the "**Catch-Up Option Price**").

9.16 The Catch-Up Payment shall be determined by the Company but shall be subject to unanimous approval of those Shareholders who subscribed for Emergency Group Shares or Debt Instruments in the relevant Emergency Funding Issue, in each case acting reasonably. If the Shareholders are unable to agree the Catch-Up Payment within 14 days, the Catch-Up Payment shall be calculated

at a daily simple rate of 10% per annum on the issue price of Emergency Group Shares or Debt Instruments issued for the relevant Emergency Funding Issue.

- 9.17** Each Shareholders shall exercise its rights as a holder of Group Shares or Debt Instruments so as to ensure that any resolutions of the Company, or Major Shareholder Majority consents, which are necessary to facilitate an Emergency Funding Issue and a Catch-Up Option are passed or provided, as applicable, promptly.

- 11.1** The parties confirm their intention and commitment to work to achieve an Exit at an appropriate date in the future. Each of the Shareholders and the Company, agree to consult together (together with the Company's financial advisers from time to time) with a view to determining a suitable time to effect an Exit. No Exit may take place without the consent of the Major Shareholder Majority and the parties agree that:
- (a) the Major Shareholder Majority may appoint advisers (including, without limitation, financial, accounting and legal advisers) to act on behalf of all the Shareholders in connection with an Exit;
 - (b) the Major Shareholder Majority can in their absolute discretion negotiate and agree the terms of appointment of any such advisers on behalf of all Shareholders; and

 - (ii) in relation to a sale of A Ordinary Shares in a secondary transaction on or following a Listing, such fees will be borne by the Shareholders in the proportion that the A Ordinary Shares they sell bear to the total number of A Ordinary Shares being sold in the secondary.

No Shareholders warranties

- 11.2** On an Exit, no Shareholder will be required to give any representations, warranties, indemnities or similar assurances in connection with the sale of its A Ordinary Shares, other than: (i) on a Sale giving warranties concerning title to its A Ordinary Shares, capacity to sell and any locked box indemnity or covenant; or (ii) on a Listing, giving such representations, warranties and undertakings typically given to underwriters by selling shareholders on a Listing, provided that all Shareholders who are financial investors will only be required to give the same warranties and indemnities as those given by the other Shareholders who are financial investors.

- 11.3** If, on a Listing, it is necessary to take any actions to restructure one or more Group members prior to an Exit, including, without limitation, converting the A Ordinary Shares into a different class of shares or exchanging the A Ordinary Shares for shares in another entity, then each Shareholder hereby irrevocably undertakes to execute, complete and deliver all documents and pass all resolutions necessary to effect such actions and achieve a Listing and appoints the Company (acting through the Board) to be his attorney. In addition, each party agrees to enter into an agreement for the orderly transition of the Group onto the public markets, including customary terms relating to share transfers (an "**IPO Shareholders' Agreement**") provided that such agreements to be entered into by any Shareholder who is a financial investor shall be no more onerous than those given by any other Shareholder who is a financial investor.
- 11.4** If it is intended by the Company that there is a Listing of a holding company of the Company (or a successor thereto) then each holder of A Ordinary Shares in the Company, if required to do so by the Company or a Major Shareholder Majority by notice in writing to each Shareholder, is obliged to exchange the A Ordinary Shares it holds in the Company for shares in that holding company in the same proportion and with the same economic rights as the A Ordinary Shares held by it in the

If the Forfeiting Shareholder fails to cure the breach within the Cure Period, it may be required to transfer all or a portion of their A Ordinary Shares and/or Debt Instruments (collectively “**Forfeited Instruments**”) in accordance with clauses 12.3 to 12.5 inclusive. The Company or relevant Shareholder shall promptly deliver a written notice (a “**Mandatory Transfer Offer Notice**”) to each other Shareholder (“**Non-Forfeiting Shareholder**”) that such Shareholder is entitled to acquire a proportion of the Forfeited Instruments equal to such Non-Forfeiting Shareholder’s Percentage Interest at that time as a proportion of the aggregate Percentage Interests of all Non-Forfeiting Shareholders (the “**Mandatory Transfer Relevant Amount**”), at a price per Share or Debt Instrument equal to 50% of fair market value of the Forfeited Instruments at the date of the Mandatory Transfer Offer Notice (as determined by the Board acting reasonably) (the “**Mandatory Offer Price**”). The Mandatory Transfer Offer Notice shall invite each Non-Forfeiting Shareholder to apply to purchase: (i) all or any portion of their Mandatory Transfer Relevant Amount; and (ii) (if they become available as a result of any Non-Forfeiting Shareholders not wishing to purchase all of their Mandatory Transfer Relevant Amount) any Forfeited Instruments in excess of their Mandatory Transfer Relevant Amount, in each case, within twenty (20) Business Days of the following the date of the Mandatory Transfer Offer Notice (the “**Mandatory Transfer Offer Period**”). The Company shall allocate the relevant proportion of Forfeited Instruments to each Non-Forfeiting Shareholder which submits an application to the Company within the Mandatory Transfer Offer Period stating the proportion of the Mandatory Transfer Relevant Amount which the Non-Forfeiting Shareholder wishes to acquire and providing payment in full for such amount of Forfeited Instruments. If any Non-Forfeiting Shareholder fails to submit an application to the Company within the Mandatory Transfer Offer Period, it shall be deemed to have declined the invitation to purchase any Forfeited Instruments. If and to the extent that any Non-Forfeiting Shareholder has submitted an application for less than their Mandatory Transfer Relevant Amount or has or is deemed to have declined the invitation to purchase any Forfeited Instruments (together, such unallocated Forfeited Instruments, being referred to as the “**Excess Forfeited Instruments**”):

- (a) such Excess Forfeited Instruments shall be allocated to each Non-Forfeiting Shareholder wishing to purchase Forfeited Instruments in excess of their Mandatory Transfer Relevant Amount, in proportion to such Non-Forfeiting Shareholder's Percentage Interest for the time being as a proportion of the aggregate Percentage Interests of those Non-Forfeiting Shareholders who have submitted an application to purchase any part of such Excess Forfeited Instruments (provided that any allocation made under this clause shall be made so as not to result in any Non-Forfeiting Shareholder being allocated more Forfeited Instruments than it wishes to purchase); and
- (b) any remaining Excess Forfeited Instruments shall continue to be allocated on this basis until either all the Forfeited Instruments have been allocated or all requests for extra Forfeited Instruments have been satisfied.

12.4 Following the expiry of the Mandatory Transfer Offer Period (or, as the case may be, following election and payment (if applicable) by any Non-Forfeiting Shareholder for any Excess Forfeited Instruments pursuant to clause 12.3), the Forfeiting Shareholder shall sell the amount of Forfeited Instruments which the Non-Forfeiting Shareholders applied for in accordance with clause 12.3 at the Mandatory Offer Price to the relevant Non-Forfeiting Shareholders. Each member of the Board is individually authorised to execute, complete and deliver as agent for and on behalf of the Forfeiting Shareholder such documents as are required to transfer such Forfeited Instruments to the relevant Non-Forfeiting Shareholder (provided that any Director(s) appointed by the Forfeiting Shareholder (s) shall be excluded from such authority), and following such transfer shall update the register of A Ordinary Shares accordingly.

12.5 Immediately on the occurrence of any breach of clause 12.2, any and all specific rights of the Forfeiting Shareholder attaching to their holding of A Ordinary Shares pursuant to this Deed (including, without limitation, rights to vote, appoint directors and/or observers and any and all rights of consent in relation to any matter) shall cease to apply in respect of such Forfeiting Shareholder.

13 DRAG-ALONG

Drag-Along Mechanism

13.1 If the Majority Selling Shareholders agree terms for a Proposed Drag-Along Sale with a Purchaser then, on receipt of a Drag-Along Notice from the Purchaser, all the Dragged Shareholders are bound to transfer the same proportion of their Shares to the Purchaser on the same terms as agreed by the Majority Selling Shareholders (save as provided in clause 13.5).

Representations, Warranties and Costs

13.2 Dragged Shareholders must make or give the same representations, warranties, covenants and indemnities (if any) as to title and capacity of the Shares, together with a locked box indemnity or covenant (subject to customary permitted leakage exceptions, including transactions with any Shareholder (and or its Affiliates) in the ordinary and usual course of trading and on arms-length terms) in each case as given by the Majority Selling Shareholders. Each Dragged Shareholder is responsible for its proportionate share of the costs of the Proposed Drag-Along Sale to the extent not paid or reimbursed by the Purchaser based on the proportion his or its number of Shares held bears to the proportion of the total number of Shares in issue and such costs will be deducted from the proceeds.

Drag-Along Notice

13.3 The Drag-Along Notice must set out the number of Shares proposed to be transferred, the name and address of the proposed Purchaser, the proposed amount, if any, and form of consideration and any other terms and conditions of payment offered for the Shares. Consideration for the Shares must be in either:

- (a) cash; or
- (b) marketable securities listed on a Recognised Investment Exchange (which shall not have been suspended from trading due to fraud or deficiencies in quality of corporate governance or financial reporting of their issuer at any time within the 12 month period prior to the proposed Drag-Along Sale (“**Marketable Securities**”)); or
- (c) a combination of cash and Marketable Securities;

PROVIDED THAT where a Dragged Shareholder is a Ring-Fenced Body, that Dragged Shareholder (on behalf of itself only and not in respect of any Shares which it holds as market-maker or broker) shall have the option to elect, within fifteen Business Days of the date of the Drag-Along Notice, to receive its consideration in cash only, even in circumstances where all or part of the proposed consideration for the Shares is to be in Marketable Securities. In such circumstances, the Company shall appoint a broker (whose appointment has been agreed with the Ring-Fenced Body making the election, acting reasonably) to sell that proportion of the proposed consideration due to the Ring-Fenced Body that constitutes Marketable Securities either by way of a sale of the entire block or in one or more transfers within 30 days of the issue of the Marketable Securities. The proceeds of such sale (with the reasonable broker fees relating to the sale of the proportion of the Marketable Securities attributable to the shares issued to the Ring-Fenced Body as part of the Scheme being borne by the Company) shall be paid to such Ring-Fenced Body within two Business Days of receipt of the cash by the Company in full and final satisfaction of the Marketable Securities consideration otherwise due to that Ring-Fenced Body.

- 13.4** The Drag-Along Notice must specify a date, time and place for the Dragged Shareholders to execute transfers in respect of their Shares, being a date which is not less than eight Business Days after the date of the Drag-Along Notice (and not earlier than the transfers by the Majority Selling Shareholders). The Drag-Along Notice may be expressed to be conditional upon completion of the sale by the Majority Selling Shareholders. A Drag-Along Notice shall be valid for: (i) 90 days; or (ii) if completion is subject to conditions, 60 days from the earlier of: (a) satisfaction of such conditions; and (b) the long stop date in the relevant SPA.

Execution of Transfers

- 13.5** If a Dragged Shareholder does not, within five Business Days of the date of the Drag-Along Notice (or on the date specified in the Drag-Along Notice if later than five Business Days after the date of the Drag-Along Notice) execute transfers in respect of its Shares, then any Director shall be deemed to be irrevocably appointed as the Minority Holder’s attorney, entitled to authorise and instruct such person as it thinks fit to execute, complete and deliver the necessary transfer(s) as agent on the Dragged Shareholder’s behalf on the same terms as those accepted by the Majority Selling Shareholders and, against receipt by the Company (on trust for the member) of the consideration payable for the Shares, deliver the transfer(s) to the Purchaser (or its nominee) and register the Purchaser (or its nominee) as the holder of those Shares. After the Purchaser or its nominee has been registered as the holder the validity of such proceedings may not be questioned by any person. The Company will deliver the consideration payable for each Dragged Shareholder’s Shares held on trust in accordance with this clause for a member to that member as soon as practicable following the delivery to the Company by that member of his original share certificate (if any) in respect of such Shares or an indemnity for a lost share certificate in a form reasonably acceptable to the Chairperson.
- 13.6** The Shareholders acknowledge and agree that the authority conferred under clause 13.5 is necessary as security for the performance by the Dragged Shareholders of their obligations under this Deed.

- 13.7** Subject to clause 13.8 , unless the Board otherwise agrees in writing, any Shares held by a Dragged Shareholder on the date of a Drag-Along Notice (and any Shares acquired by a Dragged Shareholder from time to time thereafter, whether by virtue of the exercise of any right or option granted or arising by virtue of the holding of Shares by the Dragged Shareholder, or otherwise) shall immediately on failure by the holder of such Shares to comply with this clause 13.7:
- (a) (automatically cease to confer the right to receive notice of or to attend or vote (either in person or by proxy and whether on a poll or on a show of hands) at any general meeting of the Company or (subject to the Law) at any meeting of the holders of any class of Shares in the capital of the Company with effect from the date of the Drag-Along Notice (or the date of acquisition of such Shares, if later); and
 - (b) not be counted in determining the total number of votes which may be cast at any such meeting, or required for the purposes of a written resolution of any member or any class of members, or for the purposes of any other consent required under these Articles.
- 13.8** The rights referred to in clause 13.7 shall be restored immediately upon the transfer of the Shares in accordance with the Drag-Along Notice.
- 13.9** Following the issue of a Drag-Along Notice, if any person becomes a New Member, a Drag-Along Notice is deemed to have been served upon the New Member on the same terms as the previous Drag-Along Notice. The New Member will be bound to sell and transfer all such Shares acquired by him or it to the Purchaser or as the Purchaser may direct and the provisions of this clause 13 shall apply (with necessary modifications) to the New Member save that completion of the sale of such Shares shall take place immediately following the registration of the New Member as a Shareholder.

14 TAG-ALONG

Tag-Along Mechanism

- 14.1** No Proposed Tag-along Transfer may be made by any Selling Shareholder(s) unless the Acquirer has first made a written offer in accordance with this clause 14 to the Non-Selling Shareholders to purchase the Non-Selling Shareholders' Shares at the Notified Price (whether the consideration is cash or newly issued shares in the Acquirer's share capital) and on no less preferential terms and conditions (including time of payment, form of consideration, representations, warranties, covenants and indemnities (if any) and limitations of liability) (provided they are given on a several basis) as to be paid and given to and by the Selling Shareholder(s).

Costs

- 14.2** A Tagging Shareholder is responsible for his or its proportionate share of the costs of the Proposed Tag-along Transfer to the extent not paid or reimbursed by the Acquirer or the Company based on the proportion his or its number of Shares held bears to the proportion of the total number of Shares, being sold pursuant to the Proposed Tag-along Transfer.

Terms of Tag-Along Offer

- 14.3** The Selling Shareholder(s) must give written notice to each Non-Selling Shareholder of each Proposed Tag-along Transfer at least five Business Days prior to signing a definitive agreement relating to the Proposed Tag-along Transfer providing details of the Acquirer and its proposed price and, to the extent it is able, the other terms and conditions.
- 14.4** Where the Proposed Tag-Along Transfer occurs in a series of connected transactions, the price which is payable to the Tagging Shareholders shall be the highest price paid by the Acquirer in the 12 month period prior to the date of the notice of the Proposed Tag-Along Transfer delivered

pursuant to clause 14.3, and for these purposes the value attributed to the Shares pursuant to the Scheme shall be disregarded (such price being the “**12 Month High**”).

- 14.5** The written offer required to be given by the Acquirer under clause 14.1 must be given at least than five Business Days before the signing of the definitive agreement relating to the Proposed Tag-along Transfer and must be open for acceptance for at least twenty Business Days after the date of the written offer (“**Tag Acceptance Period**”). The Selling Shareholder(s) must deliver or cause to be delivered to the Non-Selling Shareholders copies of all material transaction documents relating to the Proposed Tag-along Transfer promptly as the same become available.

Acceptance of Tag-Along Offer

- 14.6** If a Non-Selling Shareholder wishes to accept the Acquirer’s offer under clause 14.1 it must do so by means of a written notice to the Selling Shareholder(s) indicating its acceptance of the offer in respect of all of the number of its Shares specified in the written offer. If the Tag-Along Notice is accepted the Proposed Tag-along Transfer shall be conditional upon the Selling Shareholders’ sale and shall be completed at the same time as that sale.

Effect of No Acceptances of Tag-Along Offer

- 14.7** If some or all of the Non-Selling Shareholders do not accept such offer within the period that is open for acceptance pursuant to clause 14.5, signing of the Proposed Tag-along Transfer is permitted to be made:
- (a) within 10 Business Days after signing the definitive agreement, provided that the offer shall remain open to any Tagging Shareholder to accept within the Tag Acceptance Period and the purchaser shall be bound to purchase any such shares;
 - (b) so long as it takes place on terms and conditions no more favourable in any respect to the Selling Shareholder(s) than those stated in the original written offer under clause 14.1; and
 - (c) on the basis that all of the Shares proposed to be sold under the Proposed Tag-along Transfer are transferred.

Exclusions

- 14.8** The provisions of clause 14.1 will not apply to any transfers of Shares:
- (a) in respect of which a Drag-Along Notice has been served;
 - (b) a transfer to Affiliates in accordance with clause 12.1; or
 - (c) to a new holding company of the Company which is established for the purposes of planning for a reorganization or an Exit and in which the share capital structure (principally the shareholdings but including all economic rights) of the Company is replicated in all material respects.

15 SQUEEZE-OUT

- 15.1** If a person, together with its Affiliates, acquires 90% or more of the Shares in issue at any time (a “**Super Majority Holder**”), then such Super Majority Holder shall be entitled to make a written offer to the remaining Shareholders (the “**Minority Holders**”) to acquire the Shares held by the Minority Holders at a price which is no lower than the 12 Month High (a “**Squeeze-Out Offer**”). If the Super Majority Holder makes such a Squeeze-Out Offer, the Minority Holders are bound to transfer 100% of their Shares to the Super Majority Holder on the terms of the Squeeze-Out Offer.

- 15.2** Minority Holders are required to make or give the representations and warranties as to title and capacity of the Shares and a leakage indemnity or covenant. The Super Majority Holder is responsible for the costs of the Squeeze-Out Offer.

- 15.4** The Squeeze-Out Offer must specify a date, time and place for the Minority Holders to execute transfers in respect of their Shares, being a date which is not less than eight Business Days after the date of the Squeeze-Out Offer. The Squeeze-Out Offer shall be valid for (i) 90 days; or (ii) if completion is subject to conditions, 60 days from the earlier of: (a) satisfaction of such conditions; and (b) the long stop date in the relevant SPA.
- 15.5** If a Minority Holder does not, within five Business Days of the date of the Squeeze-Out Offer (or on the date specified in the Squeeze-Out Offer if later than five Business Days after the date of the Squeeze-Out Offer) execute transfers in respect of its Shares, then any Director shall be deemed to be irrevocably appointed as the Minority Holder's attorney, entitled to authorise and instruct such person as it thinks fit to execute, complete and deliver the necessary transfer(s) as agent on the Minority Holder's behalf on the same terms as those set out in the Squeeze-Out Offer and, against receipt by the Company (on trust for the member) of the consideration payable for the Shares, deliver the transfer(s) to the Super Majority Holder (or its nominee) and register the Super Majority Holder (or its nominee) as the holder of those Shares. After the Super Majority Holder or its nominee has been registered as the holder the validity of such proceedings may not be questioned by any person. The Company will deliver the consideration payable for each Minority Holder's Shares held on trust in accordance with this clause for a member to that member as soon as practicable following the delivery to the Company by that member of his original share certificate (if any) in respect of such Shares or an indemnity for a lost share certificate in a form reasonably acceptable to the Chairperson.
- 15.6** The Shareholders acknowledge and agree that the authority conferred under clause 15.5 is necessary as security for the performance by the Minority Holders of their obligations under this Deed.

 - (b) not be counted in determining the total number of votes which may be cast at any such meeting, or required for the purposes of a written resolution of any member or any class of members, or for the purposes of any other consent required under these Articles.
- 15.8** The rights referred to in clause 15.7 shall be restored immediately upon the transfer of the Shares in accordance with the Squeeze-Out Offer.
- 15.9** Following the issue of a Squeeze-Out Offer, if any person becomes a New Member, a Squeeze-Out Offer is deemed to have been served upon the New Member on the same terms as the previous Squeeze-Out Offer. The New Member will be bound to sell and transfer all such Shares

acquired by him or it to the Super Majority Holder or as the Super Majority Holder may direct and the provisions of this clause 15 shall apply (with necessary modifications) to the New Member save that completion of the sale of such Shares shall take place immediately following the registration of the New Member as a Shareholder.

Indulgence

- 25.9** No relaxation, forbearance, indulgence or delay (together "**Indulgence**") of a party in exercising a right under this Deed is to be construed as a waiver of that right and does not affect the ability of that party subsequently to exercise that right or to pursue a remedy in respect of it, nor does any Indulgence constitute a waiver of any other right.

2. HOLDING PERIOD TRUST

2.1 Information Agent and Holding Period Trustee

- (a) The Information Agent shall provide the Holding Period Trustee with details of all Trust Entitlements and the Beneficiaries (to the extent known) who it understands are entitled to such Trust Entitlements (based on the aggregate amount of Scheme Claims for that Beneficiary at the Record Time) which are to be transferred to the Holding Period Trustee on the Restructuring Effective Date as a result of:
 - (i) no Account Holder Letter or Lender Claim Form (as applicable) being validly completed before the Voting Instruction Deadline (or such later date as the Information Agent shall agree) by any such Beneficiary; and/or
 - (ii) no Jersey Newco KYC being submitted by such Beneficiary (or its Nominee (if applicable)) to the Jersey Registrar before the Voting Instruction Deadline and/or the Jersey Registrar not being satisfied with the Jersey Newco KYC provided in relation to the Jersey Newco Consideration Shares by the date falling five Business Days before the Restructuring Effective Date.
- (b) The Company and/or Jersey Newco shall provide the Information Agent and the Holding Period Trustee with any information which the Information Agent or the Holding Period Trustee may reasonably specify as being necessary or desirable to enable the Information Agent or the Holding Period Trustee to perform their respective obligations hereunder.
- (c) The Information Agent may transfer its rights and obligations under this Deed to a person succeeding it as information agent provided that any successor information agent accedes to this Deed and agrees to be bound by its terms.

2.2 Holding Period Trustee as trustee

The Holding Period Trustee declares that:

- (a) as soon as it receives (and has legal or beneficial ownership of) the Trust Entitlements, it will hold them on bare trust for the relevant Beneficiaries for the Holding Period (or until the sale

of such Trust Entitlements pursuant to Clause 2.5 (Release from the Trust) if such sale takes place after the end of the Holding Period) on the terms contained in this Deed; and

- (b) at the end of the Holding Period, it will hold any Trust Entitlements and/or Trust Entitlements Consideration on bare trust for the relevant Beneficiaries for the Trust Entitlements Consideration Holding Period on the terms contained in this Deed.

2.3 Trust Entitlements

The Holding Period Trustee is authorised to perform the duties, obligations and responsibilities and to exercise the rights, powers, authorities and discretions specifically given to the Holding Period Trustee under this Deed, or under, or in connection with, the Restructuring Documents together with any other incidental rights, powers, authorities and discretions.

2.4 Related Rights

- (a) The Holding Period Trustee hereby agrees to hold all Related Rights received during the Holding Period in a separate account until the payment or transfer of the Trust Entitlements (together with any Related Rights which have accrued during the Holding Period) to the relevant Beneficiary (or, if applicable, its Nominee) in accordance with the provisions of this Deed.
- (b) The Holding Period Trustee shall not be under any obligation to invest any Related Rights and shall have the express power to retain any Related Rights in any form or condition for the duration of the Holding Period in the separate account referred to in paragraph (a) above.

2.5 Release from the Trust

- (a) The Holding Period Trustee acknowledges that a Beneficiary may, at any time after the Restructuring Effective Date but prior to the expiry of the Holding Period, request in writing that the Holding Period Trustee transfer the relevant Trust Entitlements to that Beneficiary or its Nominee (as applicable) (the **Transfer Request**).
- (b) The Holding Period Trustee will only be obliged to comply with the Transfer Request if:
 - (i) the Beneficiary delivers a validly completed Account Holder Letter or Lender Claim Form (as applicable) to the Information Agent (who, in turn, shall send such document to the Holding Period Trustee) (and therefore the Beneficiary (or its Nominee) represents that is an Eligible Person and is not a Disqualified Person);
 - (ii) the Beneficiary was a Scheme Creditor (or a Nominee thereof) as at the Record Time;
 - (iii) the Beneficiary (and/or its Nominee (if applicable)) delivers any additional information, representations or undertakings as the Information Agent and/or Holding Period Trustee may reasonably request;
 - (iv) the Jersey Registrar has confirmed that the Jersey Newco KYC is complete in relation to the Jersey Newco Consideration Shares in relation to the Beneficiary or its Nominee (as applicable); and
 - (v) the Beneficiary delivers a copy of the executed deed of adherence in the form attached to the Jersey Newco Investment Agreement which will provide evidence to the Information Agent and the Holding Period Trustee that the Beneficiary or its Nominee (as applicable) has adhered to the Jersey Newco Investment Agreement.

Following the satisfaction of all such conditions the Holding Period Trustee shall promptly transfer the relevant Trust Entitlements to the relevant Beneficiary or its Nominee, as applicable.

- (c) At the end of the Holding Period, the Holding Period Trustee shall, as soon as reasonably practicable thereafter, use reasonable endeavours, including by the appointment of a Selling Agent or otherwise, to sell or otherwise dispose of the remaining Trust Entitlements (in each case, subject to the terms of Jersey Newco Investment Agreement and Jersey Newco Articles of Association and provided that the purchaser of such Trust Entitlements provides Jersey Newco and the Holding Period Trustee with such relevant information and evidence as Jersey Newco and the Holding Period Trustee may reasonably require, including in the case of Jersey Newco in connection with their customary know your customer and/or anti-money laundering processes) for such consideration as it is able to obtain (after any taxes, withholding, deductions, fees, costs or any other expenses in connection therewith) (such consideration being the **Trust Entitlements Consideration**).
- (d) The Holding Period Trustee shall, for a period of 6 months after the end of the Holding Period (the **Trust Entitlements Consideration Holding Period**), hold any Trust Entitlements Consideration on trust for each relevant Beneficiary pro rata to the Trust Entitlements Consideration (rounded down to the nearest US dollar or other relevant currency) raised from the sale or disposal of the relevant Beneficiary's Trust Entitlements.
- (e) A Beneficiary whose Trust Entitlements have been sold or otherwise disposed of by the Holding Period Trustee pursuant to clause 8 (Holding Period Trustee) of the Restructuring Implementation Deed or this Deed may request the Holding Period Trustee in writing to transfer the relevant Trust Entitlements Consideration (rounded down to the nearest US dollar or other relevant currency) to it or its Nominee (after deducting any taxes, withholding or deductions and any reasonable fees, costs, or expenses in connection with such Trust Entitlements or Trust Entitlements Consideration being so transferred).
- (f) The Holding Period Trustee will only be obliged to transfer any Trust Entitlements Consideration to the Beneficiary or its Nominee if the Beneficiary delivers an executed Account Holder Letter and/or Lender Claim Form (as applicable) to the Information Agent (who in turn delivers such letter to the Holding Period Trustee), completed as appropriate, together with any relevant information, confirmation, representations or undertakings that the Holding Period Trustee may reasonably request.
- (g) At the end of the Trust Entitlements Consideration Holding Period, the Holding Period Trustee shall pay or deliver any remaining Trust Entitlements or Trust Entitlements Consideration to Alpha or any person nominated by Alpha, subject always to Jersey Newco having satisfied its customary know your customer and/or anti-money laundering processes.
- (h) On payment of the Trust Entitlements or Trust Entitlements Consideration in accordance with paragraph (g) above, the Holding Period Trustee shall have no liability to any Beneficiary in the event such Beneficiary later submits a request in writing to the Holding Period Trustee to transfer the relevant Trust Entitlements or Trust Entitlements Consideration to the Beneficiary or its Nominee.

3. RELIANCE AND DUTIES OF HOLDING PERIOD TRUSTEE

3.1 Instructions

- (a) The Holding Period Trustee shall be entitled to request instructions, or clarification of any instruction, from the Company and/or Jersey Newco as to whether, and in what manner, it should exercise or refrain from exercising any right, power, authority or discretion and the Holding Period Trustee may refrain from acting unless and until it receives those instructions or that clarification, and the Company and/or Jersey Newco shall provide such instructions or clarification as soon as reasonably practicable.

- (b) In exercising any discretion to exercise a right, power or authority under the Restructuring Documents where it has not received any instructions as to the exercise of that discretion, the Holding Period Trustee shall do so having regard to the interests of the Beneficiaries.
- (c) The Holding Period Trustee may refrain from acting in accordance with any instructions of the Information Agent until it has received any indemnification and/or security that it may in its discretion (acting reasonably) require for any cost, loss or liability (together with any applicable VAT) which it may incur in complying with those instructions.
- (d) Without prejudice to the provisions of this Clause 3.1 (Instructions) in the absence of instructions, the Holding Period Trustee may act (or refrain from acting) as it considers in its discretion to be appropriate and having regard to the interests of the relevant Beneficiaries.

3.2 Duties of the Holding Period Trustee

- (a) The Holding Period Trustee is not obliged to review or check the adequacy, accuracy or completeness of any document it forwards to another Party.

3.5 Business with the Restructured Group

The Holding Period Trustee may generally engage in any kind of other business with any member of the Restructured Group but not to the extent that to do so would place the Holding Period Trustee or the Information Agent in a position where it has a conflict of interest with its rights, duties and obligations under this Deed or the Restructuring Documents.

3.6 Discretions

The Holding Period Trustee shall have absolute discretion as to the exercise of its functions provided to it pursuant to any Restructuring Document and shall not be responsible for any loss, liability, cost, claim, action, demand, expense or inconvenience that may result from their exercise or non-exercise, except where any such loss is caused by gross negligence, wilful misconduct or fraud on its part.

- (b) rely on a certificate from any person:
 - (i) as to any matter of fact or circumstance which might reasonably be expected to be within the knowledge of that person; or
 - (ii) to the effect that such person approves of any particular dealing, transaction, step, action or thing,

as sufficient evidence that that is the case and, in the case of paragraph (i) above, may assume the truth and accuracy of that certificate.

3.8 Advice

The Holding Period Trustee may act on the opinion or advice of, or information obtained from any lawyer, accountant, tax advisers, surveyors or other professional advisers or experts and shall not be responsible to anyone for any loss occasioned by so acting whether such advice is obtained or addressed to a member of the Restructured Group or the Holding Period Trustee. Any such opinion, advice or information may be sent or obtained by letter or email and the Holding Period Trustee shall not be liable to anyone for acting in good faith on any opinion, advice, or information purporting to be conveyed by such means, even if it contains some error or is not authentic.

3.9 Agent

The Information Agent, the Holding Period Trustee and any Selling Agent may act in relation to the Restructuring Documents and the Trust Entitlements through its officers, employees and agents and shall not:

- (a) be liable for any error of judgment made by any such person; or
- (b) be bound to supervise, or be in any way responsible for any loss incurred by reason of misconduct, omission or default on the part of any such person,

unless such error or such loss was directly caused by the Information Agent's, the Holding Period Trustee's or any Selling Agent's gross negligence, wilful misconduct or fraud.

4. UNDERTAKINGS

4.1 General

- (a) The Holding Period Trustee hereby undertakes in favour of the Company, Jersey Newco, the Information Agent and the Beneficiaries that it shall deal with the Trust Entitlements and the Related Rights as contemplated by this Deed and as instructed by the Information Agent pursuant to the terms of this Deed and the trusts constituted hereby.

- (b) save as expressly set out in this Deed or as required (and to the extent necessary) to perform its obligations as trustee of the trusts constituted by this Deed, sell, transfer or otherwise dispose of, or deal with, the Trust Entitlements, any interest, estate, right, title or benefit therein or thereto or any Trust Entitlement Consideration;
- (c) save as expressly set out in this Deed or in respect of the trusts created by this Deed, permit any person other than itself to have any interest, estate, right, title or benefit in any of the assets comprised in the Trust Entitlements; or

4.3 Information Agent

The Information Agent (in its capacity as such) hereby undertakes in favour of each Beneficiary, the Holding Period Trustee, Jersey Newco and the Company:

- (a) to ensure that the information provided to Jersey Newco, the Company and the Holding Period Trustee is true and correct in all respects, and without limitation that any portion of the Trust Entitlements identified in respect of a Beneficiary, in accordance with Clause 2.1 of this Deed, will be in accordance with that Beneficiary's allocation of and entitlement to the relevant portion of the Trust Entitlements pursuant to the terms of the Restructuring Documents;

- (e) to provide the Holding Period Trustee with such details of the Beneficiaries (and/or Nominees (as applicable) as are necessary for the Holding Period Trustee to perform its obligations in this Deed.

5. CONFIDENTIALITY

Unless this Deed expressly specifies otherwise, the Holding Period Trustee may disclose to any other Party any information it reasonably believes it has received as trustee under this Deed.

6. ACTION CONTRARY TO ANY LAW

Notwithstanding any other provision of any Restructuring Document to the contrary, the Holding Period Trustee is not obliged to do or omit to do anything if it would, or might in its reasonable opinion, constitute a breach of any law or regulation or a breach of a fiduciary duty or duty of confidentiality.

7. NO RESPONSIBILITY TO SPEND OWN FUNDS

Notwithstanding any provision of any Restructuring Document to the contrary, the Holding Period Trustee is not obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion.

8. RESPONSIBILITY FOR DOCUMENTATION

The Holding Period Trustee is not responsible or liable for:

- (a) the adequacy, accuracy or completeness of any information (whether oral or written) supplied by the Holding Period Trustee or any other person in connection with any Restructuring Document or the transactions contemplated in the Restructuring Documents or any other arrangement or document entered into, made or executed in anticipation of, under or in connection with any Restructuring Document save to the extent any liabilities in connection therewith are directly caused by its negligence, wilful misconduct or fraud; or

10. LIABILITY

10.1 Exclusion of Liability

Without limiting paragraph (b) below (and without prejudice to any other provision of any Restructuring Document excluding or limiting the liability of the Holding Period Trustee or any Selling Agent), none of the Holding Period Trustee nor any Selling Agent will be liable for:

- (a) any damages, costs or losses to any person, any diminution in value, or any liability whatsoever arising as a result of taking or not taking any action under or in connection with any Restructuring Document unless directly caused by its gross negligence, wilful misconduct or fraud;

10.4 Limitation

Without prejudice to any provision of any Restructuring Document, the liability of the Holding Period Trustee arising under or in connection with any Restructuring Document shall be limited to the amount of actual loss which has been finally judicially determined to have been suffered but without reference to any special conditions or circumstances known to the Holding Period Trustee at any time which increase the amount of that loss. In no event shall the Holding Period Trustee be liable for any loss of profits, goodwill, reputation, business opportunity or anticipated saving, or for special, punitive, indirect or consequential damages, whether or not the Holding Period Trustee has been advised of the possibility of such loss or damages.

The retiring Holding Period Trustee shall be reimbursed from the Trust Entitlements or from any indemnity which it has the benefit of from a member of the Restructured Group for the amount of all reasonable costs and expenses (including legal fees) properly incurred by it in making available such documents and records and providing such assistance.

11.5 Removal on Notice

- (a) The Holding Period Trustee's resignation notice shall only take effect upon:
 - (i) the appointment of a successor who agrees to be bound by the terms of the Restructuring Implementation Deed; and
 - (ii) the transfer of all the Trust Entitlements to that successor.
- (b) The Company shall be entitled to remove the Holding Period Trustee at any time by giving to the Holding Period Trustee 30 Business Days' prior notice in writing.

12.1 Separate Entity

In acting as trustee for the Beneficiaries, the Holding Period Trustee shall be regarded as acting through its trustee division which shall be treated as a separate entity from any other of its divisions or departments.

12.2 Confidential Information

If information is received by another division or department of the Holding Period Trustee, it may be treated as confidential to that division or department and the Holding Period Trustee shall not be deemed to have notice of it.

12.3 No Duty to Disclose

Notwithstanding any other provision of any Restructuring Document to the contrary, the Holding Period Trustee is not obliged to disclose to any other person (i) any confidential information or (ii) any other information if the disclosure would, or might in its reasonable opinion, constitute a breach of any law or regulation or a breach of a fiduciary duty.

13. INFORMATION FROM THE INFORMATION AGENT

The Information Agent shall supply the Holding Period Trustee with any information that the Holding Period Trustee may reasonably specify as being necessary or desirable to enable the Holding Period Trustee to perform its functions as Holding Period Trustee.

14. CUSTODIANS AND NOMINEES

The Holding Period Trustee may appoint and pay any person to act as a custodian or nominee on any terms in relation to any asset of the trust as the Holding Period Trustee may determine, including for the purpose of depositing with a custodian this Deed, any Trust Entitlements or any document relating to the trust created under this Deed and the Holding Period Trustee shall not be responsible for any loss, liability, expense, demand, cost, claim or proceedings incurred by reason of the misconduct, omission or default on the part of any person appointed by it under this Deed or be bound to supervise the proceedings or acts of any person.

15. MISCELLANEOUS PROVISIONS

15.1 Delegation by the Holding Period Trustee

- (a) The Holding Period Trustee may, at any time, delegate by power of attorney or otherwise to any person for any period, all or any right, power, authority or discretion vested in it in its capacity as such.
- (b) That delegation may be made upon any terms and conditions (including the power to sub-delegate) and subject to any restrictions that the Holding Period Trustee (as the case may be) may, in its discretion, think fit in the interests of the Beneficiaries.

 - (a) the New Shares or New Debt Instruments shall be offered for subscription in cash at the same time and on the same terms to each Shareholder, each Shareholder being offered such percentage of each class of New Shares or New Debt Instruments as is equal to its pro rata proportion of Shares and/or debt securities (as applicable in relation to the Company Shares or Debt Instruments being offered) immediately prior to such offer (or as nearly as may be) (**"Share or Debt Instrument Proportion"**) on the basis that each Shareholder may take up all or none of the New Shares or New Debt Instruments offered to it;
 - (b) subject to the New Issue Subscription Price having been determined in accordance with Article 4.6 below, each offer shall be made by notice from the relevant Group Member (the **"Issue Notice"**) specifying:
 - (i) the number of New Shares or New Debt Instruments to which the relevant Shareholder is entitled (pursuant to Article 4.1(a));
 - (ii) the New Issue Subscription price per New Share or Debt Instrument (established in accordance with Article 4.6 below); and
 - (iii) the time (being not less than 15 Business Days from the date of the Issue Notice) within which the offer (if not irrevocably accepted in writing) will be deemed to have been declined (the **"Pre-emption Period"**).
- 4.2 By no later than the expiry of the Pre-emption Period, each Shareholder may by notice in writing to the Company (the **"Acceptance Notice"**) exercise the right to subscribe for all of the New Shares or New Debt Instruments on the terms set out in the Issue Notice. Once given, an

Acceptance Notice shall be irrevocable and binding. Each Shareholder who irrevocably accepts the offer in accordance with this Article 4.2 shall, in addition to such acceptance, confirm either:

(a) that it would irrevocably accept, on the same terms, New Shares or New Debt Instruments (specifying a maximum number) that are not accepted by other Shareholders ("**Excess New Shares or New Debt Instruments**"); or

(b) that it would not accept any Excess New Shares or New Debt Instruments,

(and, if a Shareholder who accepts the offer fails to give a confirmation in the terms of (a) or (b), it shall be deemed to have made a confirmation in the terms of (b));

4.3 Any Shareholder who does not accept the offer in accordance with Article 4.2 within the Pre-emption Period shall be deemed to have irrevocably declined the offer in full.

4.4 Promptly following, and no later than the date that is five Business Days after, the expiry of the Pre-emption Period, the Company shall:

(a) determine the allocation of New Shares or New Debt Instruments as follows:

(i) Excess New Shares or New Debt Instruments (if any) shall be allocated to each Shareholder who has indicated that it shall accept Excess New Shares or New Debt Instruments, pro rata to the Share or Debt Instrument Proportions of all those Shareholders who have indicated that they would accept Excess New Shares or New Debt Instruments (discounting those Shareholders which did not apply for Excess New Shares or New Debt Instruments and provided that no Shareholder shall be allocated more than the maximum number of Excess New Shares or New Debt Instruments that it has indicated it is willing to accept);

(ii) if, after the first allocation of Excess New Shares or New Debt Instruments, there remain Excess New Shares or New Debt Instruments which have not been allocated (the "**Remaining Excess New Shares or New Debt Instruments**") and one or more Shareholders have indicated in their response to the Issue Notice that they shall accept more Excess New Shares or New Debt Instruments than they have been allocated (the "**Remaining Shareholders**"), the Remaining Excess New Shares or New Debt Instruments shall be allocated to the Remaining Shareholders pro rata to the Share or Debt Instrument Proportions (or as nearly as may be) of the Remaining Shareholders (discounting each Shareholder that is not a Remaining Shareholder and Remaining Excess New Shares or New Debt Instruments shall continue to be allocated on this basis until either: (i) all Remaining Excess New Shares or New Debt Instruments are allocated; or (ii) all requests for Remaining Excess New Shares or New Debt Instruments have been satisfied (provided, in each case, that no Shareholder shall be allocated more than the maximum number of Remaining Excess New Shares or New Debt Instruments that it has indicated it is willing to accept);

(iii) if, after the allocation of the Remaining Excess New Shares or New Debt Instruments there remains Remaining Excess New Shares or New Debt Instruments which have not been allocated, those unallocated Remaining Excess New Shares or New Debt Instruments may be allocated by the Board to third parties; and

(iv) where any allocation of New Shares or New Debt Instruments pursuant to this Article 4.4 would result in a fractional allotment of New Shares or New Debt

Instruments, the board of the relevant Group Member may, in its absolute discretion, round up or down such fractional allotments so that the offers or allotments of New Shares or New Debt Instruments by the relevant Group Member are of whole numbers of New Shares or New Debt Instruments;

- (b) shall give notice in writing to each Shareholder of:
 - (i) its allocation of New Shares or New Debt Instruments in accordance with this Article 4.4;
 - (ii) the aggregate amount payable by each such Shareholder calculated by reference to the New Issue Subscription Price per New Share or Debt Instrument (the “**Aggregate Subscription Price**”); and
 - (iii) the date on which the Aggregate Subscription Price is to be provided to the Company, provided that date is not less than 15 Business Days after the expiry of the Pre-emption Period (the “**Issue Completion Date**”).

4.5 On the Issue Completion Date, upon receipt of the Aggregate Subscription Price for the New Shares or New Debt Instruments (and Excess New Shares or New Debt Instruments, as applicable), allot and issue (credited as fully paid) the New Shares or New Debt Instruments (and Excess New Shares or New Debt Instruments, as applicable), enter the relevant allottees in the relevant register and complete and despatch to the relevant allottee(s) certificates (if any) for the New Shares or New Debt Instruments (and Excess New Shares or New Debt Instruments, in each case as applicable).

4.6 The “**New Issue Subscription Price**” in respect of any allocation of Company Shares or Debt Instruments pursuant to this Articles shall be:

- (a) in the case of an Emergency Funding Issue, such price per New Share or Debt Instrument as the Board shall agree with Major Shareholder Majority consent based on advice received by an appropriately qualified independent financial adviser; or
- (b) in the case of an issue of Company Shares or Debt Instruments in accordance with Article 4.1, such other price per New Share or Debt Instrument as shall be approved by the Board based on advice received by an appropriately qualified independent financial adviser.

4.7 The pre-emption rights provided in the provisions of Articles 4.1 through 4.6 (inclusive) shall not apply:

- (a) to issuances to members of management and/or directors of the Group up to 5% of the fully diluted share capital of the Company or further issuances to members of management as may be approved in writing by a Major Shareholder Majority from time to time;
- (b) any issuance of A Ordinary Shares or Warrants pursuant to the terms of the Warrant Instrument;
- (c) any issuance of Company Shares or Debt Instruments to another Group Member;
- (d) any issuance of Company Shares or Debt Instruments which is carried out as part of a Listing or secondary offering or any restructuring of any Group Member prior to and as part of a Listing or recapitalisation of such Group Member in each case where each

Shareholder holds the same proportionate economic entitlement of such other Shareholder before and after such restructuring;

- (e) to the re-designation of any class of Company Shares or Debt Instruments into any other class of Share or Debt Instrument;
- (f) to any issuance of Company Shares or Debt Instruments to a third party as consideration, in whole or in part, for a bona fide acquisition of shares or assets by any Group Member in accordance with the terms of the Investment Agreement or
- (g) pursuant to an Emergency Funding Requirement, subject to the applicable catch-up rights in the Investment Agreement.

5 Emergency Funding Requirement

5.1 The Company, acting in good faith and subject to first having considered all reasonable alternatives, may resolve to issue New Shares or New Debt Instruments:

- (a) in order to remedy cash or liquidity requirements, including to cure an actual or potential event of default under any of the Finance Documents or (a **"Finance Event of Default"**), where such Finance Event of Default is continuing and has not been unconditionally waived by the relevant agent and, in the reasonable opinion of the Company further financing is required in connection with curing such Finance Event of Default; or
- (b) if in the reasonable opinion of the Company further financing is required to avoid within 60 days either:
 - (i) the occurrence of a Finance Event of Default; or
 - (ii) circumstances that would reasonably be expected to amount to, or give rise to the occurrence of, a Finance Event of Default,
- (c) each event an **"Emergency Funding Requirement"**.

5.2 If the Company determines, acting in good faith that an event is an Emergency Funding Requirement pursuant to the above:

- (a) the Company may authorise the issue of only such number of Company Shares or Debt Instruments (the **"Emergency Shares or Debt Instruments"**) as would, in its reasonable opinion cure or avoid the relevant Finance Event of Default (the **"Emergency Funding Issue"**);
- (b) the Company may only issue Emergency Shares or Debt Instruments to third parties if the then existing Shareholders subscribe for an insufficient amount of Emergency Shares or Debt Instruments (with the Company having first offered the opportunity to all Shareholders);
- (c) the nature of the Emergency Shares or Debt Instruments issued shall be determined by the Company on an arm's length basis such that they are priced in the most cost effective and appropriate way given the nature of the Finance Event of Default, and for the purposes of minimising the impact on prevailing governance arrangements;
- (d) the pricing of an Emergency Funding Issue shall be agreed by the Company pursuant to Article 4.6(a) based on advice received by an appropriately qualified independent

financial adviser, except for any issue under a Catch-Up Option which shall carry additional payment for carrying cost (the **"Catch-Up Payment"**).

5.3 If any Shareholders do not have the opportunity to participate in an Emergency Funding Issue then, within 30 days from such Emergency Funding Issue, such Shareholder(s) may elect (but shall not be obliged) to:

- (a) purchase such number of Emergency Shares or Debt Instruments from Shareholders who subscribed for Emergency Shares or Debt Instruments pursuant to the Emergency Funding Issue, which would result in, following such acquisition, such Shareholder holding such percentage of the Emergency Shares or Debt Instruments as equates to its Equity Proportion immediately prior to the Emergency Funding Issue Shareholders; or
- (b) have the Company approve the additional issuance of New Shares or New Debt Instruments in the same class of the Emergency Shares or Debt Instruments (**"Catch-Up Shares or Debt Instruments"**) (without regard to any pre-emption rights on issue, including (without limitation) as set out in the Investment Agreement or the Articles) which would result in, following such subscription, such Shareholder holding such percentage of the total number of the Emergency Shares or Debt Instruments and Catch-Up Shares or Debt Instruments (taken together) as equates to its Share or Debt Instrument Proportion immediately prior to the Emergency Funding Issue,

together, the **"Catch-Up Option"**.

5.4 If a Shareholder elects to exercise a Catch-Up Option pursuant to Article 5.3 the Shareholders and (if applicable) the Company shall complete the purchase of Emergency Shares or Debt Instruments or additional issuance of the Catch-Up Shares or Debt Instruments which are subject to the Catch-Up Option, in consideration for the payment of the Catch-Up Option Price by such electing Shareholder, as soon as reasonably practicable following such election and, in any event, by no later than 90 days from the relevant Emergency Funding Issue, in default of which, the Catch-Up Option shall lapse. For the purposes of this Article 5.4, the price payable in respect of the Catch-Up Option shall be the aggregate of:

- (a) the price paid in respect of the Emergency Funding Issue by those Shareholders who participated in the Emergency Funding Issue (as determined in accordance with Article 4.6(a)); and
 - (b) the Catch-Up Payment, where there has been a carrying cost incurred.
- (the **"Catch-Up Option Price"**).

5.5 The Catch-Up Payment shall be determined by the Company but shall be subject to unanimous approval of those Shareholders who subscribed for Emergency Shares or Debt Instruments in the relevant Emergency Funding Issue, in each case acting reasonably. If the Shareholders are unable to agree the Catch-Up Payment within 14 days, the Catch-Up Payment shall be calculated at a daily simple rate of 10% per annum on the issue price of Emergency Shares or Debt Instruments issued for the relevant Emergency Funding Issue.

6 Register of Members

The Company shall maintain or cause to be maintained the Register of Members in accordance with the Law.

7 Closing Register of Members or Fixing Record Date

- 7.1 For the purpose of determining the Shareholders entitled to notice of, or to vote at any meeting of the Shareholders or any adjournment thereof in accordance with Articles 15.5-15.8 (inclusive), or Shareholders entitled to receive payment of any Dividend or other distribution, or in order to make a determination of the Shareholders for any other purpose, the Directors may provide that the Register of Members shall be closed for transfers for a stated period which shall not in any case exceed 40 days.
- 7.2 In lieu of, or apart from, closing the Register of Members, the Directors may fix in advance or arrears a date as the record date for any such determination of the members entitled to notice of, or to vote at any meeting of the members or any adjournment thereof, or for the purpose of determining the Shareholders entitled to receive payment of any Dividend or other distribution, or in order to make a determination of members for any other purpose.
- 7.3 If the Register of Members is not so closed and no record date is fixed for the determination of Shareholders entitled to notice of, or to vote at, a meeting of the Shareholders or Shareholders entitled to receive payment of a Dividend or other distribution, the date on which notice of the meeting is sent or the date on which the resolution of the Directors resolving to pay such Dividend or other distribution is passed, as the case may be, shall be the record date for such determination of members. When a determination of Shareholders entitled to vote at any meeting of members has been made as provided in this Article, such determination shall apply to any adjournment thereof.

8 Certificates for Shares

- 8.1 Share certificates representing Shares, if any, shall be in such form as the Directors may determine. Share certificates shall be signed by any two Directors or by any one Director and the secretary of the Company.
- 8.2 The Directors may authorise certificates to be issued with the authorised signature(s) affixed by mechanical or electronic process. All certificates for Shares shall be consecutively numbered or otherwise identified and shall specify the Shares to which they relate. All certificates surrendered to the Company for transfer shall be cancelled and subject to the Articles no new certificate shall be issued until the former certificate representing a like number of relevant Shares shall have been surrendered and cancelled.
- 8.3 The Company shall not be bound to issue more than one certificate for Shares held jointly by more than one person and delivery of a certificate to one joint holder shall be a sufficient delivery to all of them.
- 8.4 If a share certificate is defaced, worn out, lost or destroyed, it may be renewed on such terms (if any) as to evidence and indemnity and on the payment of such expenses reasonably incurred by the Company in investigating evidence, as the Directors may prescribe, and (in the case of defacement or wearing out) upon delivery of the old certificate.
- 8.5 Every share certificate sent in accordance with the Articles will be sent at the risk of the Shareholder or other person entitled to the certificate. The Company will not be responsible for any share certificate lost or delayed in the course of delivery.

9 Transfer of Shares

Permitted Transfers

- 9.1 Subject to Article 9.2, the A Ordinary Shares shall be freely transferable, save that no transfer of any A Ordinary Shares, or any interest in any A Ordinary Shares, may be made except (i) where an equivalent proportion of Debt Instruments are also transferred; and (ii) pursuant to clause 18 of the Investment Agreement and the Articles, including but not limited to Article 11. For this purpose, an interest in any A Ordinary Shares is deemed to be transferred if a Shareholder enters into an agreement (other than the Investment Agreement) with any person in respect of the exercise of votes attached to such A Ordinary Shares. Notwithstanding the foregoing, Shareholders may transfer their A Ordinary Shares and Debt Instruments to any of their Affiliates, and in such case the provisions of Article 11 shall not apply to such a transfer.
- 9.2 The Company will, subject to receipt of any Know Your Client information (“KYC”) (if required), immediately register each Shareholder as the fully paid holder of the Shares.

Indirect transfers

- 9.3 Subject to Article 9.1, there shall be no transfer of any direct, indirect or beneficial interest in any Shares by any Person unless such transfer would be permitted under Article 9.1, if it was a transfer by the Shareholder.
- 9.4 If: (i) the Company; or (ii) a Shareholder, becomes aware of any breach of Article 9.3, then (A) in the case of (i) the Company shall promptly; and (B) in the case of (ii) promptly following notification to the Company of such breach by the relevant Shareholder, the Company shall serve a notice on the Shareholder in respect of which an indirect interest has been transferred (the “**Forfeiting Shareholder**”) who shall have five Business Days after receipt of the notice served by the Company in accordance with this Article 9.4 to cure the breach (the “**Cure Period**”). If the Forfeiting Shareholder fails to cure the breach within the Cure Period, it may be required to transfer all or a portion of their Shares and/or Debt Instruments (collectively “**Forfeited Instruments**”) in accordance with Articles 9.4 to 9.6 inclusive. The Company or relevant Shareholder shall promptly deliver a written notice (a “**Mandatory Transfer Offer Notice**”) to each Shareholder who is a holder of A Ordinary Shares (“**Non-Forfeiting Shareholder**”) that such Shareholder who is a holder of A Ordinary Shares is entitled to acquire a proportion of the Forfeited Instruments equal to such Non-Forfeiting Shareholder’s Percentage Interest at that time as a proportion of the aggregate Percentage Interests of all Non-Forfeiting Shareholders (the “**Mandatory Transfer Relevant Amount**”), at a price per Share or Debt Instrument equal to 50% of fair market value of the Forfeited Instruments at the date of the Mandatory Transfer Offer Notice (as determined by the Board acting reasonably) (the “**Mandatory Offer Price**”). The Mandatory Transfer Offer Notice shall invite each Non-Forfeiting Shareholder to apply to purchase: (i) all or any portion of their Mandatory Transfer Relevant Amount; and (ii) (if they become available as a result of any Non-Forfeiting Shareholders not wishing to purchase all of their Mandatory Transfer Relevant Amount) any Forfeited Instruments in excess of their Mandatory Transfer Relevant Amount, in each case, within twenty (20) Business Days of the following the date of the Mandatory Transfer Offer Notice (the “**Mandatory Transfer Offer Period**”). The Company shall allocate the relevant proportion of Forfeited Instruments to each Non-Forfeiting Shareholder which submits an application to the Company within the Mandatory Transfer Offer Period stating the proportion of the Mandatory Transfer Relevant Amount which the Non-Forfeiting Shareholder wishes to acquire and providing payment in full for such amount of Forfeited Instruments. If any Non-Forfeiting Shareholder fails to submit an application to the Company within the Mandatory Transfer Offer Period, it shall be deemed to have declined the invitation to purchase any Forfeited Instruments. If and to the extent that any Non-Forfeiting Shareholder has submitted an application for less than their Mandatory Transfer Relevant Amount or has or is deemed to

have declined the invitation to purchase any Forfeited Instruments (together, such unallocated Forfeited Shares, being referred to as the “**Excess Forfeited Instruments**”):

- (a) such Excess Forfeited Instruments shall be allocated to each Non-Forfeiting Shareholder wishing to purchase Forfeited Instruments in excess of their Mandatory Transfer Relevant Amount, in proportion to such Non-Forfeiting Shareholder's Percentage Interest for the time being as a proportion of the aggregate Percentage Interests of those Non-Forfeiting Shareholders who have submitted an application to purchase any part of such Excess Forfeited Instruments (provided that any allocation made under this Article shall be made so as not to result in any Non-Forfeiting Shareholder being allocated more Forfeited Instruments than it wishes to purchase); and
- (b) any remaining Excess Forfeited Instruments shall continue to be allocated on this basis until either all the Forfeited Instruments have been allocated or all requests for extra Forfeited Instruments have been satisfied.

9.5 Following the expiry of the Mandatory Transfer Offer Period (or, as the case may be, following election and payment (if applicable) by any Non-Forfeiting Shareholder for any Excess Forfeited Instruments pursuant to Article 9.4), the Forfeiting Shareholder shall sell the amount of Forfeited Instruments which the Non-Forfeiting Shareholders applied for in accordance with Article 9.4 at the Mandatory Offer Price to the relevant Non-Forfeiting Shareholders. Each member of the Board is individually authorised to execute, complete and deliver as agent for and on behalf of the Forfeiting Shareholder such documents as are required to transfer such Forfeited Instruments to the relevant Non-Forfeiting Shareholder (provided that any Director(s) appointed by the Forfeiting Shareholder (s) shall be excluded from such authority), and following such transfer shall update the Register of Members accordingly.

9.6 Immediately on the occurrence of any breach of Article 9.3, any and all specific rights of the Forfeiting Shareholder attaching to their holding of Shares pursuant to the Articles (including, without limitation, rights to vote, appoint directors and/or observers and any and all rights of consent in relation to any matter) shall cease to apply in respect of such Forfeiting Shareholder.

10 Drag-Along

Drag-Along Mechanism

10.1 If the Majority Selling Shareholders agree terms for a Proposed Drag-Along Sale with a Purchaser then, on receipt of a Drag-Along Notice from the Purchaser, all the Dragged Shareholders are bound to transfer the same proportion of their Shares to the Purchaser on the same terms as agreed by the Majority Selling Shareholders (save as provided in Article 10.5).

Representations, Warranties and Costs

10.2 Dragged Shareholders must make or give the same representations, warranties, covenants and indemnities (if any) as to title and capacity of the Shares, together with a locked box indemnity or covenant (subject to customary permitted leakage exceptions, including transactions with any Shareholder (and or its Affiliates) in the ordinary and usual course of trading and on arms-length terms) in each case as given by the Majority Selling Shareholders. Each Dragged Shareholder is responsible for its proportionate share of the costs of the Proposed Drag-Along Sale to the extent not paid or reimbursed by the Purchaser based on the proportion his or its number of Shares held bears to the proportion of the total number of Shares in issue and such costs will be deducted from the proceeds

Drag-Along Notice

10.3 The Drag-Along Notice must set out the number of Shares proposed to be transferred, the name and address of the proposed Purchaser, the proposed amount, if any, and form of consideration and any other terms and conditions of payment offered for the Shares. Consideration for the Shares must be in either:

- (a) cash; or
- (b) marketable securities listed on a Recognised Investment Exchange (which shall not have been suspended from trading due to fraud or deficiencies in quality of corporate governance or financial reporting of their issuer at any time within the 12 month period prior to the proposed Drag-Along Sale ("**Marketable Securities**"); or
- (c) a combination of cash and Marketable Securities;

PROVIDED THAT where a Dragged Shareholder is a Ring-Fenced Body, that Dragged Shareholder (on behalf of itself only and not in respect of any Shares which it holds as market-maker or broker) shall have the option to elect, within fifteen Business Days of the date of the Drag-Along Notice, to receive its consideration in cash only, even in circumstances where all or part of the proposed consideration for the Shares is to be in Marketable Securities. In such circumstances, the Company shall appoint a broker (whose appointment has been agreed with the Ring-Fenced Body making the election, acting reasonably) to sell that proportion of the proposed consideration due to the Ring-Fenced Body that constitutes Marketable Securities either by way of a sale of the entire block or in one or more transfers within 30 days of the issue of the Marketable Securities. The proceeds of such sale (with the reasonable broker fees relating to the sale of the proportion of the Marketable Securities attributable to the shares issued to the Ring-Fenced Body as part of the Scheme being borne by the Company) shall be paid to such Ring-Fenced Body within two Business Days of receipt of the cash by the Company in full and final satisfaction of the Marketable Securities consideration otherwise due to that Ring-Fenced Body.

10.4 The Drag-Along Notice must specify a date, time and place for the Dragged Shareholders to execute transfers in respect of their Shares, being a date which is not less than eight Business Days after the date of the Drag-Along Notice (and not earlier than the transfers by the Majority Selling Shareholders). The Drag-Along Notice may be expressed to be conditional upon completion of the sale by the Majority Selling Shareholders. A Drag-Along Notice shall be valid for: (i) 90 days; or (ii) if completion is subject to conditions, 60 days from the earlier of: (a) satisfaction of such conditions; and (b) the long stop date in the relevant Share and Purchase Agreement.

Execution of Transfers

10.5 If a Dragged Shareholder does not, within five Business Days of the date of the Drag-Along Notice (or on the date specified in the Drag-Along Notice if later than five Business Days after the date of the Drag-Along Notice) execute transfers in respect of its Shares, then the Board is entitled to authorise and instruct such person as it thinks fit to execute, complete and deliver the necessary transfer(s) as agent on the Dragged Shareholder's behalf on the same terms as those accepted by the Majority Selling Shareholders and, against receipt by the Company (on trust for the Shareholder) of the consideration payable for the Shares, deliver the transfer(s) to the Purchaser (or its nominee) and register the Purchaser (or its nominee) as the holder of those Shares. After the Purchaser or its nominee has been registered as the holder the validity of such proceedings may not be questioned by any person. The Company will deliver the consideration payable for each Dragged Shareholder's Shares held on trust in accordance with this Article for a member to that member as soon as practicable following the delivery to the

Company by that member of his original share certificate (if any) in respect of such Shares or an indemnity for a lost share certificate in a form reasonably acceptable to the Chairperson.

- 10.6 Subject to Article 10.7, unless the Board otherwise agrees in writing, any Shares held by a Dragged Shareholder on the date of a Drag-Along Notice (and any Shares acquired by a Dragged Shareholder from time to time thereafter, whether by virtue of the exercise of any right or option granted or arising by virtue of the holding of Shares by the Dragged Shareholder, or otherwise) shall immediately on failure by the holder of such Shares to comply with this Article 10.6:
- (a) (automatically cease to confer the right to receive notice of or to attend or vote (either in person or by proxy and whether on a poll or on a show of hands) at any general meeting of the Company or (subject to the Law) at any meeting of the holders of any class of Shares in the capital of the Company with effect from the date of the Drag-Along Notice (or the date of acquisition of such Shares, if later); and
 - (b) not be counted in determining the total number of votes which may be cast at any such meeting, or required for the purposes of a written resolution of any member or any class of members, or for the purposes of any other consent required under these Articles.
- 10.7 The rights referred to in Article 10.6 shall be restored immediately upon the transfer of the Shares in accordance with the Drag-Along Notice.
- 10.8 Following the issue of a Drag-Along Notice, if any person becomes a New Member, a Drag-Along Notice is deemed to have been served upon the New Member on the same terms as the previous Drag-Along Notice. The New Member will be bound to sell and transfer all such Shares acquired by him or it to the Purchaser or as the Purchaser may direct and the provisions of this Article 10 shall apply (with necessary modifications) to the New Member save that completion of the sale of such Shares shall take place immediately following the registration of the New Member as a Shareholder.

11 Tag-Along

Tag-Along Mechanism

- 11.1 No Proposed Tag-along Transfer may be made by any Selling Shareholder(s) unless the Acquirer has first made a written offer in accordance with this Article 11 to the Non-Selling Shareholders to purchase the Non-Selling Shareholders' Shares at the Notified Price (whether the consideration is cash or newly issued shares in the Acquirer's share capital) and on no less preferential terms and conditions (including time of payment, form of consideration, representations, warranties, covenants and indemnities (if any) and limitations of liability) (provided they are given on a several basis) as to be paid and given to and by the Selling Shareholder(s).

Costs

- 11.2 A Tagging Shareholder is responsible for his or its proportionate share of the costs of the Proposed Tag-along Transfer to the extent not paid or reimbursed by the Acquirer or the Company based on the proportion his or its number of Shares held bears to the proportion of the total number of Shares, being sold pursuant to the Proposed Tag-along Transfer.

Terms of Tag-Along Offer

- 11.3 The Selling Shareholder(s) must give written notice to each Non-Selling Shareholder of each Proposed Tag-along Transfer at least five Business Days prior to signing a definitive agreement

relating to the Proposed Tag-along Transfer providing details of the Acquirer and its proposed price and, to the extent it is able, the other terms and conditions.

- 11.4 Where the Proposed Tag-Along Transfer occurs in a series of connected transactions, the price which is payable to the Tagging Shareholders shall be the highest price paid by the Acquirer in the 12 month period prior to the date of the notice of the Proposed Tag-Along Transfer delivered pursuant to Article 11.3, and for these purposes the value attributed to the Shares pursuant to the Scheme shall be disregarded (such price being the **"12 Month High"**).
- 11.5 The written offer required to be given by the Acquirer under Article 11.1 must be given at least than five Business Days before the signing of the definitive agreement relating to the Proposed Tag-along Transfer and must be open for acceptance for at least twenty Business Days after the date of the written offer (**"Tag Acceptance Period"**). The Selling Shareholder(s) must deliver or cause to be delivered to the Non-Selling Shareholders copies of all material transaction documents relating to the Proposed Tag-along Transfer promptly as the same become available.

Acceptance of Tag-Along Offer

- 11.6 If a Non-Selling Shareholder wishes to accept the Acquirer's offer under Article 11.1 it must do so by means of a written notice to the Selling Shareholder(s) indicating its acceptance of the offer in respect of all of the number of its Shares specified in the written offer. If the Tag-Along Notice is accepted the Proposed Tag-along Transfer shall be conditional upon the Selling Shareholders' sale and shall be completed at the same time as that sale.

Effect of No Acceptances of Tag-Along Offer

- 11.7 If some or all of the Non-Selling Shareholders do not accept such offer within the period that is open for acceptance pursuant to Article 11.5, signing of the Proposed Tag-along Transfer is permitted to be made:
- (a) within 10 Business Days after signing the definitive agreement, provided that the offer shall remain open to any Tagging Shareholder to accept within the Tag Acceptance Period and the purchaser shall be bound to purchase any such shares;
 - (b) so long as it takes place on terms and conditions no more favourable in any respect to the Selling Shareholder(s) than those stated in the original written offer under Article 11.1; and
 - (c) on the basis that all of the Shares proposed to be sold under the Proposed Tag-along Transfer are transferred.

Exclusions

- 11.8 The provisions of Article 11.1 will not apply to any transfers of Shares:
- (a) in respect of which a Drag-Along Notice has been served;
 - (b) a transfer to Affiliates in accordance with Article 9.1; or
 - (c) to a new holding company of the Company which is established for the purposes of planning for a reorganization or an Exit and in which the share capital structure (principally the shareholdings but including all economic rights) of the Company is replicated in all material respects.

12 Squeeze-Out

- 12.1 Without prejudice to the provisions of the Law, if a person, together with its Affiliates, acquires 90% or more of the Shares in issue at any time (a **"Super Majority Holder"**), then such Super Majority Holder shall be entitled to make a written offer to the remaining Shareholders (the **"Minority Holders"**) to acquire the Shares held by the Minority Holders at a price which is no lower than the 12 Month High (a **"Squeeze-Out Offer"**). If the Super Majority Holder makes such a Squeeze-Out Offer, the Minority Holders are bound to transfer 100% of their Shares to the Super Majority Holder on the terms of the Squeeze-Out Offer.
- 12.2 Minority Holders are required to make or give the representations and warranties as to title and capacity of the Shares and a leakage indemnity or covenant. The Super Majority Holder is responsible for the costs of the Squeeze-Out Offer.
- 12.3 The Squeeze-Out Offer must set out the number of Shares to be transferred by each Minority Holder, the name and address of the Super Majority Holder, the proposed amount, if any, and form of consideration and any other terms and conditions of payment offered for the Shares. Consideration for the Shares must be in cash.
- 12.4 The Squeeze-Out Offer must specify a date, time and place for the Minority Holders to execute transfers in respect of their Shares, being a date which is not less than eight Business Days after the date of the Squeeze-Out Offer. The Squeeze-Out Offer shall be valid for (i) 90 days; or (ii) if completion is subject to conditions, 60 days from the earlier of: (a) satisfaction of such conditions; and (b) the long stop date in the relevant Sale and Purchase Agreement .
- 12.5 If a Minority Holder does not, within five Business Days of the date of the Squeeze-Out Offer (or on the date specified in the Squeeze-Out Offer if later than five Business Days after the date of the Squeeze-Out Offer) execute transfers in respect of its Shares, then the Board is entitled to authorise and instruct such person as it thinks fit to execute, complete and deliver the necessary transfer(s) as agent on the Minority Holder's behalf on the same terms as those set out in the Squeeze-Out Offer and, against receipt by the Company (on trust for the member) of the consideration payable for the Shares, deliver the transfer(s) to the Super Majority Holder (or its nominee) and register the Super Majority Holder (or its nominee) as the holder of those Shares. After the Super Majority Holder or its nominee has been registered as the holder the validity of such proceedings may not be questioned by any person. The Company will deliver the consideration payable for each Minority Holder's Shares held on trust in accordance with this Article for a member to that member as soon as practicable following the delivery to the Company by that member of his original share certificate (if any) in respect of such Shares or an indemnity for a lost share certificate in a form reasonably acceptable to the Chairperson.
- 12.6 Subject to Article 12.7, unless the Chairperson otherwise agrees in writing, any Shares held by a Minority Holder on the date of a Squeeze-Out Offer (and any Shares acquired by a Minority Holder from time to time thereafter, whether by virtue of the exercise of any right or option granted or arising by virtue of the holding of Shares by the Minority Holder, or otherwise) shall immediately on failure by the holder of such Shares to comply with this Article 12:
- (a) (automatically cease to confer the right to receive notice of or to attend or vote (either in person or by proxy and whether on a poll or on a show of hands) at any general meeting of the Company or (subject to the Law) at any meeting of the holders of any class of Shares in the capital of the Company with effect from the date of the Squeeze-Out Offer (or the date of acquisition of such Shares, if later); and
 - (b) not be counted in determining the total number of votes which may be cast at any such meeting, or required for the purposes of a written resolution of any member or any class of members, or for the purposes of any other consent required under these Articles.

- 12.7 The rights referred to in Article 12.6 shall be restored immediately upon the transfer of the Shares in accordance with the Squeeze-Out Offer.
- 12.8 Following the issue of a Squeeze-Out Offer, if any person becomes a New Member, a Squeeze-Out Offer is deemed to have been served upon the New Member on the same terms as the previous Squeeze-Out Offer. The New Member will be bound to sell and transfer all such Shares acquired by him or it to the Super Majority Holder or as the Super Majority Holder may direct and the provisions of this Article 12 shall apply (with necessary modifications) to the New Member save that completion of the sale of such Shares shall take place immediately following the registration of the New Member as a Shareholder.

- 13.1 Subject to the Law and the Investment Agreement, the Company may issue Shares that are to be redeemed or are liable to be redeemed at the option of the Shareholder or the Company. The redemption of such Shares shall be effected in such manner and upon such other terms as the Company may subject to the Investment Agreement, by Special Resolution, determine before the issue of the Shares.
- 13.2 Subject to the provisions of the Law and the Investment Agreement, the Company may purchase its own Shares (including any redeemable Shares) in such manner and on such other terms as the Directors may agree with the relevant Shareholder, provided that such purchase of shares shall be on a pari passu basis.

Determination of voting thresholds

- 15.5 If the Major Shareholder(s) hold in aggregate 30% or more of the A Ordinary Shares in issue, then:
- (a) each Major Shareholder Nominee and Major Shareholder, if no election has been made,:
 - (i) is entitled to receive notice of, and to attend and vote at, general meetings of the Company; and
 - (ii) who is an individual (present in person or by proxy) or a corporate entity (present by a duly authorised representative or by proxy) or, if not present as aforesaid, whose beneficiary is present in person, by authorised representative or proxy, has:
 - (A) on a show of hands, one vote; or
 - (B) on a poll, one vote for each A Ordinary Share of which that person (taken together with their Affiliates if a Major Shareholder Nominee) is the holder;
 - (b) holders of A Ordinary Shares who hold less than 5% of the A Ordinary Shares in issue shall not be entitled to receive notice of, attend or vote at general meetings of the Company.
- 15.6 If there are no Major Shareholders, then the 5% threshold for qualification as a Major Shareholder shall be reduced to such percentage as would deliver no fewer than three Major Shareholders.
- 15.7 If the Major Shareholder(s) in aggregate hold less than 30% of the A Ordinary Shares in issue, then each holder of A Ordinary Shares:
- (a) is entitled to receive notice of, and to attend and vote at, general meetings of the Company; and
 - (b) who is an individual (present in person or by proxy) or a corporate entity (present by a duly authorised representative or by proxy) or, if not present as aforesaid, whose beneficiary is present in person, by authorised representative or proxy, has:

- 15.8 Notwithstanding the provisions of Articles 15.5 to 15.7 all holders of A Ordinary Shares shall be entitled to vote on a resolution of the Company in respect of certain undertakings, in accordance with the Investment Agreement.

Prevention of Unintentional Control

- 15.9 Each person who actively acquires (through transfer or subscription) further A Ordinary Shares after Completion shall be responsible for: (i) determining whether any anti-trust or foreign direct investment filings need to be made in respect of such acquisition(s); and (ii) obtaining all required consents, approvals and acknowledgements before proceeding with any such acquisition(s).
- 15.10 Neither the Company nor its Transfer Agent shall be required to register any transfer of Shares or proceed with any issue of Shares (as applicable) in Article 15.7 above unless and until all such required consents, approvals and acknowledgements (as applicable) have been obtained.
- 15.11 If:
- (a) a Major Shareholder at any time makes an election pursuant to Article 15.12;
 - (b) any Major Shareholder(s) sells such number of A Ordinary Shares after Completion; or
 - (c) any person would be transferred or issued A Ordinary Shares on Completion,

and which would, in the case of any of (a), (b) and (c) lead to one or more Major Shareholders gaining control of 25% or more of the A Ordinary Shares eligible to vote (each such Major Shareholder being a “**Controlling Shareholder**”), then immediately prior to any such election, sell down, issue or acquisition the 5% threshold (subject to any adjustment that may have previously been made pursuant to this Article 15.11) for voting rights on A Ordinary Shares shall automatically be deemed to have been reduced to such a level that: (i) the potentially Controlling Shareholder does not become a Controlling Shareholder; (ii) any Shareholder holding less than 5% of the voting rights on A Ordinary Shares does not, by way of operation of this Article 15.11, hold 5% or more of the voting rights on A Ordinary Shares; and (iii) any Shareholder holding 5% or more but less than 25% of the voting rights on A Ordinary Shares does not, by way of operation of this Article 15.11, vary its percentage of voting rights on Ordinary Shares unless it has previously consented to the same, until the earlier of:

- (d) provided the relevant merger clearance or foreign direct investment approval or acknowledgement has been obtained, that potentially Controlling Shareholder notifying the Company that it wishes to be a Controlling Shareholder; or
- (e) other Shareholders increasing their shareholding such that the potentially Controlling Shareholder ceases to be a potentially Controlling Shareholder,

whereupon, in the case of each of (a) and (b), the 5% threshold for voting rights shall be automatically reinstated (subject to any adjustment that may have previously been made pursuant to this Article 15.11 which shall be retained).

Voluntary capping of voting rights

- 15.12 Major Shareholders may, at any time by notice to the Company, elect to have the votes attributable to its A Ordinary Shares capped at a percentage set out in such notice, and the votes of the other Major Shareholders will be increased accordingly.

Notification of shareholdings

- 15.13 If as a result of any change in the shareholding of any Shareholder which, when taken with the A Ordinary Shares held by its Affiliates, would alter its status such that it (together with its Affiliates) would become, or cease to be, any of the following: (i) a Major Shareholder; (ii) a 5% Shareholder; (iii) a Substantial Shareholder; (iv) a Controlling Shareholder; (v) a Super Majority Holder; (vi) a holder of either 50%, 60%, 70% or 80% of A Ordinary Shares in the Company; or (vii) a 1% Holder, the Company shall procure that the Transfer Agent, notify the Major Shareholders and the Company within three Business Days to ensure appropriate steps are taken regarding voting rights.
- 15.14 The Company shall procure that the Transfer Agent notifies each Shareholder whose voting rights have been adjusted of their adjusted voting right percentage in accordance with Articles 15.11 to 15.12 as soon as reasonably practicable, and in any event within four Business Days of such adjustment.

Class Rights

- 15.15 If there is more than one class of Shares in issue at any time, any amendment to the rights of any class may be passed by Ordinary Resolution.

16 Commission on Issue or Sale of Shares

The Company may, in so far as the Law permits, pay a commission to any person in consideration of his subscribing or agreeing to subscribe (whether absolutely or conditionally) or procuring or agreeing to procure subscriptions (whether absolutely or conditionally) for any Shares. Such commissions may be satisfied by the payment of cash and/or the issue of fully or partly paid-up Shares. The Company may also on any issue of Shares pay such brokerage as may be lawful.

17 Non Recognition of Trusts

The Company shall not be bound by or compelled to recognise in any way (even when notified) any equitable, contingent, future or partial interest in any Share, or (except only as is otherwise provided by the Articles or the Law) any other rights in respect of any Share other than an absolute right to the entirety thereof in the holder.

18 Lien on Shares

- 18.1 The Company shall have a first and paramount lien on all unpaid or part paid Shares registered in the name of a Shareholder (whether solely or jointly with others) for all debts, liabilities or engagements to or with the Company (whether presently payable or not) by such Shareholder or his estate, either alone or jointly with any other person, whether a Shareholder or not, but the Directors may at any time declare any Share to be wholly or in part exempt from the provisions of this Article. The registration of a transfer of any such Share shall operate as a waiver of the Company's lien thereon. The Company's lien on a Share shall also extend to any amount payable in respect of that Share.
- 18.2 The Company may sell, in such manner as the Directors think fit, any Shares on which the Company has a lien, if a sum in respect of which the lien exists is presently payable, and is not paid within 14 clear days after notice has been received or deemed to have been received by the holder of the Shares, or to the person entitled to it in consequence of the death or bankruptcy of the holder, demanding payment and stating that if the notice is not complied with the Shares may be sold.
- 18.3 To give effect to any such sale the Directors may authorise any person to execute an instrument of transfer of the Shares sold to, or in accordance with the directions of, the purchaser. The purchaser or his nominee shall be registered as the holder of the Shares comprised in any such

transfer, and he shall not be bound to see to the application of the purchase money, nor shall his title to the Shares be affected by any irregularity or invalidity in the sale or the exercise of the Company's power of sale under the Articles.

- 18.4 The net proceeds of such sale after payment of costs, shall be applied in payment of such part of the amount in respect of which the lien exists as is presently payable and any balance shall (subject to a like lien for sums not presently payable as existed upon the Shares before the sale) be paid to the person entitled to the Shares at the date of the sale.
- 18.5 Any lien on any Shares (whether part or fully paid) which the Company has shall not apply in respect of any Shares that have been charged by way of security to a secured party.

19 Call on Shares

- 19.1 Subject to the terms of the allotment and issue of any Shares, the Directors may make calls upon the Shareholders in respect of any monies unpaid on their Shares (whether in respect of par value or premium), and each Shareholder shall (subject to receiving at least 14 clear days' notice specifying the time or times of payment) pay to the Company at the time or times so specified the amount called on the Shares. A call may be revoked or postponed, in whole or in part, as the Directors may determine. A call may be required to be paid by instalments. A person upon whom a call is made shall remain liable for calls made upon him notwithstanding the subsequent transfer of the Shares in respect of which the call was made.
- 19.2 A call shall be deemed to have been made at the time when the resolution of the Directors authorising such call was passed.
- 19.3 The joint holders of a Share shall be jointly and severally liable to pay all calls in respect thereof.
- 19.4 If a call remains unpaid after it has become due and payable, the person from whom it is due shall pay interest on the amount unpaid from the day it became due and payable until it is paid at such rate as the Directors may determine (and in addition all expenses that have been incurred by the Company by reason of such non-payment), but the Directors may waive payment of the interest or expenses wholly or in part.
- 19.5 An amount payable in respect of a Share on issue or allotment or at any fixed date, whether on account of the par value of the Share or premium or otherwise, shall be deemed to be a call and if it is not paid all the provisions of the Articles shall apply as if that amount had become due and payable by virtue of a call.
- 19.6 The Directors may issue Shares with different terms as to the amount and times of payment of calls, or the interest to be paid.
- 19.7 The Directors may, if they think fit, receive an amount from any Shareholder willing to advance all or any part of the monies uncalled and unpaid upon any Shares held by him, and may (until the amount would otherwise become payable) pay interest at such rate as may be agreed upon between the Directors and the Shareholder paying such amount in advance.
- 19.8 No such amount paid in advance of calls shall entitle the Shareholder paying such amount to any portion of a Dividend or other distribution payable in respect of any period prior to the date upon which such amount would, but for such payment, become payable.

20 Forfeiture of Shares

- 20.1 If a call or instalment of a call remains unpaid after it has become due and payable the Directors may give to the person from whom it is due not less than 14 clear days' notice requiring payment

of the amount unpaid together with any interest which may have accrued, and any expenses incurred by the Company by reason of such non-payment. The notice shall specify where payment is to be made and shall state that if the notice is not complied with the Shares in respect of which the call was made will be liable to be forfeited.

- 20.2 If the notice is not complied with, any Share in respect of which it was given may, before the payment required by the notice has been made, be forfeited by a resolution of the Directors. Such forfeiture shall include all Dividends, other distributions or other monies payable in respect of the forfeited Share and not paid before the forfeiture.
- 20.3 A forfeited Share may be sold, re-allotted or otherwise disposed of on such terms and in such manner as the Directors think fit and at any time before a sale, re-allotment or disposition the forfeiture may be cancelled on such terms as the Directors think fit. Where for the purposes of its disposal a forfeited Share is to be transferred to any person the Directors may authorise some person to execute an instrument of transfer of the Share in favour of that person.
- 20.4 A person any of whose Shares have been forfeited shall cease to be a Shareholder in respect of them and shall surrender to the Company for cancellation the certificate for the Shares (if any) forfeited and shall remain liable to pay to the Company all monies which at the date of forfeiture were payable by him to the Company in respect of those Shares together with interest at such rate as the Directors may determine, but his liability shall cease if and when the Company shall have received payment in full of all monies due and payable by him in respect of those Shares.
- 20.5 A certificate in writing under the hand of one Non-Executive Director of the Company that a Share has been forfeited on a specified date shall be conclusive evidence of the facts stated in it as against all persons claiming to be entitled to the Share. The certificate (if any) shall (subject to the execution of an instrument of transfer) constitute a good title to the Share and the person to whom the Share is sold or otherwise disposed of shall not be bound to see to the application of the purchase money, if any, nor shall his title to the Share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the Share.
- 20.6 The provisions of the Articles as to forfeiture shall apply in the case of non payment of any sum which, by the terms of issue of a Share, becomes payable at a fixed time, whether on account of the par value of the Share or by way of premium as if it had been payable by virtue of a call duly made and notified.

21 Transmission of Shares

- 21.1 If a Shareholder dies the survivor or survivors (where he was a joint holder) or his executor, administrator or legal personal representatives (where he was a sole holder), shall be the only persons recognised by the Company as having any title to his Shares. The estate of a deceased Shareholder is not thereby released from any liability in respect of any Share, for which he was a joint or sole holder.
- 21.2 Any person becoming entitled to a Share in consequence of the death or bankruptcy or liquidation or dissolution of a Shareholder (or in any other way than by transfer) may, upon such evidence being produced as may be required by the Directors, elect, by a notice in writing sent by him to the Company, either to become the holder of such Share or to have some person nominated by him registered as the holder of such Share. If he elects to have another person registered as the holder of such Share he shall sign an instrument of transfer of that Share to that person. The Directors shall, in either case, have the same right to decline or suspend registration as they would have had in the case of a transfer of the Share by the relevant Shareholder before his death or bankruptcy or liquidation or dissolution, as the case may be.

- 21.3 A person becoming entitled to a Share by reason of the death or bankruptcy or liquidation or dissolution of a Shareholder (or in any other case than by transfer) shall be entitled to the same Dividends, other distributions and other advantages to which he would be entitled if he were the holder of such Share. However, he shall not, before becoming a Shareholder in respect of a Share, be entitled in respect of it to exercise any right conferred by membership in relation to general meetings of the Company and the Directors may at any time give notice requiring any such person to elect either to be registered himself or to have some person nominated by him registered as the holder of the Share (but the Directors shall, in either case, have the same right to decline or suspend registration as they would have had in the case of a transfer of the Share by the relevant Shareholder before his death or bankruptcy or liquidation or dissolution or any other case than by transfer, as the case may be). If the notice is not complied with within 90 days of being received or deemed to be received (as determined pursuant to the Articles) the Directors may thereafter withhold payment of all Dividends, other distributions, bonuses or other monies payable in respect of the Share until the requirements of the notice have been complied with.

22 Amendments of Memorandum and Articles of Association and Alteration of Capital

- 22.1 Subject to the Investment Agreement, the Company may by Special Resolution:

 - (e) convert its status to that of a no par value company;

 - (h) alter or add to the Articles;
 - (i) alter or add to the Memorandum; and
 - (j) reduce its share capital or any capital redemption reserve fund.
- 22.2 All new Shares created in accordance with the provisions of the preceding Article shall be subject to the same provisions of the Articles with reference to the payment of calls, liens, transfer, transmission, forfeiture and otherwise as the Shares in the original share capital.

23 Offices and Places of Business and Residence

Subject to the provisions of the Law, the Company may by resolution of the Directors change the location of its Registered Office. The Company may, in addition to its Registered Office, maintain such other offices or places of business as the Directors determine provided that the

management and control of the Company remains within the United Kingdom. Notwithstanding anything else in these Articles, the Company will be solely resident for tax purposes in the United Kingdom and shall be governed in a manner to ensure that its residence for tax purposes remains solely in the United Kingdom.

24 General Meetings

- 24.1 Subject to the agreement of all Shareholders to waive the requirement to hold annual general meetings, the Company shall not be required to hold annual general meetings, unless the Company determines otherwise by way of Special Resolution.
- 24.2 All general meetings shall be called extraordinary general meetings.
- 24.3 The Directors may call general meetings, and they shall on a Shareholders' requisition forthwith proceed to convene an extraordinary general meeting of the Company within 5 Business Days of the date of the deposit of the requisition, such extraordinary general meeting to be held within a further 10 Business Days.
- 24.4 A Shareholders' requisition is a requisition of at least 10% or more of the Shares held by Major Shareholder(s) who are entitled to receive notice of, and attend and vote at general meetings of the Company, in accordance with Articles 15.5 to 15.8 (inclusive).
- 24.5 The Shareholders' requisition must state the objects of the meeting and must be signed by the requisitionists and deposited at the Registered Office, and may consist of several documents in like form each signed by one or more requisitionists.
- 24.6 If there are no Directors as at the date of the deposit of the Shareholders' requisition or if the Directors do not within 5 Business Days from the date of the deposit of the Shareholders' requisition duly proceed to convene a general meeting to be held within a further 10 Business Days, the requisitionists, or any of them representing more than one-half of the total voting rights of all of the requisitionists, may themselves convene a general meeting, but any meeting so convened shall be held no later than the day which falls three months after the expiration of the said 10 Business Day period.
- 24.7 A general meeting convened as aforesaid by requisitionists shall be convened in the same manner as nearly as possible as that in which general meetings are to be convened by Directors.

25 Notice of General Meetings

- 25.1 Subject to the Investment Agreement, at least 14 clear days' notice shall be given of any general meeting, including any general meeting at which a Special Resolution is proposed. Every notice shall specify the place, the day and the hour of the meeting and the general nature of the business to be conducted at the general meeting and shall be given in the manner hereinafter mentioned or in such other manner if any as may be prescribed by the Company, provided that a general meeting of the Company shall, whether or not the notice specified in this Article has been given and whether or not the provisions of the Articles regarding general meetings have been complied with, be deemed to have been duly convened if it is so agreed:
 - (a) in the case of an annual general meeting, by all of the Shareholders entitled to attend and vote thereat; and
 - (b) in the case of an extraordinary general meeting, by a majority in number of the Shareholders having a right to attend and vote at the meeting, together holding not less than 90% in par value of the Shares giving that right.

- 25.2 The accidental omission to give notice of a general meeting to, or the non receipt of notice of a general meeting by, any person entitled to receive such notice shall not invalidate the proceedings of that general meeting.

26 Proceedings at General Meetings

- 26.1 Subject to the Investment Agreement, no business shall be transacted at any general meeting unless a quorum is present. The holders of 50% of the shares held by Major Shareholders Majority present in person or by proxy or if a corporation or other non-natural person by its duly authorised representative or proxy shall be a quorum unless the Company has only one Shareholder entitled to vote at such general meeting in which case the quorum shall be that one shareholder present in person or by proxy or (in the case of a corporation or other non-natural person) by its duly authorised representative or proxy.
- 26.2 A person may participate at a general meeting by conference telephone or other communications equipment by means of which all the persons participating in the meeting can communicate with each other. Participation by a person in a general meeting in this manner is treated as presence in person at that meeting.
- 26.3 Subject to the Investment Agreement, Shareholders may pass a written resolution without holding a meeting of the Members provided that:
- (a) all Shareholders entitled to vote on such resolution receive:
 - (i) a copy of the resolution;

and, in which case, such written resolution shall be effective as if it had been passed at a meeting of all Shareholders entitled to vote duly convened and held. To avoid any doubt whatsoever, valid and effective resolutions in writing made in accordance with this Article need not be unanimous.
 - (c) if a proposed written resolution has not been passed by the requisite majority in this Article within 20 Business Days of it being proposed, the resolution will fail and all counterparts signed or approved by one or more Shareholders shall cease to be valid,
- 26.4 If a quorum is not present within half an hour from the time appointed for the meeting to commence or if during such a meeting a quorum ceases to be present, the meeting, if convened upon a Shareholders' requisition, shall be dissolved and in any other case it shall stand adjourned to the same day in the next week at the same time and/or place or to such other day, time and/or place as the Directors may determine, and if at the adjourned meeting a quorum is

not present within half an hour from the time appointed for the meeting to commence, the Shareholders present shall be a quorum.

- 26.5 The Chairperson of the Board shall also act as a Chair of the general meeting.
- 26.6 If the Chairperson is not present, and if no director is present and willing to act within fifteen minutes after the time appointed for the meeting to commence, the Shareholders present shall choose one of their number to be Chairperson of the meeting.
- 26.7 The Chairperson may, with the consent of a meeting at which a quorum is present (and shall if so directed by the meeting) adjourn the meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.
- 26.8 When a general meeting is adjourned for 30 days or more, notice of the adjourned meeting shall be given as in the case of an original meeting. Otherwise it shall not be necessary to give any such notice of an adjourned meeting.
- 26.9 Subject to Articles 15.5 - 15.7 (inclusive), a resolution put to the vote of the meeting shall be decided on a show of hands unless before, or on the declaration of the result of, the show of hands, the Chairperson demands a poll, or (ii) any other Shareholder or Shareholders collectively present in person or by proxy (or in the case of a corporation or other non-natural person, by its duly authorised representative or proxy) and holding at least 10% in par value of the Shares giving a right to attend and vote at the meeting; or (ii) not less than five Shareholders present and having a right to vote at the meeting demand a poll.
- 26.10 Unless a poll is duly demanded and the demand is not withdrawn a declaration by the Chairperson that a resolution has been carried or carried unanimously, or by a particular majority, or lost or not carried by a particular majority, an entry to that effect in the minutes of the proceedings of the meeting shall be conclusive evidence of that fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
- 26.11 The demand for a poll may be withdrawn.
- 26.12 Except on a poll demanded on the election of a Chairperson or on a question of adjournment, a poll shall be taken as the Chairperson directs, and the result of the poll shall be deemed to be the resolution of the general meeting at which the poll was demanded.
- 26.13 A poll demanded on the election of a Chairperson or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken at such date, time and place as the Chairperson of the general meeting directs, and any business other than that upon which a poll has been demanded or is contingent thereon may proceed pending the taking of the poll.
- 26.14 In the case of an equality of votes, whether on a show of hands or on a poll, the Chairperson shall be entitled to a second or casting vote.
- 26.15 A person may participate in a general meeting by conference telephone or other communications equipment by means of which all the persons participating in the meeting can communicate with each other at the same time. Participation by a person in a meeting in this manner is treated as presence in person at that meeting. Unless otherwise determined by the Directors the meeting shall be deemed to be held at the place specified in the notice of the meeting.

27 Votes of Members

- 27.1 In the case of joint holders the vote of the senior holder who tenders a vote, whether in person or by proxy (or, in the case of a corporation or other non-natural person, by its duly authorised representative or proxy), shall be accepted to the exclusion of the votes of the other joint holders, and seniority shall be determined by the order in which the names of the holders stand in the Register of Members.
- 27.2 A Shareholder of unsound mind, or in respect of whom an order has been made by any court, having jurisdiction in lunacy, may vote, whether on a show of hands or on a poll, by his committee, receiver, *curator bonis*, or other person on such Shareholder's behalf appointed by that court, and any such committee, receiver, *curator bonis* or other person may vote by proxy.
- 27.3 No person shall be entitled to vote at any general meeting unless he is registered as a Shareholder on the record date for such meeting nor unless all calls or other monies then payable by him in respect of Shares have been paid.
- 27.4 No objection shall be raised as to the qualification of any voter except at the general meeting or adjourned general meeting at which the vote objected to is given or tendered and every vote not disallowed at the meeting shall be valid. Any objection made in due time in accordance with this Article shall be referred to the chairperson whose decision shall be final and conclusive.
- 27.5 On a poll or on a show of hands votes may be cast either personally or by proxy (or in the case of a corporation or other non-natural person by its duly authorised representative or proxy). A Shareholder may appoint more than one proxy or the same proxy under one or more instruments to attend and vote at a meeting. Where a Shareholder appoints more than one proxy the instrument of proxy shall state which proxy is entitled to vote on a show of hands and shall specify the number of Shares in respect of which each proxy is entitled to exercise the related votes.
- 27.6 On a poll, a Shareholder holding more than one Share need not cast the votes in respect of his Shares in the same way on any resolution and therefore may vote a Share or some or all such Shares either for or against a resolution and/or abstain from voting a Share or some or all of the Shares and, subject to the terms of the instrument appointing him, a proxy appointed under one or more instruments may vote a Share or some or all of the Shares in respect of which he is appointed either for or against a resolution and/or abstain from voting a Share or some or all of the Shares in respect of which he is appointed.

A proxy need not be a Shareholder.
- 28.2 The Directors may, in the notice convening any meeting or adjourned meeting, or in an instrument of proxy sent out by the Company, specify the manner by which the instrument appointing a proxy shall be deposited and the place and the time (being not later than the time appointed for the commencement of the meeting or adjourned meeting to which the proxy relates) at which the instrument appointing a proxy shall be deposited. In the absence of any such direction from the Directors in the notice convening any meeting or adjourned meeting or in an instrument of proxy sent out by the Company, the instrument appointing a proxy shall be deposited physically at the Registered Office not less than 48 hours before the time appointed for the meeting or adjourned meeting to commence at which the person named in the instrument proposes to vote. Provided always that no account shall be taken of any day or part thereof

which is not a “working day” for the purposes of Article 96(4B) of the Law in determining such 48 hour period.

- 28.3 The Chairperson may in any event at his discretion declare that an instrument of proxy shall be deemed to have been duly deposited. An instrument of proxy that is not deposited in the manner permitted, or which has not been declared to have been duly deposited by the chairperson, shall be invalid.
- 28.4 The instrument appointing a proxy may be in any usual or common form (or such other form as the Directors may approve) and may be expressed to be for a particular meeting or any adjournment thereof or generally until revoked. An instrument appointing a proxy shall be deemed to include the power to demand or join or concur in demanding a poll.
- 28.5 Votes given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the previous death or insanity of the principal or revocation of the proxy or of the authority under which the proxy was executed, or the transfer of the Share in respect of which the proxy is given unless notice in writing of such death, insanity, revocation or transfer was received by the Company at the Registered Office before the commencement of the general meeting, or adjourned meeting at which it is sought to use the proxy.

- 31.2 At all time, there shall not be a majority of directors on the Board, including the Non-Executive Directors, tax resident in a particular jurisdiction other than the United Kingdom. 32 Powers of Directors

- 32.1 Subject to the provisions of the Law, the Memorandum, the Investment Agreement and the Articles and to any directions given by Special Resolution, the business of the Company shall be managed by the Directors who may exercise all the powers of the Company. No alteration of the Memorandum or Articles and no such direction shall invalidate any prior act of the

Directors which would have been valid if that alteration had not been made or that direction had not been given. A duly convened meeting of Directors at which a quorum is present may exercise all powers exercisable by the Directors.

- 32.2 All cheques, promissory notes, drafts, bills of exchange and other negotiable or transferable instruments and all receipts for monies paid to the Company shall be signed, drawn, accepted, endorsed or otherwise executed as the case may be in such manner as the Directors shall determine by resolution.

Within two Business Days of expiry of the initial 10 Business Day period or receipt of waivers from the Major Shareholders, as the case may be, the Company (or failing which the Major Shareholder) shall circulate any Slate(s) to the Major Shareholders for approval by Major Shareholder Majority. Once approved the appointment or approval shall be automatic, subject to receipt by the Company of KYC. A maximum of one Slate may be approved at any one time, and the nominating Substantial Shareholder(s) shall be entitled to vote on the proposed Slate(s), including the Slate which that Substantial Shareholder has itself proposed. If a Slate is not approved or is rejected in favour of a differing Slate, the Substantial Shareholder who proposed such Slate may not nominate a further Slate for a period of 12 months. If a Slate is accepted, the independent directors named therein shall be appointed and any existing independent director who is not named on the Slate shall be removed from office. For the avoidance of doubt, a Substantial Shareholder who has a Slate approved shall not be prohibited from proposing future Slate(s) unless and until any such Slate(s) are rejected. Each director appointed in accordance with this Article 34.1 will be a "**Non-Executive Director**".

A Dividend shall be deemed to be an interim Dividend unless the terms of the resolution pursuant to which the Directors resolve to pay such Dividend specifically state that such Dividend shall be a final Dividend.
- 48.2 Except as otherwise provided by the rights attached to any Shares, all Dividends and other distributions shall be paid according to the par value of the Shares that a Shareholder holds. If any Share is issued on terms providing that it shall rank for Dividends as from a particular date, that Share shall rank for Dividends accordingly.

- 48.5 Except as otherwise provided by the rights attached to any Shares, Dividends and other distributions may be paid in any currency. The Directors may determine the basis of conversion for any currency conversions that may be required and how any costs involved are to be met.

In such event the Directors shall do all acts and things required to give effect to such capitalisation, with full power given to the Directors to make such provisions as they think fit in the case of Shares becoming distributable in fractions (including provisions whereby the benefit of fractional entitlements accrue to the Company rather than to the Shareholders concerned). In connection with any advance of any expenses hereunder, the Indemnified Person shall execute an undertaking to repay the advanced amount to the Company if it shall be determined by final judgment or other final adjudication that such Indemnified Person was not entitled to indemnification pursuant to this Article. If it shall be determined by a final judgment or other final adjudication that such Indemnified Person was not entitled to indemnification with respect to such judgment, costs or expenses, then such party shall not be indemnified with respect to such judgment, costs or expenses and any advancement shall be returned to the Company (without interest) by the Indemnified Person.
- 54.3 The Directors, on behalf of the Company, may purchase and maintain insurance for the benefit of any Director or other officer of the Company against any liability which, by virtue of any rule of law, would otherwise attach to such person in respect of any negligence, default, breach of duty or breach of trust of which such person may be guilty in relation to the Company.

55 Accounting Period

Unless the Directors otherwise prescribe, the accounting period of the Company shall end on 31 December in each year and, following the year of incorporation, shall begin on 1 January in each year.

ADJUSTMENTS TO WARRANT SHARES AND EXERCISE PRICE

- 1 If there is an Adjustment Event of the type described in Clause 5.5 other than Clause 5.5(d) whilst any of the Warrants are outstanding, the number of A Ordinary Shares to be, or capable of being, subscribed on any subsequent exercise of the Warrants and the Exercise Price will be adjusted in such manner as the Company's auditors shall certify to be necessary in order that, after such adjustment:
 - (a) the total number of A Ordinary Shares to be, or capable of being, subscribed on an Exercise will carry the same entitlement (expressed as a percentage of the total entitlement conferred by all the A Ordinary Shares) to participate in the profits and assets of the Company, as would the total number of A Ordinary Shares which could have been subscribed pursuant to the Exercise had there been no such adjustment and no such event giving rise to such adjustment;
 - (b) the aggregate Exercise Price payable in order to subscribe for all the A Ordinary Shares will be as nearly as possible the same as it was prior to such adjustment; and
 - (c) no fraction of a Warrant Share will be issued and therefore, in calculating the aggregate entitlement to additional Warrant Shares under paragraph 1, any entitlement to a fraction of a Warrant Share shall be rounded down to the nearest whole Warrant Share.
- 2 The Company will notify each Warrantholder in writing, following the occurrence of any such Adjustment Event, as soon as reasonably practicable and in any event no later than 15 Business Days after such an Adjustment Event has occurred and confirm any required updates to the Register to reflect the same.
- 3 If there is an Adjustment Event of the type described in Clause 5.5(d) whilst any of the Warrants are outstanding, the relevant recovery thresholds set out below shall be reduced by an amount equal to any amount of Return received by the Shareholders and the Exercise Price shall be reduced accordingly (using the same calculation as was used for calculating the original Exercise Price from the recovery thresholds set out in the table below):

Year in which completion of the relevant Exit must occur	Recovery threshold for Warrants
2021	\$2,216,000,000
2022	\$2,312,400,000
2023	\$2,408,800,000

For the purposes of this Schedule, "**Return**" means the aggregate return received by the Shareholders in respect of the A Ordinary Shares, loan notes or securities issued by any other subsidiary or holding company of Topco ("**Securities**") and all returns on Securities, dividends on Securities, redemptions of Securities by the Original Participating Creditors, repayment of loans (but not the interest thereon), proceeds of sale or realised value on a refinancing, prior to an Exit or otherwise, which results in a distribution of proceeds or other securities after deduction of all reasonable fees, costs and expenses (but for the avoidance of doubt prior to the effect of any tax) properly incurred by the Shareholder and their Affiliates, PROVIDED THAT there shall be no double-counting of Return if proceeds are received in respect of the sale or transfer of shares more than once.

SCHEDULE 3
THE REGISTER

- 1** An accurate register of entitlement to the Warrants (the “**Register**”) will be kept by the Company’s registrar, Crestbridge Limited of 47 Esplanade, St Helier, Jersey JE1 0BD, in which the Company will enter:

 - (a) the names and addresses of the persons for the time being entitled to be registered as the holders of the Warrants;
 - (b) the number of Warrants held by every registered holder and the date of issue of the Warrants; and
 - (c) the date on which the name of every registered holder is entered in the Register in respect of the Warrants in his name.
- 2** Any change of name or address on the part of a Warrantholder will forthwith be immediately notified to the Company by the Warrantholder which will cause the Register to be altered accordingly.
- 3** Any Warrantholder and any person authorised by any Warrantholder may at all reasonable times during office hours inspect the Register or request that the Company provides it with copies of or extracts from the Register or any part of it.
- 4** The Company shall recognise the registered Warrantholder as the absolute owner of the Warrants registered in his name and shall not be bound to take notice or see to the execution of any equitable interest or trust, whether express, implied or constructive, to which any Warrants may be subject. The Company may accept the receipt of the registered holder for the time being of any Warrants as a good discharge to the Company notwithstanding any notice it may have whether express or otherwise of the right, title, interest, claim of any person to or in the Warrants. No notice of any trust, express, implied or constructive shall (except as provided by statute or as required by order of a court of competent jurisdiction) be entered in the Register in respect of any Warrants.
- 5** Every Warrantholder will be recognised by the Company as entitled to its Warrants free from any equity, set-off or cross-claim on the part of the Company against the original or any intermediate holder of Warrants.

SCHEDULE 4

PART 1: TRANSFERS

1 Transfers

- (a) Subject to the terms and conditions of this Instrument and compliance with all applicable securities and regulatory laws, rules and consents (including, but not limited to, any limitation on the number of Warrant holders pursuant to the COBO Order) the Warrants may be transferred, in whole or in part, in accordance with this Schedule 4.
- (b) The Warrants may be transferred to:

 - (i) any Permitted Transferee, provided that the Warrants must be transferred back to the original transferor or another Permitted Transferee thereof at such time such transferee ceases to be a Permitted Transferee; or
 - (ii) to any other person, provided that prior consent of a Major Shareholder Majority has been obtained.
- (c) Every transfer of a Warrant will be made by an instrument of transfer in the form set out in part 2 of this Schedule 4 or in any other form which may be approved by the Directors.
- (d) The instrument of transfer of a Warrant will be executed by or on behalf of the transferor and on behalf of the transferee. The transferor will be deemed to remain the holder of the Warrant until the name of the transferee is entered in the Register in respect of the Warrant being transferred.
- (e) The Directors may decline to recognise any instrument of transfer of a Warrant: (i) if such transfer would cause any limitation on the number of Warrant holders pursuant to the COBO Order to be breached; and (ii) unless the instrument is deposited at the registered office of the Company and in the event that such transfer is not in accordance with the terms of this Instrument.
- (f) No fee will be charged for any registration of a transfer of a Warrant or for the registration of any other documents which in the opinion of the Directors require registration.
- (g) The registration of a transfer will be conclusive evidence of the approval by the Directors of such a transfer.

The passing of any Warrantholders' Resolution will be conclusive evidence that the circumstances of such resolution justified the passing of it.

APPENDIX 7

INSTRUCTIONS AND GUIDANCE FOR SCHEME CREDITORS

INSTRUCTIONS AND GUIDANCE FOR SCHEME CREDITORS

This Appendix 7 sets out instructions and guidance for voting at the Scheme Meeting and certain additional matters, including the distribution of Scheme Consideration.

Capitalised terms used in these instructions but not defined in it have the same meaning as given to them in the explanatory statement relating to the Scheme (the **Explanatory Statement**), subject to any amendments or modifications made by the Court.

All Scheme Creditors are requested to read:

- (1) **the details about the Scheme Meeting in paragraph 1 of this Appendix;**
- (2) **the guidance on voting procedures at the Scheme Meeting in paragraphs 3 and 4 of this Appendix;**
- (3) **the information about the role of the Information Agent in paragraph 5 of this Appendix;**
- (4) **the guidance on attending the Scheme Meeting in paragraph 6 of this Appendix;**
- (5) **the guidance on transfers and assignments after the Record Time in paragraph 7 of this Appendix; and**
- (6) **the guidance on the distribution of Scheme Consideration in paragraph 8 of this Appendix.**

Scheme Creditors who are Existing Noteholders are requested to also read paragraph 2 of this Appendix. If you are unsure whether you are an Existing Noteholder, please read paragraph 2 below.

As explained in section 6 of this Appendix, the Scheme Meeting will be a virtual meeting and therefore references in these instructions to attending the meeting and/or attending in person should be read as the context requires.

1. SCHEME MEETING

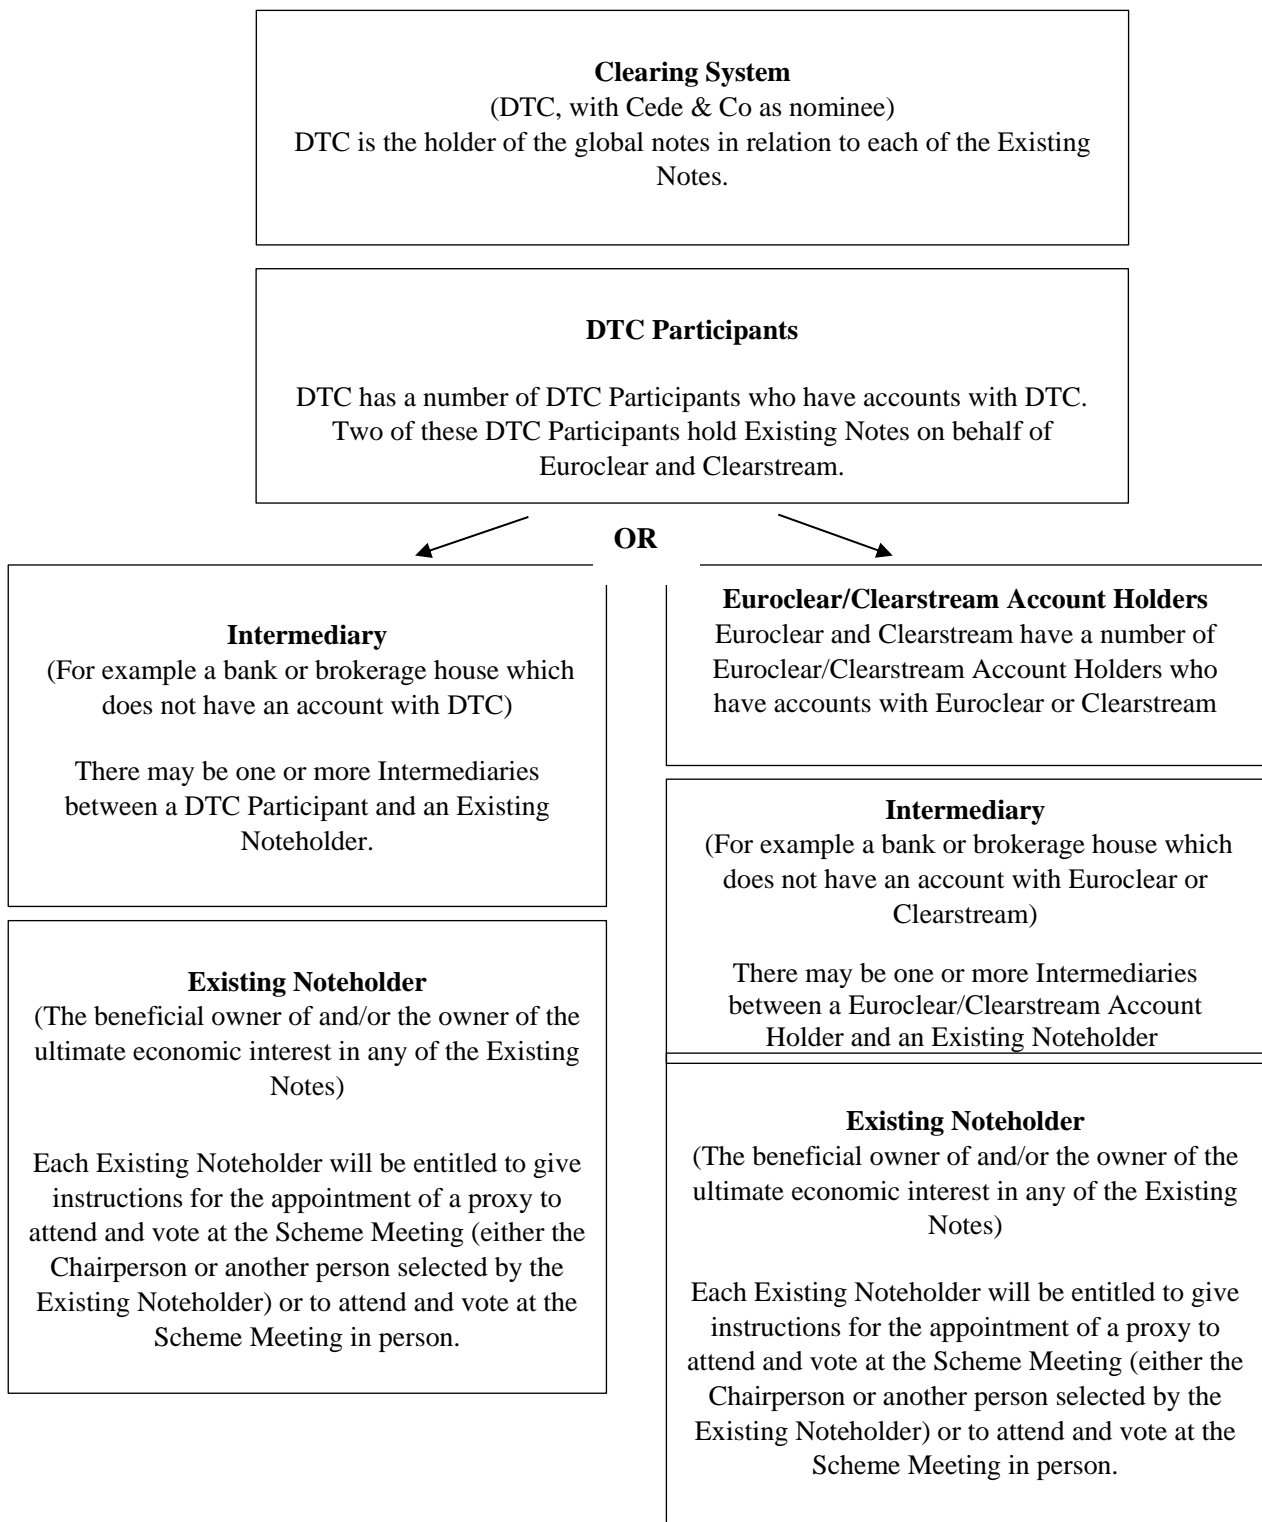

- (a) Before the Scheme can become effective and binding on the Company and the Scheme Creditors, a resolution to approve it must be passed by the requisite majorities of the Scheme Creditors required by section 899 of the Companies Act. The requisite majorities are a majority in number representing at least 75% in value of the Scheme Creditors who, being so entitled, are present in person, by a duly authorised representative if a corporation, or by proxy, and vote at the Scheme Meeting. The Scheme Meeting has been ordered by the Court to be summoned to take place by way of video conference on 30 October 2020 at 10:30 am (London time).
- (b) Formal notice of the Scheme Meeting is set out in Appendix 10 (Notice of Scheme Meeting) to this Explanatory Statement and such notice has been sent on behalf of the Company to the Scheme Creditors.
- (c) If the requisite majorities of the Scheme Creditors do not approve the Scheme at the Scheme Meeting, then the Group will not be able to implement the Restructuring.
- (d) The Scheme Creditors for the purposes of voting on the Scheme at the Scheme Meeting are the Existing Noteholders and the Lender Scheme Creditors. To avoid double counting in respect of the Scheme Claims, the Existing Trustee has confirmed that it will not exercise any voting rights to which

it may be entitled as a Scheme Creditor. It is customary that the Existing Depositary and Existing Custodian do not vote on the Scheme. The voting procedure for Existing Notes held through DTC (i.e. those Existing Noteholders with a DTC Book-Entry Interest) will be based on the Existing Custodian, in its capacity as nominee of DTC, in accordance with its usual procedures, appointing the DTC Participants as its sub-proxies under the Omnibus Proxy in respect of the principal amount of the Existing Notes shown on its records as being held by them as at the Principal Record Time, being 5:00 p.m. (New York time) on 26 October 2020.

2. OVERVIEW OF THE POSITION FOR SCHEME CREDITORS WHO ARE EXISTING NOTEHOLDERS

- (a) The Existing Custodian holds the Global Notes in DTC in relation to each of the Existing Notes.
- (b) Existing Noteholders either hold their Existing Notes via:
 - (i) DTC, either directly (a DTC Participant) or through an intermediary who is a DTC Participant; or
 - (ii) Euroclear or Clearstream (via certain DTC Participants who are holding Existing Notes for Euroclear or Clearstream, respectively), either directly (a Euroclear/Clearstream Account Holder) or through an intermediary who is a Euroclear/Clearstream Account Holder.
- (c) The following persons have interests in the Existing Notes:
 - (i) **DTC Participants:** You are a DTC Participant if you are recorded directly in the records of DTC as holding an interest in any Existing Notes in an account with DTC.
 - (ii) **Intermediaries:** You are an Intermediary if you hold an interest in Existing Notes on behalf of another person or other persons, and you do not hold that interest as an Account Holder.
 - (iii) **Euroclear/Clearstream Account Holders:** You are a Euroclear/Clearstream Account Holder if you are recorded directly in the records of Euroclear or Clearstream as holding an interest in the Existing Notes in an account with that Clearing System.
 - (iv) **Account Holders:** You are an Account Holder if you are either a DTC Participant or Euroclear/Clearstream Account Holder (i.e. the term Account Holders is used where a certain action or step is relevant to both a DTC Participant and a Euroclear/Clearstream Account Holder).
 - (v) **Existing Noteholder:** You are an Existing Noteholder if you have a beneficial interest in the Existing Notes held through and shown on, and transferred only through, records maintained in book entry form by a Clearing System at the Principal Record Time. For the avoidance of doubt, a person who is an Account Holder or Intermediary may also be an Existing Noteholder where they hold a beneficial interest in the Existing Notes.
 - (vi) Certain other persons, including the Existing Trustee, the Existing Depositary, the Existing Custodian and any other depositary for them.
- (d) Existing Noteholders, as the beneficial owners of and/or the persons with the ultimate economic interest in the Existing Notes, are Scheme Creditors.
- (e) The number of Existing Noteholders voting and the votes cast by them will be taken into account for both value and numerosity purposes in relation to the Scheme.

- (f) **Existing Noteholders are advised to check with the bank, securities broker, relevant DTC Participant, relevant Euroclear/Clearstream Account Holder or other intermediary through which they hold their existing notes whether such intermediary applies different deadlines for any of the events specified in relation to the Scheme.**
- (g) The following diagram illustrates the relationship between certain persons with interests in the Existing Notes (with the column on the left applying to those Existing Noteholders with Existing Notes held via DTC (those with a DTC Book-Entry Interest) and that on the right applying to those Existing Noteholders with Existing Notes held via Euroclear or Clearstream (those with a Euroclear/Clearstream Book-Entry Interest)).

3. VOTING

3.1 Scheme Meeting

- (a) Voting will take place at the Scheme Meeting by Scheme Creditors appearing in person, by a duly authorised representative or by proxy.

3.2 Voting Procedure

- (a) The voting procedures that a Scheme Creditor must follow are set out this section 3 (*Voting*). The procedure that must be followed will differ depending on the type of Scheme Creditor (for example, whether the Scheme Creditor is an Existing Noteholder or a Lender Scheme Creditor) and, in respect of Existing Noteholders, whether the Existing Notes are held (i) via Euroclear or Clearstream or (ii) via DTC.
- (b) There are three potentially applicable voting procedures. These are the voting procedures that apply to:
 - (i) Existing Noteholders with Existing Notes held via Euroclear or Clearstream (i.e. those with a Euroclear/Clearstream Book-Entry Interest);
 - (ii) Existing Noteholders with Existing Notes held via DTC (i.e. those with a DTC Book-Entry Interest); and
 - (iii) Lender Scheme Creditors.

3.3 Existing Noteholders with Existing Notes held via Euroclear or Clearstream

- (a) Each Scheme Creditor that is an Existing Noteholder with Existing Notes held via Euroclear or Clearstream should immediately contact its Euroclear/Clearstream Account Holder (through any Intermediaries, if appropriate) to ensure that a valid Account Holder Letter in respect of its Scheme Claim is delivered to and received by the Information Agent.
- (b) Each Existing Noteholder who wishes to vote at the Scheme Meeting must ensure that it or, if it is not a Euroclear/Clearstream Account Holder, its Euroclear/Clearstream Account Holder completes and submits to the Information Agent a valid Account Holder Letter in order to vote at the Scheme Meeting. **For the purposes of voting, Account Holder Letters must be delivered to and received by the Information Agent before the Voting Instruction Deadline, being 5:00 pm (London time) on 28 October 2020.**
- (c) A **valid** Account Holder Letter for the purposes of voting in respect of Existing Notes held via Euroclear or Clearstream means an Account Holder Letter which is signed by a Euroclear/Clearstream Account Holder (on its own behalf or on behalf of an Existing Noteholder) and in respect of which the following Parts of the Account Holder Letter have been completed:
 - (i) Part 1 (Administrative Information);
 - (ii) Part 2 (Existing Noteholder Scheme Claims (Euroclear/Clearstream)); and
 - (iii) Part 3 (Voting Instructions (Euroclear/Clearstream)).

In order to receive Scheme Consideration, the other relevant Parts of the Account Holder Letter must be signed and completed (as applicable).

- (d) **Existing Notes must be blocked by no later than the Custody Instruction Deadline, being 5:00 pm (New York time) on 26 October 2020 in accordance with the normal operating procedures imposed by Euroclear or Clearstream.** Any Existing Notes so held and blocked in Euroclear or Clearstream for this purpose shall be released to the Euroclear/Clearstream Account Holder or Euroclear or Clearstream:
- (i) if the Scheme is not approved at the Scheme Meeting, at the conclusion of the Scheme Meeting;
 - (ii) if the Scheme is approved at the Scheme Meeting but not sanctioned at the Sanction Hearing, at the conclusion of the Sanction Hearing;
 - (iii) if the Scheme is approved at the Scheme Meeting and sanctioned at the Sanction Hearing, but the Restructuring Effective Date does not occur on or before the Long Stop Date, on the Long Stop Date; or
 - (iv) if the Scheme is approved at the Scheme Meeting and sanctioned at the Sanction Hearing and the Restructuring Effective Date occurs on or before the Long Stop Date, on the Restructuring Effective Date (with such Existing Notes being cancelled in accordance with the Restructuring Implementation Deed).
- (e) The Information Agent will request that Euroclear or Clearstream (as applicable) confirms to its satisfaction that the relevant Existing Notes have been blocked with effect from or before the date of receipt by the Information Agent of an Account Holder Letter. In the event that Euroclear or Clearstream fails to do so, the Information Agent may reject that Account Holder Letter. In order to give the requested confirmation for the purpose of voting, Euroclear or Clearstream will need to have received the Custody Instructions no later than the Custody Instruction Deadline.
- (f) **Failure to deliver a valid Account Holder Letter by or on behalf of an Existing Noteholder by the Voting Instruction Deadline will mean that the voting instructions contained in that Account Holder Letter will be disregarded for the purposes of voting at the Scheme Meeting and the relevant Existing Noteholder will not be entitled to vote at the Scheme Meeting. Failure to deliver a valid Account Holder Letter by or on behalf of an Existing Noteholder by the Voting Instruction Deadline will also mean that the relevant Existing Noteholder and/or their Nominee (as applicable) will not receive the Scheme Consideration on Restructuring Effective Date and will instead have to wait for the Scheme Consideration to be allocated to them in accordance with the terms of the Holding Period Trust Agreement.**
- (g) If a person is in any doubt as to whether or not it is an Existing Noteholder, such person should contact the Information Agent.

3.4 Existing Noteholders with Existing Notes held via DTC

- (a) As a prerequisite to receiving the New Notes, all Existing Noteholders holding positions through DTC and outside Euroclear/Clearstream are strongly recommended to transfer their positions into an existing securities account with either Euroclear or Clearstream as soon as possible. This will greatly assist with settlement in respect of the New Notes.
- (b) If such transfer is not undertaken, each Scheme Creditor that is an Existing Noteholder with Existing Notes held via DTC (i.e. those Existing Noteholders with a DTC Book-Entry Interest) should immediately contact its DTC Participant (if applicable, or through any Intermediaries, if appropriate) to ensure that a valid Account Holder Letter in respect of its Scheme Claim is delivered to and received by the Information Agent.

- (c) Each Existing Noteholder who wishes to vote at the Scheme Meeting must ensure that it or, if it is not a DTC Participant, its DTC Participant completes and submits to the Information Agent a valid Account Holder Letter in order to vote at the Scheme Meeting. **For the purpose of voting, Account Holder Letters must be delivered to and received by the Information Agent before the Voting Instruction Deadline, being 5:00 pm (London time) on 28 October 2020.**
- (d) A **valid** Account Holder Letter for the purposes of voting in respect of Existing Notes held through DTC means an Account Holder Letter which is signed by a DTC Participant (on its own behalf or on behalf of an Existing Noteholder), guaranteed by an Eligible Institution and in respect of which the following Parts of the Account Holder Letter have been completed:
 - (i) Part 1 (Administrative Information); and
 - (ii) Part 4 (Existing Noteholder Scheme Claims and Voting Instructions (DTC)) which includes the Sub-Proxy.

In order to receive Scheme Consideration, the other relevant Parts of the Account Holder Letter must be signed and completed (as applicable) – see paragraph 8 below.

- (e) The voting procedures under this section assume that, in accordance with its usual procedures, the Existing Custodian appoints each of the DTC Participants through whom Existing Notes are held as its sub-proxies, in each case, under the Omnibus Proxy in respect of the principal amount of the Existing Notes shown on its records as being held by them (which is referred to as the Recorded Principal Amount) as at the Principal Record Time.
- (f) Only those DTC Participants shown in DTC's records on the Principal Record Time as holding a Recorded Principal Amount will be entitled to vote in respect of the Scheme or to appoint sub-proxies to enable their votes and those of Existing Noteholders who hold their Existing Notes through DTC Participants to be cast in respect of the Scheme in relation to their Recorded Principal Amount.
- (g) If a voting instruction contained in a Part 4 of the Account Holder Letter (the **Sub-Proxy**) relates to less than all Existing Notes held through a DTC Participant with DTC, that DTC Participant must indicate in the Sub-Proxy the aggregate amount (in integral multiples of \$1,000) of such Existing Notes to which such instruction relates. Otherwise, such Sub-Proxy will be deemed to relate to all such Existing Notes held through DTC.
- (h) By either delivering a Sub-Proxy, or instructing the DTC Participant through whom an Existing Noteholder holds Existing Notes to deliver a Sub-Proxy, that Existing Noteholder agrees that it will not sell or transfer any of the Existing Notes that are the subject of that Sub-Proxy until:
 - (i) if the Scheme is not approved at the Scheme Meeting, the conclusion of the Scheme Meeting;
 - (ii) if the Scheme is approved at the Scheme Meeting but not sanctioned at the Sanction Hearing, the conclusion of the Sanction Hearing;
 - (iii) if the Scheme is approved at the Scheme Meeting and sanctioned at the Sanction Hearing, but the Restructuring Effective Date does not occur before the Long Stop Date, the Long Stop Date; or
 - (iv) if the Scheme is approved at the Scheme Meeting and sanctioned at the Sanction Hearing and the Restructuring Effective Date occurs before the Long Stop Date, the Restructuring Effective Date (with such Existing Notes being cancelled in accordance with the Restructuring Implementation Deed).

- (i) **Failure to deliver a valid Account Holder Letter (including a Sub-Proxy) by or on behalf of an Existing Noteholder by the Voting Instruction Deadline will mean that the voting instructions contained in the Account Holder Letter will be disregarded for the purposes of voting at the Scheme Meeting and the relevant Existing Noteholder will not be entitled to vote at the Scheme Meeting.**
- (j) If a person is in any doubt as to whether or not it is an Existing Noteholder, such person should contact the Information Agent.

3.5 Term Loan Lenders, Revolving Lenders and the Existing Overdraft Provider (the Lender Scheme Creditors)

- (a) **For the avoidance of doubt, Lender Claim Forms should only be completed by lenders of record on the books of the relevant administrative agent. Creditors with a beneficial interest only cannot submit a Lender Claim Form themselves and are therefore recommended to contact their lender of record.**
- (b) Each Lender Scheme Creditor must ensure that it completes and submits to the Information Agent a valid Lender Claim Form in order to vote at the Scheme Meeting. **For the purpose of voting, Lender Claim Forms must be delivered to and received by the Information Agent before the Voting Instruction Deadline, being 5:00 pm (London time) on 28 October 2020.**
- (c) A **valid** Lender Claim Form for the purposes of voting for each Lender Scheme Creditor means a Lender Claim Form which is signed by a Lender Scheme Creditor and in respect of which the following Parts of the Account Holder Letter have been completed:
 - (i) Part 1 (Administrative Information); and
 - (ii) Part 2 (Proxy Form) (if applicable).

In order to receive Scheme Consideration, the other relevant Parts of the Lender Claim Form must be signed and completed (as applicable) – see paragraph 8 below.

3.6 All Scheme Creditors

- (a) Notwithstanding any other provision of this Explanatory Statement, the Chairperson will be entitled, at the sole discretion of the Chairperson, to permit a Scheme Creditor in respect of which a completed Account Holder Letter and/or Lender Claim Form has not been delivered prior to the Voting Instruction Deadline to vote at the Scheme Meeting if the Chairperson considers that the relevant Scheme Creditor has produced sufficient proof that it is a Scheme Creditor.
- (b) **Each Scheme Creditor is recommended to appoint a proxy (either the Chairperson or someone else of its choice who would be willing to attend the Scheme Meeting) in any event, even if that Scheme Creditor intends to attend and vote in person or by a duly authorised representative, if a corporation, in case such Scheme Creditor is unable to do so for some reason. If a Scheme Creditor appoints a proxy and then decides to attend and vote at the Scheme Meeting in person or by a duly authorised representative, if a corporation, that Scheme Creditor will be entitled to do so.**
- (c) Save as set out in paragraph 3.6(d) below, any Account Holder Letter and/or Lender Claim Form delivered to the Information Agent will be irrevocable.
- (d) An Account Holder Letter and/or Lender Claim Form which has been delivered to and received by the Information Agent prior to the Voting Instruction Deadline may be amended by a Scheme Creditor by delivering an updated Account Holder Letter and/or Lender Claim Form to the Information Agent at

any time prior to the Voting Instruction Deadline. If an updated Account Holder Letter and/or Lender Claim Form is received after the Voting Instruction Deadline, the Information Agent will decide (in its sole discretion) whether or not to accept such updated Account Holder Letter and/or Lender Claim Form.

4. ASSESSMENT OF SCHEME CLAIMS FOR VOTING PURPOSES

- (a) The amount of the Scheme Claims of each Scheme Creditor which submits a valid Account Holder Letter and/or Lender Claim Form (as applicable) in respect of their Scheme Claims will be calculated as at the Record Time based on information confidentially provided to the Company by the Information Agent and/or an Existing Administrative Agent. This information will be used by the Chairperson to determine whether the Scheme is approved at the Scheme Meeting. Accordingly, Scheme Creditors do not need to take any action in respect of confirming the amount of their Scheme Claims other than providing the details requested in the Account Holder Letter (no confirmations are required in the Lender Claim Form). However, Scheme Creditors may be requested by the Company to assist with confirming the amount of their Scheme Claims.
- (b) The nominal amount of Scheme Claims for voting purposes for each Scheme Creditor will be all amounts owed by the Obligors to that Scheme Creditor (in its capacity as such) at the Record Time (including, for the avoidance of doubt, any accrued and unpaid interest (including any default interest) or commitment fees in accordance with the terms of the Credit Agreement and/or Existing Indentures (as applicable)) based on information provided to the Company, or the Information Agent on its behalf, by (i) the Existing Noteholders in their Account Holder Letter, or (ii), in relation to the Lender Scheme Creditors, the relevant Existing Administrative Agent, or will otherwise be based on the Company's own books and records, information available to its financial and legal advisers and/or information provided to it.
- (c) Only those Scheme Creditors who (i) are Scheme Creditors at the Record Time and (ii) provide a validly completed and executed Account Holder Letter and/or Lender Claim Form (as applicable) to the Information Agent before the Voting Instruction Deadline are entitled to attend and vote at the Scheme Meeting in accordance with the procedures set out in more detail below.
- (d) The assessment of Scheme Claims for voting purposes shall be carried out by the Chairperson. The Chairperson may, for voting purposes only, reject a Scheme Claim in whole or in part if he/she considers that it does not constitute a fair and reasonable assessment of the relevant sums owed to the relevant Scheme Creditor by the relevant Obligor or if the relevant Scheme Creditor has not complied with the voting procedures described in this Explanatory Statement.
- (e) To the extent any amount owed under the Existing Overdraft Facilities are denominated in a currency other than U.S. dollars, that amount shall be converted into U.S. dollars using the HSBC Mid-Market Rate (or if the HSBC Mid-Market Rate is not accessible by the Company at the Existing Overdraft Record Time, the Bank of England Exchange Rate).
- (f) The Chairperson will report to the Court, at the Sanction Hearing (which it is anticipated will take place on 5 November 2020), his/her decision to reject Scheme Claims (if any), with details of those Scheme Claims and the reasons for rejection.
- (g) The admission and valuation of any Scheme Claim for voting purposes does not (in itself) constitute an admission of the existence or value of the Scheme Claim and will not bind the Company or the Scheme Creditor concerned.

5. INFORMATION AGENT

- (a) The Information Agent has been appointed to facilitate communications with Scheme Creditors. The Information Agent's remuneration and expenses, and all costs incurred by it on behalf of the Company,

will be met by the Company. The Information Agent is the agent of the Company and owes no duty to any Scheme Creditor, express or implied.

- (b) The Information Agent will use all reasonable endeavours to assist Scheme Creditors to complete their Account Holder Letters and/or Lender Claim Forms validly, should it receive any Account Holder Letters and/or Lender Claim Forms which are not validly completed. However, failure to deliver a valid Account Holder Letter and/or Lender Claim Form to the Information Agent in the manner and within the deadlines referred to therein will mean that the voting instructions contained in such Account Holder Letter and/or Lender Claim Form will be disregarded for the purposes of voting at the Scheme Meeting and the relevant Scheme Creditor will not be entitled to vote at the Scheme Meeting.
- (c) None of the Company, the Information Agent, the Holding Period Trustee, the Jersey Registrar or any other person will be responsible for any loss or liability incurred by a Scheme Creditor as a result of any determination by the Information Agent that an Account Holder Letter and/or Lender Claim Form contains an error or is incomplete, even if this is subsequently shown not to have been the case.

6. ATTENDING THE SCHEME MEETING

- (a) The Scheme Meeting will take place at 10:30 am (London time) on 30 October 2020 by way of video conference.
- (b) If a Scheme Creditor wishes to attend the Scheme Meeting, and has indicated the same in its Account Holder Letter and/or Lender Claim Form (as applicable), it should produce evidence of corporate authority (in the case of a corporation) (for example, a valid power of attorney and/or board minutes) and evidence of personal identity (a passport or other equivalent identification) to the Information Agent via email (kcadeutag@lucid-is.com) **no later than one hour before the scheduled time of the Scheme Meeting**. The Scheme Creditor will then receive an email with the video conference details and password from the Information Agent.
- (c) Any proxy attending the Scheme Meeting on behalf of a Scheme Creditor should, prior to the Scheme Meeting, provide the Information Agent with supporting evidence of his/her appointment if the Account Holder and/or Scheme Creditor (as applicable) is a corporate person (i.e. evidence of such proxy's authority). Where that evidence is sufficient to ascertain the person in question is the appointed proxy, that Scheme Creditor's proxy will be admitted to the Scheme Meeting (through receipt of an email with the video conference details and password). Similarly, where a natural person is appointed as proxy, that natural person will be required to provide evidence of his/her personal identity (a passport or other equivalent identification).

7. TRANSFERS AND ASSIGNMENTS AFTER THE RECORD TIME

Under the terms of the Scheme, the Company shall not be under any obligation to recognise any purported assignment or transfer of any Scheme Claims by a Scheme Creditor following the Record Time for the purposes of the Scheme or the Implementation Documents (including but not limited to determining the applicable allocation of Scheme Consideration). Notwithstanding the foregoing, where the Company has received from the relevant parties written notice of such purported assignment or transfer, the Company may in its absolute discretion, and subject to such evidence as it may reasonably require, agree to recognise such purported assignment or transfer, subject to the assignee or transferee agreeing to be bound by the terms of this Scheme and to be treated as having been a Scheme Creditor for the purposes of the Scheme.

8. DISTRIBUTION OF SCHEME CONSIDERATION AND JERSEY NEWCO KYC

- (a) Scheme Creditors are advised to read in full the Restructuring Implementation Deed, the Holding Period Trust Agreement (which is attached at part 9 (Holding Period Trust Agreement) of schedule 2 (Key Restructuring Documents) to the Restructuring Implementation Deed and appended to the

Explanatory Statement at Part 9 (Holding Period Trust Agreement) of Appendix 4 (Key Restructuring Documents)) and the summary of the Holding Period Trust Agreement in section 5 (Holding Period Trust Agreement) of Part 6 (Summary of the Key Restructuring Documents) of the Explanatory Statement.

- (b) In order to receive its Scheme Creditor Entitlements in accordance with the terms of the Restructuring Implementation Deed, each Scheme Creditor must:

 - (ii) submit the correct Jersey Newco KYC to the Jersey Registrar by the Voting Instruction Deadline (and the Information Agent must have received confirmation from the Jersey Registrar that all Jersey Newco KYC has to its been completed to its satisfaction in respect of such Scheme Creditor (or its Nominee, if applicable) no later than five Business Days before the Restructuring Effective Date) in relation to the Jersey Newco Consideration Shares.
- (c) The Schedule to the Account Holder Letter and/or Lender Claim Form sets out the initial Jersey Newco KYC required by the Jersey Registrar from each Scheme Creditor or its Nominee (if applicable).
- (d) If a Scheme Creditor would like to receive Jersey Newco Consideration Shares on the Restructuring Effective Date, it must ensure that the Jersey Newco KYC is provided in a form satisfactory to the Jersey Registrar in respect of the legal person which will receive the Jersey Newco Consideration Shares (either the Scheme Creditor or its Nominee (if applicable)) by the Voting Instruction Deadline and, in the case of any supplementary information requested by the Jersey Registrar, by no later than the date falling no later than five Business Days before the Restructuring Effective Date.
- (e) Once compiled, the relevant information in the Schedule should be sent to the Jersey Registrar at the following email address: projectkelly@crestbridge.com.
- (f) For any queries related to the Jersey Newco KYC that must be provided, Scheme Creditors should contact the Jersey Registrar at projectkelly@crestbridge.com or by telephone on +44 1534 835950. The Information Agent cannot assist with any queries related to the Jersey Newco KYC.
- (g) A **valid** Account Holder Letter for the purposes of receiving Scheme Consideration means an Account Holder Letter which is signed by an Account Holder (on its own behalf or on behalf of an Existing Noteholder) and in respect of which the following Parts of the Account Holder Letter have been completed:
- (i) Part 1 (Administrative Information);
 - (ii) Part 2 (Existing Noteholder Scheme Claims (Euroclear/Clearstream)) (if applicable);
 - (iii) Part 4 (Existing Noteholder Scheme Claims and Voting Instructions (DTC)) (if applicable);

In order to vote at the Scheme Meeting, the other relevant Parts of the Lender Claim Form must be signed and completed (as applicable) – see paragraph 3 above.

- (i) A Scheme Creditor must be an Eligible Person to receive Scheme Consideration. If the Scheme Creditor is not an Eligible Person, in the Account Holder Letter and/or Lender Claim Form, a Scheme Creditor may appoint a Nominee (who must be an Eligible Person) to receive the New Notes and/or Jersey Newco Consideration Shares to which it is entitled.
- (j) Failure to deliver a valid Account Holder Letter and/or Lender Claim Form before the Voting Instruction Deadline, and/or failure to submit the correct Jersey Newco KYC to the Jersey Registrar will mean that the Scheme Creditor will be an Unadmitted Scheme Creditor and will not receive all or part (as applicable) of its Scheme Creditor Entitlements in accordance with the terms of the Restructuring Implementation Deed on the Restructuring Effective Date.
- (k) Following receipt by the Information Agent from an Unadmitted Scheme Creditor of a valid Account Holder Letter and/or Lender Claim Form which is completed and delivered to and received by the Information Agent after the Voting Instruction Deadline but before the end of the Holding Period, and following confirmation to the Information Agent from the Jersey Registrar before the end of the Holding Period that all Jersey Newco KYC has been completed by an Unadmitted Scheme Creditor (or its Nominee, if applicable) in relation to the Jersey Newco Consideration Shares, the relevant Unadmitted Scheme Creditor (or, to the extent applicable, its Nominee) will receive all or part (as applicable) of its Scheme Creditor Entitlements in accordance with the terms of the Restructuring Implementation Deed and Holding Period Trust Agreement (including any interest, any dividends, or other payments received by the Holding Period Trustee in respect of such Scheme Consideration, in each case net of fees, taxes and expenses) as soon as reasonably practicable and in accordance with the terms of the Restructuring Implementation Deed and Holding Period Trust Agreement.

PURPOSE OF THIS ACCOUNT HOLDER LETTER

Capitalised terms used in this Account Holder Letter but not defined in it have the same meaning as given to them in the explanatory statement relating to the Scheme (the **Explanatory Statement**), subject to any amendments or modifications made or approved by the Court.

Persons who are Euroclear/Clearstream Account Holders, and persons who are DTC Participants (whom together with Euroclear/Clearstream Account Holders, are referred to as Account Holders) must use this Account Holder Letter to: (i) register details of either their interests in the Existing Notes or the interests of another Scheme Creditor on whose behalf they are acting, (ii) vote in respect of the Scheme and (iii) provide the necessary information and confirmations in order to receive the Scheme Consideration. A summary of what is required from each Account Holder is set out at pages 9 to 12 of this letter.

For the avoidance of doubt, as the term Account Holder includes both DTC Participants and Euroclear/Clearstream Account Holders, any action or step required by an Account Holder is required by both DTC Participants and Euroclear/Clearstream Account Holders. Where an action or step is limited to just a DTC Participant or just a Euroclear/Clearstream Account Holder, the relevant term DTC Participant or Euroclear/Clearstream Account Holder (as applicable) will be used.

If the documents and information required by this Account Holder Letter are not submitted to the Information Agent by the Voting Instruction Deadline, being 5:00 pm (London time) on 28 October 2020, the relevant Existing Noteholder will not be eligible to receive the Scheme Consideration (comprising the New Notes and the Jersey Newco Consideration Shares) on the Restructuring Effective Date.

Scheme Creditors are strongly encouraged to appoint a proxy (either the Chairperson or another person of their choice who is willing to attend the Scheme Meeting) by completing and submitting the relevant sections of this Account Holder Letter and, for those attending the Scheme Meeting in person or appointing a proxy other than the Chairperson, their relevant identification documents prior to the Voting Instruction Deadline, even if they intend to attend and vote in person, in case they are unable to do so for any reason.

As explained in Appendix 7 (Instructions and Guidance for Scheme Creditors) to the Explanatory Statement, the Scheme Meeting will be a virtual meeting and therefore references in this document to attending the meeting and/or attending in person should be read as the context requires.

A separate Account Holder Letter must be completed for each separate beneficial holding of/interest in the Existing Notes.

This Account Holder Letter is only to be completed by Existing Noteholders, Account Holders (if different) and, if applicable, any Nominees. If an Existing Noteholder is appointing one or more Nominees to receive any of its Scheme Creditor Entitlements, the relevant Existing Noteholder and each Nominee must complete Section 3 of Part 5 of this Account Holder Letter, to be delivered to the Information Agent along with this Account Holder Letter.

THIS ACCOUNT HOLDER LETTER IS NOT TO BE DISTRIBUTED TO OR ACCESSED BY (I) ANY PERSON LOCATED OR RESIDENT IN THE UNITED STATES OTHER THAN QUALIFIED INSTITUTIONAL BUYERS OR INSTITUTIONAL ACCREDITED INVESTORS, (II) (FOR CERTAIN SECURITIES) ANY U.S. PERSON OUTSIDE THE UNITED STATES OR (III) ANY RETAIL INVESTORS IN THE EUROPEAN ECONOMIC AREA OR THE UNITED KINGDOM.

THIS DOCUMENT DOES NOT CONSTITUTE OR FORM PART OF ANY OFFER OR INVITATION TO SELL OR ISSUE, OR ANY SOLICITATION OF ANY OFFER TO PURCHASE OR SUBSCRIBE FOR, ANY SECURITIES.

Confirmation of your representations: By receiving this Account Holder Letter, you have confirmed that:

- (a) you are either: (x) an institutional "accredited investor" as defined in Rule 501(a)(1), (2), (3) or (7) under the Securities Act; (y) a "qualified institutional buyer" as defined in Rule 144A under the Securities Act; or (z) receiving the relevant securities in an offshore transaction in accordance with Regulation S under the Securities Act (and, in case of the Regulation S New Notes, not a "U.S. person" under the meaning of Regulation S under the Securities Act);
- (b) you are not a retail investor in the European Economic Area or the United Kingdom (defined as a person who is one (or more) of: (x) a retail client as defined in point (11) of MiFID II; (y) a customer within the meaning of the Insurance Distribution Directive, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II or (z) not a qualified investor as defined in the Prospectus Regulation); and
- (c) you are not a Disqualified Person.

IF YOU ARE UNABLE TO CONFIRM THE REPRESENTATIONS SET FORTH ABOVE, YOU ARE NOT AN ELIGIBLE PERSON AND, UNLESS YOU APPOINT A NOMINEE WHO IS AN ELIGIBLE PERSON (PURSUANT TO PART 5 OF THIS ACCOUNT HOLDER LETTER), YOU ARE NOT ELIGIBLE TO RECEIVE OR REVIEW THIS ACCOUNT HOLDER LETTER AND SHOULD REFRAIN FROM ACCESSING, RELYING ON OR ACTING ON IT IN ANY WAY.

INSTRUCTIONS FOR THE COMPLETION AND SUBMISSION OF THIS ACCOUNT HOLDER LETTER

This Account Holder Letter is divided into six parts as summarised below.

Before any part of this Account Holder Letter is completed, Existing Noteholders should read the Scheme, the Restructuring Implementation Deed and the Explanatory Statement and, in particular, Appendix 7 to the Explanatory Statement (Instructions and Guidance for Scheme Creditors). The Scheme, the Restructuring Implementation Deed and the Explanatory Statement and all relevant associated documentation can be found via the Scheme Website at <http://www.lucid-is.com/kcadeutag>.

In order for an Existing Noteholder to vote at the Scheme Meeting and receive their Scheme Creditor Entitlements (through a Nominee(s), if applicable) on the Restructuring Effective Date, the validly completed Account Holder Letter(s) together with any accompanying documents or evidence must be submitted by an Account Holder to the Information Agent by the Voting Instruction Deadline online via <http://www.lucid-is.com/kcadeutag> or by email in PDF form to kcadeutag@lucid-is.com. In addition, to receive the Jersey Newco Consideration Shares on the Restructuring Effective Date, the Existing Noteholder (or its Nominee, if applicable) must have submitted all Jersey Newco KYC to the Jersey Registrar by the Voting Instruction Deadline (and the Jersey Registrar must have confirmed to the Information Agent that all Jersey Newco KYC in respect of the relevant Scheme Creditor (or its Nominee, as applicable) has been completed to its satisfaction no later than five Business Days prior to the Restructuring Effective Date).

In relation to an Account Holder Letter, **validly completed** means an Account Holder Letter which, to the satisfaction of the Information Agent (acting reasonably):

- (a) has had each relevant part and section thereof completed in full;
- (b) gives all required authorisations, confirmations and undertakings in the form requested therein; and
- (c) is executed in Part 2 thereof by the Account Holder, Part 4 by the DTC Participant and an Eligible Institution (if applicable) and, in the case of Part 6, by the Existing Noteholder and (if applicable) its Nominee(s).

IMPORTANT DEADLINES

A. FOR ACCOUNT HOLDERS HOLDING EXISTING NOTES VIA EUROCLEAR AND/OR CLEARSTREAM

Custody Instruction Deadline – 5:00 pm (New York time) on 26 October 2020

Existing Noteholders will receive notice of the elections required by this Account Holder Letter from their respective Euroclear/Clearstream Account Holders.

Once the Existing Noteholder has confirmed its consent to this notification, the Euroclear/Clearstream Account Holder must submit an electronic instruction to the Information Agent (via Euroclear and/or Clearstream) by no later than the Custody Instructions Deadline. The Euroclear/Clearstream Account Holder will receive a Custody Instruction Reference Number upon delivery of their instruction, and must include this in the Account Holder Letter submission where indicated.

ONCE THE ELECTRONIC INSTRUCTION IS SUBMITTED, THE RELEVANT EXISTING NOTES WILL BE BLOCKED IN THE CLEARING SYSTEMS. THE BLOCK WILL REMAIN IN PLACE UNTIL THE RESTRUCTURING EFFECTIVE DATE, OR SUCH EARLIER TIME SPECIFIED IN PART 2 OF THE SUMMARY OF CONTENTS OF THIS ACCOUNT HOLDER LETTER BELOW.

B. FOR ALL ACCOUNT HOLDERS

Parts 1 to 6 of this Account Holder Letter must be completed (if applicable) and submitted to the Information Agent by no later than the Voting Instruction Deadline, that is 5:00 pm (London time) on 28 October 2020, in order to vote on the Scheme and receive the Scheme Consideration on the Restructuring Effective Date. In addition, to receive the Jersey Newco Consideration Shares by the Restructuring Effective Date, (i) the Existing Noteholder (or its Nominee, if applicable) must have submitted all Jersey Newco KYC to the Jersey Registrar by the Voting Instruction Deadline and (ii) the Jersey Registrar must have confirmed to the Information Agent that all Jersey Newco KYC in respect of the relevant Scheme Creditor (or its Nominee, as applicable) has been completed to its satisfaction no later than five Business Days prior to the Restructuring Effective Date. A summary of how to submit your Jersey Newco KYC to the Jersey Registrar is set out below.

It is highly recommended that the completed Account Holder Letter is printed or saved as a PDF document after submission. You will receive acknowledgement of the online transmission of your submission together with the final PDF. Original paper copies of the Account Holder Letter are not required and should not be sent to the Information Agent.

All elections made in this Account Holder Letter shall, subject to verification by the Company and/or the Information Agent, be final and binding (save that you can submit an updated Account Holder Letter provided you do so before the Voting Instruction Deadline) on and from the date of submission of the Account Holder Letter to the Information Agent.

If the Scheme Effective Time occurs, the Scheme will become effective and binding on all Scheme Creditors, regardless of whether you voted in favour or against the Scheme or abstained from voting. The New Notes Entitlement and the Jersey Newco Shares Entitlement (which together comprise **the Scheme Creditor Entitlements**) will be delivered on or around the Restructuring Effective Date to you and/or your Nominee (as applicable) or, if you have not validly completed an Account Holder Letter(s), to the Holding Period Trustee.

Notwithstanding any other provision of this Account Holder Letter, any representation, undertaking or confirmation required to be given by an Existing Noteholder or its Account Holder or Nominee in this Account Holder Letter may be waived in writing by the Company and the Information Agent.

This Account Holder Letter and any non-contractual obligations arising out of or in relation to this Account Holder Letter shall be governed by, and interpreted in accordance with, English law.

SUMMARY OF CONTENTS OF THIS ACCOUNT HOLDER LETTER

THIS ACCOUNT HOLDER LETTER HAS SIX PARTS.

1. PART 1: ADMINISTRATIVE INFORMATION

*This part must be completed by **all** Account Holders.*

If the Account Holder is different to the Existing Noteholder, the Account Holder shall also specify the name of the Existing Noteholder on whose behalf this Account Holder Letter is being submitted. If there are multiple Existing Noteholders, a **separate Account Holder Letter** must be completed by an Account Holder in respect of each Existing Noteholder.

If the Account Holder and the Existing Noteholder are the same person or legal entity, any references in this Account Holder Letter to an "Account Holder" and "Existing Noteholder" shall be treated as interchangeable.

2. PART 2: EXISTING NOTEHOLDER SCHEME CLAIMS (EUROCLEAR/CLEARSTREAM)

*This part must be completed and signed by Euroclear/Clearstream Account Holders (i.e. in respect of Existing Notes held via Euroclear or Clearstream), **only**.*

Where a Euroclear/Clearstream Account Holder is acting on behalf of an Existing Noteholder who is its client then the Euroclear/Clearstream Account Holder must complete and sign this part on behalf of that Existing Noteholder. Please sign where indicated.

A Custody Instruction Reference Number in respect of any Existing Notes that are identified in Part 2 of this Account Holder Letter must first be provided by the Euroclear/Clearstream Account Holder by submitting its Custody Instructions to the relevant Clearing System (i.e. by way of electronic instruction) by the Custody Instruction Deadline of 5:00 pm (New York time) on 26 October 2020. Such Custody Instruction Reference Number must be specified in the space provided in Part 2 of this Account Holder Letter. Once the Euroclear/Clearstream Account Holder has submitted an electronic instruction, a block on the trading of the relevant Existing Notes will apply as from that time until:

- (a) if the Scheme is not approved at the Scheme Meeting, the conclusion of the Scheme Meeting;
- (b) if the Scheme is approved at the Scheme Meeting but not sanctioned at the Sanction Hearing, the conclusion of the Sanction Hearing;
- (c) if the Scheme is approved at the Scheme Meeting and sanctioned at the Sanction Hearing, but the Restructuring Effective Date does not occur before the Long Stop Date, the Long Stop Date; or
- (d) if the Scheme is approved at the Scheme Meeting and sanctioned at the Sanction Hearing and the Restructuring Effective Date occurs before the Long Stop Date, the Restructuring Effective Date (with such Existing Notes being cancelled in accordance with the Restructuring Implementation Deed).

Failure to include a valid Custody Instruction Reference Number will invalidate an Account Holder Letter, the voting instructions contained in that Account Holder Letter will be disregarded for the purposes of voting at the Scheme Meeting and the relevant Existing Noteholder will not be entitled to vote at the Scheme Meeting.

3. PART 3: VOTING INSTRUCTIONS (EUROCLEAR/CLEARSTREAM)

*This part must be completed and signed by Euroclear/Clearstream Account Holders (i.e. in respect of Existing Notes held via Euroclear or Clearstream), **only**.*

This part must be completed by the Euroclear/Clearstream Account Holder if it (or if different, the Existing Noteholder who is its client) wishes to vote on the Scheme. In order for the Euroclear/Clearstream Account Holder (or the Existing Noteholder, as applicable) to vote on the Scheme, this Account Holder Letter must be validly completed and submitted to the Information Agent by the Voting Instruction Deadline.

Where a Euroclear/Clearstream Account Holder (or if different, an Existing Noteholder, as applicable) or its proxy intends to attend the Scheme Meeting in person, a valid original passport or other original government issued photographic identification will be required as proof of personal identity and the passport or identification details contained therein must match those provided in Part 3 of this Account Holder Letter.

In addition, where a proxy is appointed to attend the Scheme Meeting in person and the Euroclear/Clearstream Account Holder (or the Existing Noteholder, as applicable) is a corporate person, evidence of the individual proxy's authority to attend the Scheme Meeting on behalf of the Euroclear/Clearstream Account Holder/the Existing Noteholder (for example, a valid power of attorney and/or board resolutions) will be required (unless the Chairperson has been selected as the proxy). If appropriate personal identification or evidence of authority is not produced, that person shall only be permitted to attend and vote at the Scheme Meeting at the discretion of the Chairperson.

Unless a Euroclear/Clearstream Account Holder (or if different, an Existing Noteholder) has selected the Chairperson as its proxy, any proxy attending the Scheme Meeting on behalf of a Euroclear/Clearstream Account Holder (or if different, an Existing Noteholder) should, prior to the Scheme Meeting, provide the Information Agent with supporting evidence of his/her appointment if the Account Holder (or if different, an Existing Noteholder) is a corporate person (i.e. evidence of such proxy's authority).

4. PART 4: EXISTING NOTEHOLDER SCHEME CLAIMS AND VOTING INSTRUCTIONS (INCLUDING SUB-PROXY) (DTC)

*This part must be completed and signed by DTC Participants in respect of Existing Notes held via DTC **only**.*

As a prerequisite to receiving the New Notes, all Account Holders and/or Existing Noteholders holding positions through DTC and not through Euroclear/Clearstream are strongly recommended to transfer their positions into an existing securities account with either Euroclear or Clearstream as soon as possible. On completion of such transfer, Account Holders and Existing Noteholders should refer to Part 3 above.

If no such transfer is completed, this part 4 should be completed by a DTC Participant if it (or if different, the Existing Noteholder who is its client) wishes to vote on the Scheme. In order for the DTC Participant (or the Existing Noteholder, as applicable) to vote on the Scheme, this Account Holder Letter must be validly completed and submitted to the Information Agent by the Voting Instruction Deadline. Please note that the DTC Participant's signature must be guaranteed by an Eligible Institution.

Where a DTC Participant (or if different, an Existing Noteholder, as applicable) or its proxy intends to attend the Scheme Meeting in person, a valid original passport or other original government issued photographic identification will be required as proof of personal identity and the passport or

identification details contained therein must match those provided in Part 4 of this Account Holder Letter.

In addition, where a proxy is appointed to attend the Scheme Meeting in person and the DTC Participant (or the Existing Noteholder, as applicable) is a corporate person, evidence of the individual proxy's authority to attend the Scheme Meeting on behalf of the DTC Participant/the Existing Noteholder (for example, a valid power of attorney and/or board resolutions) will be required (unless the Chairperson has been selected as the proxy). If appropriate personal identification or evidence of authority is not produced, that person shall only be permitted to attend and vote at the Scheme Meeting at the discretion of the Chairperson.

Unless a DTC Participant (or if different, an Existing Noteholder) has selected the Chairperson as its proxy, any proxy attending the Scheme Meeting on behalf of a DTC Participant (or if different, an Existing Noteholder) should, prior to the Scheme Meeting, provide the Information Agent with supporting evidence of his/her appointment if the DTC Participant (or if different, an Existing Noteholder) is a corporate person (i.e. evidence of such proxy's authority).

5. PART 5: SCHEME CREDITOR ENTITLEMENTS

5.1 U.S. Securities Elections

*This section must be completed by **all** Account Holders (i.e. by both DTC Participants and Euroclear/Clearstream Account Holders).*

This section must be completed by all Account Holders (or if different, an Existing Noteholder, as applicable) in order for the relevant Scheme Creditor to receive its Scheme Creditor Entitlements.

5.2 New Account Holder Details for Remaining DTC Noteholders

*This section must be completed by Account Holders in respect of Existing Notes held in DTC (i.e. for those Account Holders with a DTC Book-Entry Interest outside Euroclear/Clearstream) **only**.*

This section must be completed by Account Holders that hold Existing Notes via DTC in order for the relevant Scheme Creditor to receive its New Notes Entitlements through Euroclear or Clearstream as applicable.

5.3 Appointment of Nominee(s)

*This section must be completed by **any** Account Holders that wish to appoint one or more Nominees.*

This section must be completed by Account Holders (or, if different, an Existing Noteholder, as applicable) if it intends to appoint one or more Nominees (each of which must be an Eligible Person) to receive any of its Scheme Creditor Entitlements. Scheme Creditor Entitlements will not be allocated to any Existing Noteholder and/or Nominee which is not an Eligible Person.

5.4 Jersey Newco Consideration Shares KYC Requirements

*Jersey Newco KYC should be submitted by Existing Noteholders or their Nominee (if appointed), and this section must be confirmed as completed, by **all** Account Holders on behalf of Existing Noteholders.*

The Schedule to this Account Holder Letter sets out the initial Jersey Newco KYC required in respect of each Existing Noteholder and/or its Nominee (if appointed).

If an Existing Noteholder (or its Nominee (if applicable)) would like to receive the Jersey Newco Consideration Shares on the Restructuring Effective Date, Jersey Newco KYC in respect of the legal

person which will receive the Jersey Newco Consideration Shares (either the Exiting Noteholder and/or its Nominee (if appointed)) must be submitted by the Existing Noteholder to the Jersey Registrar by the Voting Instruction Deadline and the Jersey Registrar must have confirmed to the Information Agent that all Jersey Newco KYC in respect of the relevant Existing Noteholder (or its Nominee (if applicable)) has been completed to its satisfaction no later than five Business Days prior to the Restructuring Effective Date.

Please note that the relevant Jersey Newco KYC to be provided to the Jersey Registrar will depend on whether the legal person receiving the Jersey Newco Consideration Shares is a company or a limited partnership and accordingly, the relevant forms for each type of person are included in the Schedule.

Once completed, the relevant information in the Schedule should be sent to the Jersey Registrar at the following email address: projectkelly@crestbridge.com.

The Restricted Jersey Newco Consideration Shares, the Restricted New Notes, the Regulation S Jersey Newco Consideration Shares and the Regulation S New Notes are not being offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area or in the United Kingdom. The Scheme Consideration is only available to Scheme Creditors (in accordance with the terms of the Restructuring Implementation Deed) and any invitation, offer or agreement to subscribe for, purchase or otherwise acquire such Scheme Consideration will only be engaged in with relevant persons. Any invitation, offer or agreement to subscribe for, purchase or otherwise acquire such Restricted New Notes and Regulation S New Notes will only be engaged in with relevant persons. Any invitation, offer or agreement to subscribe for, purchase or otherwise acquire Restricted Jersey Newco Consideration Shares and Regulation S Jersey Newco Consideration Shares will only be engaged in with relevant persons. Any person who is not a relevant person should not act or rely on the Explanatory Statement or any of its contents.

2.1 General

The implications of the Scheme for Scheme Creditors who are resident in, have a registered address in or are citizens of and/or are taxable in jurisdictions other than the United Kingdom may be affected by the laws of the relevant jurisdiction. Any person outside the United Kingdom who is resident in, or who has a registered address in, or is a citizen of and/or is taxable in, an overseas jurisdiction and who is to receive or subscribe for any Scheme Consideration should consult his or her professional advisers and satisfy himself or herself as to the full observance of the laws of the relevant jurisdiction in connection with the Scheme, including obtaining any requisite governmental or other consents, observing any other requisite formalities and paying any issue, transfer or other taxes due in such jurisdiction.

In the absence of bad faith, none of Alpha, the Company, Jersey Newco, the New Trustee, the New Security Agent, the Information Agent or any person appointed to distribute the Scheme Consideration shall have any Liability for any loss or damage arising as a result of the timing or terms of such a sale or as a result of any remittance made pursuant to such distribution.

2.2 Non-Eligible Persons

Without limiting the information set out in the "Important Securities Law Notice" section of the Explanatory Statement, the New Notes and the Jersey Newco Consideration Shares will not be issued to a Scheme Creditor (and/or if appointed, its Nominee) pursuant to the Restructuring Implementation Deed on the Restructuring Effective Date where such a Scheme Creditor (and/or its Nominee) is not an Eligible Person.

Each Lender Scheme Creditor must use this letter to vote in respect of the Scheme and to provide details in order to receive the Scheme Consideration. A summary of what is required from each Lender Scheme Creditor is set out at pages 8 and 9 of this letter.

If the documents and information required by this Lender Claim Form are not submitted to the Information Agent by the Voting Instruction Deadline, being 5:00pm (London time) on 28 October 2020, the relevant Lender Scheme Creditor will not be eligible to receive the Scheme Consideration (comprising the New Notes and the Jersey Newco Consideration Shares) on the Restructuring Effective Date.

IF YOU ARE UNABLE TO CONFIRM THE REPRESENTATIONS SET FORTH ABOVE, YOU ARE NOT AN ELIGIBLE PERSON AND, UNLESS YOU APPOINT A NOMINEE WHO IS AN ELIGIBLE PERSON (PURSUANT TO PART 3 OF THIS LENDER CLAIM FORM), YOU ARE NOT ELIGIBLE TO RECEIVE OR REVIEW THIS LENDER CLAIM FORM AND SHOULD REFRAIN FROM ACCESSING, RELYING ON OR ACTING ON IT IN ANY WAY.

IMPORTANT NOTICE TO THE LENDER SCHEME CREDITORS

The nominal amount of Scheme Claims of each Lender Scheme Creditor (other than the Existing Overdraft Provider) for voting purposes and to calculate the Scheme Consideration will be all amounts owed by the Group to that Lender Scheme Creditor (in its capacity as such) as at the Principal Record Time (including, for the avoidance of doubt, any accrued and unpaid interest (including any default interest) and commitment fees in accordance with the Credit Agreement) based on information provided to the Company, or the Information Agent on its behalf, by the relevant Existing Administrative Agent or otherwise based on the Company's own books and records and/or information provided to it, or the Information Agent on its behalf, by or on behalf of a Lender Scheme Creditor.

The nominal amount of Scheme Claims of the Existing Overdraft Provider for voting purposes and to calculate the Scheme Consideration will be all amounts owed by the Group to the Existing Overdraft Provider (in its capacity as such), as at the Existing Overdraft Record Time (including, for the avoidance of doubt, any accrued and unpaid interest (including any default interest) and commitment fees in accordance with the Credit Agreement and the terms of the Existing Overdraft Facilities) based on the Company's own books and records and/or information provided to it, or the Information Agent on its behalf, by or on behalf of the Existing Overdraft Provider. To the extent any amount owed under the Existing Overdraft Facilities are denominated in a currency other than U.S. dollars, that amount shall be converted into U.S. dollars using the HSBC Mid-Market Rate (or if the HSBC Mid-Market Rate is not accessible by the Company at the Existing Overdraft Record Time, the Bank of England Exchange Rate).

This information will be used by the Chairperson to determine whether the Scheme is approved at the Scheme Meeting.

As such, Lender Scheme Creditors do not need to provide the Company with any information relating to the amount they are owed in connection with their Scheme Claims in this Lender Claim Form in order for the Chairperson to determine the value of their Scheme Claims. However, the Lender Scheme Creditors may be requested by the Company or the Information Agent to assist with confirming the amount of their Scheme Claims.

In order for a Lender Scheme Creditor to vote at the Scheme Meeting and receive their Scheme Creditor Entitlements (through a Nominee(s), if applicable) on the Restructuring Effective Date, the validly completed Lender Claim Form(s) together with any accompanying documents or evidence must be submitted by that Lender Scheme Creditor to the Information Agent by the Voting Instruction Deadline online via <http://www.lucid-is.com/kcadeutag> or by email in PDF form to kcadeutag@lucid-is.com. In addition, to receive the Jersey Newco Consideration Shares on the Restructuring Effective Date, the Lender Scheme Creditor (or its Nominee, if applicable) must have submitted all Jersey Newco KYC to the Jersey Registrar by the Voting Instruction Deadline (and the Jersey Registrar must have confirmed to the Information Agent that all Jersey Newco KYC in respect of the relevant Scheme Creditor (or its Nominee, as applicable) has been completed to its satisfaction no later than five Business Days prior to the Restructuring Effective Date).

In relation to a Lender Claim Form, **validly completed** means a Lender Claim Form which, to the satisfaction of the Information Agent (acting reasonably):

- (a) has had each relevant part and section thereof completed in full;
- (b) gives all required authorisations, confirmations and undertakings in the form requested therein; and
- (c) is executed in Part 2 by any Lender Scheme Creditor who wishes to appoint a proxy, and in Part 6 by the Lender Scheme Creditor and (if applicable) its Nominee(s).

IMPORTANT DEADLINE

This Lender Claim Form must be completed and submitted to the Information Agent by no later than the Voting Instruction Deadline, that is 5:00pm (London time) on 28 October 2020, in order to vote on the Scheme and receive the Scheme Consideration on the Restructuring Effective Date. It is highly recommended that the completed Lender Claim Form is printed or saved as a PDF document after submission. You will receive acknowledgement of the online transmission of your submission together with the final PDF. Original paper copies of the Lender Claim Form are not required and should not be sent to the Information Agent.

All elections made in this Lender Claim Form shall, subject to verification by the Company and/or the Information Agent, be final and binding (save that you can submit an updated Lender Claim Form provided you do so before the Voting Instruction Deadline) on and from the date of submission of the Lender Claim Form to the Information Agent.

If the Scheme Effective Time occurs, the Scheme will become effective and binding on all Scheme Creditors, regardless of whether you voted in favour or against the Scheme or abstained from voting. The New Notes Entitlement and the Jersey Newco Shares Entitlement (which together comprise the **Scheme Creditor Entitlements**) will be delivered on or around the Restructuring Effective Date to you and/or your Nominee (if applicable) or, if you have not validly completed a Lender Claim Form(s), to the Holding Period Trustee.

Notwithstanding any other provision of this Lender Claim Form, any representation, undertaking or confirmation required to be given by a Lender Scheme Creditor or Nominee in this Lender Claim Form may be waived in writing by the Company and the Information Agent.

This Lender Claim Form and any non-contractual obligations arising out of or in relation to this Lender Claim Form shall be governed by, and interpreted in accordance with, English law.

- (h) It understands that the transfer agent for the Restricted New Notes will not be required to accept for registration of transfer any Restricted New Notes acquired by the undersigned or any account of the undersigned, except upon presentation of evidence satisfactory to the Company, as the issuer, and the transfer agent that the foregoing restrictions on transfer have been complied with. The Restricted Jersey Newco Consideration Shares, the Restricted New Notes, the Regulation S Jersey Newco Consideration Shares and the Regulation S New Notes are not being offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area or in the United Kingdom. The Scheme Consideration is only available to Scheme Creditors (in accordance with the terms of the Restructuring Implementation Deed) and any invitation, offer or agreement to subscribe for, purchase or otherwise acquire such Scheme Consideration will only be engaged in with relevant persons. Any invitation, offer or agreement to subscribe for, purchase or otherwise acquire such Restricted New Notes and Regulation S New Notes will only be engaged in with relevant persons. Any invitation, offer or agreement to subscribe for, purchase or otherwise acquire Restricted Jersey Newco Consideration Shares and Regulation S Jersey Newco Consideration Shares will only be engaged in with relevant persons. Any person who is not a relevant person should not act or rely on the Explanatory Statement or any of its contents.

Any person outside the United Kingdom who is resident in, or who has a registered address in, or is a citizen of and/or is taxable in, an overseas jurisdiction and who is to receive or subscribe for any Scheme Consideration should consult his or her professional advisers and satisfy himself or herself as to the full observance of the laws of the relevant jurisdiction in connection with the Scheme, including obtaining any requisite governmental or other consents, observing any other requisite formalities and paying any issue, transfer or other taxes due in such jurisdiction.

In the absence of bad faith, none of Alpha, the Company, Jersey Newco, the New Trustee, the New Security Agent, the Information Agent or any person appointed to distribute the Scheme Consideration shall have any Liability for any loss or damage arising as a result of the timing or terms of such a sale or as a result of any remittance made pursuant to such distribution.

4. Non-Eligible Persons

Without limiting the information set out in the “Important Securities Law Notice” section of the Explanatory Statement, the New Notes and the Jersey Newco Consideration Shares will not be issued to a Scheme Creditor (and/or if appointed, its Nominee) pursuant to the Restructuring Implementation Deed on the Restructuring Effective Date where such a Scheme Creditor (and/or its Nominee) is not an Eligible Person.

- pursuant to drag-along, tag-along or leaver provisions;
- up to 50% of the Manager's securities to current spouse or civil partner or the trustees of a family trust, but the Manager must retain control over the rights attaching to the securities (including any voting and transfer rights) and the securities must be transferred back to the Manager or transferred to another

- to special purposes personal holding companies.

5 DRAG-ALONG RIGHTS

If shareholders wish to transfer more than 50% of the A ordinary shares in issue to any bona fide third party in one transaction or a series of connected transactions they can compel the other shareholders (the “**Dragged Shareholder(s)**”) to sell an equal proportion of their shares on the same terms (subject to any economic terms being in accordance with the waterfall) and conditions, provided that: (i) the consideration for such shares must be in: (a) cash; or (b) marketable securities (which shall not have been suspended from trading due to fraud or deficiencies in quality of corporate governance or financial reporting of their issuer at any time within the 12 months prior to the proposed transfer) listed on an internationally recognised and reputable stock exchange (or a combination of (a) and (b)); (ii) the Dragged Shareholder(s) shall only be required to give title and capacity warranties in respect of the Shares held by them.

6 TAG ALONG RIGHTS

If a shareholder or shareholders propose to transfer, in one transaction or a series of connected transactions:

- more than 50% of the A ordinary shares in issue to any party;
- more than 20% of the A ordinary shares in issue to any competitor of the group; or
- such number of the A ordinary shares that results in any party (together with any affiliated shareholders) holding more than 50% of the A ordinary shares in issue, and each subsequent occasion on which that party crosses a 10% threshold (i.e. 60/70/80/90%),

each Manager shall have the right to sell, and the proposed transferee shall be required to offer to purchase:

(i) a proportionate amount of their Sweet Equity (and any A ordinary shares); or

(ii) in circumstances where, following the proposed transfer(s), the proposed transferee will hold more than 75% of the A ordinary shares in issue, all of their Sweet Equity (and any A ordinary shares),

in each case on the same terms (subject to any economic terms being in accordance with the waterfall) and conditions. Transferee may not complete triggering purchase unless tag along rights are honoured (at the same time as the main transfer).

Where the transfer occurs in a series of connected transactions, the price payable to the tagging shareholders (subject to any economic terms being in accordance with the waterfall) shall be the highest

price paid by the transferee in the previous 12 months (for which purposes the value of the shares acquired as part of the restructuring shall be ignored).

If a shareholder (affiliated holdings being aggregated for this purpose) obtains 90% or more of the A ordinary shares they shall be entitled to require the other shareholders to sell all their shares at a price (subject to any economic terms being in accordance with the waterfall) no lower than the highest price the acquiring party paid for shares in the preceding 12 months (for which purposes the value of the shares acquired as part of the restructuring shall be ignored).
